In making his formal bow to the voters of Boone County, Mr. Kidwell stated: "It will be impossible for me to see all the voters of this county personally, but should I fail to see you, I want you to know that it is due to lack of time, and that I will greatly appreciate any support you give me in the primary election Saturday, August 1, 1953, and if re-elected promise to serve you to the best of my ability."

Tobacco Plants Damaged Slightly By Cold Weather

Diseases Can Cause Much Heavier Damage, Says County Agent.

The snow and freezing weather did some damage to tobacco plants in Boone County, but wildfire and insects could do more damage. Tobacco men should have good plants to have a good tobacco crop. All growers are urged to use bluestone lime to prevent wildfire, angular leafspot or rust in the plant bed.

To prepare bluestone-lime mixture: (1) Fill a clean 50-gallon barrel or oil drum one-fourths full of water strained through a cloth. (2) In one container thoroughly mix 4 pounds of fresh commercial hydrated lime in 3 or 4 gallons of strained water. (3) In another container dissolve 3 pounds of powdered bluestone in about 4 gallons of water. (4) Pour the lime paste into the barrel of water and stir vigorously. While stirring, add the bluestone solution slowly. (5) Add water to make 50 gallons.

Also we want to control our insects. The following are some of the insects and their control: Flea Beetle, D. D. T. dust; Grubworm, Parathion dust; Cutworm, D. D. T. dust and D. D. T. spray; and Wireworms, Chlordane of Aldren Dip, Lindane Dip, Chlordane "setting water," Aldrin "setting water," and Lindane "setting water."

Florence Lions Club Sell Brooms in Drive

Florence Lions Club opened its first fund-raising drive, a broom sale, April 23. Harley Fisk, chairman, originally had scheduled the sale to commence on April 18 but the unusual spring weather (a near blizzard) snowed out the project.

Mr. Fisk said the response to the sale was very encouraging. He noted that most of the members participating, about two dozen, reported for selling duty after work and had only about an hour to call on homes before darkness overtook them.

Most of the house-to-house callers worked in pairs. Mr. Fisk said the sale will continue as members are able to squeeze in selling time.

Proceeds from the profits on the broom sale will go into the club's eyesight conservation fund and civic improvement fund.

Following the sale the regular meeting was held with George Scott, president, in charge. Plans were discussed toward formation of a Ladies' Auxiliary to the club.

Boone County Women Launch Cancer Crusade

Mrs. W. D. Scroggin of Verona Is County Chairman.

About this time last year there appeared an article in this paper announcing the beginning of the Cancer Crusade for Boone County and listed the names of persons willing to "take time-out" and help solicit funds for scientific research, education, and cancer clinics. Since that time 216,800 persons perished from Cancer in spite of all that was done to fight this dreaded disease that strikes down both young and old alike. There are no words that could describe all the terrible hearts of loved ones and the broken knowledge that Cancer took those 216,800 people away from our land. This is one of the toughest fights our scientists have had to combat and only through the generous giving of both funds and time by our people, are we able to keep other thousands away from a Cancer grave.

The women of Boone County led a successful Cancer Crusade last year through the fine cooperation of hundreds of people who are well aware of how important each and every dollar is that is contributed to this cause. The 1953 Crusade was launched April 7th at a tea by Mrs. W. D. Scroggin at her home in Verona. Those present were: Mrs. Clayton Jones, Mrs. Geo. Bickers, Mrs. Findley Jacobs, Sr., Mrs. Findley Jacobs, Jr., Mrs. Lloyd Clements, Mrs. O. K. Powers, Mrs. Chas. Holder and Mrs. Denver Bender. In addition to those just mentioned, the following will also help solicit in the Walton area: Mrs. James Webster, Mrs. Mark Racy, Mrs. Earl Waters, Mrs. Walter D. Vest, Mrs. O. F. Young, Mrs. Wallace Grubbs, Jr., Mrs. Howard Stephens, Mrs. Kerfrew Brewer, Miss Shirley Brooks, Mrs. Leo Flynn, Mrs. David Houston and Mrs. Bryan Rector.

Cans to receive donations have already been placed in the following business places in the county: Gulf Oil Station, Smith's Grocery, Union Bank, Riddles Grocery, Union; Robinson's General Store, Richmond; Bi-County Farm Bureau, Devon; Seothorn's General Store, Idlewild; and Leonard Caldwell's at Mudlick Bridge.

Chairmen for each town in the County are as follows: Walton, Mrs. Clayton Jones; Verona, Mrs. John Schaefer; Beaver, Mrs. Fanny Howard; Burlington, Mrs. F. H. Rouse; Florence, Mrs. Paul Flickinger; Buellville, Mrs. S. B. Nunneley; Grant, Mrs. James Ransom; Petersburg, Mrs. Robert Christy; Hebron, Mrs. Omer Dolwick; Constance, Mrs. Ida Herbstreit. All of these ladies are well known thru-out the County for their interest in civic organizations and all assistance given them will be kindly appreciated in this worthwhile effort to do whatever we can to wipe out Cancer from our land. Just remember that no contribution is too small.

The quota for Boone County is \$1500 as set by the Kentucky Division of the American Cancer Society. May 10th is the closing date for the Crusade in Boone County.

School Survey Head Reports On State Study of Conditions

Questionnaires Will Reflect Opinion of Approximately 30,000.

Approximately 800 of the 1130 questionnaires seeking facts and opinions on the public school system have been returned with answers to the questions to Legislative Research Committee, at Frankfort. It was reported this week.

The questionnaires sent to committees throughout the state ask what is thought of the school system, if they are adequate and what is needed. The survey is being conducted by the Legislative Research Committee. The figures show that 101 out of the 228 school districts in the state have completed their work on the survey.

The questionnaires finally will reflect the opinions of 25,000 to 30,000 Kentuckians. It was estimated by Dr. A. Y. Lloyd, director of the research commission.

He explained that some committees had made copies of the questionnaires and sent the on to pupils' parents for reply. These committees' replies then represented a consensus of their own and

other interested persons' views. Dr. Lloyd said several school superintendents told him at the recent Kentucky Education Association meeting in Louisville, "this survey is the finest thing that has ever happened to Kentucky schools, even if no new laws are passed as a result of it."

Superintendents reported the survey had resulted in intense study of educational problems and needs by many local groups.

The five questionnaires dealt with school problems, professional staffs, buildings, transportation and finance. Some questions required factual answers about the present status of these phases of education, others called for opinions about what is needed.

Robert McMullen, of Union R. 1 was a pleasant caller at The Recorder office Friday morning, renewing his subscription for another year.

Local Girl Will Play With Ft. Wayne Nine In Exhibition Games

Scheduled At Covington Park May 9 and 10; Pat Scott, Ace Hurler.

The Fort Wayne Daisies, 1952 champions of the All American Girls Baseball League, and the Kalamazoo Lassies of the same league will play two exhibition games at the Covington ball park May 9 and 10th.

The appearance of the league champions will give Kentucky fans an opportunity to see one of the league's outstanding pitchers. Scott, who for several years was a favorite pitcher for the Covington Bees softball team, is beginning her third year in the AGBL.

Scott was a big cog in the Daisies' drive to the league pennant last year. She won 17 games and lost seven for a .708 average and an earned run average of 2.05. The right-hander had 60 strike outs last season.

The two games at Covington will be part of a 13-game exhibition schedule to be played by Fort Wayne and Kalamazoo. The Lassies, with a strengthened team this year, promise to be a serious contender for the loop championship.

Kentucky fans will have an opportunity to see one of the league's all-time great performers in Betty Foss, power-hitting first baseman for the Daisies. Last year Foss led the league in runs scored with 81, total hits with 137, total bases with 209, doubles with 26, triples with 17 and runs batted in with 74. She finished the season with a hefty .331 batting average and wound up in second spot in the league hitting just a few percentage points behind her teammate, Jo Weaver, who had a .344 average to top the league sluggers.

Appearing with the Kalamazoo Lassies will be Dottie Schroeder, one of the league's most popular players. The attractive pig-tailed shortstop figured in more double plays than any other shortstop in the league last year. Kalamazoo also has a hard-hitting outfielder in Doris Sams, who led the league in home runs in 1952 with 12. She carried a hefty .314 batting average at the end of the season to finish in fourth place in the league standings.

All American Girls League baseball is not to be confused with softball. Pitchers use an overhead pitch with a 10-inch ball which is just a trifle larger than the 9-1/2-inch regulation baseball. The pitching mound is four feet closer to home plate and the base paths are 74 feet in length. Otherwise the game is the same as baseball.

The two teams will open their spring training season May 4 at Pokagon State Park in the heart of the Indiana lakes region and then embark on their four-state exhibition tour which will take them into Kentucky, Ohio, Michigan and Indiana.

Boone Sheepmen Urged To Pool 1953 Clip

H. E. White, president of the Boone County Wool Pool, urges all sheepmen to pool their wool. He stated that wool sales are on sale at the following places:

Walton — Conrad's Hardware Store.
Florence — Florence Feed Store.
Burlington — Guley & Pettit Store.
Hebron — Goodridge Store.

Mr. and Mrs. George Loudon spent the week-end with Mr. and Mrs. Walter Horton.

Body Of Florence Youth Recovered From Ohio River

Drowned Near Big Bone Island February 15 When Boat Was Submerged.

The body of William Thomas Daulton, 17, of Kentaboo Drive, Florence, was found floating in the Ohio River Monday night off the farm of Ryle Ewhanks in Gallatin County. The youth was identified positively by relatives.

The youth drowned February 15 near Big Bone Island at the mouth of Big Bone Creek in Boone County. He and two companions, Harry G. Dames, 19, and William Hennehan, 18, both of Florence, were in a small boat, which was submerged in the waves from a passing steamer.

Two of the trio made their way safely to shore, but the Daulton boy sank, and although extensive dragging operations were carried on, the body could not be recovered.

The body of the youth was discovered floating near the surface by a tug boat crew. They tied it to a tree on the shore, and reported the matter at Dam 38.

The body was identified by the youth's brother-in-law, Jack Rector, Florence.

The youth was a student at Florence High School where he was a member of the basketball and football team.

He is survived by his parents, Mr. and Mrs. Harry Daulton; three brothers, Robert and Harry Daulton, Jr., Florence and Pfc. James Otis Daulton, with the Army in Korea; three sisters, Alice Jean Daulton at home and Mrs. Virginia Tanner and Mrs. Jack Rector, both of Florence.

Funeral services were conducted at the grave, Hopeful Cemetery at 1:00 a. m. Wednesday. Ralph Stith Florence funeral director was in charge of arrangements.

Eleven Boone County Men Inducted Into U. S. Armed Forces April 21

Eleven Boone County men were inducted into the U. S. Armed Forces Tuesday, April 21 at the Cincinnati Induction Center.

Those inducted are as follows: Robert Slayback, Jr., Walton; Stanley Aylor, Burlington R. 1; Frank Hitzfeldt, Petersburg; Robert Conrad, Burlington R. 1; Lawrence Dempsey, Walton R. 2; John Huff, Walton Star Route; Terry Lohre, Florence; Albert Baumgartner, R. 1, Florence; Willard Henneman, Florence; Ralph Wolfe, Crittenden R. 2; James Stephens, Petersburg.

Three men will be called for induction from Boone County during the month of May, according to C. G. Kelly, Clerk of Draft Board 108, Burlington. Ten men will receive their preinduction examination April 27 and ten April 28th.

Mrs. Al Steltenkamp, of Covington, called on Mrs. Bernice Snyder Saturday afternoon.

Fire Losses In County Reported At \$9,951 For '52

Twelve Fires Reported By State Fire Marshal J. T. Underwood, Jr.

Fire losses in Boone County in 1952 totaled \$9,951, according to a report released today by State Fire Marshal J. T. Underwood, Jr. There were 12 fires listed in the report.

Reported fire losses for the entire state amounted to \$13,812,434, the greatest figure on record and \$2,911,486 above the losses for 1951. The release was based on reports made to the Fire Prevention and Rates Division of the Department of Insurance by insurance organizations.

There were 5,906 fires in the state, compared to 4,931 for the previous year. There were 3,430 fires for a total loss of \$5,739,390 in areas protected by fire departments and 2,408 fires resulting in loss of \$8,032,141 in unprotected areas. An additional 71 fires for a loss of \$40,903 occurred in areas where it is not known whether there was fire protection.

The fire marshal said the increase in reported losses last year was part of a national trend and that it was partially due to a more efficient system of reporting fires.

Two counties, Elliott and Owsley, did not report any fires during the year.

Dual-Range Truck Hydra-Matic* unerringly selects the right gear ratio for all needs—automatically.

8.0 to 1 compression—highest of any gasoline truck engine—extracts more punch, faster response, from non-premium fuel.

Hydra-Matic's 3-speed range for traffic, 4-speed range for open going, cuts engine rpm to the minimum needed for the job.

Hydra-Matic's fluid coupling prevents engine strains, shock loading of drive line and rear axle, reducing servicing and repair needs.

Better acceleration without shifting lag, cuts "traffic light time" at every stop.

Elimination of clutch-and-gearshift effort keeps drivers fresher, more alert to accident hazards.

**May Be Season
For Blue Mold**

The possibility of the blue mold disease appearing in tobacco plant

beds is brought out by Dr. W. D. Valleau, plant pathologist at the University of Kentucky Experiment Station. The early sowing of many beds will mean more time for blue mold spores to be blown into Ken-

tucky, he said.

Serious outbreaks of blue mold occurred in Kentucky in 1937 and 1945.

D. Valleau advised farmers to have ferah or zineb on hand to use on plant beds immediately upon the appearance of blue mold.

Rolihill's Lady Janet A. 180941, a registered Brown Swiss cow owned by John A. Caldwell, Burlington, Ky., has recently completed a 304-day lactation record on Herd Test of 10544.2 lbs. milk, 4.00% 422.00 lbs. fat on two times a day milking, according to Fred S. Idtse, Secretary of The Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin.

**Florence Precinct
Over Top In Red
Cross Fund Drive**

The Florence Precinct, under the chairmanship of Mrs. Virginia Goodridge, has gone over the top in the current Red Cross Fund Drive. The quota for Florence was \$850.00 and to date Mrs. Goodridge and her solicitors have collected \$903. Mrs. Goodridge would like to extend thanks and appreciation to the fine work of the solicitors and the splendid cooperation of the people of the Florence precinct who made the success of the drive possible.

Solicitation is still under way over much of the county due to the late start of the drive because of the illness of the fund chairman, Y. D. James and it is expected that final reports will soon be available.

CONSTANCE HOMEMAKERS

The April meeting of the Constance Homemakers was held at the home of Mrs. Gilbert Dolwick, with Mrs. Joe Domaschko presiding.

Eighteen members and 3 visitors answered roll with "The most unusual thing I have seen a small child do."

Mrs. Stanley Taylor reported on the District Homemaker meeting which will be held in Cynthiana April 23rd.

The president asked that we bring to the May meeting an article to be put in the medicine kit "for care."

Mrs. Gilbert Dolwick and Mrs. John Dolwick gave the lesson on foods.

**Series F and G Bond
Holders Given Opportunity
To Exchange Bonds**

Wilson W. Wyatt, State Volunteer Chairman of the U. S. Savings Bonds Division in Kentucky, has emphasized the following items of importance to holders of Series F and G Bonds, which mature through December, 1953, who wish to accept the new marketable bond in exchange for their maturing bonds.

(1) Application for the exchange must be made prior to May 1, 1953.

(2) The new 3 1/2 percent bond will be a truly marketable bond, that is, subject to market fluctuations.

(3) The minimum denomination issued will be \$500.

Holders of maturing F and G Bonds may apply through their banks, or direct to the Federal Reserve Bank, for the exchange. Necessary forms are now available.

Conservation Notes by Floyd E. Kells

Aerial view showing results of straight-row cropping in a corn field.

This can be avoided by "planting on the level." Contouring is the cropping of your land "on the level" or the same elevation around the slope. This practice will probably pay dividends quicker and cheaper than another conservation measure. You save soil, retain fertility and hold water on the land. The results are increased crop yields. Contouring is by no means a new practice as Thomas Jefferson practiced this as early as 1790 at Monticello. He called it "horizontal plowing."

A number of Boone County farmers follow this practice yearly. Among them are Stanley Ransom on Richmond Road; Lassing Huey at New Haven; Jack Caldwell at Burlington and Edgar and Robert Graves, of Bullittsville.

Did you happen to plow up your waterways during spring plowing? If this was done there will be some expense and a lot of labor involved in getting these draws back to grass and legumes.

Whenever R. A. Stephenson, of Verona, happens to plow up a waterway he uses sudan grass in these areas. This leaves him a thick mat of growing material to help catch soil and fertility. Another plant that can be used to an advantage in these problem areas is sorghum cane. Broadcast it rather heavy and when cultivating raise your cultivators when you get to the draw. If you save this for feed, cut it about 8-10 inches from the ground. Your cover crop will quickly catch in this mass of roots and also offers protection for your expensive grass and legume seed.

Mounted Allis-Chalmers Field Cultivators

UNLOCK SOIL PROFITS

Is your soil packed . . . crusted . . . slow to dry?

Wake up your fields. Open up your soil in a hurry. Start it breathing and living. An Allis-Chalmers live tooth cultivator with its vigorous, pulsating action will do the trick.

Spring-action teeth kick out weeds; break up clods; rejuvenate pastures. Seedbeds are loosened and mulched; roots have more room to grow. Vigorous crop growth and more profits are the results.

Ask us to demonstrate this quick-mounted, hydraulically controlled field cultivator. And the low price will surprise you.

Miss Patricia Osmun, daughter of Mr. and Mrs. O. R. Osmun, of U. S. 42 was one of the class of 22 seniors of the Deaconess Hospital School of Nursing for whom graduation ceremonies were held Tuesday night at Wilson Auditorium, University of Cincinnati. Rev. Robt. S. Lambert rector of Calvary Epis-

copal Church, Clifton gave the commencement address. Miss Osmun has many friends in the community who join in wishing her success in her vital chosen profession.

Mr. and Mrs. Otis Quinn recently visited her mother and sister in Blue Ridge, Ga., and enroute home visited Mr. Quinn's sister, who accompanied them home.

Mr. and Mrs. James Yancey and son are here from El Cajon, Calif.,

visiting with Mr. and Mrs. James Bristow, of Bristow Pike, Kenton County.

Mr. and Mrs. Nelson Markesbery had as guests Sunday their son and family and daughter Mrs. Kenneth Scott and Mr. Scott.

Mrs. W. R. Miller visited a sister Mrs. J. K. Ammerman, of Cynthiana during the past week. Friends here of Mrs. Ammerman are pleased to know she is improved in health.

Miss Marguerite Tanner attended the W. S. C. S. Conference which convened at Winchester, Ky., recently. She represented the W. S. G. of the local Methodist Church as a delegate.

Mrs. Geo. Miller was a guest of Mr. and Mrs. M. M. Graham, of Park Hills, Wednesday night and Thursday.

C. H. Quinn and family, of Atlanta, Ga., are visiting his parents, Mr. and Mrs. Otis Quinn of the Markesbery Apts. Mr. Quinn is a pilot with Delta Airlines.

Recent guests of Mrs. W. R. Miller were a sister, Mrs. J. K. Ammerman and her daughter, Mrs. J. B. Kennard and children, of Cynthiana.

Mr. and Mrs. Neal DeWeese, of Georgetown, enjoyed the week-end with Mrs. Emma Acra, of Shelby St.

The Geo. B. Millers had as guests through the week-end their son Blayne and H. B. Simpson, of Dayton Ohio. The former's mother accompanied them to their apartment in Dayton, Sunday, from whence

they will move this week to a suburban location. Mrs. Miller expects to return during the week-end.

Mrs. Ralph Jones, who recently underwent surgery at St. Elizabeth Hospital has returned home and is convalescent. Mr. Jones' mother Mrs. Melvin Jones was with her several days the past week. Her friends wish her a rapid recovery.

Miss Lucille Rucker is enjoying a 10-day southern trip via Atlanta, Ga., Charleston, S. C., and other places of interest.

ETC Ralph Quinn of the U. S. Navy in a recent letter to his mother stated that he was united in marriage a month ago to a young lady at Norfolk, Va., where he was stationed. He has now been transferred to the Mediterranean area.

Mr. and Mrs. W. R. Miller had as guests Saturday evening, Mr.

and Mrs. Geo. Miller, Mrs. Allie Markesbery, Blayne Miller and H. B. Simpson.

Sorry to report Tom McHenry as not being so well again.

Mrs. Hattie Owens is convalescing rapidly at the home of her daughter, Mrs. Lyman Carroll at 220 E. 4th St., Covington, following a recent major operation at Booth Hospital.

Mr. and Mrs. Larry Aylor and daughters were the Sunday dinner guests of Mrs. Emma Riley and family of Sparta, Ky. Mr. Aylor was guest soloist with the choir at St. Joseph's Church, Warsaw, Ky., on Sunday morning, where Mrs. Riley serves as organist.

Mrs. Eva Miller was the house guest of her sister and family in Cynthiana, Ky., several days the past week.

Miss Dorothy McHenry is able to be out again following several days illness.

Mrs. Chas. Hood, of Lloyd Ave., has returned home following an extended stay in Florida.

WOOL SUPPORT ANNOUNCED

The United States Department of Agriculture at Washington has announced a national average wool support price of 53.1 cents a pound, grease basis. This compares to the \$4.2 support price last year. The new price is based on 90 percent of the 59-cent parity price.

FOLLOWS PLAN IN REVIVING PASTURE

Edward Bennett of Spencer county is following recommendations of UK County Agent Nevin L. Goebel in reviving an old pasture. Testing the soil showed the land to need 100 pounds of ammonium nitrate and 200 pounds of muriate of potash an acre. These were worked into the soil with a pasture

tiller. Oats were seeded, since the land was steep, and the following grasses put in with the aid of a cultipacker: 15 pounds of Ky. 31 fescue seed an acre, 4 pounds of timothy, 3 pounds of redtop, 4 pounds of alfalfa, 5 pounds of red clover, 5 pounds of sweet clover, 5 pounds of Korean lespedeza and a half-pound of Ladino clover.

(Delayed)

Word has been received here of the death of Mrs. Lou Berkshire Crisler at her home in Brooklyn, N. Y. Also of Mrs. Beulah Berkshire Schaller at her home in Los Angeles Calif. Their relatives have our sympathy.

Moses, Nannie and Johnna May Terrill entertained with a 6 o'clock dinner last Tuesday. The guests, Mrs. Alta Chambers, Mrs. Aline Conner, Mrs. Mary Grubbs, Mrs. Sharon Grubbs and daughter, Mrs. Mary Berkshire, Misses Jeanette and Elizabeth Grubbs.

Mrs. Mary Berkshire has been the

house guest of Mrs. Pearl Walston for the past two weeks and called on her many friends here.

Pete Keim spent the week-end here with his father and grandmother.

The dinner given by the Christian Church last Friday evening to welcome their new minister Rev. Lester Bingham and family was enjoyed by all present.

Mrs. Max Gridley and Mrs. Irene Gaines gave Mrs. Fannie Collins a surprise birthday dinner, Friday evening.

Congratulations to Mr. and Mrs. Wm. Gayle Gaines, who were married Saturday, April 11th.

Mrs. H. C. Deck fell and injured herself, and is now confined to her bed. Her daughter, Mrs. John H. Cook is caring for her.

Mrs. Susan Jarrell remains quite ill.

Mrs. Wm. Morehead, Mrs. Frank Antras, Mrs. Berkshire and Miss Josetta Bingham were dinner guests of Mrs. Pearl Walston, Sunday.

Mrs. Phoebe Barnes is the guest of her sister, Mrs. Eliza Feeley and daughters.

Mrs. Herma Mathews entertained her cousin Miss Nell Garrard, of Florida and St. Paul, Minn., several days last week.

Mrs. Willard Barnes and children, and Mrs. E. Hensley were guests of Mrs. Frank Antras, Tuesday.

Frank Hitzfield left for duty with the U. S. Armed Forces, Tuesday. Barney Hogan will leave May 4th.

Mrs. Anna Albright spent several days last week with Miss Amelia Vossneir.

Mrs. Henry R. Deck and children were shopping in Lawrenceburg, last Saturday.

CARD OF THANKS

We wish to take this means of expressing our sincere appreciation to our friends and neighbors for the kindness and sympathy shown us during the brief illness and death of our son,

Richard Lee Hays

We especially want to thank Dr. W. H. Hudson for his efforts; Rev. E. A. Carpenter and Rev. Chapman for their consoling words; donors of flowers; those who sent cards and food; and Allison & Rose funeral home for their kind and efficient service. Your kindness will always be remembered. It-p

(nee Hays)**POINTS FOR CHICKEN-RAISERS GIVEN**

Suggestions to chicken-raisers from the University of Kentucky College of Agriculture and Home Economics: There still is time to get chicks. Put chicks out on green pasture as soon as they no longer need heat. Dwarf esset rape makes pasture in four to six weeks. Growing chicks should be on ground not used by the old flock for two or three years. Vaccinate pullets for chickenpox when they are put on range.

Boone County Board Of Supervisors Will Meet May 4-14

The Boone County Board of Supervisors will meet Monday, May 4, to hear appeals on property assessments, it was announced last week.

The board has two duties under the law: (1) to direct the tax commissioner to assess any items of property not already assessed for 1953 taxes, and (2) act on appeals and recommendations for change of assessments.

The board will act on appeals and recommendations filed in writing by the taxpayer. The tax commissioner, Department of Revenue, county judge, or the school superintendent may also request the review of any assessment by the Board.

The Board may meet for not more than ten working days and when a property assessment is raised the taxpayer must be notified and be given an opportunity to appear.

Any taxpayer dissatisfied with the Board's final decision may appeal to the Kentucky State Tax Commission in writing within fifteen days after the Board's adjournment. Appeals will be heard in the county in which the property is located.

Comparisons Made

Each year the Kentucky Department of Revenue compares the sale prices of real estate with the assessed valuations placed on these properties by the county tax commissioners. On the basis of such a comparison, real estate in Boone County was assessed in 1952 at an average of 50 per cent of market value. Any piece of real estate in this county which is assessed by the county tax commissioner substantially above 50 per cent of its current market value is bearing more than its fair share of the property tax load. The remedy for over assessment is an appeal by the property owner to the County Board of Supervisors. It is also the responsibility of the county tax commissioner, county judge, school superintendent and the chief financial officer of any city using the county assessment to request the supervisors to review property which is assessed substantially below 50 per cent of its current market value.

NOTICE!

Notice is hereby given dog owners that any dog found on our farm not accompanied by owner will be shot.

New Federal, State And County Project Given Approval

Big Bone Road To Be Improved In Near Future, According To Reports.

Approval was given by Federal, State and County officials this week on the new proposed highway from Big Bone up the Ohio River a distance of four miles, according to County Judge C. L. Cropper.

The new project, which will cost approximately \$250,000 will be started within the near future, if present plans materialize.

A new bridge to span Gunpowder Creek will cost \$100,000, it was estimated. The road will be constructed on higher ground in order that traffic will not be hampered until the river reaches sixty feet, Judge Cropper said. At present the road becomes impassible when the river reaches a stage of 45 feet.

Construction work on the project will be financed by federal, state and county funds. Judge Cropper reported. Boone County will use its 2-cent gasoline money for this project.

It is expected that contracts for the new project will be let within the next thirty days.

Florence Win Boys' Division In Track Meet

The Knights of Florence high school won the boys' division of the Boone County track and field meet last Friday at the Florence grounds. Burlington took top honors in the girls' division.

To take the winner's trophy the third of Florence totaled 34 points. Hebron had 32½ points, Burlington 28½, Walton 15 and New Haven 11 points. Burlington's girls in winning had 22 points, Florence 15, Hebron 11, Walton 1 and New Haven 1.

Individual winners and records of the meet were not announced.

State Auditor Completes Check of County Records

Ollie Montgomery, director of State Audits, Frankfort, completed auditing the records of the Boone County offices Friday of last week. Offices checked by Mr. Montgomery include the office of County Judge C. L. Cropper, County Clerk C. D. Benson and Circuit Court Clerk R. S. Hensley.

Mr. Montgomery reports that records were kept in accordance with the Standard Records Act, in an excellent manner, and that no mistakes were found in his audit, which speaks well for the county.

Robert Smith Returns From New York Trip

Robert Smith, of Florence, returned Sunday from New York City, after spending the past ten days there, a guest of the Electroflux Co.

Mr. Smith won an all-expense trip to New York, the result of selling fifty-two electric sweepers during the month of March. He stated that New York was quite a city, and that he enjoyed the trip very much.

Health Department Reports Diseases

The Boone County Health Department reports the following communicable diseases for the month of April: Chicken pox 11, influenza 12, measles 48, mumps 8, pink eye 1, scarlet fever.

Pre-School Children Will Be Examined In Clinics Next Week

Four Points In County Selected For Clinics, Announced By Nurse.

Pre-school clinics will be held at four points in Boone County during the week of May 11th, according to Mrs. Ruby Caldwell, School Nurse. The Kentucky State Department requires that a physical examination be made, and immunization for smallpox and diphtheria be given to each child entering the first grade of school.

For the convenience of parents, and in order to get this required work completed before summer, clinics will be held during the week of May 11th as follows:

Burlington, Petersburg, and Bellevue District—Tuesday, May 12, 9:00 to 10:00 a. m., Burlington School with Dr. Yelton in charge. New Haven and Hamilton District—Wednesday, May 13, 10:00 a. m. to 11:00 a. m., New Haven School, Dr. Daugherty in charge.

Florence District—Thursday, May 14, 9:00 to 10:00 a. m., Florence School, Dr. Rouse in charge. Hebron-Constantine District—Friday, May 15, 10:00 to 11:00 a. m., Hebron School, Dr. Hafer in charge.

Children attending the clinic must be accompanied by their parents, and should visit the clinic in their school district.

Persons desiring to have this work done by their family physician may do so, but it must be done before school opens in September, Mrs. Caldwell stated.

Mrs. Maude Kendall

Funeral services were held at 11:00 a. m. Saturday at Oddville Methodist church, Harrison County, for Mrs. Maude Kendall, 72, who died Wednesday night at the home of a nephew, M. K. Toadvine, Petersburg, Ky. Burial was in the church cemetery.

Mrs. Kendall has been in ill health for sometime. She had made her home with the Toadvines for the past three years.

She is survived by a sister, Mrs. Betty Batson, Lexington, and several nieces and nephews.

Mrs. Minnie Wessellmann

Mrs. Minnie Wessellmann, wife of Charles Wessellmann, of Big Bone Road, Union, died Sunday at her home, following a brief illness. She was 89 years old.

Besides her husband she is survived by several nieces and nephews. Funeral services were held at 2 p. m. Wednesday in Covington, with burial in Highland Cemetery, Fort Mitchell.

Senior Class Of Burlington School To Present Play May 8

The seniors of Burlington High School will present "Hillbilly Wedding," at the school auditorium on Friday, May 8, at 8:00 p. m.

The play is a good comedy about a hillbilly couple with six unmarried daughters. It is a constant argument between Ma and Pa Belsnickle, as to whether the best way to get a husband for Cella is to "wing him nice and easy," or do it the fashionable way.

The public is cordially invited to attend this play.

Efforts Being Continued For City Delivery In Florence

Several Efforts Have Been Unsuccessful During Past Years.

For many years the residents of Florence, Ky., have hoped to have city delivery of mail. At present all mail must be claimed at the post office in the Florence Building & Loan Association building. Some of the residents on the edge of the city receive daily delivery through the several rural routes working out of the Florence post office.

From time to time attempts to secure this service have been made without success. The requirements for the granting of this service have been rather vague and indefinite.

About a year ago the Florence postmaster, Lawrence L. Aylor and William Fitzgerald, the City Clerk instituted a new effort to secure city delivery of mail. Petitions were circulated throughout the area and a majority of the residents expressed a wish for mail delivery. A new map of the city was prepared which showed all of the streets included in the jurisdiction of the Florence post office. A survey of all houses indicated a confusion of house numbers. A study resulted in a renumbering of all houses and vacant lots upon which houses could be built. These new numbers are on file in the post office. Since Erlanger and Elsmere are in the process of renumbering property on the Dixie Highway it will be necessary to wait for its completion before the portion of the highway in Florence can be numbered. Goodridge Drive, Sanders Drive, Eastern Avenue, Park Avenue, and Kenton Drive are not in the City of Florence but receive mail through the Florence post office.

A great quantity of information was gathered in preparation for the visit of inspectors who would examine the Post Office and the community. These inspectors were in Florence a short time ago and toured the entire area and explained the requirements for city delivery.

The Florence Board of Trustees has received a letter from Postmaster Aylor in which he reviews the results of the visit of the inspectors. They found a number of points up on which Florence did not meet the desired requirements. No sidewalks are provided on U. S. 25 and 42. A carrier would need to walk in the roadway and contend with the heavy traffic. A major problem is presented by the recent subdivisions. They are disconnected with each other, there are no sidewalks, and are only about 50 percent built up. The streets in some of the areas do not meet the requirements of the department. Many houses do not have any walkway from the street to the house. Open drainage ditches added difficulty to the carrier. Florence is built upon a series of ridges fanning out like the fingers of a hand and in only a few cases are these settled areas connected with the adjoining ones. The report of the inspectors is summed up in their statement, "A careful study has been made and it has definitely been determined that your office does not meet the necessary requirements for city delivery service."

This does not mean that city delivery will be denied; however, the department will probably base its decision upon the report of the inspectors. It is now known what the Post Office Department requires for city delivery. The objections can be corrected and when this has been done a new application can be filed.

City delivery of mail offers some convenience to residents living some distance from the business district. On the other hand "mail time" is an institution in Florence. It is a time for meeting, visiting, and comparing notes on the "state of the nation." Each evening the residents gather about Roy Conner, New Long, Bob Brown, John Frank Brown, Rufus Tanner, E. V. Lentz and other local sages and listen to their opinions on local and national matters.

At present mail comes to the post office in early morning and again at about five o'clock in the evening and is then available to the residents who have boxes. The lobby of the post office is open until seven o'clock in the evening. With city delivery mail would be delivered only once each day.

The matter is not closed, continued efforts will be made, and it is to be expected that Florence, Boone County's fastest growing city, will soon have uniformed carriers, delivering mail to its residents.

Former Burlington Coach To Speak At Athletic Banquet

C. G. Lamb, Richmond, Va., State manager, Woodmen of the World Life Insurance Society, and former coach and athletic director of the Burlington high school, will be principal speaker at the school's athletic banquet tonight (Thursday, May 7). Many local fans as well as sports followers throughout northern Kentucky will recall Lamb as one of the outstanding referees in greater Cincinnati during the late thirties. He was a former president of the Northern Kentucky Athletic Officials' Association and was past president of the Buffalo Club. He also served as coach of Florence high school, Brewers high school, and was principal of Fourth District School, Covington.

More than fifty members of the school's athletic teams and team cheerleaders will be honored at the banquet.

Swimming Pool Being Built At Camp Ernst

A new swimming pool and drinking water system is being constructed at Camp Ernst, YMCA camp on Gunpowder Creek near Burlington. Construction of the pool at a cost of approximately \$37,500 has been begun. Most of the money was raised through efforts of a special committee headed by James Burton and aided by a \$5,000 contribution from the S. S. Kresge Foundation of Detroit.

The new pool will be 40x75 feet with a capacity of 120,000 gallons of water drawn through a filtering system capable of changing the water in the pool every six hours. Water for the entire camp will run through the filter system.

George S. Lyon, former Covington city manager and civil engineer, a member of the "CV" Board of Directors designed the pool. The summer schedule at Camp Ernst opens June 13, it was announced.

Engagement Announced

Mr. and Mrs. Leon Bud Fisher, of Gunpowder Road have announced the engagement of their daughter, Mary Louise to Mr. Everett R. Dunn, son of Mr. Glenmore Dunn, of Independence. The wedding has been set for June 13th.

Mr. Dunn served 4 years with the Armed Forces, 30 months of which time was spent in Japan and Korea.

Four Star Chapter Will Meet Tonight

Celebrate Golden Wedding Anniversary

Rev. and Mrs. C. W. Gant, of Castro Valley, California, who are spending the summer with Joe Van Ness, brother of Mrs. Gant, near Rabbit Hash, observed their golden wedding anniversary Wednesday, April 29th.

Guests for the week-end to celebrate the occasion were the two sons and one daughter and their families, Mr. and Mrs. J. D. Gant and son Joe D., of Decatur, Ill.; Mr. and Mrs. Walter H. Gant, of Chicago, Ill.; Mrs. K. A. Hotchkiss and daughter Barbara of Rork Island, Ill. The other daughter Mrs. Wilbur Evans of Castro Valley, Calif. was unable to be present.

Bessie VanNess of Rabbit Hash, Ky., and Charles Wm. Gant of Indianapolis, Ind., were married April 29, 1903 in Bardstown, Ky., by Rev. Prather, pastor of the Bardstown Methodist Church. They were attended by Mr. and Mrs. Dave Simmons, of Samuel, Ky. They early married life was spent in Ohio.

Rev. Gant was an active member of the Illinois Methodist Conference for 37 years, serving church in the central part of the state. He was retired in 1944 and since that time the couple have been living in Castro Valley, Calif.

Ft. Wayne Daisies To Play Exhibition Games In Covington

Pat Scott Will Probably See Action During One Of Games.

Fans will see some sharp fielding when the Fort Wayne Daisies and Kalamazoo Lassies tangle in two American Girls Baseball League exhibition games in Covington, Ky., on May 9 and 10. The games will be played at the Covington ball park.

The Daisies led the league in double plays last season, completing 71 double killings in their drive to the league pennant. The Lassies, second best fielding team in the league, executed 53 double plays.

Dottie Schroeder, shortstop for the Lassies and one of the league's most popular players, had a part in 38 double plays last year—more than any other shortstop in the league. The pretty pig-tailed Sacrus, Ill. girl was wearing a Fort Wayne uniform last season, but was sent to Kalamazoo in a trade this spring.

Fans will be amazed at the skill shown in the field by these two girls' teams when they see them in action in this exhibition game, one of a series they are playing in Indiana, Ohio and Michigan before opening the league season.

Pat Scott, daughter of Mr. and Mrs. Wilfred Scott, Burlington, a member of the Fort Wayne Daisies, is expected to take the mound for the Daisies in one of the Covington games. Pat proved to be one of the Daisies' ace pitchers last season, turning in 17 victories to assist her team in obtaining the title of pennant winners.

Erlanger Man Named Chairman of Advance Gifts Committee, In Drive

R. C. McNay, president and general manager of the Boone-Kenton Lumber Co., Erlanger has been named chairman of the Advance Gifts Committee of William Booth Memorial Hospital campaign to raise \$200,000 for building development and operating expenses.

Mr. McNay, who has played an important role in the hospital's affairs since 1937 when the institution was reorganized, was chairman of the advisory board for two years and chairman of Booth's annual campaigns in 1950 and in 1951.

He is a past president of the Covington-Kenton County Chamber of Commerce; secretary and past president of the Rotary Club, and a director of the Covington Trust and Banking Co., First Federal Savings and Loan Association, and the Northern Kentucky Automobile Club.

Union Star Chapter Will Meet May 14th

Union Star Chapter 461 O. E. S. will hold its regular stated meeting Thursday evening, May 14th at 8:00 p. m.

Mrs. Elizabeth Kirtley, Worthy Matron and Reuben Kirtley, Worthy Patron will preside.

New Haven Seniors Will Present Three-Act Comedy Friday, May 8

The senior class of New Haven school will present the three-act comedy "The Campbells Are Coming" on Friday, May 8, at 8:00 p. m. Some of the characters include: Ma Brannigan, the grandmother who resorts to carrying a shotgun and drinking moonshine to protect her granddaughter, Ann Wilson.

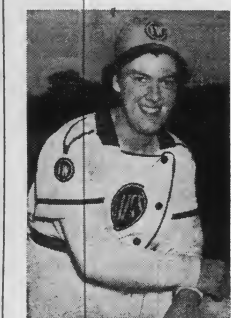

Bildad Tapp, the hillbilly, who has eight children and a still, Randall Rhodes. Catalpa Tapp, Bildad's daughter, an old maid at sixteen, Pauline Wells.

Jeff Scudder, the young medical student who is willing to start a feud to keep his fiancée from marrying the wealthy playboy, Eddie Evans.

There are six more besides these and one is funnier than the other, and the situations they get into are even funnier.

Admission will be: Students 25c, adults 50c, reserved seats 60c.

WITH FT. WAYNE DAISIES

Pat Scott

Pictured above is Pat Scott, of Burlington, Ky., one of the out-standing pitchers with the Fort Wayne Daisies who will play the Kalamazoo Lassies in two exhibition games at Covington, Ky., May 9 and 10. Scott won 17 games for the Daisies last year and was one of the ace pitchers in Fort Wayne's drive to the league pennant.

Tobacco Plant Bed Tips Given By Co. Agent Joe Claxon

Controls For Diseases And Pests Outlined In Release.

There are a number of practices which should be called to the attention of tobacco growers in regard to plant production and plant bed management during the next few weeks, according to Joe Claxon, County Agent.

1. Wildlife Control. Beds that have surface water breaking into them are often infected even though treated with bluestone and lime. If surface water does flow into bed an application of another treatment with bluestone and lime is sometimes effective. Wildlife usually appears in areas within the bed. The early removal of infected plants by scraping the surface with a sharp hoe, and the soaking of this area with bluestone and lime sometimes prevents the spread of wildlife in the bed. Plants from infected beds or infected areas in the bed should not be set if disease free plants can be obtained.

2. Mosaic. Mosaic is a serious disease on many farms. Early infection of plants greatly reduces both weight and quality. Workers should not use homespun or barn cured tobacco while working in plant beds or while setting tobacco. More attention to this practice will give results on many farms.

3. Fleabeetles. Fleabeetles are especially injurious to newly-set plants. An application of DDT to the bed a few days before pulling plants is effective in reducing the number of fleabeetles which would deposit eggs from which later generations of the insect are built up. Applications of 1 pound of 10% DDT dust of ½ pound of 50% wettable powder in 25 gallons of water gives effective control.

4. Permanent Beds. Growers should seed plant beds immediately after the crop is set to soybeans or corn. They will need to purchase early 12 to 15 pounds of seed for each 100 square yards of bed to be seeded. Many times seed is not available at the time they are needed.

George Mason Stationed At Sheppard AF Base

Airman third class George W. Mason, son of Mr. and Mrs. Alva Crouch, of Union has entered the Airplane and Engine Mechanic's School at Sheppard Air Force Base, Texas.

He will receive training to provide him with knowledge and basic skills in serving, inspecting and maintaining aircraft currently used by the Air Force.

Celebrates 94th Birthday

Mrs. Lavina Kirkpatrick, probably one of Boone County's oldest citizens, celebrated her 94th birthday at her home in Burlington.

Those joining in the celebration were Mrs. Lucy Albize, Mr. and Mrs. D. V. Reese and son of Walnut Hills, Mr. and Mrs. Joe Calahan, of Millford, Ohio, Mr. and Mrs. G. W. Tanner and daughter of Madisonville, Ohio.

The Recorder joins Mrs. Kirkpatrick's many friends in wishing her many more happy birthdays.

Mrs. Bernice Snyder spent last Thursday and Friday visiting friends in Clifton.

Boone County Water Commission Submits Rates To Council

Composed of Erlanger, Elsmere and Florence; Will Study Plan.

Officers of the Boone County Water Commission submitted rates to the Tri-City Council, composed of officials of Erlanger, Elsmere and Florence at a meeting held Wednesday of last week. A minimum rate of \$4.00 for 800 cubic feet was given the three cities.

The new proposal of the Boone County Water Commission will be discussed at individual council meetings this week and a report on their decisions will be given at the next meeting of the Tri-City Council May 13.

In his preliminary remarks at the meeting, Boone County Judge Carroll L. Cropper pleaded for an early decision.

"We don't want to be kidded, and I know you don't," Judge Cropper said. "If we can't get a favorable answer on this very soon, we will have to file away our plans."

J. Stephen Watkins told the council that the Boone County water system can be put in operation by summer of 1954 "if we are able to start at once and use all possible speed." He said the total cost of the project had been estimated at \$902,275.

By using the most conservative engineering estimates, Mr. Watkins said, his firm had figured the maximum water rate per quarter year at \$4.25 for the first 800 cubic feet. The estimated cost above the minimum would be 45 cents per 100 cubic feet for the next 1700 cubic feet; 40 cents per 100 for the next 3000; 35 cents per 100 for the next 3000, and 30 cents per 100 for all over 10,000 cubic feet.

Mr. Watkins said the rate schedules were based on a minimum total of 2650 customers—1400 in Erlanger, 1000 in Elsmere and 250 in Florence.

Poppy Sale Will Be Observed In County May 23rd

Boone Post No. 4 American Legion Will Sponsor Sale.

American Legion Poppy Day is observed once a year nationwide. This is generally the Saturday before Memorial Day, but varies in some communities. Boone Post No. 4 will participate in the Poppy sale on Saturday, May 23, it was announced.

The poppies represent the ones which grew in Flanders Field, France. These were the only flowers growing where the dead Americans lay.

Poppies are made by disabled veterans in their hospitals. This occupation helps to occupy their minds and they receive a certain amount for making them. Every citizen is contacted and asked to "Wear a Poppy." Contributions may be of any amount. Seventy percent of the funds are kept in the community where they are collected and are used to help children, veterans and their families.

FORMER BOONE COUNTYMAN GIVES RECEPTION IN WASHINGTON, D. C.

The Washington Evening Star carried an article in its Sunday edition, April 19 concerning a reception given by Mr. and Mrs. George W. Rogers. Mr. Rogers was born in Boone County, at Petersburg, Ky. He graduated from Bellview High School, University of Cincinnati, and Harvard Law School.

Mr. Rogers is the son of Mrs. John Walton Rogers and John Walton Rogers, planter and banker; the brother of Allan Rogers, all of Pet.

ersburg; a nephew of the late O. M. Rogers, prominent attorney of Erlanger.

Both Mr. and Mrs. George W. Rogers are admitted to practice law in the State of New York. Mr. Rogers is one of the top lawyers in procurement for Transportation Corps, Department of Army.

Captain Thomas W. Rogers is the son of Mrs. Clayton Rogers and the late Dr. Clayton Rogers of Boone County. Captain Rogers graduated from Annapolis and has an important assignment with Bureau of Ships, Navy.

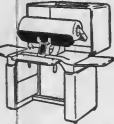

The article follows: Maj. Gen. Frank A. Helleman, retired chief of transportation, and Mrs. Helleman and Col. and Mrs. C. W. Gettys shared honors last evening at a reception and buffet given for them by Mr. and Mrs. George W. Rogers in their home on 324 road, Arlington.

Col. and Mrs. Gettys are the house guests of Mr. and Mrs. Rogers. They recently returned from Col. Gettys' former duty station in France. He has now been assigned to the Virginia Polytechnic Institute as professor of military science and tactics, and they will leave tomorrow for Blacksburg, Va. The town of Gettysburg was named for the family of Col. Gettys.

At yesterday's five o'clock fete were the Provost Marshall General and Mrs. Maglin, the Army Judge Advocate General, Maj. Gen. E. M.

with Allis-Chalmers
Front-Mounted Mower

No twisting or turning... no guesswork... just look ahead and cover big acreage. Mow with precision around fence posts, in orchards and in small irregular fields.

Front mounting means the tractor is ready at any time for raking, hauling or other drawbar work. Mount the mower and leave it on during entire haying season.

Touch the hydraulic control lever of the CA Tractor to raise or lower the cutter bar.

Find out for yourself how the Allis-Chalmers Front-Mounted Mower and CA Tractor take the guesswork out of all mowing jobs on your farm. Let us demonstrate.

WE BELIEVE THAT

THE LARGEST FISH HAS NEVER BEEN CAUGHT, nor has the tallest fish story ever been told.

If you believe different come and tell us we are always glad to listen.

Believe you! Sure, we believe you, we never doubt the word of a fisherman.

And here you will find a wide variety of Fishing Tackle, designed to get the big ones and make those tall stories taller.

Don't fail to see the new Evinrude motors (nothing finer under the sun).

Our Softball and Baseball Equipment is complete—let us quote you.

Why Be Satisfied With Less when America's Finest Paint

NU-ENAMEL

COSTS JUST A LITTLE MORE THAN A PENNY A SQUARE FOOT!

Whether you're going to paint your kitchen, bathroom, indoor or outdoor furniture, automobile, woodwork, etc.—you'll do it more quickly, more easily by using America's finest enamel — Nu-Enamel! And here's why: Nu-Enamel flows on smoothly, covers completely in one coat. Leaves no brush marks or streaks. Doesn't run or sag like ordinary enamels. Frankly, it costs a few pennies more than ordinary enamels—but really saves you money in the end! That's because Nu-Enamel is very washable—scrub it as often as you want. It still retains its glorious color. And because one coat covers, you get amazing coverage...up to 800 square feet from one gallon! And one gallon costs only \$8.95; Quart, \$2.95; Pint, \$1.85; 1/2 Pt., \$1.10; 1/4 Pt., 65c.

- ONE COAT COVERS! NO BRUSH MARKS!
- DRIES HARD IN 3 TO 4 HOURS!
- WILL NOT CHIP, PEEL, CRACK!
- HIGHLY SCRUBBABLE! LOOKS CLEAN AND FRESH FOR YEARS!
- WIDE RANGE OF BEAUTIFUL COLORS

GREEN TO HAVE MORE BROILERS

The 1953 poultry program in Green county includes 15 new broiler houses, making a total of 34 houses in the county. Each will house 5,000 to 6,000 birds. This means broiler production will be around 750,000 birds, according to John H. Ewing, Jr., county agent for the University of Kentucky.

"If all these broiler chickens were eaten in Green county, it would mean one bird per person for each week in the year," commented the county agent.

MT. ZION HOMEMAKERS

The lovely dinner served by Mrs. Wm. Miller, hostess to the Mt. Zion Homemakers, for their April meeting, certainly highlighted the day. She was assisted by Mrs. Chas. Hempling, the lesson for the day being the use of frozen foods and the meat thermometer which was certainly most ably demonstrated. Two Easter cakes, baked by the hostesses, decorated the table and gave the meal a festive touch.

The business meeting began with the reading of the club collect and was followed by the reading of an excerpt from the "Proverbs" and an article "Happiness of Friendship," by the reading chairman, Mrs. Geo. Otten.

The afternoon was spent planning the trip to Cynthia for the Dis-

trict meeting and enjoying the games conducted by Mrs. Wm. Miller, recreation chairman.

An exchange of magazines closed the meeting.

We were so happy to welcome seven guests and hope some prospective members which included Mrs. Roy Lambert, Mrs. John Buechel, Mrs. Clyde Howell, Mrs. Geo. Baker, Mrs. Millard Owens, Mrs. E. Dickman and Miss Jo Ann Miller. Also in attendance were members, Mrs. Roger Burns, Mrs. Frank Domaschko, Mrs. Chas. Hempling, Mrs. Wm. Miller, Mrs. Geo. Otten, Mrs. Roger McGuire and Mrs. Nancy Aylor, Home Demonstration Agent.

Work Is Started On New Housing Development

**Total of 325 Homes
Will Be Erected On
Mt. Zion Road Tract.**

Work on one of the largest housing developments in northern Kentucky was begun Wednesday of last week.

The project, which has been laid out for 325 homes, is located on Mt. Zion road, a half mile from Dixie Highway. Mt. Zion Road is approximately 1 1/2 miles south of Florence.

C. P. LaBarbera, Charleston, W. Va., one of the developers, is on the scene and plans to commence building this month.

Noel Walton, Burlington engineer, has been employed to plot the 90-acre tract which Mr. LaBarbera bought from R. P. Coleman, Florence real estate dealer.

Heavy equipment is at work clearing some of the ground and outlining streets in the subdivision. Provisions have been made for three miles of blacktop streets which are to be 100 feet wide.

Lots have been blue-printed for widths of from 70 to 100 feet. Most of the homes will be in the low-cost bracket.

This is one of four subdivisions now under construction in Boone County.

Local Girls Receive Citizenship Certificates

On Saturday, Misses Mary Florence Ryan, Jennie Lee Tanner, Barbara Schweir, Ann Wilson and Janice Kinman, the five senior students selected by the student body and faculty of the five Boone County High Schools as the girls representing the schools to be the Good Citizens in the Good Citizenship Pilgrimage contest sponsored by the Boone County Chapter, Daughters of the American Revolution, were entertained with a trip to Frankfort and points of interest there. Mrs. Roy C. Nestor, Regent of the Boone County Chapter, DAR, and Mrs. Davis Gaines, Good Citizenship chairman, DAR, were the chaperones on the trip and Byron Kinman acted as escort.

The day opened in Frankfort with Good Citizenship certificates being presented to the girls in the House of Representatives, Capitol building, by Mrs. Bacon Rochester Moore, Honorary State Regent DAR. Following was a tour of the new Capitol building, Old State House and Historical Society, luncheon at the Episcopal Parish House, Liberty Hall designed by Thomas Jefferson, Frankfort cemetery and grave of Daniel Boone, and closed with a reception at the Governor's Mansion by Mrs. Lawrence Wetherby and her two daughters.

This contest will be sponsored each year in the Boone County schools by the Boone County Chapter, DAR.

Historical Society Plans Meeting May 15

The Boone County Historical Society will meet in the Florence Town Hall on Friday, May 15, at 8:00 p. m. Mrs. Mary Ryan will present a paper on "The Ohio River."

Anyone interested is invited to attend the meetings of the society.

School Tax For County Set At \$1.30 For Year

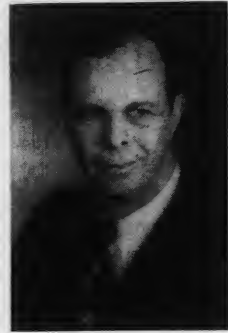

**At Meeting of Boone
County School Board
Wednesday Night.**

The Boone County Board of Education set the school tax levy at \$1.30, the same as last year, at its monthly meeting in Burlington, Wednesday night.

The board voted to cut in half its appropriation to the Boone County health department for the coming year. Last year the board appropriated \$1500 in an effort to help the health department get started, board members said. The new appropriation will be \$750.

An increase in tax assessments on real estate and personal property of \$1,236,915, was reported by H. N. Ockerman, school superintendent. He also reported that a school census indicated that there would be 232 more children of school age than last year.

Poppy Sale Date Will Be May 16th In Boone County

**School Children Will
Call On Homes Friday
Evening and Saturday.**

The American Legion Poppy Day Sale in Boone County has been changed from Saturday, May 23 to Saturday, May 16th, it was announced this week by the committee in charge.

School children of Florence and Burlington communities have been asked by Boone Post No. 4 American Legion to call on the homes in these communities Friday evening and Saturday morning. Residents of these areas are requested to help in this worthy cause.

Poppies brought to your homes represent the ones which grew in Flanders Field, France. These were the only flowers growing where the dead Americans lay.

Every citizen of the county is urged to "wear a Poppy" Saturday, May 16th. These poppies are made by disabled veterans in their hospitals. This occupation helps to occupy their minds and they receive a certain amount for making them.

Seventy per cent of funds collected in the Poppy Day sale are kept in the community where they are collected and used to help children, veterans and their families.

Preparing Foods For Storage Topic of Countywide Meeting

A Countywide meeting to demonstrate the correct ways of preparing foods for storage in the home freezer will be held Thursday at 1:00 p. m. in the Florence Firehouse. Miss Inlay, Specialist in Foods and Nutrition, from the University of Kentucky, will demonstrate preparing and packaging vegetables, fruits, meats and baked goods for the freezer.

Everyone who is interested in the latest information on preparing and packaging foods for home freezers is invited to attend this meeting.

Korean Veterans Eligible For V. F. W.

Post #486 will meet at 8:00 p. m. Friday, May 15 at the Florence Fire Department hall. All members are urged to attend, all past members are invited to attend and renew membership. This will be a business and social meeting.

TWENTY DRAW FINES IN BOONE COUNTY COURT

Twenty persons were fined in Judge C. L. Cropper's Boone County Court during the past week on various charges ranging from fish and game violations to breach of peace charges. Twelve were fined on motor vehicle violations, three on fish and game violations and five on breach of peace and being drunk in a public place.

Hall Announces Candidacy For Representative

**From Boone And Gallatin
Counties; Has Served
Two Terms.**

R. M. "Coke" Hall, of Walton, formally announces his candidacy in this issue of The Recorder for Representative from the 54th District composed of Boone and Gallatin Counties, subject to action of the Democratic primary Saturday, August 1, 1953.

In making his intention known through the column of this paper, Mr. Hall points out that he has served in this capacity in the years 1944 and 1946 sessions of the General Assembly of Kentucky. Since that time he has served the City of Walton as Councilman and Mayor, which position he now holds.

Mr. Hall is 46 years of age and has been a resident of Walton precinct for nearly 25 years. He was born and reared in Grant County, graduated from Williamstown High School in the class of 1924. Mr. Hall continued his studies at the University of Kentucky and at the Cincinnati Y. M. C. A. School of Business before starting to work in the Construction Department of the Community Public Service Company. He worked his way up through the various jobs assigned him until he was appointed State Manager of this concern in 1947. When the properties of Community Public Service were sold in 1950, Mr. Hall elected to remain in Northern Kentucky and is now in charge of Construction and Maintenance of all the Electric Distribution System of the Union Light, Heat and Power Company, with offices in Walton and Covington.

Mr. Hall is a property owner and very much interested in the continued growth and development of Northern Kentucky. He is a charter member and past president of the Rotary Club in Walton.

Mr. Hall feels that he is well qualified to serve the people of Boone and Gallatin Counties in the office he is seeking and solicits the support of all the citizens of the two counties on August 1st.

Special Attention To Be Given Value Of Grass At Meeting

**Many Problems Of Farm
Folk Will Be Discussed
At Field Day.**

Special attention will be given to the value of grass at the annual Animal Industry field day at the University of Kentucky Experiment Station at Lexington May 22nd. This meeting should be of interest to all Boone County farmers, according to Joe Claxon, Boone County Agriculture Agent.

Pastures of orchard grass, fescue, brom grass and bluegrass will be seen and the production of meat and milk explained. Also the value of irrigating grass will be discussed. One field at the Experiment Station has been irrigated for three years.

The morning will be devoted to seeing the various pastures and the herds and flocks running on them. Poultry-keepers will see and hear about infra-red brooding of chicks. Results and costs of several different types tried at the Experiment Station will be explained.

There will be two discussion sessions in the afternoon—one for daymen and one for producers of meat animals. Speakers will deal with feeding silage and other rations, breeding programs and other experiments with livestock.

Donald North Listed As Prisoner Of War

The name of Pfc. Donald W. North of Constance, was included in a list of 71 American prisoners of war made known Wednesday at Philadelphia by a returned POW. Pfc. North was taken prisoner in September, 1951.

James J. Coogan, just returned from a Communist prison camp, said he had smuggled out two notebooks containing the names of 71 fellow prisoners among whom was Private North.

Private North's father, Charles North, Sr., Constance, and his brother, Charles Jr., learned in December, 1951, that the soldier, previously reported missing in action, was a prisoner. At that time the Communists released a list of American captives. They said Private North was held at Chiang-Song.

Wedding In New York City

Mr. and Mrs. Charles Engle, of Bullittsville, Ky., announce the coming marriage of their daughter, Belva Ann, and Sgt. 1-C Seth Shumate, the twenty-second of May, at 11:00 in the morning, Bride and Groom, C. B. S. Television, New York City.

The bride is an only daughter, graduating from Hebron High School, attended Sue Bennett Jr. College, Eastern State College, Richmond, Ky., and is a graduate of the Dale Carnegie course of "Public Relations." She has been employed with the Central Acceptance Corp., Cincinnati, O.

The groom is the second son of Mr. and Mrs. George Shumate, Sr., of Newport, Ky. After graduating from Newport High School, he entered the service of the United States Army, serving four years in Europe and fifteen months in Japan and Korea, where he received bronze stars for four major battles and the Presidential unit citation. At present he is connected with the Fort Knox postor Motor Pool as technical inspector.

Attending the wedding will be: The bride's parents, Mrs. Larry Moehring, of Ludlow, Mrs. R. C. Pickett, of Terrace Park, Ohio, Mrs. Leonard Boddy of Lawrence, Mass., relatives of the bride and groom, and Mrs. Ethel Caulkins and Clyde Jones of Cincinnati, Ohio, friends of the bride and groom.

The wedding couple were selected by a panel of judges for their unusual romance, which came about through the attraction of their names.

Rev. Roy Martin of the Bullittsville Christian Church will solemnize the marriage, after which the young couple will honeymoon in Atlantic City, at the Fox Manor Hotel, as guests of the management and Bride and Groom.

Former Boone County Woman Honored

Mrs. Harold Bentham, a former Boone County woman, was given very high honors when she was crowned Queen of Daughters of the Nile in a public ceremony in Baltimore, Md., recently. This is an honor which comes to few women. The huge crowd offering felicitations was indicative of the esteem in which Anita is held.

She is the daughter of Mrs. C. O. Hempling and the late C. O. Hempling, and the sister of Charles and the late Linton Hempling.

Her mother and great nieces, Anita and Mary Beth Hempling were there to share the honors with her. Anita and Mary Beth participated in the ceremonies.

Mrs. Bentham is well known in this County, having been a former Boone County school teacher.

Towel Social Held

The regular monthly towel social was held at the Legion Hall, Florence, last night (Wednesday), May 13th at 8:00 p. m. it was announced.

Seventeen Teachers In County Have Emergency Permits

**Figure Is Improvement
Over A Year Ago,
According To Report.**

A report on the school teacher shortage in Kentucky shows that 17 teachers in Boone County have emergency teaching certificates.

The study issued by the State Department of Education's Division of Teacher Education and Certification, shows that 2,803 public school teachers in Kentucky have less than standard certificates. The figure is an improvement over a year ago, when there were 2,971 emergency teachers.

There has been a steady decline in emergency certificates since the 1947-1948 school year, when there were 5,300 teachers employed on an emergency basis.

Of the emergency teachers in Boone County this year, 17 are in the county system.

The study shows that of the state total of emergency certificates in use this year, 2,455 were issued to teachers in elementary schools, and that 17.7 per cent of Kentucky's elementary teachers have less than the required scholastic standing as teachers. At the high school level there are 348 emergency teachers—5.8 per cent of the total. The combined percentage for all teachers in Kentucky is 14.05.

Only 2.6 per cent of the emergency teachers have not completed some college work, while 15 per cent have college degrees or above. About half have completed two years of college.

C. D. "Dewey" Benson Announces Candidacy For Clerk

**Has Served County For
Past Twenty Years; Is
Bank Official.**

C. D. "Dewey" Benson, of Burlington announces his candidacy for County Clerk in this issue of The Recorder, subject to action of the Democratic primary, Saturday, August 1, 1953.

"Dewey" as he is known throughout Boone County has served as Boone County Clerk for the past 20 years, taking office the first time in January 1934.

He was born and reared in Boone County and was educated in the Walton grammar and high school. He is a member of the Burlington Baptist Church and is Vice President of the Dixie State Bank, Walton.

Mr. Benson has been active in organization of baseball leagues throughout Northern Kentucky, and no doubt is responsible for the large number of outstanding baseball players produced in this section.

In making his formal bow to the voters of Boone County, Mr. Benson issued the following statement:

"In making my announcement for re-election to the office of County Clerk, first, I want to thank you people, each and every one of you, for your kindness and support during campaigns of previous elections, permitting me to serve as your County Clerk for almost twenty years.

"Your support and kindness has not only been of much encouragement to me, but the many friends I now have, made possible only by being your Clerk, mean more to me than anything that could possibly have happened to me during my lifetime.

"The only thing I ask of you on election day, August 1, 1953, is to do as well as you have in the past.

"We, C. D. Benson, Clerk, and Alberta O. Greene, D. C., thank you for everything, and if re-elected will try to serve you the best we know how.

"Don't forget to register! Go to the polls and vote, for this is the freedom for which our boys are fighting."

Don't forget to register! Go to the polls and vote, for this is the freedom for which our boys are fighting."

New School Asked To Supplant Lloyd High In Erlanger

**Bond Issue To Be
Voted On By Residents
Of Community.**

Plans call for the replacement of the present Lloyd High School in the Erlanger-Elsmere consolidated school district with a new building and conversion of the present building into an elementary school, by the Board of Education of the district.

Edgar Arnett, superintendent, has requested the town councils to defray the expense of a special election to be held in the two towns, probably in June, to authorize a bond issue to finance the new school. If the councils vote favorably, Kenton Fiscal Court will be requested to set up the special election.

Mr. Arnett said there had been no additions to the school system in the district since it was established in 1928. The population of the area has doubled since that time. It is expected that the proposed project will be built on a 30-acre tract of land owned by the Board of Education adjacent to the present high school on which the high school stadium is located.

Mr. Arnett said that plans still were too indefinite to make an estimate of the cost or size of the proposed new building. Preliminary plans and estimates, however, are being prepared, it was said. Provision may be made for addition of several courses to the curriculum now precluded by lack of space.

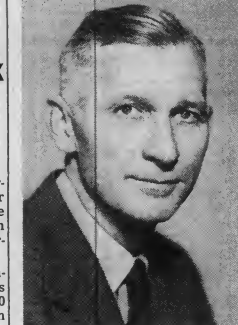

Celebrates Golden Wedding Anniversary

Mr. and Mrs. A. E. Davidson, of Dixie Highway, Florence celebrated their fiftieth wedding anniversary at their home, Sunday.

They were hosts to a group of friends and neighbors, and an anniversary party was enjoyed.

Mr. Davidson is a retired employee of the Andrews Steel Co., Newport. He is an honorary member of Burlington Lodge No. 284 F. & A. M., and is well known throughout this section.

CANDIDATE FOR CLERK

C. D. "Dewey" Benson

Blakers Plan Open House Sunday, May 17

Open house will be held at the home of Mr. and Mrs. Jake Blaker, Sunday, May 17 on Burlington R. 1 from 2 to 4:30 p. m., to celebrate their golden wedding anniversary. Mr. and Mrs. Blaker will have been married fifty years on May 20. They invite their friends from all sections of this area.

H. E. White Seeks Re-Election To Office Of Magistrate

**Has Served Second
Magisterial District For
Twenty Years.**

H. E. White, Burlington, Magistrate from the Second Magisterial District for the past sixteen years, makes his formal announcement to the voters of Burlington, Florence and Union precincts for re-election in this issue of The Recorder, subject to action of the Democratic primary, Saturday, August 1, 1953.

Mr. White is well known, not only in the second district but throughout the county, having served for many years as president of the Wool Pool Association of Boone County, and having been active in 4-H and Utopia work.

After serving twenty years as magistrate of his district, we feel that Mr. White needs no introduction to the voters. He was born and reared in the Burlington precinct, in which territory he has spent his entire life.

Mr. White voted in favor of the 10-cent reduction in bond issue taxes for this year and favors another 10-cent reduction as soon as possible without injury to the official affairs of the county.

In making his formal bow, Mr. White makes the following statement:

"In making my announcement in this issue, I feel that I can honestly say that I am better qualified to fill the position which I seek than ever before due to my twenty years' experience in this capacity.

"During these twenty years much progress has been made in road building through my district and the county as a whole. This work has been accomplished through the efficient management of the court, where spending the taxpayers' money has been rigidly supervised. Plans are for further improvements on roads in this district and other districts in the county as rapidly as funds will permit. All road construction has been completed at a minimum cost, thus giving more roads for less money.

"If elected to the office which I seek, I will endeavor to cooperate with other members of the court in further road construction and maintenance in the Second District and the entire county.

"Your support is earnestly solicited in the coming primary, August 1, 1953 and will be greatly appreciated."

Cyclist Succumbs To Injuries Received In Accident Wed.

**Three Others Injured
When Motorcycle And
Car Collide.**

Robt. Ashbrook, 31, of Cincinnati, father of five children, died Friday night at St. Elizabeth Hospital, where he was taken late Wednesday after his motorcycle collided with an automobile 1 1/4 miles north of Walton, Ky., on U. S. 25. He never regained consciousness.

State police reported that Ashbrook's cycle was parked on the roadside and as he started back on the highway, mud on the wheels of the cycle spun it into the path of an automobile driven by Vernon Hutson, of Cincinnati. Both vehicles were headed south.

Other occupants of the automobile, Laura Caldwell and Dorothy Caldwell, both of Cincinnati were treated for minor injuries at St. Elizabeth Hospital.

RECIPE OF THE WEEK

Chili con carne is a good main dish for busy spring days. It may be prepared in advance and reheated for dinner or supper, suggests Miss Florence Imlay, specialist in foods at the University of Kentucky.

Chili Con Carne: 2T bacon drippings, one-third c chopped onion, 1 clove garlic sliced, ½ lb. ground beef, 2½ c cooked kidney or pinto beans, one-third c minced green pepper, 2½ c cooked tomatoes, 1 bay leaf crushed, 2 t. sugar, 2 to 4 t. chili powder, 1 t. salt.

Brown the onion and garlic in the bacon drippings. Add meat and cook slowly for five minutes, stirring occasionally. Add remaining ingredients and simmer for 30 minutes. If desired, place in baking dish, sprinkle with ¾ c grated cheese and bake in moderate oven, 350 degree, for 30 minutes.

Menu: Chili con carne, buttered carrots, tossed salad, crusty rolls, butter and apple pie.

HOMEMAKERS ADOPT KITCHEN SHORTCUTS

Shortcuts in doing kitchen work as presented at homemakers clubs in Greenup county the past few months, resulted in many women making use of the ideas. Miss Edna S. Haight, UK home demonstration agent, notes that of 103 women reporting, 97 have lap tables or tables of some kind at which they can sit to work; 69 women have found they can save time and be more efficient if they assemble all their equipment before they begin a job; 80 homemakers have a carborundum stone or butchers steel and used them to sharpen 164 knives and 95 pairs of scissors; 92 women have running water in their homes. Realizing the importance of rest, 78 homemakers said they took short rest periods during the day.

Mr. and Mrs. Wilbur Drake and Miss Viola Fay, of Erlanger, were calling on the P. J. Allens, Sunday. Mrs. Jane Stephens, of Dorothy Ave., had as guests recently, a group of friends from the Pleasant Ridge Methodist Church, Cincinnati, where she and Mr. Stephens worshipped during their time of residence in the Queen City. Guests include Mr. and Mrs. Chester Schell, W. E. Packhouse, Mr. and Mrs. Chas. Lancy and Mr. and Mrs. James Workman.

Pvt. Billy Noel, who is stationed at Camp Breckinridge, Ky., is enjoying several days' leave here with home folks.

Unintentionally the names of Mr. and Mrs. L. M. Moore, Sr., were omitted from the list of guests at the birthday celebration of Mrs. Sophia Jones. They presented Mrs. Jones with a lovely orchid corsage. Wallace Craddock and family moved the past week to the Dr.

Bickler property on U. S. 42.

Mr. and Mrs. R. E. Tanner, Mr. and Mrs. Robt. Woodward and the P. J. Allens enjoyed "Mother's Day" together at the home of the latter. Week-end guests of Mr. and Mrs. Geo. Miller were Mrs. John Dolwick, Jr., Mrs. Maude Graham, Mrs. Frank Hogan, Blayne Miller and H. B. Simpson.

Mr. and Mrs. Richard Keyer had as dinner guests Sunday, Mr. and Mrs. Stanley Keyer and daughter and Mr. and Mrs. Eldridge Carpenter.

Robt. Woodward recently made a business trip to Indianapolis, Ind. He reports the farm work progressing nicely in that section with the major part of the plowing done and the sheep all sheared.

Mr. and Mrs. Paul Chaney are now occupying the new home they recently purchased in Clutterbuck subdivision on Burlington Pike.

T. C. Crume, Jr., wife of Charleston, Ind., were visiting relatives here through the week-end.

Friends here of Otto Lindner regret to learn that he has been confined to Christ Hospital due to surgery. However, he expected to return to his home in Bond Hill Sunday. Mrs. Lindner was the former Effie Daughters.

Mr. and Mrs. Wm. Westermeyer, of Erlanger are being congratulated over their infant son Thomas Anthony, born May 1st at St. Elizabeth Hospital. Mrs. Westermeyer was the former Mary Knox, daughter of Mr. and Mrs. A. T. Knox of U. S. 42.

Rev. C. N. Ogg has recently returned from Georgia, where he held a successful revival. Rev. Tilton of the Erlanger Methodist Church has also concluded a revival in Tennessee.

Mrs. H. T. Barnett entered St. Elizabeth Hospital, Monday and will submit to surgery Wednesday. Her friends wish her the best.

Mr. and Mrs. Bud Abbott are proud parents of a baby girl born recently at St. Elizabeth Hospital. The many friends of Mrs. Minnie Daugherty regret that she suffered a fractured hip bone in a fall re-

cently. Mrs. Daugherty is the mother of Dr. Harry Daugherty. The best of luck to her.

Mrs. Lida Hood, of Locust St. is confined in St. Elizabeth Hospital due to eye surgery.

The best of luck to Mrs. Tony Howard, who suffered a fractured ankle bone when she slipped on a rock and fell recently at her home on Uri St.

Mr. and Mrs. Richard Keyer had as recent callers, Mr. and Mrs. McLoney, of Burlington.

Mrs. Chas. Hood, of Lloyd Ave., has entered St. Elizabeth Hospital for an eye operation.

The Erlanger-Elsmere Homemakers Clubs in Kenton county assisted in the blood-bank program by furnishing workers, getting donors and providing refreshments. A total of 129 pints of blood were given.

CONSERVATION NOTES BY FLOYD E. KELS

EVEN THE BIRDS NOTICE WHEN WE FAIL TO CONTOUR

As mentioned in a previous article Thomas Jefferson was one of the first Americans to practice contour plowing and cultivation. He called it "horizontal plowing." He explained this practice in writing to one of his friends as follows, "Our country is hilly and we have been in the habit of plowing in straight rows whether up and down hill, in oblique lines, or however they lead; our soil was all rapidly running into the rivers. We now plow horizontally, following the curvatures of the hills and hollows, on the dead level, however crooked the line may be. Every furrow thus acts as a reservoir to receive and retain the water, all of which goes to the benefit of the growing plant, instead of running off into the streams. The horses draw much easier on the dead level."

In 1943 records were kept on 1200 acres of contoured corn land in Grant County. It was found that these acres produced as much as 8 bushels per acre more than non-contoured fields. Multiply this by the percent price of corn and think of the additional income per acre. Natural the most important factor is the soil that can be saved on your farm. It would be hard to put a dollar value on this.

During the same year 800 acres of tobacco contoured showed an increase of 125 pounds per acre. Thinking in terms of last winter's price of tobacco we can see this would be an excellent way to get a ton of commercial fertilizer or that new piece of farm machinery free.

If you wish to have assistance in staking out guide lines for contour plowing, planting and cultivation, contact your local Soil Conservation District in Burlington, Ky.

Average Employed Person Paid More Than Our Teachers

This is the time of year when boards of education in many American communities are wrestling with the perennial problem, "What shall we do about teachers' salaries?" These salaries make up from two-thirds to three-fourths of the current expenditures in the typical school budget, according to the National Education Association's Research Division.

In calling attention to some of the problems involved in raising teachers' salaries, the Research Division says: "The best thinking of the board and its staff should be devoted to the question, for the services of teachers are of inestimable worth to their communities and the nation."

"Several barriers block the way to a sound solution of the salary problem. Perhaps the worst is the inertia of the tradition of low salaries for teachers. When prices and industrial earnings rise, teachers plead for a corresponding adjustment in pay. Usually what they get is barely enough to maintain a below-average salary status. Today, after several years of small increases, the average teacher still is paid less than the average employed person. It is hard to take the next step, of raising teachers' salaries to a level well above the average employed person. And yet this step is necessary, to recognize the high standards being demanded and the social importance of teaching."

Inadequate financing is cited by the Research Division as another barrier to the solution of teachers' salary problems. "The taxpayer feels burdened by the cost of defense spending and the many non-educational services of our state and local governments," the Research Division says.

"To increase salaries of teachers, taxes must be increased. They must be increased wisely. Many state and local tax systems need overhauling, so that wealth and income may be taxed fairly and the revenues be used efficiently."

"The hesitancy of teachers themselves to state their case can be termed a third barrier. When teachers and businessmen study teachers' salaries together, the businessmen often go beyond the teachers in urging that salaries must swing far ahead, rather than merely inch upward."

"More and more thinking citizens and groups of teachers are now looking at teachers' salaries in terms of professional compensation, and others are piercing the fog of inertia that has blocked progress. The NEA Board of Directors proposes salary goals of \$3,200 to \$8,000 for qualified teachers who dedicate their services to their communities through a teaching career. "As American communities in the

Spring of 1952 decide on the salaries to be paid teachers in 1952-53, they must recognize those barriers in their local communities and work toward overcoming them."

The NEA Research Division calls attention to the principles published recently in the NEA News as a "helpful guide" in improving teachers' salaries:

1. Minimum salaries should be high enough to attract well-educated, promising young people to teaching.
2. Maximum salaries should be high enough to retain highly competent and professionally ambitious men and women in classroom teaching.
3. Equity in treatment of classroom teachers with like qualifications and experience is essential.
4. Annual increments should provide an orderly progress to the maximum salary.
5. The salary schedule should offer professional stimulation, through recognition of professional qualifications.
6. Salary schedules should be adjusted periodically, to recognize trends in earnings in other professional occupations and to meet cost of living changes.
7. Salaries of professional school personnel other than classroom teachers should be scheduled in accordance with the principles that apply to classroom teachers, with suitable recognition of responsibilities and preparation for leadership.
8. School employees themselves should participate in the development and administration of school salary policies.

A. M. YEALEY SAYS—

I have been requested by sight-seers who visit Lochrey Island for information in respect to its past historical tragedy.

General Rogers Clark in 1781 ordered Colonel Lochrey of Pennsylvania to raise a company of men and assist him in an expedition against Detroit. Col. Lochrey raised a force of 120 men and was to meet Gen. Clark at Ft. Henry (now Wheeling, W. Va.) When Lochrey reached this fort he found that Gen. Clark had already passed down the Ohio River. Lochrey dispatched Captain Shannon with four men to overtake Clark and obtain supplies. These four men were captured (also letters from Lochrey to Clark) near Bellevue. They were so placed at the head of Lochrey's Island on the Indiana shore that anyone passing up or down the river could see them. While the Indians, about 400 in number, divided their ranks and 200 of them crossed the river in boats on the Boone County side and awaited the arrival of Col. Lochrey and his troops.

Before reaching the Island the troops made a landing on the Boone County side opposite Lochrey's Creek to prepare a meal and graze the horses. While here, they were attacked by the Indians on the Kentucky side, the troops defending themselves until their ammunition was exhausted. When they took to their boats, the Indians on the Indiana side rushed out on a sand bar and a deadly conflict ensued. Rifle balls were coming from both sides of the river; further resistance was useless and they were compelled to surrender. Col. Lochrey was massacred and 42 of his men fell in battle and the rest were taken prisoners, most of whom were ransomed by British officers in 1783 and exchanged for British soldiers captured during the Revolutionary War.

If the reader should chance to be at Aurora, Ind. it will be of interest to you to visit the cemetery about three-fourths of a mile west of town. There you will see the monument that was erected August 1924, in memory of Col. Lochrey and his company that were slain in the above battle. This monument was erected by "The Col. Archibald Lochrey Chapter, Daughters of the American Revolution."

FERGUS TELLS HOW TO START PASTURE

Suggestions on establishing pastures are given in a new leaflet of the University of Kentucky called "Starting and Managing Permanent Pastures in Kentucky." The author is Dr. E. N. Fergus of the College of Agriculture and Home Economics. Here are some points set out:

Plow or disk the land a month or more before seeding time, and then follow to kill weeds and firm the soil. Apply limestone and fertilizer during this period. Late summer and early fall are the best times to start pastures.

A good pasture is possible only on good soil. Most land needs limestone and soil outside the Bluegrass region probably need phosphate fertilizer.

Choose grasses and legumes on the basis of their adaptation to soil conditions. Use at least one grass and one legume in each mixture. Usually, at least two grasses and two legumes will make a better mixture.

Farmers who already have permanent pastures should consider top-dressing them with limestone and fertilizer. Two tons of limestone should be used in 10 years. Outside the Bluegrass region, fertilizer should add at least 25 pounds of each phosphate and potash a year.

The circular, No. 137, contains valuable information, set out briefly and understandably. Copies can be had as county agent offices or from the college at Lexington.

Credit Due Students At Florence High For Recent Operetta

A great deal of credit goes to the Florence Glee Club, under the capable direction of Mrs. Samuel Leming for the recent operetta "Blow Me Down" which was presented at the High School auditorium. It was a tremendous undertaking considering the limited talent. Each person taking part should be highly commended for a job well done. The costuming, make-up, scenery, and staging were well worked out in advance. It was a musical which would have presented a problem even for professional singers, and anyone who witnessed the performance would have to admit that each person taking part did their very best to give all they had to offer.

A special word of praise should go to the accompanists who handled the music for the performance. It was their job to carry the show along, which they did to perfection. These two young students deserve only the highest praise. Mrs. Leming was wise in supplying her Hammond organ which was used in coordination with the piano, which added depth and fullness to the accompaniment. These two up-and-coming musical students bear watching as I'm sure you will hear of them often in the future. Miss Sue Carol Ashcraft presided at the console, while Miss Janet Doldwick gave forth at the piano.

The chorus and the specialty numbers were very good and added much to the success of the performance. Clara and Mary Watts did a remarkable job on the make-up. The community is proud of the progress the Glee Club has made and can only add praise to their efforts in the past and wish them much success in the future.

U. S. Court Upholds Erlanger Bond Decision

The U. S. Court of Appeals in Cincinnati issued an order Monday affirming U. S. District Court, Covington, in its decision upholding validity of a \$150,000 issue of Erlanger sewer revenue bonds.

Through this decision the city of Erlanger must make good the principal and accrued interest on bonds issued nearly 20 years ago. Only exception noted in the Sixth Circuit Court of Appeals decision over Judge Mac Swinford's previous ruling in Covington is that the issue of a receivership in connection with a portion of the bonds is left open for further proceedings.

Action against the city had been brought by Raymond J. Berkemeyer, Well, Roth & Irving Co., and John D. Exterkamp.

In the ruling Monday was on the city's appeal from the decision granting the plaintiffs by Judge Mac Swinford.

RESOLUTIONS

We the Directors of the Hebron Deposit Bank for and on behalf of ourselves, the stockholders and patrons of this bank hereby offer the following resolutions:

Whereas, it was the will of Almighty God to remove from our midst Hubert Conner, on February 4th, 1953 our fellow director, and president in whom we have lost a faithful, industrious, and capable fellow worker and friend, a man of great character, and reputation and whose departing will be greatly missed by all who knew him and with whom he worked and lived.

Wherefore, we offer our deepest sympathy to his family and friends, and authorize a copy of these resolutions to be sent to the family, a copy placed in the minutes of the board of directors meeting of the Hebron Deposit Bank, and a copy mailed to the Boone County Recorder for publication.

BOONE SCHOOL GRADUATION EXERCISES SCHEDULED

The four Boone County high schools will graduate 71 members of the senior classes on Wednesday evening of next week at which time commencement exercises for all school will be held.

Burlington, with 28 graduates, has the largest class. Hebron has 20 graduates, Florence 12 and New Haven 11.

NR SENIOR ACTIVITIES

Sunday, May 17, is the date set for Baccalaureate. Rev. V. V. Hill will be the speaker.

The following night is Class Night. The seniors plan to present "The Magic Spectacles." The Junior-Senior Prom will be held immediately after the program.

May 20 is the big night, Commencement. Dr. George Redding, professor of Bible at Georgetown College, will deliver the address. George Baker is salutatorian and Ann Wilson is valedictorian.

The Rev. Maurice Coers, pastor of Immanuel Baptist Church, Covington, will address the graduating class of Burlington high school Wednesday evening, May 20. Rev. Coers is an internationally famous speaker and at the present is author and director of the popular television show "Chapel of Dreams."

The Rev. Sam Hill Jr., pastor of the Burlington Baptist church, will speak at the school baccalaureate services Sunday evening, May 17.

The senior class night program will be held Friday evening, May 15.

Mr. A. L. Garner, professor at Georgetown College, Georgetown, Ky., will deliver the commencement address at Hebron high school Wednesday evening, May 20, it was announced by Chester Goodridge, school principal. Mr. Garner is well known throughout Kentucky and the southern states and he has appeared on several commencement programs in Boone County during the past few years.

Monday night, May 18, has been set for the class program of the Hebron high school. The very interesting program will feature a number of musical numbers besides the regular class-night numbers.

FLORENCE GRADUATION EXERCISES ANNOUNCED

Class Night will be held at the Florence auditorium at 8:00 p. m. on May 15, 1953.

Baccalaureate services will be held at the Florence gym at 8:00 p. m. on May 17, 1953. The speaker will be Reverend R. A. White, minister of the Florence Christian Church.

On May 20, 1953, at 8:00 p. m. Commencement will take place. The speaker that evening will be Mr. D. J. Carty, director of Extension and Public Relation at Eastern State College.

Everyone is welcome to attend all services, so come and have an interesting and enjoyable time.

A P-T-A. Record Of Accomplishment

A lot can be done with little fanfare. EXAMPLE: The Burlington Parent-Teachers Association has during the past eight months of the school term provided the school cafeteria with a large freezer unit and one hundred metal chairs, given each grade of the school thirty dollars for room supplies, presented a complete set of World Books to the seventh and eighth grades, and given a five dollar prize each month to the school classes for attendance of parents at P-T-A. meetings, and had an exhaust fan installed in the kitchen.

Besides the above, the organization sponsored the Fall Festival and the high school athletic banquet.

Officers are Mrs. Gladys Walton, president; Mrs. Nell Gaisson, secretary; and Mrs. Doretta Rouse, treasurer.

Students and faculty members of Burlington school express their sincere thanks to the organization.

"Eagles" Honored At Athletic Banquet

Members of the Burlington high school athletic teams and team cheerleaders were honored at a banquet last Thursday evening at the school. C. C. Lamb, former coach of the school, was principal speaker.

Certificates for letter awards were made to members of the football, basketball and track teams.

Florence Grade Classes Have Busy Springtime

The first grade: Miss Allie Mae Watts reports that they are planning a circus project and a program to go with it. They are also trying to do some spring cleaning in their room.

The second grade: Mrs. Yelton's room has just completed a unit on "The Dutch People of Holland." They read stories about them from their books and weekly readers.

They brought pictures of Holland to class. They then drew a large scene of Holland showing the canals and windmills. They learned much about Holland and all agree that they would like to visit there. Those on the honor roll from the past six weeks are: Judy Dean, Danny Yelton, Barbara Phelps, Stevie McKibben, Donna Vickers, Connie Reeves and Jerry Meyers.

The third grade: Mrs. Jones' third grade was very glad to welcome Lee Easterday from Covington, Ky., and Mary Sue Dickerson from Virginia to their class. The third grade pupils enjoyed an Easter Egg hunt last Friday morning and a Gene Autry show in the afternoon. They have colored and cut out many spring flowers to decorate their room while they are studying a unit on wild flowers.

The third grade: Mrs. Westermeyer's third grade welcomed two new students, Richard Adams and Robert Kelly to their class. Their Easter Egg hunt Friday was mainly for one certain egg. There was a prize offered to the person who found it. Mike Sullivan was the lucky boy and he received the prize.

The fourth grade: Mrs. Markesberry's fourth grade crowned their basketball King and Queen a few weeks ago. Shirley Denham was voted the Queen and Charles Fisher the King. Bill Lutes has just returned from a trip to Florida and Billy Ray Stevens re-enrolled here after going to school in Florida for two months. The doctor and nurse for the past two weeks has been Carolyn Muller and Roger Osborne. The fourth graders are enjoying the books they received from the Frankfurt library. If you don't believe me, ask Charles Caldwell, Tommy Meadows, Joyce Snow or Roger Osborne. They welcomed Nancy Rea to their class recently and I hear that she has passed quite a few compliments upon our school.

The fourth grade: Miss Schram's fourth grade also crowned their basketball King and Queen. Their King was Danny Coggage and the Queen was June Otter. Their attendants were Janet Miller, Jean Mautz, Judy Cavanaugh, Ann Sutton, Cecil Martin, Dennis McGuire, James Dolwick and Bobby Dolwick. Robert Vickers presented the crowns. Their class has two goldfish named, "The Lone Ranger" and "Tonto."

The fifth grade: Mrs. Patterson's fifth grade reported that they had an Easter Egg hunt Friday, April 3, which they all enjoyed. This week they have made Cross Word Puzzles. On April 7, Mrs. Patterson's fifth grade played Miss Seabee's fifth grade a game of basketball. The outcome was a 7-6 victory for Miss Seabee's class. The cheerleaders elected by Mrs. Patterson's class are, Bonnie Robinson, Judy Pope, Betty Ray, and Joan Fletcher. They played Miss Schram's and Mrs. Markesberry's fourth grades Tuesday, April 14. They are making poem books containing all of the poems that they like best. They are holding a contest between the boys and the girls to see who can read the best. The ones who read the best get a star by their names. The side that loses treats the winning side.

The sixth and seventh grades: The sixth and seventh grades in Mrs. Slater's room are proud to have a new girl, Marlene Kelly, from the state of Massachusetts. They are sorry to have so many out with measles but hope they'll be back soon.

The seventh grade: Mrs. Durham's class reports that Skipper Noelker is very sick and will be out of school for a few days. They hope he recovers in a hurry. They have challenged Mrs. Slater's sixth and seventh grades to a basketball game this week. They plan to have a first team and a reserve team. Their cheerleaders will be Gladys Picirillo, Nancy Harris, Florence

Lahmer, Betty Lu Spencer and Madeline Hartman. Their class has been studying geometric designs and they had a contest to see who could make up the best design to paint on their work table. The winners were: Leslie Good, first; Skip Noelker, second, and Courtland Hollis was third. Their class decorated a half bushel basket to look like an Easter basket and filled it full of gifts for a shut-in friends of the class and a sister of one of the boys in the class. They also took her a live rabbit which supplied them with entertainment the day they took the basket to her. The whole class went to the home of the shut-in friend to watch her open the gifts. She seemed very much pleased.

"Teen Time" Set For Friday Evening At Hebron School

Members of the senior class of Hebron high school will present their class play, "Teen Time", a three act comedy, at the school Friday evening, May 15. The characters are: Wendy, a girl with a problem (Junie Stephens); Mrs. Meade, her mother (Marion Caseldine); Mr. Meade, her father (Geo. Toadvine); Babe, her young sister (Virginia Herbstreith); Marietta, her girl friend (Anna Louise Elliott); Tim, her boy friend (Gene Bonta); Darby, his pal (Bob Girvan); Harley, a rival (Jim Brautigan); Gay, a pretty menace (Barbara Schwiery); Miss Denning, a good friend (Dora Reinhart); Mrs. Nash, a business woman (June Snelling); Milligan, a policeman (Ray Hogan); Gus, a repairman (Carroll Conrad); Norman Ayres, a photographer (Carlton Anderson); Wilbur and Tiny, high school boys (Billy Ray Herrington and Ronnie Hodges); Extras, teen agers, Eddie Tanner, Donald Craddock and Jimmy Powers.

Eagles Split Even In Spring Baseball

The Burlington Eagles baseball nine who are entered in the district baseball meet on May 20 and 21, have split even in four games this spring. The Eagles lost their first two games 3-0 and 2-1 (extra innings) to Walton and Lloyd. In return games last week the Eagles defeated the Juggernauts 8-7 in two extra innings and trounced the Bearcats 7-2 in an abbreviated game cut short by rain.

Teams entering the district meet are Walton-Verona, the host school, Burlington, Morgan and Silver Grove.

BACCALAUREATE SPEAKER

The Rev. Sam Hill, Jr., pastor of Burlington Baptist Church will deliver the Baccalaureate sermon to the Burlington graduating class Sunday evening, May 17, at the church.

W. O. W. Presents Flag To School

Presentation of the American Flag to the Burlington school by the Woman of the World Insurance Company Camp 614 featured a school assembly program last Friday morning.

C. G. Lamb, state manager of the company in the state of Virginia and a former teacher of the local school, made the presentation address.

Preston Sorrell, county representative of the W. O. W., arranged the program. Mr. Sorrell also announced that he will present a medal to the high school senior adjudged the most efficient in American Government and Citizenship.

Spring Is Here

By Lois Caudill
Spring is really here. You remember the old saying, "In the spring a young man's fancy lightly turns, etc."—well, their thoughts are really turning this spring. For those who aren't hep to the latest on them, I will be glad to enlighten them.

I think I have a scoop. It hasn't been chewed around, but did you know that Buddy Markesbery has his eye on one of our Juniors? Junior play practice was fun, wasn't it? Nancy, where were you off to after the practices? I'm quite sure that you didn't walk home.

Smoky, we expected to see you at the recent hayride but were very disappointed. Where did you go? Wanda, we heard rumors that you were seen at the Drive-In Theater instead of at the hayride. Now I won't make any connections between the two mentioned above, but well you can draw your own conclusions.

Our favorite English teacher, Miss Clara Watts, was a director of the recent Junior play. Naturally, such an event calls for a celebration. Now Miss Watts is close-mouthed about such topics so we must find them ourselves. You two make a nice looking couple, Miss Watts. Doesn't he have a crew hair cut?

Did you notice the lovely corsage that Babs Burt was sporting at the Junior play? I am quite sure that it is no secret about who bought it for her. Jackie, you have very good taste. I couldn't have chosen a nice corsage myself.

Speaking of corsages, wasn't that an ORCHID that Evelyn was wearing at the Junior play? It looked very chic. Evelyn, you must really have you-know-who hooked. Hmmm, Bobby?

Say, Betsy, what is this we hear about you riding in a blue Ford? Is she good company, Clyde?

What have the Walton gals haven't got that the Florence gals haven't? How about it, Larry?

Lynn, who was this person that you went with to the Walton-Basketball banquet? Could it have been Eugene L? Is Barb T. still waiting for someone to come along or has he already come along? Tell us about this, F. D.

Dr. Crume Speaker At Tiger Fete

The annual New Haven basketball banquet was held at New Haven on Friday, April 24. The banquet was sponsored by the P-T-A.

The entire basketball squad, the varsity cheerleaders, the managers, the coach, and the faculty were present.

Letters were awarded to the players, cheerleaders, and managers on this occasion.

Dr. T. C. Crume, Sr., was the speaker.

—Ann Wilson.

Burlington Honor Students Selected

Award winners among seniors of Burlington high school as announced by the principal's office were: Valedictorian—Peggy Kelly; Salutatorian—Janet Jones; Citizenship—Janet Jones; Babe Ruth Memorial Award—Harold Dringenberg and Dorothy Hensley; Athletic Award—Jerry Ryle; Mr. and Miss B. H. S. (year-book selection) Harold Dringenberg and Janice Kinman.

Awards will be presented at commencement exercises.

Still A Few B. H. S. Yearbooks Available

Members of the Burlington senior class yearbook staff announced this week that there were still a few yearbook subscriptions available. The books will be the largest and most expensive published by the school and will include an "Extra Special" feature section. Those desiring a copy contact any member of the class.

"Hillbilly Weddin" Presented By B. H. S.

Members of the Burlington senior class presented "A Hillbilly Weddin" Friday evening, May 8. The play was directed by Edwin H. Walton, principal.

Those taking part were Jerry Lustenberg, Donald Ritchie, Eddie Brown, Roy Smith, Raymon Smith, Odell Berry, Billy Ogden, June Brown, Harold Dringenberg, Vera Dean Scott, Billie Jo Brown, Peggy Kelly, Capole Kautz, Retha Berry, Janet Jones and Dorothy Hensley.

Florence Seniors Present Comedy

"Arron Slick From Pumpkin Creek," a three-act comedy was presented by members of the Florence Senior Class Friday evening, May 8.

Those having parts in the play were Billy Maddox, Calvin Martin, Irvin Luck, Alma Clifton, Lois Caudill, Barbara Denham, and Mary Hughes.

Boone Ranks 11th In State For Percentage Of Pupils Enrolled Report Shows

Boone County ranks 11th of the state's 120 counties in percent of pupils enrolled according to a release from the Department of Education. Boone County has 90.88 percent enrolled.

The enrollment for each district is secured by subtracting non-enrolled children from the total census. To this figure were added children attend public schools in other districts, those attending in other states, and those attending private schools, parochial schools, colleges and training schools.

Of the top twelve counties, besides Boone County, Kenton and Campbell were ranked first and seventh. Owsley County had the lowest percentage with 69.56.

New Haven Tri-T Sponsors Supper

The New Haven pep club sponsored a box supper on April 15, to raise funds for an end-of-the-year party. We were successful in doing so, and we would like to thank everyone who helped us out.

The club had an old-fashioned hayride on Saturday, April 25, to close the year with a bang.

"I am deeply concerned with the welfare of a free people and the education and care of our children who one day must assume the responsibility of preserving that freedom."—Dwight D. Eisenhower.

"Blow Me Down," An Operetta, Given By F. H. S. Singers

By Irene Hoffman
An operetta entitled "Blow Me Down" was presented by the Florence High School Glee Club, May 1, 1953 at the Florence High School.

"Blow Me Down" is a piratical absurdity in two acts. The scene is the deck of the pirate ship, Black Death. The pirates have captured a boatload of students on tour and the students have all turned into bold, brave pirates. They have many adventures after the Captain decides to turn the ship into a cabaret.

The cast included Captain Jeremiah Kidd, Skipper, Charles Utz; Robert Trent, Director and head professor of a student tour, Larry Yelton; Nancy, a senior at Hartwell Hall, Maxine Morgan; Judy Jennings, Nancy's chum, Irene Hoffman; Miss Patricia Pettigrew, Dean of Hartwell Hall School for girls, Lois Howard; Portguese Pete, second mate, Gerald Lunsford; Mrs. Todd, proprietress of a tea room and Nancy's mother, Carol Hale; "Dutch" Schneider, Cook, Newell Graham; Slim Baily, Commander of the pirate apprentices, Paul Beckmeyer; Jake Smithers, Boatswain, Charles Flynn; and Ben Barnacle, Sailmaker, Larry Duncan. They were backed by the remainder of the chorus.

The accompanists were Janet Dolwick and Sue Ashcraft. The music director was Mrs. Lemming and the dramatic director was Miss Clara Watts.

Attention Parents! A Health Notice

Dear Parent:
The Boone County school officials have completed the list of names of children, six years of age, that will be entering school in Boone County this fall. Your six-year-old child has his (or her) name on this list.

The Kentucky State Department of Education requires that a physical examination be made, and immunization for smallpox and diphtheria be given to each child entering the first grade of school.

For your convenience, and in order to get this required work completed before summer, clinics will be held during the week of May 11th as follows:

Burlington—Tuesday, May 12, 9:00-10 a. m. Burlington School, Dr. Yelton.
New Haven—Hamilton District—Wednesday, May 13, 10:00-11:00 a. m. New Haven School, Dr. Daugherty.

Florence District—Thursday, May 14, 9:00-10:00 a. m., Florence school, Dr. Rouse.
Hebron—Constance District—Friday, May 15, 14:00-11:00 a. m., Hebron School, Dr. Hafer.

There will be a fee of \$1.00 to cover the expense of the examination.

The child must be accompanied by a parent to the clinic in his school district. If you wish, you may have this work done by your family physician, but it must be done before school opens in September.

Thanking you for your cooperation, I am

Sincerely yours,
Ruby L. Caldwell,
School Nurse.

BURLINGTON CHURCH ENTERTAINS SENIORS

Members of the Burlington senior class will be guests of the Burlington Baptist Church at a banquet Thursday (tonight), May 14.

Knights Hear U of L. Coach

A marvelous basketball banquet was held in the Florence auditorium on April 23, 1953. It was one of the nicest banquets that Florence has ever had. The basketball players, cheerleaders, their guests and parents were present. The speaker for the evening was Peck Hickman from the University of Louisville. William McEvoy was toastmaster. The Florence P-T-A. sponsored the chicken dinner.

Meet Your High School Graduates---Sketches

What Is Section 186 of Constitution? What Is Minimum Foundation Program? ...Our School Financing Need A Change

We believe there should be a change in state financing of our school. The reasons are listed below:

Questions and Answers

1. What is Section 186 of the Constitution?
Section 186 provides that at least seventy-five percent of the State Common School fund shall be distributed on the basis of the number of census pupils in the school district.

2. Why cannot we develop a program without repealing Section 186?
This question has been answered by such statements as, "It would take too much money," or "The cost under the present system would be prohibitive," or "Present inequities would be multiplied." All of these statements are true and can probably be explained by giving one simple illustration. At the present time the state is spending, under the per capita method of distribution, approximately \$800 per teacher in some school districts and as much as \$2700 per teacher in other school districts. If, under the present Section 186, a minimum program calling for a minimum teacher's salary of \$2400 should be adopted, the state would have to send three times as much to the \$800 district and also three times as much to the \$2700 district. It can be readily seen that a program which would compel the state to send \$8100 to one district in order to be able to maintain \$2400 in another district is neither practical nor feasible. With such an inefficient method required by the Constitution, the only hope for efficiency is to change Section 186 of the Constitution.

3. What happens if Section 186 is amended and no new statutory provision for distributing funds is made?
The present statute would apply. The act proposing an amendment to Section 186 says in part, "All funds accruing to the school fund shall be used for the maintenance of the public schools of the Commonwealth, and for no other purpose, and the General Assembly shall by general law prescribe the manner of the distribution of the public school fund among the school districts and its use for public school purposes." This amended Section 186 of the Constitution will fit in with the present Section 183 which states that the General Assembly shall provide for an efficient system of common schools. In view of the provision of Section 183 and the amended Section 186, the General Assembly is charged with the responsibility of providing for an efficient system of schools. In order to carry out this mandate, it becomes necessary to establish an efficient and objective method of distributing the State Common School Fund.

4. Why is there no guarantee in the proposed amendment not to reduce state support to any school district?
Such a provision is regarded as statutory material by many persons. A guarantee that no district would receive less money than it did in 1951-52 would assume a stable economic structure. In view of the fact that economic conditions could change considerably, it is entirely possible that the state would find itself with a constitutional guarantee which could not possibly be met in times of recession. It should be noted that past experience in administering the Common School Fund shows that no district has lost funds as a result of the equalization program. This is true even though it has meant that less money is made available for equalization than could be used under the present constitutional provision. The Legislature has consistently refused to raise the equalization fund to its maximum if such a raise would reduce the per capita allotment to any school district.

5. What do you mean by "Minimum Foundation Program"?
A Minimum Foundation Program is an educational program which assures to every child, wherever he lives, an opportunity to secure a defensible minimum of education.

6. What does Minimum Foundation Program mean to my children?
It means that my children, regardless of where I live in the State, will have the advantage of a defensible educational program. It would mean that in case I moved to another district I would find an educational program which provided the essentials for my children.

7. What will it mean to my district?
It will mean that when my district has made a fair and reasonable effort to finance educational balance needed to guarantee a minimum foundation program will be provided from State funds. It would mean that all available local funds would not be used for the minimum essentials, but some local revenue would be available for enrichment of the educational program.

8. What better returns or dividends will we have in a new program?
A sound pupil-teacher ratio will be encouraged. Attendance will be rewarded. Better facilities, improved transportation, more supplies, and better services will be possible.

9. Will the wealthy districts be penalized to help the poor ones?
It cannot be emphasized too much that the minimum foundation program is not an effort to take from some districts to give to other districts. That would be utterly unwise and indefensible from every standpoint. Every school district has developed salary scales, prepared transportation programs, and developed capital outlay and/or debt service programs on the basis of anticipated revenue over a period of years. The stability of these financial programs must not be disturbed.

10. Will this mean increased state control?
There must, of necessity, be certain regulations imposed by the state. The purpose of these, however, will be to insure that the money is spent for the purpose for which it was intended, and not to take away any local control from the school district.

11. When can we expect results from Minimum Foundation Program?
If the amendment to Section 186 is approved by the voters on November 3, 1953, it will be possible for the General Assembly to enact into law a Minimum Foundation Program in January, 1954. If the General Assembly enacts the program into law, it may become effective with the 1954-55 school year.

26 per cent of Kentucky's children are in one, two, and three-room schools.

80 per cent of the school buildings in Kentucky do not have central heat.

38 per cent of Kentucky's school children attend schools with outdoor toilet facilities.

NEW HAVEN SENIORS

There are eleven seniors in the class at New Haven this year, ten boys and one girl. Let's look at a thumbnail sketch of them.

George Baker—G. W. is the son of Mrs. Ruth Baker, of Beaver. He is noted for his voice, strength that is. His accomplishments include: Captain of the football team, regional winner of the Tomorrow's Travelers contest, and he is a member of the basketball and track teams. G. W. is the class president.

Charles Flynn—Slim is the pride and joy of Mrs. Mary Flynn. He can be called Mr. Talent of the seniors class. He's quite an artist and he can sing, too. Slim is a member of the basketball and track teams.

Ronnie Crume—Ronnie is the "personality plus" guy. His parents are Mr. and Mrs. T. C. Crume, Jr. He is a member of the football, basketball, and track teams and is vice-president of the class. Ann Wilson—Ann, who makes up all the senior girls, is the daughter of Mr. and Mrs. Robert L. Wilson. You can find her dashing through the halls or in the office, working of course. She is president of the Hi-Y, Hi-Y Club and also the pep club.

Jack Feagan—Jack is the son of Mr. and Mrs. John L. Feagan, and up until two weeks ago, he was the only boy in the family. Jack takes part in all sports and was chosen the "Senior most likely to succeed." His ears play an important part in this, we are sure, because of their size. He will always hear the boss' orders.

Eddie Evans—"Egg" as he is known to us, is the son of Mr. and Mrs. Willie Evans, who manage the White Haven poultry farm. That's how Egg got his handle. Egg played football and basketball, and is the N. H. dreamboy.

Ray Moore—Ray is the only son of Mr. and Mrs. Elbert Moore, of Beaver. He earned the title "Booger" for his witty sense of humor. Booger was voted the "wittiest boy at N. H." and has certainly lived up to his name. He played basketball and football.

Randall Rhodes—Randall is the son of Mr. and Mrs. Albert Rhodes. He is the husky man of the class. Randall plays football and was the honor captain of the basketball team. He doesn't like girls.

James Cook—Jimmy is the son of Mr. and Mrs. Elbert Cook. He played football and got hurt every game and was a member of the first five on the basketball team.

Reuben Jones—Rube is the better (?) half of the only perpetual-motion machine in existence, the other half being Gertie Coffey. He played on the football and basketball teams. He is the eldest son of Mr. and Mrs. Everett Jones.

Lenzie Brown—Lenzie is the son of Mr. and Mrs. Clay Brown. He is the newest member of the class, having transferred from Butler High School at the beginning of the second semester. We're glad to have him as an addition to our class.

FLORENCE SENIORS

By Lorraine Utzinger and Lois Caudill
Barbara Ann Denham
Barbara Ann, who was born on

September 12, 1935, is 5 feet 4 inches tall. This brunette, who has brown eyes, likes milk, steak, cheeseburgers, and french fries. Barbara dislikes people who are uncooperative, and she dislikes work in general. When she can not be found at home, she will be driving a gray-blue 1947 Studebaker.

Jennie Lee Tanner
Jennie Lee, born on May 2, 1935, is 5 feet 5 1/2 inches tall and she has blue eyes and blond hair with peroxidized bangs. Jennie likes strawberry shortcake and chili. She dislikes conceited people. You can usually find this blond at Stringtown with the rest of the seniors.

Alma Clifton
On May 17, 1935, Alma, a 5 foot 4 inches brown-eyed brunette made her entrance into the world. She loves to dance and have fun. Pumpkin pie and strawberries are her favorites, among other well-liked foods. She dislikes milk and turnips. She also dislikes people who cause trouble. Alma's main ambition is to be a sailor's wife.

William Maddox
Bill made his entrance into the world on May 21, 1935. This green-eyed senior with black, curly hair, is 5 feet 9 1/2 inches tall. Some of the sports he enjoys are basketball, swimming, and football. He revels in Swiss steak, and chocolate malts, but he dislikes asparagus. Bill can usually be found with his Senior and Junior friends. He will enter the University of Kentucky after he graduates.

Irvine Luck
Irvine, the tallest of the senior boys, is 6 feet 2 1/2 inches tall, has dark brown hair and brown eyes. He has participated in a great many sports. His pet peeves are snobs, opera, and oysters; but he drools over milk and a certain Senior girl. You can usually find Irvine at Pig's Service Station with the rest of the boys.

Donald Beemon
Don was born on November 24, 1933. He is 6 feet tall and his hair and eyes are both brown. His favorite foods are steak and ice cream. Although Don says he does not like school, he does like to play football at school. You can recognize Don by his 1939 black Chevrolet. He plans to enlist in the Army after graduation.

Eleanor Finke
Elie, as she is called by all her friends, is a 5 ft. 6 in. blond and has grey-blue eyes. She is a friendly gal who was born on February 14, 1935. Her greatest dislikes are opera and snobbish people. Elie loves fried chicken and french fries. She is usually seen at Stringtown with the Senior girls, Lorraine and a certain Senior boy.

Mary Hughes
Mary, the youngest of the Seniors, was born January 2, 1936. She is 5 feet 4 inches tall and she has hazel-brown eyes, brown hair, and a cute little turned-up nose. She loves to eat and thrives on hamburgers and chili. She dislikes egg-plant and oysters, and noisy people. She

is usually seen at Stringtown with the rest of the gang. Mary has not decided what she will do after graduation.

Barbara Ann Burt
Barbara was born on August 4, 1935. She has hazel green eyes and brown hair. Babs, as she is usually called, is 5 feet 5 1/2 inches tall and she weighs 115 pounds. Barbara enjoys dancing, roller skating and horse-back riding, and she can do each of them like a professional. Although she does enjoy music, she does not like pop or opera. Self-centered people and gossips are her pet peeves, and "I told you so" is her pet saying. Babs loves and never tires of Big Boys, strawberry pie, and chili pickles. This brunette is usually never very far from two fellow seniors, Lois Caudill and Carol Hale. Although Barbara plans to do clerical work after graduation, she insists that her main ambition is to raise six children.

Carol Sue Hale
Carol, who is 5 feet 7 inches tall and weighs 154 pounds, has dark blond hair and big blue eyes. This gal with the friendly smile was born on April 7, 1935. She is well-known for her habit of cocking one eyebrow up as she talks. Carol likes roller-skating and basketball, along with many other sports. Macaroni with cheese, and cherry pie are her favorite dishes. Carol enjoys good music and singing, and she is an active member of the Chorus. Carol is usually seen with her pals, Lois Caudill and Barbara Burt. She has not decided if she wants to do clerical work or join the WAF.

Lois Caudill
Lois Caudill, a hazel-eyed blond, was born on December 5, 1934. She is 5 feet 6 1/2 inches tall and she weighs 118 pounds. If she could do as she pleased, she would swim all day and dance all night. She is a music lover, especially of Dixie-land jazz. One of her favorite pastimes is eating and she is usually seen with a sandwich in her hand. She especially likes fried chicken, chili, and spice cake; but she dislikes eggs and cauliflower. She likes friendly, happy people; but bossy and conceited people are not to her taste. Her best buddies are Carol Hale and Barbara Burt. Lois plans to do secretarial work after graduation. Her main ambitions are to become an expert swimmer and to travel. Lois is the valedictorian of her class.

Lloyd Calvin Martin
Calvin was born in Corinth, Ky. on June 20, 1935. He, who is 5 feet 9 inches tall and weighs 128 pounds, has black hair and brown eyes. Calvin, whose pet saying is "doggone," is known to his friends as being happy-go-lucky and sometimes stubborn about what he wants. He likes all sports in general, especially dancing and bowling. Two of Calvin's favorite hobbies are eating and girls. He revels in steaks and chocolate malts but he dislikes sea food and eggs. Calvin plans to enter college in the autumn.

HEBRON SENIOR BIOGRAPHIES
We the Juniors delegated to the task of writing the biographies of the Seniors of 1953, so we went at it with a will.
The first person we came to was

"Nellie" Schwier, a tall (5' 10") brunette with brown eyes, weighing 114 pounds. She is 17, in case you're interested, and was born on June 4. She likes steak and her favorite saying is "for heaven's sake!" We think her favorite song is "Bell Bottom Trousers" but she says it is "Wish You Were Here."

Next, we saw a good-looking, tall (6' 1") boy with a certain Freshman girl. He has dark brown, wavy hair and brown eyes and weighs 185. He likes chicken and the Drive-In. He also likes to watch "6-Gun Theater" and likes the song "Your Cheatin' Heart." This is Ronnie Hodges.

Then we decided that we would talk to Jim Braunigan. We finally found him out at Conner. He is 18, 6' 1", has brown hair and green eyes. His favorite food is cooked sausage and he is the originator at Hebron of "How 'bout that?" He likes sports and hopes to be an Air Force pilot "someday."

After that we saw Frances Acra shining Jack's '49 Hudson. She is 17 years old, was born on September 23 and has dark brown naturally wavy hair and green eyes. She likes strawberry shortcake, any place with Jack and the song "All ways." She hopes to become an electrical engineer's wife and have two (2) children; 1 boy and 1 girl. Now, we come to the King of the Junior-Senior Prom, Ray Hogan. He was born on May 21, 1935, and has light brown hair and blue eyes. We think he spends most of his time at J. P.'s (where's that) and plans to go to college.

While we're on the subject of boys, we come to the youngest senior, George Toadvine. He was 17 on Jan. 26. This boy is a brain and plans to be a farmer. In case any of you girls are interested, he has brown hair, blue eyes, weighs 150 and is 5' 10 1/2" tall. Only one thing, we think Bullittville or Hebron is his favorite place. We don't know which.

Next, we come to the Queen of the Junior-Senior Prom, a cute 18-year-old girl with brown naturally curly hair, Junie Stephens. All she says is "Oh! for Pete!" and is always singing "My Baby's Coming Home." She likes to write letters and hopes to be an airline hostess.

Soon we saw the oldest member of the class, Jimmie Powers, who is soon to go to the Army. He was 20 last November 23rd, weighs 160 pounds, is 5' 10" tall, and has brown hair and brown eyes. The ball game is his favorite place and his favorite saying is "That's the way I did it once."

Next we come to a little blond with blue eyes who is only 5' 6" and weighs 115. If you haven't guessed, it is Jane Snelling from Taylorsport, who will be 18 on June 28. She likes fried chicken and books(?). She plans to be a secretary someday.

One of the muscle men of the class came up. This boy has blue eyes and his middle name is Lou! But he's 5' 11", weighs 165. The trouble is, his favorite place is Petersburg cause Nell Jo lives there. "You don't know do ya?" is his favorite saying. We will really miss him in basketball and football. He is Eddie Tanner.

We heard someone say, "Bless your little ole pointed head," and knew at once that it must be Bob Girvin, a 17-year-old, 140-pound, 5' 10" fellow with light brown hair and brown eyes. He loves to pick a guitar and would like to drive a brand new Cadillac some day. Who wouldn't?

The next girl's favorite pastime is driving home from school, and her favorite food is fried chicken. She is 17, weighs 125, is 5' 6" tall, and has light brown hair and green eyes. This is Marion Caseldine who lives on the road from Constance to Taylorsport, in case you're interested. Her ambition is (hold on to your hats) to "get a million dollars and have 6 kids!" She always says, "I'll give you such a hit!"

A girl who really likes her vegetables (especially maters) is Dora Reinhardt. She was born June 4, is 19 years old and has light brown hair and blue eyes. She goes around with things written on her back and singing "Till I Waltz Again With You." She is 5' 5 1/2" tall and weighs 132 pounds. Someday if you're at Limburg, you might see her there.

Next we come to a boy who loves Florence because of who lives there, Donald Craddock. He is 17 (18 on July 18), weighs 148, is 6' 1" and has light brown hair and green eyes. He's always saying "Shucks," so you'll know him when you see him.

Carroll "Maters" Conrad told us that "the way to keep up with the Joneses is to slow down and catch 'em on the way back." This boy is 18 years old, has dark brown hair and brown eyes, is 6', weighs 195 and is interested (we think) in a certain Sophomore girl. He likes "Kaw-liga" and plans to be a farmer and a loafer.

We heard someone humming "I Believe" and looked around and saw that it was Anna Louise Elliott. She has brown hair and green eyes, weighs 145 and is 5' 6" tall. She likes seafood and is usually asking, "Smatter wid ya?" She wants to marry an old millionaire with a bad cough and is fond of running over

pedestrians at Petersburg. Do you know where Henry's Place is? That's where Carlton Anderson likes to hang out. This guy is 18 years old, weighs 153, is 5' 11" and has brown hair and brown eyes. He likes strawberries and wants to be a private business man.

Now we come to a boy who likes skating and singing "Mary Lou, I Love You." He is Billy Ray Herington who is a good-looking, 18-year-old boy with dark brown hair and brown eyes. He likes steak and french fries and is always saying, "I know what you mean."

Now we come to the long and short of things. First, Gene Bonta who is the tallest member of the class being "about 6' 2 1/2" tall. He plays the piano and wants to be a coach (is he crazy?) He has brown hair and brown eyes, weighs 155 and is 18 years old. He always saying, "Oh brother!"

Last and the least (being the shortest) of the class is Virginia Herbert, who is only 5' 3 1/2" tall. She has light brown hair and brown eyes, weighs 128, and wants to be a WAVE. Her pastime is wrestling (as in the senior play) and she likes the song "Pretend."

BURLINGTON SENIORS

The Burlington senior class is composed of twenty-eight members, fifteen boys and thirteen girls.

Herbert, who is only 5' 3 1/2" tall. She has light brown hair and brown eyes, weighs 128, and wants to be a WAVE. Her pastime is wrestling (as in the senior play) and she likes the song "Pretend."

Learn to Swim---5

1. It is a good idea to learn to swim on your back. This is restful because of the position. Submerge to the chin, and gently push off in a glide. The chin should be tucked into the neck as you glide.

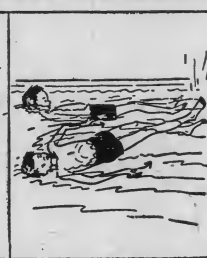

2. The next step is simple. Push off, glide and then start a gentle up and down thrash of the legs. If you learn to thrash backward with the top of the foot you have the beginning of the kick used in the back crawl.

Swimming on the Back

3. Then practice the arm-stroke in a back-float position. Just draw the hands a little way up along the sides toward the head, turn them outward to a 45° angle, then vigorously push the palms toward the feet, and repeat.

4. Finally put the leg thrash and the finning action of the arms together and you will be swimming comfortably, if slowly, on your back. Since your face is constantly above the surface, you can breathe in and out naturally.

Learn to Swim---6

1. Everyone wants to learn how to dive and almost everyone wants to learn without smacking himself in the process. The first step is to sit on the edge of a pool or low pier, extend the arms forward, palms down, thumbs locked and simply rock forward and slide in between the knees.

2. Next, kneel on one knee, with the toes of the other foot gripping the edge, extend the arms, lock downward and forward under the fingertips, rock forward and slide in. To come to the surface simply lift the head and look up AFTER you are submerged.

3. Then take a crouching position with both feet fairly close together and your toes gripping the edge. Repeat, as before, only this time give a little push with both feet as you put forward into the water.

4. In the final diving lesson, stand with both feet parallel, knees bent slightly, and repeat as before. This time, as the balance is lost, push gently with both feet and attempt to straighten the body as you enter the water.

The Way to Dive

In Kentucky, according to a 1952 report, there were 122 school plants rated satisfactory by U. S. standards and there were 2357 plants rated unsatisfactory.

Bellevue

Mrs. Alberta Love of Clearwater, Fla., was calling on friends in Bellevue and vicinity last week. She was accompanied by Mrs. Al Stephens and Mrs. Jarboe, of Petersburg.

Billy Dale Rogers, son of Mr. and Mrs. Kenneth Rogers, of McViney, was with the Baptist Church last Sunday during the evening service.

Rev. Carlton is attending the Southern Baptist Convention at Houston, Texas, this week.

Miss Lucinda Burcham was on vacation from the postoffice last week.

A defect in an electric lamp caused a fire in an upstairs room in the home of Allen Rogers last Monday, causing considerable damage before the fire was discovered.

Charley White has purchased a building lot from Will Rogers adjoining the one on Donnell Lane, and will soon start building a modern home there.

Wayne Kelly was home recently on a short furlough from Porto Rico, with his parents, Mr. and Mrs. Kelly, and his sister Mary Lou.

Walton Rice was brought to the cemetery here for burial Saturday afternoon. He died at the home of his sister in Ludlow.

Elmore Ryle's funeral was conducted in the Baptist Church here Sunday afternoon, with burial in Bellevue Cemetery. We extend heartfelt sympathy to the bereaved families of these men.

Wildfire Taking Heavy Toll In Boone County, Says Agent

Many Tobacco Beds Hit Hard, With Damage Heavy.

Wildfire has hit the tobacco beds of Boone County and the burley tobacco belt throughout Kentucky. Wildfire is a bacterial disease which hits tobacco plant beds in damp weather. The disease is worse in Boone County than it has been in recent years.

This situation to tobacco growers could become very serious. Many beds in the county have been hit hard, and the damage is great. It is hard at this time to estimate the seriousness and the damage in which wildfire has done to growers in this county.

Wildfire is a small brown spot on the leaf surrounded by a yellow halo. This is the first indication of the disease. Many of the small plants dry up and wither away.

If wet weather continues there is a great threat of the disease taking hold in the fields after the crop is set out.

In plant beds when the disease is present in spots the recommended procedure is the removal of the plants from the area and treat with the Blue Stone-Lime mixture.

East Bend Baptist Plan Vacation Bible School May 25-29th

The East Bend Baptist Church will hold its annual Vacation Bible School on May 25-29. The time for the school has been set at 9:00 a. m. to 11:30 a. m.

The faculty has been chosen and study plans have been outlined. A child attending this school will be offered Bible studies, memory work, notebook work, music and handwork. Every parent should make an effort to see that their child takes advantage of this school. All children are invited regardless of family church affiliations.

Transportation to and from the school will be provided for all those living in the East Bend area.

On the last day of the school, May 29, the teachers will give a picnic for all pupils. Games will be played and contests held. A recognition service will be held Sunday night, May 31st.

Florence Youth Honored At Richmond

Albert Martin, son of Mr. and Mrs. Cecil J. Martin, of Burlington-Florence Road, Florence, Ky., a freshman at Eastern Kentucky State College has recently been honored by receiving membership into Kappa Iota Epsilon (Sophomore Men's Honorary) based on scholarship and leadership.

Young Martin is a graduate of Dixie Heights High School in the class of 1952.

Last year Burlington's quota for blood was 100 pints. This year was reached—let's do as good this year. Remember June 1st is the day to give that much-needed pint of blood.

June 2nd Is Last Day For Registration Of Boone Voters

Office To Remain Open Monday and Tuesday, June 1 and 2 To 10 p. m.

C. D. Benson, County Court Clerk of Boone County, again reminds the voters of Boone County that Tuesday, June 2 is the last day to register in order to participate in the primary election August 1, 1953. All voters must be properly registered in order to vote. Mr. Benson stated, "You must reside in the precinct 60 days, in the County 6 months and in the State one year. Citizens who hitherto have been entitled to vote, but have failed to do so during the past two years, will be required to reregister, it was announced."

Youngsters who will be 21 before the regular election which falls on Tuesday, November 3, 1953, may vote in the August 1 primary, provided they have registered.

Mr. Benson said his office in Burlington is open daily from 9:00 a. m. until 4:30 p. m. except Sunday, and will be open until 10:00 p. m. Monday and Tuesday, June 1st and 2nd, to accommodate voters who are unable to register during regular office hours.

Shower Given Bride-Elect Wednesday, May 13th

Miss Virginia Stevens, of Florence, Ky., bride-elect of Mr. Flem M. Justice, was guest of honor at a bridal shower given Wednesday evening, May 13th, by Mrs. George E. Scott and daughter, Jane, at their lovely home at 348 Main St., Florence.

Miss Stevens opened her many and beautiful gifts under a decorative crepe-paper umbrella which suggested the theme of the "show-er." Bouquets of pink dogwood added to the attractive decorations. After the presents were opened, delicious refreshments, consisting of cake, fruit punch, candies and nuts, were served.

Those attending the shower were: Mesdames Paul Aylor, Lindy Seabree, John R. Stevens, Joseph Nussbaum, George Prigge, Dolph Seabree, C. F. Blankenbaker, Thos. G. Lutes, Ben Osborn, Reuben T. Conner, B. M. Stevens, Roy C. Lutes, George Edmondson, George E. Scott, Harold Conner, Frances Berkshire, Florine Eades, Maud Tinscher, Misses Jane Scott, Frances Seabree, Jo Ann Nussbaum, Alma Schwindel, Virginia Stevens, Margaret Glenn, Dorothy Caldwell, Betty Eades, Mary Jane Nussbaum, Beverly Bower, and Charlotte Buckler.

Edgar S. Graves Enters Race For Magistrate's Office

Has Served First District For Past Twelve Years; Improvements Cited.

Edgar S. Graves, of Hebron, officially announces his candidacy for Magistrate of the first Magisterial District in this issue of The Recorder, subject to action of the Democratic primary Saturday, August 1, 1953. The first district is composed of Bellevue, Petersburg, Bullittsville, Hebron and Constance precincts.

Mr. Graves is well known in his district as well as throughout the County.

In making his formal announcement, he states that he has served the First Magisterial District for the past twelve years, having represented this District and their many affairs of the county to the best of his ability.

He further stated: "With the twelve years experience I feel that I can be of more service to my District and to the County as a whole than in the past. During the past twelve years much improvement has been made of roads in each precinct."

"If elected to the office which I seek, I will make every effort to cooperate with other members of the court in future road construction and maintenance in the First District and the entire County."

"Your support is earnestly solicited in the primary, August 1, 1953."

Vera Dean Scott Takes Top Honors In Style Review

At 4-H Spring Rally Held Saturday May 16th At Burlington.

A large crowd attended the annual Boone County 4-H Club Spring Rally held Saturday, May 16th at the Burlington High School.

The meeting was called to order by John Crigler, president of the Boone County 4-H and Utopia council. Mr. Crigler welcomed 4-H members, leaders and visitors, stressing the importance of 4-H work to the growth of Boone County. He congratulated the leaders saying they were the ones who really made our 4-H program really work.

Sixty-seven girls took part in the style review, and Vera Dean Scott was chosen champion of the group with a tailored suit, shortie coat and hat. She will represent the county in Lexington in clothing. Vera Dean also won the championship ribbon in canning judging out of a group of 21 girls. Thirty-one girls entered the clothing judging contest and this was won by Kathleen Anderson. The demonstration contest for girls over 13 years old was also won by Kathleen Anderson who gave a demonstration on piped button holes.

There was a seed identification contest for the boys, Lloyd J. Hankins, blue ribbon; Lewis Hankins, red ribbon; and Jean Hankins white, all from Constance 4-H Club. John Crigler, R. V. Lents and Joe Rouse were in charge of the contest.

Winners of the dairying judging contest were Max Domaschko, blue ribbon; Virgil Lee Kelly, red ribbon; and Arthur Parker, white ribbon. Wilfred Scott and Joe Rouse were in charge of the contest. Robert Crouch, assistant County Agent of Campbell County was judge for the contest.

Ronnie Seabree of Florence 4-H club gave a demonstration on "Care and Cleaning of Electric Milkers." Ronnie will attend the district contest to be held in Warsaw, May 25.

"Share the Fun Breakfast," a movie of 4-H talent from all parts of the United States and made in Chicago, was shown. Miss Vera Dean Scott was shown in the picture playing the Baldwin organ. She won this trip last December.

The leaders of the different 4-H projects were a great help making the day a success by helping with the style, show, judging contest and setting up the lunch for the group. The P.T.A. was very cooperative in having a refreshment stand set up for the day.

Three Youths Face Charges of Breaking And Entering

Bonds Set At \$2500 In Boone County Court Monday.

Three men charged with breaking and entering the home of Chas. Hempfling, Jr., Taylorsport, were held under \$2500 bond each Monday in Burlington jail.

The men registered as Jerry Lunsford, 18, 338 Lewis St., Newport, William Schweinfuss, 21, of 129 E. 12th St., and John Newman, 37, of 18 W. Robbins Ave., both of Covington.

Lunsford was arrested by an eight-man posse when Mr. Hempfling notified Sheriff Easton that as he and his wife entered their home an automobile drove away from the house and a man ran from the rear. He said that he fired two shotgun blasts at the man.

Schweinfuss and Newman were later arrested in a cafe at 210 W. Fourth Street, Newport. The arrests were made by Newport Detectives Kenneth Collins and John Reed.

A preliminary hearing was set for 9:00 a. m. this morning (Thursday) before Judge C. L. Cropper in Boone County Court.

McLoney Farm Sold To Covington Man

W. A. McLoney, of East Bend Road, Burlington Route 2 sold 80 acres to Ray Reinhardt, Park Hills, Covington last week. Possession will be given first of June, it was announced.

Verona Lake Ranch Show Season Opens Sunday, May 24th

Esco Hankins and His Tennesseans Will Be Featured.

Esco Hankins and his Tennesseans will furnish the talent for the opening show at the outdoor amphitheater in the Verona Lake Ranch's third year of operation as the show place for folk music where old friends gather each Sunday afternoon to visit and listen to various radio and television stars in person. As the season progresses many amateurs will get a chance to perform on the big stage and there is considerable talent in this "Neck of the woods" according to promoter Bill Scroggin, who always has a "weather eye" out for promising amateurs and likes to encourage both old and young to join in the fun.

A real ranch-type corral is under construction and should be finished in a few weeks and will be used for amateur rodeo and Western horse shows this summer along with the regular stage show. Many local people who have horses are expected to compete in the Western games which always provide fun for everyone. Several horses have been added to the Ranch and soon will be available for the public. In addition to the horse show ring there will be bridal trails which will furnish added entertainment for the many horse lovers in both town and country.

A good crowd is expected for the opening show this Sunday afternoon which begins at 2:00 p. m. when Esco Hankins and the boys get under way. Esco presented a good show last year and has many fans who listen to his program daily over WLAP in Lexington.

A. D. Yelton Is Candidate For County Attorney

Obtained Legal Education, College of Law, U. of C.

A. D. Yelton, of Burlington, formally announces his candidacy for County Attorney of Boone County in this issue of The Recorder, subject to action of the Democratic primary Saturday, August 1, 1953.

Mr. Yelton needs no introduction to the voters of Boone County, as he is well known here, having served as Circuit Court Clerk for a number of years.

Educated in the public schools of Boone County, Mr. Yelton received his legal education at the University of Cincinnati, College of Law. He has been engaged in the general practice of law at Burlington for sometime and at present is City Attorney for the City of Walton, Ky.

He is a member of the Burlington Baptist Church, Burlington Lodge No. 264 F. & A. M. and Delta Lodge of Perfection, Covington, Ky., member of Kentucky State Bar, Boone County Bar and Kenton County Bar Associations.

In making his formal bow to the voters of Boone County Mr. Yelton makes the following statement:

"I have filed my formal Notification and Declaration with the County Clerk for nomination of the Democratic party to the office of County Attorney of Boone County, Kentucky, because I am ambitious to hold that office and because I believe my training and experience will enable me to render good service."

"To the end that I may receive the Democratic nomination for this office in the August 1953 primary election, I plan to devote a great deal of time to campaigning. I shall look forward to meeting the people of the County and discussing with them my views about the office which I seek. I am going to make every effort to talk with all of the voters in the County. If you should hear me say I do not talk with, I hope you will not for that reason fail to support me."

"It has been my pleasure to hold a public office in this County in the past and I know many of the people. I am profoundly grateful for the support given me in the past in elections and as an official."

"I hope that I may have your support in this campaign."

Survey Ordered By Florence City On Sewer Setup

Last Estimate On Cost Of Sewer System In City Was \$500,000.

Officials of the City of Florence voted at a meeting last week to instruct the city engineer to make a survey in an effort to determine what action can be taken to remedy the sewer system in Florence.

Residents condemned the lack of a sanitary sewer system for the area when the town board met last week. It was charged that some septic tanks discharge into drainage ditches that run along the streets.

The sewage condition in Florence has been discussed with U. S. Public Health officials and samples of water taken from drainage ditches will be sent for tests.

Former estimates of cost for a disposal system in the main section of the city was \$500,000. This estimate did not include the newer subdivisions developed in the city.

City officials said passage of laws covering construction of septic tanks and drainage areas has been delayed because the State Health Department has adequate regulations and that the city has hopes of finding means to finance an adequate city-wide sewage disposal system.

FLORENCE BROTHERHOOD WILL MEET MAY 23RD

The Brotherhood of the Florence Baptist Church will meet Saturday, May 23 at 8:00 p. m. at the church. Rev. Joe Tackett, pastor of Sand Run Baptist Church will be guest speaker. All men are invited.

Ernest McNeely returned to his home in Grant, Sunday, from a visit with his son, James Lee and family, of Monticello, Ky. Mr. McNeely is much improved following an operation in Chicago, several weeks ago.

New Fishing Lake Planned For Area, By State Department

Work On 75-Acre Lake Must Start By July 1; Cost Set At \$25,000.

The State of Kentucky has agreed to build a lake of about 75 acres in Boone and Grant Counties, it was reported in this area last week. The decision was reached by the Kentucky Fish and Wildlife Commission at its quarterly meeting at Kenlake Hotel, Monday of last week.

Earl Wallace, Commissioner of the department said title and easements to the land to be used have been cleared by Grant County sportsmen.

Work must start on the project by July 1, Mr. Wallace stated, estimating cost of a dam at about \$25,000. It will back water up in both Boone and Grant Counties. Plans call for a dam 50 feet high. It will be about 300 feet long across the top.

The commission voted in favor of the project after a Grant County committee appeared before the state group and told it the land easements had been taken care of.

The lake when filled with water, will be stocked by the department and fishing will be permitted as soon as possible.

The dam will be on the farm of Cliff McGee, according to reports. McGee and several other farmers donated land for the project.

Another lake to cost approximately \$50,000 and to be approximately 175 acres in area has been promised for Northern Kentucky and will be located about 16 miles south of Covington, it was reported by Dr. A. W. Boltz, Fifth District Commissioner.

Local Girl Awarded \$250.00 Scholarship

Miss Helen Horton, daughter of Mr. and Mrs. Walter Horton, Burlington, has been awarded a \$250 scholarship from the Western Kentucky State College Scholarship Fund to be used toward her future studies in the field of Home Economics at Western, according to the announcement from the President's office.

Scholarships are based upon the student's financial need, character, and scholastic record of the previous semester.

A graduate of Burlington High School as Valedictorian of the class of 1951, Miss Horton was employed by Boone County as Extension Secretary to the County Agent and Home Demonstration Agent prior to her going to college in September, 1952.

BLOCK AND BRIDLE HORSE SHOW PLANNED

The Block and Bridle Club of the University of Kentucky invites you to attend their eighth annual horse show May 30 at 1:30 p. m. E. S. T. The show, to be held at the Lexington Trotting Track located on South Broadway will provide a full afternoon's entertainment for horse lovers, young and old. The show will consist of 13 classes including gaited, equitation, pony and hunter-jumper divisions. A small fee will be charged for each entry but the spectators will be admitted free with donations appreciated.

Burlington Will Be Visited On June 1st By Bloodmobile Unit

Collection To Be Made Under Auspices of American Red Cross.

On June 1st the Bloodmobile will again make a visit to Burlington under the auspices of the Boone County Chapter, American Red Cross. Chairman of solicitors is Mrs. William Rudicill; chairman of Canteen is Mrs. M. A. Yelton, and Chairman of Nurses is Mrs. Jack Caldwell.

The visit will be made to the Burlington School and the hours will be from 1:00 to 7:00 p. m. Rudicill is being assisted by a wonderful group of solicitors and if for any reason you should not be contacted call Burlington 1108 or Burlington 812 to make your pledge. The canteen women will serve you tasty food and the nurses will be there to see that you are comfortable in every way.

The various health departments have announced the arrival of the new serum, gamma globulin, derived from whole blood for the use of preventing paralysis in polio. Due to the fact that the new serum has not yet been made in sufficient quantity to build a stockpile, it will be given this summer only to children in polio epidemic areas. However, it is expected to build up the quantity over a period of time so that all children may be inoculated.

This serum cannot be made unless you, the people, give your blood. Also the need is great for blood for servicemen and veterans for the Department of Defense. Who can deny their blood to save a dying soldier or a paralyzed child? Stop and think, wouldn't you give your life, if need be, if someone thrown under a truck and crushed and needed blood quickly to survive? Of course you would, everyone in the community would be happy to give their blood to save the life of that person.

Well, folks, the need is the same, the victims are in this case, the soldiers and the child, both depending upon you to help them. Although you can't see them, they're there, hoping you'll remember with a pint of blood.

The soldier receiving your blood may be your friend or a member of your family and the child receiving the serum may be the child playing in your yard or house as you read this article. Jesus said "Even as ye do unto the least of these, my brethren, ye do it unto me." Won't you give a pint of your blood on June 1st at Burlington?

Airman Gross plans to be home for graduation, afterwards going to Ft. Belvoir, Virginia for ten weeks training diesel mechanics.

Florence Votes To Accept Boone Co. Water Proposal

Two Cities Now Favor Plan, With Elsmere Voting No.

The town board of Florence voted at their meeting last week to purchase water from the Boone County Water Commission as soon as the supply is available. Erlanger has indicated they favor the Boone County proposal, while Elsmere voted unanimously to turn down the Boone County proposal to supply water to that community.

Florence, Elsmere and Erlanger have been seeking to act in concert to obtain a new water supply from the same source.

At the meeting of Florence town board Don Mager, one of the five Florence trustees and a member of the water committee of the board, informed fellow members that his committee, after studying the situation from all angles and after considerable consultation with legal counsel, finally had come up with an answer. Mr. Mager made a motion to inform Boone Co. Water Commission that the City of Florence is willing to contract with it for their supply of water. The motion was seconded by Sam Denham, Florence drug-gist and town board member.

RUPTURE SHIELD

EXPERT HERE

E. J. MEINHART, widely known expert of Chicago and Michigan will again be at the Gibson Hotel, Cincinnati for two days, Wednesday and Thursday, May 27 and 28. Office Hours 10 A. M. to 5 P. M. daily. (25 years successful record—thousands recommend him).

Scientific research is constantly providing new relief for many afflictions. The Meinhardt Laboratory has now produced the improved Meinhardt Rupture Shield. It usually prevents the Rupture or Hernia from protruding in 10 days, regardless of size, location, age or strenuous work. It is also used for many Ruptures which have repeatedly returned after surgical operations or infection treatments.

Caution: If neglected, Rupture may cause weakness, nervousness, constipation, headache, dizziness, pain in back or stomach and dangerous strangulation.

Every man in this vicinity having a Rupture is invited to see this Shield during the above stated office hours. There is no charge for private consultation. If desired, orders may be placed for immediate or future delivery. This demonstration is for men only.

NOTICE

TO OWNERS OF LOTS IN THE FLORENCE CEMETERY

MAY 12, 1953
The City of Florence will not contract with anyone to mow the grass in the Florence Cemetery. Owners of lots are advised to care for their lots themselves or contract with someone to do so.

The City of Florence will not be responsible for securing someone to open graves. The members of the family of the deceased, or the funeral director must arrange for the opening of graves.

There must be no interment in wooden boxes. Slab, concrete, or steel vaults must be used.

The City Clerk will assist in the location of a lot or grave; but will not arrange for opening of a grave or care of a lot.

Burial certificate should be filed with Mrs. Irene Renaker, corner of Main and Girard Streets.

WILLIAM FITZGERALD,
City Clerk.

PEOPLE'S SHOE STORE

Are you guilty of neglecting your child's feet? Having children's eyes

examined, having your child vaccinated and giving your child good food and proper diet, are factors never overlooked by today's parents. But don't neglect those tiny feet. Bring your child to People's, of Covington, where with scientific Footshaper Shoes we can influence the feet to grow naturally.

The first important time to care for a child's feet is when the tiny bones are forming and the muscles are developing. At this time the bony structures in the foot are soft and undeveloped and can be bent and misshapen, thus deforming and weakening the foot. To insure your child proper fit and the correct type of shoe, come to People's, where trained fitters can guard and protect those little feet. We, at People's, are trained to recognize abnormal conditions and can recommend help.

Take this opportunity to make sure that your child's feet will grow normally. The thanks you will receive in later years will more than repay you.

Covington, were Friday evening guests of Mrs. Hattie Owens of Girard St. Mr. Carroll was just recently dismissed from Jewish Hospital, Cincinnati, following a series of operations. He is convalescing rapidly.

Mr. and Mrs. James Robert West and family, of Louisville, were the week-end guests of Mrs. Marie Kinman and John Brown. Mr. West will be graduated as Doctor West from the Louisville School of Dentistry in June.

Lawrence L. Aylor, local Postmaster, departed on Monday for Somerset, Ky., to attend the State

Convention of the National League of District Postmasters to be held at the Hotel Beecher. Mr. Aylor was appointed to serve on the entertainment and banquet committees. The appointment came from the office of the State President, R. E. Doyle, of Park City, Kentucky.

Mrs. William L. Oliver of Old Toll Road, off U. S. 42, recently entertained the Garden Club of Boone County, at her home, known as Loveridge Acres.

Mr. and Mrs. Paul Chaney recently moved from U. S. 42 to their new location on Route 18 and Kathryn Avenue, located in the Clutterbuck subdivision.

Mrs. S. H. Aylor and Mrs. Rita Elkin, of Erlanger attended a bridal shower on Donaldson Highway on Sunday afternoon, given for the

benefit of the bride-elect Shirley Michels of Center St., Erlanger. Shirley is the daughter of Mr. and Mrs. Tess Michels. The wedding is to be an event at St. Henry Church in June. The shower was given at the home of Mrs. James Michels.

We wish to welcome Mr. and Mrs. Stanley Keyer of Latonia to the community. They are now occupying the property recently vacated by Mr. and Mrs. James T. Gregory, who will soon make their home in Michigan, due to a transfer in position.

Friends of Broadus Lucas will be glad to know that he has returned from Booth Hospital and is convalescing rapidly at his home following a recent operation.

Rural Carrier, Roy C. Lutes and William Oliver, have returned to their duties following a much earned vacation period.

Mrs. Elsie Slinger of Russell St., is the new clerk at Parkview Store. Mrs. Ruth Cooper has resigned to accept a position with Schreiner & Son, florists at Virginia Ave., South Ft. Mitchell.

Model 66 ALL-CROP Harvester

A New Standard of Harvesting

Now comes a new Six-Foot ALL-CROP Harvester — the Model 66 — bringing a still higher standard of harvesting — for grains, beans, sorghums, and high-value seed crops.

Crops travel in a broader WIDE-FLOW stream to the famous rubber-cushioned bar cylinder. You can easily harvest two wide-planted rows of soybeans or sorghums. A new STEP-UP strawrack boosts capacity in over 100 crops, gives straw a faster, rougher ride; separates cleaner.

Own an ALL-CROP Harvester and make 1953 the best harvest year you've ever had. Come and see us — and remember to ask the price. The New Model 66 is a leader in dollar value as well as performance.

Gift Of Blood Now Serves Two Purposes In Aiding Humanity

Bloodmobile Will Visit Burlington Monday, June 1st.

Life is beautiful and life is God-given and the blood that the people of America give for the Department of Defense for use for servicemen and veterans and the blood given for gamma globulin, the new miracle serum which relieves paralysis in Polio make people live again and give them a new hope in this troubled world.

Because of these things and their close relationship to God, plans are being made to have prayers offered before each visit of the Bloodmobile to Boone County under the auspices of the Boone County Chapter, American Red Cross and also prayers and thanksgiving will be offered for the blood at the end of the day of each Bloodmobile visit.

The next visit of the Bloodmobile to Boone County to collect this blood will be at the Burlington High School on June 1st from 1 until 7 p. m.

Because

In front of the machinegun nest the Korean dawn breaks cold, bleak, and ominous, sending chilling fog through the tiny embrasure that frames a deadly gun barrel. It curls about the grimy nest, settling on the men within. The man behind the gun ignores the cold dampness, intent only on the snowcovered hills barely visible through the swirling mist. A second man, shivering, sheds his parka and lays it over a graining form on the muddy ground. The third man, the form on the ground, isn't cold. He feels only the searing hot pain of jagged fragments that have ripped open his chest. These men are waiting. One, for the enemy to cross his sights, another, for the hospital corpsman who will help his buddy, the third, for a pint of blood from home. But you can't afford to wait. That third man will die without that pint of blood.

Gamma Globulin Important

And the child who sits on crutches, the child who walks bravely and painfully with his or her legs in braces, in short, the child who has been stricken with Polio. In the past this could not have been averted, but now the new serum called gamma globulin, derived from human blood can prevent this paralysis in Polio. Again folks, you can't afford to wait because the Polio season is again upon us, and unless your blood is given in quantity, enough serum cannot be stockpiled to protect these children from contracting Polio.

Don't forget the dying soldier and the paralyzed child! Because of this, ministers are being asked in each community where the Bloodmobile makes a visit to ask God's help and give thanks for the blood taken. Remember June 1 at Burlington.

Union Baptist VBS Announced For Union

Vacation Bible School opens at Union Baptist Church, Monday, June 1 and will continue through Friday, June 12. Exercises will open each morning at 9:00 a. m. and close at 12:00 noon.

All children are welcome and urged to attend.

Ladies' Night Is Planned May 28th By Florence Lions

At Southern Trails Restaurant; Plans Made For Ladies' Auxiliary.

The Florence Lions Club announce Thursday, May 28th as Ladies Night at dinner meeting of the Club to be held at Southern Trails Restaurant, Dixie Highway.

The feminine touch will be an attempt by members of the club to have their wives organize an auxiliary, George R. Scott, president, reported.

A delegation from the Ladies' Auxiliary of the Erlanger Lions Club, will outline setting up such a group and what its functions are.

The executive board of the organization has set June 4th as the final push in the club's broom sale. Inclement weather several times has forced cancellation of the climax to the drive.

Joe Rouse

Joe Rouse Seeks Re-Election To State Office

Announces As Candidate For Representative From 54th District.

Joe Rouse, of Verona, announces his candidacy for re-election as the nominee of the Democrat party for State Representative of 54th District (Boone and Gallatin Counties), subject to action of the Democratic primary Saturday, August 1, 1953.

Joe Rouse, son of the late Moses F. and Emma Finnell Rouse was born and reared on a farm in Boone County near Limaburg where he received his education through the sophomore year at Limaburg and Burlington schools. He moved with his family to Florence where he graduated from Florence High School in 1936. The following year he attended the University of Kentucky as a student in the College of Agriculture.

"Joe" as he is usually known, was married to Kathryn Harris, of Verona in 1939, who is a teacher at present in the Verona School. Mr. Rouse now owns and operates a farm near Verona, where he lives with his wife and three children. He is also engaged part time in sales work for his brother, Charles B. Rouse Specialty Sales, Florence, Ky.

He is a member of New Bethel Baptist Church at Verona, where he has served for the past several years as Deacon, Sunday School Superintendent and song leader. Mr. Rouse has been a member of the Boone County Farm Bureau for the past seven years and has been a director from Verona precinct for five years. He has also been active in several other local programs and campaigns.

In making his announcement to the voters of these two counties, he makes the following statement:

"I am filing as a candidate for State Representative, because I feel that the people of Boone and Gallatin Counties need true representation of their desires. I enter into this campaign with no strings attached to me, save to do the will of the voting public, the farmer, the independent business man, the professional man, the laborer and all should be heard and considered with the same consideration. In serving as your State Representative in the 1952 session of the General Assembly I have no regrets or apologies for any vote cast. I feel that I voted as the people whom I represented would have voted. I served on five committees, namely, education, agriculture, banks and banking, elections and insurance in the last session. I feel that I am qualified to serve in the session in 1954 because I have kept in touch with the problems that will confront that session. I have endeavored to obtain the opinions of many of the voters on problems and will always welcome suggestions and comments from any of my constituents.

"I further feel that there is always a need for the morals of our counties, our states and our nation as a whole to be lifted to as high a plane as possible, that we may have a nation that not only claims to be Christian, but that conducts itself in such a way as to prove it. Again I call to the attention of all I Corinthians 10:31b 'Whatsoever ye do, do all to the glory of God.'"

"It will be impractical for me to try to contact every voter of these two counties before the election, in view of the fact that the office which I seek is compensated only for the sixty-day session in the two-year period. It is necessary for me to earn a living for my family and since I am actively engaged in farming and sales work I will not be able to make a house-to-house canvass. However, I intend to see as many as possible and to ask those of my friends who will to speak a

Congratulations last week were offered to H. M. Crist (center), District Superintendent of Mid-Valley Pipeline Company, by Boone County Judge C. L. Cropper (right) and County Attorney William P. McEvoy (left). Both made a tour of the new district office and warehouse that has just been completed. The new building is located on the Limaburg-Hebron Road (Kentucky State Route 237) one and one-half miles north of Limaburg. The company plans an open house Sunday afternoon.

Mid-Valley Heralds Completion Of New Building With Open House At Office Of The Hebron District

Celebration To Mark Official Opening Of District Offices.

The Mid-Valley Pipeline Company will hold open house at its District offices near Hebron, Sunday, May 31st, according to H. M. Crist, Hebron District Superintendent.

The celebration will mark the official opening of the Company's new Hebron office which houses the administrative and maintenance personnel for 377 miles of pipeline in this area.

The new office and warehouse is located one and one-half miles south of Hebron and one and one-half miles north of Limaburg on Kentucky State Route 237. They will be open for the public's inspection between 1 p. m. and 5 p. m. Refreshments will be served.

Company employees who will be on hand to conduct visitors on a tour of the unit and explain exhibits are: J. L. Carroll, district foreman; Charles R. McCord, district clerk; Ben Relf, district mechanic; Joe Weaver, radioman; Bob Davis, mechanic's helper; Ed Shelton, A. F. (Shott's) Wolfe; J. B. Wolfe, and Ralph Lorenz, maintenance men.

Other employees who will assist in the explanation of machinery and exhibits are: Andy Skerchock, Hebron Station foreman; Russell Ellingsworth, Hervey Hale, Eugene Graham, W. F. Meadows, Ben E. Hargrove, and Claude N. Fisk, station engineers.

"We are interested in showing our place to the people of this community," Mr. Crist said, "and we welcome this chance to meet our neighbors and friends and give them an opportunity to learn just what a pipeline company does. This is a big and important job, although its purpose is obscure to the average person."

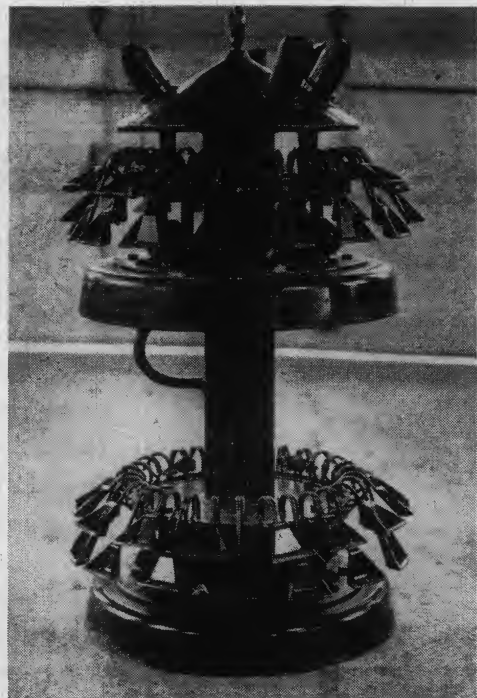

The pipeline is 1000 miles long, originating at Longview, Texas where the main offices are located, and terminating at Lima, Ohio. The pipeline is used as a common carrier of crude oil, operating in the same manner as a railroad transporting oil at a set rate from fields in Texas, Louisiana, Arkansas, and Mississippi to refineries in Ohio and adjacent areas, Mr. Crist explained.

The Hebron District includes about 375 miles of pipeline under its supervision and maintenance to insure the trouble-free transportation of one of the key elements in the American defense system, he said.

"When the people of this area have an opportunity to see part of what is being done by Mid-Valley, we know they will be just as proud of the business as we are," said Mr. Crist.

word in my behalf. I will appreciate your support and will in turn promise you unbiased representation.

"Register before June 2nd and vote to have a part in electing the men and women who make the laws, interpret the laws and enforce the laws by which you live as a citizen."

This scraper will be on display Sunday afternoon. Scrapers like this are pumped through the pipe line about twice a month to remove the paraffin which accumulates on the pipe wall and reduces the flow capacity of the line.

Sponsor Chicken and Ham Dinner, May 30th

The women of the Hebron Lutheran Church are sponsoring a baked chicken and ham dinner at the church Saturday, May 30th. Serving will begin at 11:00 a. m.

JUNE 2ND LAST DAY TO REGISTER, WORD

June 2nd is the last day to register in order to participate in the primary election August 1, 1953. C. D. Benson reminds voters of Boone County, who have failed to register properly.

Persons appearing before the County Clerk to register, must have been a resident of the precinct 60 days, County six months and in the State one year. Persons who hitherto have been entitled to vote, but have failed to do so during the past two years, will be required to reregister.

For the convenience of voters throughout the county, who are unable to call at the office during regular hours, Mr. Benson has announced that his office will be open Monday and Tuesday nights, June 1st and 2nd until 10:00 p. m. for registration purposes.

Local Girl Among 31 Graduates of Bethesda School of Nursing

Miss Loretta Jones, daughter of Mr. and Mrs. Clifford Jones, formerly of East Bend Road, but now of Erlanger, is one of the 31 graduates of Bethesda Hospital School of Nursing at commencement exercises, Monday, May 25th in the Walnut Hills-Avoncote Methodist Church.

Miss Jones attended Burlington High School, graduating in the class of 1950.

Mr. and Mrs. Lee Roy McNeely and daughter Susan, left Monday for a few days vacation in Virginia.

RECORDER OFFICE WILL BE CLOSED SATURDAY

The Recorder office will join banks, County offices, and many business houses throughout the County in observing Memorial Day, Saturday, May 30th. The office will be closed from Friday afternoon 4:30 until Monday morning, 7:30 a. m.

WILL CONDUCT REVIVAL

Bob Brown

Revival Planned At Beaver Lick Church

Rev. Melvin C. Riley, pastor of Beaver Lick Baptist Church, has announced that Rev. Bob W. Brown will be the evangelist in a revival meeting June 1-7. Services will begin each evening at 8:00 p. m.

Rev. Brown is a native of Boone County and is pastor of the Visalia Baptist Church. He has held evangelistic meetings in several states and throughout Kentucky and is well known in Northern Kentucky where he has led in numerous meetings this year.

Interested friends throughout this area are invited to attend this meeting.

Boone Growers Urged To Supply Wheat Data

Wheat growers were urged today to come to the County Production and Marketing Administration office at their earliest convenience to bring farm-program records up to date, in preparation for possible acreage allotments and marketing quotas on the 1954 wheat crop.

This appeal follows a recent announcement by Secretary of Agriculture Earl T. Tamm that the U. S. Department of Agriculture would immediately start the preliminary work necessary in case production and marketing controls are required for the next wheat crop.

According to Mark Cook, chairman of the county PMA committee, certain information from farmers is necessary in order to do a sound administrative job of setting equitable acreage allotments for individual farms. Farm allotments will be determined by county PMA committee, with the assistance of the community committees.

Data needed includes the farm's wheat acreage and production data for the 3 years 1951, 1952 and 1953. If the farmer operates a rented farm, he should be able to supply such additional information as the name and address of the owner.

Mr. Cook emphasizes that the final decision has not yet been made as to whether acreage allotments or marketing quotas will be used for the 1954 crop of wheat. That decision will be made later, when more is known about the supply and prospective demand situations. However, the indicated wheat supply is such that production controls will probably be necessary, as directed by law.

Proclamation of a national wheat acreage allotments is mandatory unless dispensed with by the Secretary because of a national emergency or a material increase in exports. Proclamation of quotas is mandatory when supplies reach a certain point specified in the legislation, except under emergency conditions.

An early start on the necessary advance work is particularly urgent, Mr. Cook explained, because the decision and proclamation must be made not later than July 1 for marketing quotas and July 15 for acreage allotments without quotas. If quotas are proclaimed, a national referendum among growers must be held by July 25.

In requesting farmers' cooperation in supplying the needed information, Mr. Cook said that the county office should have all the data by June 1st, if possible.

Boone County has an estimated 180 farms growing wheat. There are an estimated 2.1 million wheat farms in the United States.

Acreage allotments were last used for the 1951 crop of wheat, but were discontinued before the end of the marketing year. Wheat marketing quotas have been used only twice, for the 1941 and 1942 crops.

W. D. Scroggins Named Chairman Of Booth Drive

County Campaign Underway For Booth Hospital Fund.

W. D. Scroggins, of Verona, has been named Boone County Chairman of the Building and Development fund drive of Wm. Booth Memorial Hospital, Covington, it was announced this week.

Mr. Scroggins states that many precinct chairmen have accepted responsibility for the drive in their communities and that work is well under way toward obtaining the \$8,000.00 goal set up for Boone County.

Approximately 600 men and women are working in the northern Kentucky counties of Boone, Bracken, Campbell, Carroll, Gallatin, Grant, Harrison, Kenton, Owen and Pendleton. Special groups are working in the field of business, financial and industrial organizations.

The serious overcrowding of hospital facilities is the reason for this effort to secure \$200,000, according to Mr. Scroggins. At the present time there is such a demand for hospital services that hospital authorities can provide no margin for emergency.

"Every citizen has a personal stake in good hospital facilities and therefore all of us should support this drive to the best of our ability," Mr. Scroggins said.

Although many precincts are without chairmen the early part of this week, an effort is being made to acquire workers in every precinct at a very early date. Workers who have been named are as follows: Grant, Irvin Klessman; Union, Reuben Kirtley; Constance, Carol Clayton; Petersburg, Howard Huey; Taylorsport, Mrs. Chas. Hemphill, Jr. and Miss June Snelling, assistant.

Boone Contestants Blue Ribbon Winners In 4-H District Rally

The Northern Kentucky District 4-H Rally was held in Warsaw Monday, May 25th, with Bracken, Boone, Campbell, Gallatin, Grant and Owen Counties participating.

Boone County 4-H'ers participated in the various contests and received honors by all placing in the Blue Ribbon class.

Those participating from Boone County are Kathleen Anderson, clothing judging and demonstration. Kathleen is the daughter of Mr. and Mrs. Henry Anderson. Lynn Fletcher, participated in foods judging. She is the daughter of Mr. and Mrs. Frank Fletcher. Janet Pollet, daughter of Mrs. Shirley Pollet took canning judging honors, and Ronnie Sebree, son of Mrs. Dolpha Sebree, gave a demonstration on "How To Clean Milkers."

Piano Recital Date Announced June 2nd

Mrs. Howard Garvey will present her pupils in a piano recital, June 2nd at 8 o'clock in the Hebron High School auditorium, it was announced this week.

The public is cordially invited to attend.

Boone Post No. 4 Install New Officers For Ensuing Year

Vernon Smith Elected As Commander; Committees Named.

Officers elected by the membership of Boone Post No. 4, American Legion, Florence, Ky., at the April 20th meeting were installed Monday evening.

Vernon Smith was elected as Commander and succeeds Leo Brophy. Other officers were as follows: Ernest Cushman, vice-commander; William Woods, second vice-commander; Bernie Wischer, adjutant; Francis Souther, finance officer; Henry Dye, chaplain; John Kells, sergeant-at-arms; William Shotwell, 3-year trustee.

The new commander appointed Roy Brooks, Lewis Van Zandt, Ernest Cushman, Robert Zapp and Robert Rouse to serve on the executive committee. Smith also named Richard Carr as Purchasing Agent for 1953.

The regular meetings of Boone Post No. 4 are held on the third Monday of each month.

EAST BEND W. M. U.

The East Bend W. M. U. met Thursday, May 14th at the home of Mrs. Bessie Black. The meeting was called to order at 11:15 a. m. by our president, Miss Lucille Hodges. Our pastor, Rev. Donald White led us in prayer and the roll call was then answered by 15 members. Those present were Mrs. Maude Hodges, Mrs. Mabel Hodges, Mrs. Edna Hodges, Mrs. Carrie Ogden, Mrs. Anna White, Mrs. Lucille Stephens, Mrs. Marie Hensley, Mrs. Sally Scott, Mrs. Fay Stephens, Mrs. Betty Allen, Mrs. Bessie Ashcraft, Mrs. Bessie Black, Mrs. Wilma Slayback and Misses Rose and Lucille Hodges.

We were glad to have Mrs. Edith Hodges and Mrs. Jane Peasley as visitors and also our pastor, Bro. White.

We had our business session and Mrs. White gave a most interesting talk on the State W. M. U. meeting which was held in Lexington. Our business meeting was closed in prayer by Mrs. White and we then adjourned for a covered dish luncheon.

Each guest presented the hostess with a flower for which she was most grateful.

About 1:30 p. m. we began our program with Mrs. Carrie Ogden leading in prayer. The topic of our lesson for May was "The Excellent Way for Excellent Youth." Mrs. White gave the devotional and had charge of the program with four of the ladies taking part.

At the conclusion of the program Mrs. White had a group of the Sunbeams to present the G. A. leader and the Sunbeam Band leader with a flower.

We were invited to the home of Mrs. Mabel Hodges for our June meeting. At that meeting we will conclude our plans for our W. M. U. birthday party which will be at the home of Mrs. Lucille Stephens sometime in June.

Mrs. Edna Hodges dismissed us in prayer.

Gamma Globulin Supply Is Critical

"Gamma globulin to use in poliomyelitis outbreaks during 1953 will be in extremely short supply," stresses G. R. Jones, M. D., Director, Division of Communicable Disease Control.

Gamma globulin is a blood derivative with antibodies that give a five-week partial immunity to infantile paralysis. Kentucky's supply of 2400 doses, the basic allotment, is to be received during May from the National Research Council of the Office of Defense Mobilization. Because of the shortage commercial manufacturers and the American Red Cross have turned over their gamma globulin to this authority.

Kentucky's allotment is based on the 400 average number of cases during 1947-1951 but six contacts are estimated per case.

Dr. Jones, in emphasizing the very limited supply, stated that this basic allotment of gamma globulin will be given only to family contacts under 30 years of age and pregnant contacts of any age, but in cases of extreme emergency which will be investigated by the Kentucky State Department of Health, an additional allotment will be made by the ODM. The distribution policy is based on a recommendation of the National Research Council and was reached through advice of the Pediatrics Committee.

of the Kentucky State Medical Association.

Letters and requisition forms are being sent to physicians and local health departments explaining this policy, and gamma globulin may be requested only through local health departments by private physicians, Dr. Jones said.

According to a National Foundation for Infantile Paralysis report, only one million doses of gamma globulin will be available for the entire United States through September and there are about 46,000,000 children and adolescents in the age groups most likely to get polio. One pint of blood is needed to manufacture one dose of gamma globulin.

Bullittsville Girl Married On "Bride and Groom" TV Program

On Friday, May 22nd Miss Belva Ann Engle, daughter of Mr. and Mrs. Charles Engle, of Burlington R. 1, became the bride of Sgt. Seth Shumate, son of Mr. and Mrs. George Shumate of Newport, Ky., at the Park Avenue Chapel of the Columbia Broadcasting System on the "Bride and Groom" television program. Their vows were solemnized by Rev. Roy D. Martin of the Bullittsville Christian Church in Burlington, and their wedding was viewed by over two million people coast to coast.

The bride, who was given in marriage by her father, wore a pink taffeta ballerina length gown covered by chantilly lace and a veil of pink illusion which fell from a satin crown. Carrying a spray of red roses, she was attended by Misses Doris Engle and Louise Shumate, while George Shumate was his brother's best man.

After an interview with Phil Hanna, the couple's favorite song was sung by Johnny Thompson with Ivan Dittmars at the organ and Vervelle Mills at the harp. Following their wedding ceremony, these gifts were presented to the couple: a Sew Gem sewing machine; a set of Queen Bess silverware; a Cleveland chair; a set of Cannon sheets and towels; a Motorola television set; a Crosley freezer and a Betty Crocker cook book. They will also receive a talking motion picture film of their wedding on "Bride and Groom" and were presented with matching Keepsake wedding rings.

After the program Sgt. and Mrs. Shumate left via Allegheny Airlines for a honeymoon at the Fox Manor Hotel in Atlantic City, N. J.

Mrs. Shumate, a graduate of Sue Bennett Jr. College, is now a post-graduate clerk for the Central Acceptance Corp. in Cincinnati. Sgt. Shumate has spent seven years in the Army, four years of which were served in Europe. He participated in four major battles in Korea and is presently stationed at Fort Knox, Kentucky.

H. R. Forkner, Jr. Graduates From OCS

H. R. Forkner, Jr., son of Mr. and Mrs. H. R. Forkner Sr. of Versailles recently completed his training in OCS at Newport, R. I., graduating with the rank of ensign from the Navy's only officer candidate school.

H. R., as he is known to his many friends in Boone County graduated from Burlington High School and completed his 4-year course in the College of Commerce, University of Kentucky, June 1952.

H. R. has joined other OCS graduates already serving on every type of ship in the fleet, after enjoying several days with his parents at Versailles.

In four months of intensive study and training, H. R. has covered the same Naval subjects that College NROTC students do in four years. Foremost in their study was gunnery, navigation, seamanship, engineering, damage control and operations.

Local Breeder Joins Ayrshire Association

The unanimous election of G. V. Seiler of Ludlow, R. 2 to membership in the Ayrshire Breeders' Association has been announced by the National Secretary, Chester C. Putney, of Brandon, Vermont.

The ancestors of the herd of dairy cows owned by Seiler trace back to the heather-covered hills of County Ayr, Scotland, from which the breed derives its name. There are now more than 20,000 herds of Ayrshires in the United States.

The Kentucky Court of Appeals, aside from its four commissioners, maintains a staff of eight law clerks whose sole duties are legal research work.

Kentucky's six tuberculosis hospitals are located at Madisonville, Louisville, Paris, Ashland, London, and Glasgow. Five of the hospitals are new.

Herd-Saving Cost-Cutting FEED RESERVE

A trench or upright silo loaded with low-cost green feed is real security against drought, storm and high feed prices. An acre of 15-ton grass-legume silage contains almost as much dollar value in feed nutrients as two tons of purchased cattle concentrate.

Now is the time to equip yourself to beat both weather and lower farm prices — with your own Allis-Chalmers Forage Harvester. It's the big capacity machine at a reasonable price, with the right equipment for all kinds of forage—standing grass crops, windrows and row crops. Let us show you.

Everyone Invited Next Sunday--- OPEN HOUSE

The Local Employees Of

MID-VALLEY

Pipeline Company

Invite You To An Open House
At The Hebron District Office Building
Sunday May 31 1 p. m. - 5 p. m.
1½ Mile North Of Limaburg
On Limaburg-Hebron Road -
Kentucky State Route 237

This building houses the administrative, technical and maintenance personnel for the Hebron District of our company. These men, together with personnel at five large pump stations and one delivery terminal comprise the Hebron District which operates a 377-mile section of the 1000-mile Mid-Valley System. The building also houses supplies and equipment and contains specialist shops.

Local Men Who Help Operate MID-VALLEY

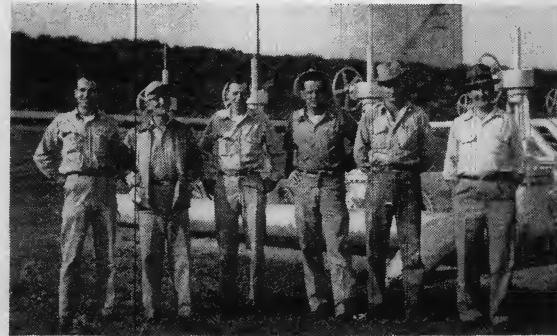

The many important jobs along the right-of-way, major alterations or maintenance at pump stations and new construction work are among the jobs done by the maintenance crew. From left to right: J. L. Carroll, district foreman; R. T. Davies, leadman; R. J. Lorenz, maintenance man; J. B. Wolfe, maintenance man. Not shown, A. F. Wolfe.

Responsible for the supervision and co-ordination of the maintenance crews involved in the upkeep of the 377 miles of pipeline within the Hebron district is J. L. Carroll, District Foreman.

Right at home on the D-7 dozer is W. F. Meadows, and helper A. F. (Shotts) Wolfe who help take care of the many jobs of heavy equipment operation within the Hebron District.

Typical of the 13 pump station crews along the line are these men at Hebron Station. Remotely located, these stations must be manned by capable and self-reliant individuals. From left to right are: A. Skerchock, H. W. Hale, C. N. Fisk, B. E. Hargrove, C. E. Shelton, and R. T. Ellingsworth, station engineers. E. T. Graham not shown.

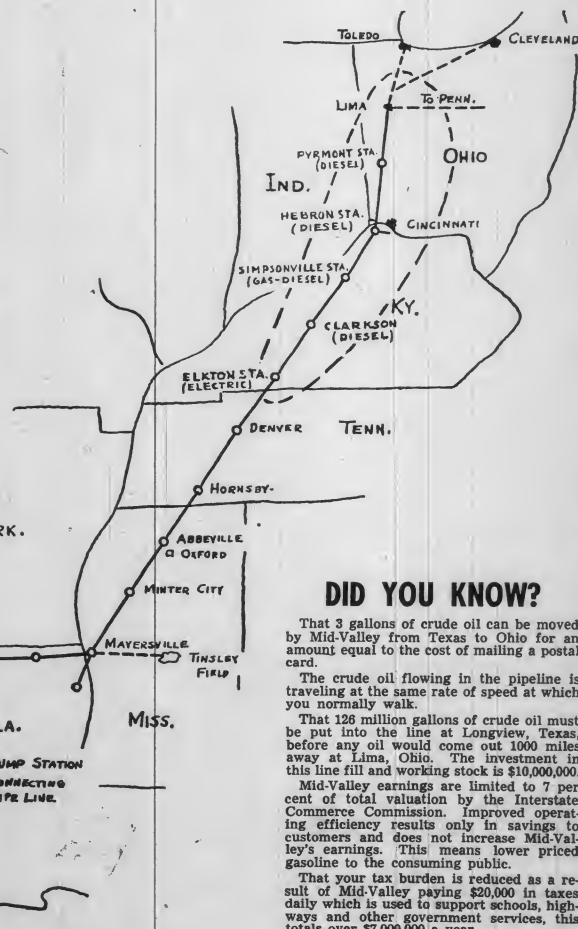

C. R. McCord, District Clerk, and H. M. Crist, District Superintendent are responsible for the 5000 and one administrative functions.

Understanding and maintaining the elaborate and far flung electronic equipment of the microwave communication system to provide reliable continuous service is the job of J. A. Weaver, district radioman.

Understanding and maintaining the elaborate mechanical and instrument parts of our pump stations, most of which have 1700 h. p. diesel engines to give 24 hours a day operation is the job of B. F. Relf, district mechanic (left), and R. E. Davis, helper (right).

DID YOU KNOW?

That 3 gallons of crude oil can be moved by Mid-Valley from Texas to Ohio for an amount equal to the cost of mailing a postal card.

The crude oil flowing in the pipeline is traveling at the same rate of speed at which you normally walk.

That 126 million gallons of crude oil must be put into the line at Longview, Texas, before any oil would come out 1000 miles away at Lima, Ohio. The investment in this line and working stock is \$10,000,000.

Mid-Valley earnings are limited to 7 per cent of total valuation by the Interstate Commerce Commission. Improved operating efficiency results only in savings to customers and does not increase Mid-Valley's earnings. This means lower priced gasoline to the consuming public.

That your tax burden is reduced as a result of Mid-Valley paying \$20,000 in taxes daily which is used to support schools, highways and other government services, this totals over \$7,000,000 a year.

We would like to tell you a little about Mid-Valley—a competitive member of the petroleum transportation industry, an employer, a consumer itself, a citizen and neighbor in your community.

As companies go, ours is not large... nor is it old. The talents and skills of a close knit group of 175 members make possible the operation of our \$60 million pipe line network. Originally designed and constructed by the Sun Oil Company and the Standard Oil Company of Ohio in 1948-50, Mid-Valley is operated as a common carrier of crude oil by an independent organization.

The line can transport 235,000 barrels a day from the oil fields of Texas, Louisiana, Arkansas and Mississippi to refineries in Ohio and adjacent areas. A 1000 miles long, 22 inches in diameter for most of its length, the system originates at Longview, Texas, where its general offices are located, and extends to Lima, Ohio. It can do the work of

80 sixty-car trains in continuous service. Thirteen pump stations at 75-mile intervals supply the motive power to this underground stream.

The efficient design and operation of this system enables us to transport crude oil over a 1000 miles at a cost of approximately 10 cents per 100 pounds—and bear in mind also, the customer is not required to package his commodity.

Operation of this widespread system requires a reliable communication system—our engineers found the answer in the new microwave development which can be roughly described as beamed radio... Connecting all facilities, this system provides dial selective calling. The volume and fidelity are second only to face to face conversation.

Mid-Valley's primary mission is dependable, safe, low-cost transportation of crude oil from the South and Southwest to Ohio and vicinity. In performing that mission, the

company strives to carry out other aims. Briefly they are:

1. To be a good citizen and neighbor in the communities where the company operates.
2. To foster public interest in the Mid-Valley organization by opening our doors for visits.
3. To support local commerce by making purchases, whenever possible in the communities in which we operate.
4. To make Mid-Valley an organization in which its employees can take a deep pride.

Now, with the completion of this office and warehouse building Mid-Valley passes another mile post in its rapid advance toward greater efficiency in the transportation of crude oil. All of us are proud of this installation and we want all of you to know that the doors here and at our other installations are always open. We welcome the opportunity to give you an inside look at our company and the jobs we are doing.

Are you "tuned in"
to cool cooking...
with a modern, automatic
ELECTRIC RANGE?

If not, you're really missing a lot of comfort, and many other advantages, when it comes to electric cooking. It's such a clean way to cook—no smudges on your pots and pans, and your walls and curtains stay bright and fresh ever so much longer. A time-saver, too, thanks to automatic features that give you more carefree hours away from your kitchen! Yes, **ELECTRIC COOKING** has many wonderful advantages over other cooking methods, including the fact that it is the least expensive way to cook, if you live out beyond the city gas mains.

See your appliance dealer now, and select a beautiful new electric range for your home.

Mrs. Stanley Conrad recently spent several days vacation in Miami, Florida and while there visited one of her schoolmates in Ft. Lauderdale, formerly of Walton and one of her former pupils who attended school at Limaburg, Mark Criven and family, who reside in Ft. Lauderdale. Enroute home she stopped off at Daytona Beach and visited friends, who were neighbors while living in Latonia. Mr. and Mrs. William Shafer and daughter Debbie, are visiting Mrs. Shafer's parents, Dr. and Mrs. Welch, of Centuria, Ill.

Miss Anna Conrad has accepted a position as bookkeeper with the Frank Herschell Jewelry store in Cincinnati.

Mrs. Hildreth Dolwick, Mrs. Val Dolwick and daughter Nancy, Sandy and Leah Ann spent Tuesday evening with Stanley Conrad and family. Mrs. Stanley Conrad and daughter Anna visited Rev. and Mrs. Rol and Allen and family, of Milford, Ohio, last Friday evening.

Boone County Youth Dies Following Tractor Accident

On Crisler Farm In North Bend Bottoms, Wednesday.

Ronald Holt, 6-year-old son of Mr. and Mrs. William Holt, died of shock and loss of blood after a tractor operated by his father overran a wagon in which the child was riding, Wednesday.

The accident occurred at the Crisler farm in North Bend Bottoms. The boy was taken to St. Elizabeth Hospital where he died 4 1/2 hours later.

According to reports, the child was riding in a wagon being pulled by a tractor operated by another son, Billy, 13. Mr. Holt was following in another tractor. The father's tractor got too close to the wagon and climbed up the trailing vehicle. Ronald's right leg was chewed by the tractor's tread. Only his leg was injured.

Besides his parents and brother, Ronald is survived by two sisters, Virginia 18, and Carolyn, 9.

Funeral services were held at 2 p. m. Saturday at Sand Run Baptist Church, with burial in the church cemetery.

The Bullock Boone County Memorial funeral home was in charge of arrangements.

Amateur Contest Will Be Staged At Verona Lake Ranch Sunday

W. D. Scroggins, operator of Verona Lake Ranch, Verona, Ky., announces an amateur contest will be featured Sunday, June 7th at 2:00 p. m., in connection with the regular show scheduled for that day.

Persons desiring to enter the contest will be given an audition at Verona Lake Ranch Sunday afternoon, June 6 at 2:00. Persons desiring to enter the contest who can sing, dance or play a musical instrument are invited to appear at the grounds for their audition Saturday.

First prize in the contest will be \$150.00; second prize \$100.00 and third prize \$50.00. Mr. Scroggins stated, "Jimmie Skinner and Ray Lunsford will be featured in the regular attraction of the day, which assures entertainment seekers the finest in music and song."

Music lovers from all sections of the County are given a special invitation to attend this amateur contest, and to support their favorite amateur.

Barges Scattered From Aurora To Dam 39

Lockmaster R. D. Frost, of Dam 38, McViney, reported last week that nineteen barges, which had broken loose at Lawrenceburg, Ind., were scattered from Aurora, Ind., to Dam 39 on the Ohio River.

Mr. Frost stated that part of the barges were caught by employees of Dam 38 and were tied up until they were removed by the owners. Some of the barges were slightly damaged, he stated. All of them were loaded with coal.

County Softball League Formed For 1953 Season

Six Teams Have Entered League; Games Set For Friday Nights.

A Boone County underhand fast pitch softball league has been formed for the 1953 season, it was reported this week. League teams are from Burlington, Petersburg, New Haven Boosters Club, Walton, Kenton Community Club and Riddell's Markets, Florence.

All regular scheduled games are to be played on Friday nights at 8 p. m. There will be two rounds and then a two-and-out elimination series.

Games are to be played on Burlington, Walton and New Haven fields, which are well equipped with lights. Florence will use Walton as a home field, Kenton Community Club will use New Haven and Petersburg will use Burlington.

The first regular scheduled game is June 5th when Petersburg visits Burlington. Kenton Community Club goes to New Haven and Riddell's Market plays Walton at Walton.

League officials are Roy E. Brooks, president, Bill Shotwell, secretary, with managers from each team acting as a protect board.

Jesse L. Holmes

Jesse Lunsford Holmes, 72, lifelong resident of Boone County, died Tuesday afternoon of a heart attack while at work with the Boone County Road Department near Big Bone on the Union-Big Bone Road.

Mr. Holmes had been an employee of the Road Department for the past 12 years, and had resided in Burlington the same number of years.

He is survived by his wife Allie Mae Holmes; one daughter Miss Alberta Holmes, of Burlington and two nieces.

Funeral services will be conducted this afternoon (Thursday) at 2:00 p. m. from the Ralph Stith funeral home, Florence, with Rev. R. A. Johnson officiating. Burial will be in Highland Cemetery.

General Clinic Will Be Held By Boone Co. Health Department

The Boone County Health Department will hold a General Clinic every Wednesday morning beginning June 3 at 10 a. m. All health problems will be discussed at this time, it was announced. All services will be free of charge.

Mid-Valley Open House Attended By 225 People

Tours Conducted By Employees Throughout Afternoon.

Open House held Sunday afternoon by Mid-Valley Pipeline Company near Hebron, Ky., was attended by more than 225 people.

Between 1 p. m. and 6 p. m. Sunday afternoon, visitors toured the new office and warehouse building where many items connected with pipeline business were on display. The micro-wave system which is the main source of communication between all pumping stations, district offices, Lima Terminal, and the main office at Longview, Texas created much attention. The scraper, or pipeline pig, which is run through the pipeline from Longview, Texas to Lima, Ohio also was of much interest to the visitors. Many other exhibits were of interest to the public.

After touring the new office and warehouse building over two hundred visited the Hebron pumping station where 1700 horsepower diesel engines were at the steady grind of pumping oil on to Lima, Ohio.

Tours through the pumping station were directed by Andy Skerchok, Station foreman; Russell Ellingsworth, Harvey Hale, and Eugene Graham, station engineers.

Exhibits were explained and tours through the office and warehouse building were conducted by local employees: C. R. McCord, J. L. Carroll, Ben F. Relf, Joe Weaver, Bob Davis, Reese Davies, A. F. (Shotts) Wolfe, J. B. Wolfe, Ralph Lorenz, and Irvin Prewitt.

Wives of Mid-Valley employees also took a hand in the open house affair by taking charge of the visitor registers. The ladies helping were: Mrs. Andy Skerchok, Mrs. Harvey Hale, Mrs. Joe Weaver, Mrs. Eugene Graham and Mrs. Reese Davies.

Local friends and business concerns sent many beautiful flowers which added to the display of the new office and warehouse building. H. M. Crist, District Superintendent, said they were pleased that so many of their friends and neighbors took this opportunity to visit them. Exceptionally good interest was taken in the exhibits and the business of moving oil 1000 miles by pipeline.

Occupational Licenses Expire This Month

Must Be Renewed By July 1, According To Department of Revenue.

Frankfort, Ky., June 2—Kentucky vending machine and occupational licenses must be renewed by July 1, the Department of Revenue announced here today.

All coin-operated vending machines, except those vending merchandise exclusively, are required to carry a \$10 license stamp. Machines dispensing music or other entertainment pin ball and other coin-operated amusement machines come under the provisions of the vending machine law.

Licenses may be obtained from the Department of Revenue, here, or Revenue district offices located in Ashland, Bowling Green, Covington, Harlan, Lexington, Louisville, Owensboro and Paducah.

State occupational licenses for 1953-54 are now on sale at county clerk's offices in each county. A license is required for these businesses:

1. Each restaurant serving hot food or hot drinks, or both, to the general public. Fee: \$10.
2. Each retail outlet selling soft drinks or ice cream, \$5 for each product.
3. Each billiard or pool table or bowling alley, irrespective of size, where a fee is charged and collected directly or indirectly: \$30 for the first table or alley, plus \$5 for each additional table or alley.
4. Each retail outlet for tobacco products, \$10.
5. Wholesale cigarette outlets: \$25.
6. Theaters: 20c a seat ("Theater" means any building in which moving pictures, vaudeville, musical entertainment, or plays are regularly given. Open-air or drive-in theaters are to be considered theaters.) Each parking space for a motor vehicle is equivalent to two seats in calculating the fee for open-air or drive-in theaters.

Penalties will apply on vending machine or occupational licenses which are obtained after July 1.

Stevens-Justice

In an impressive candlelight ceremony in the Florence Christian Church, beautifully decorated with white gladioli, snapdragons and palms, Miss Virginia Rose Stevens, daughter of Mrs. Rosa and the late John R. Stevens, of Burlington, was married to Mr. Flem M. Justice, son of Mr. and Mrs. J. M. Justice of Pikeville, Ky. Rev. Everett Stevens, brother of the bride, performed the double ring ceremony.

The bride, given in marriage by her brother Thomas Stevens, wore an ankle-length gown of chantilly lace trimmed in nylon tulle with a stand-up collar and long, pointed sleeves. Her veil of imported silk illusion, was held in place by a tiara of pearls and sequins. She carried a cascade bouquet of white orchids. The bride wore a gold locket, which was worn by her mother on her wedding day and gold earrings, a gift from the groom.

Matron of honor was Mrs. George Prigge, sister of the bride. Her blue, ballerina dress was made of lace and tulle with shoes and mitts to match. Her headpiece consisted of a short, blue veil held in place by a wreath of blue flowers. A bouquet of yellow rose buds completed her costume.

Mr. George Prigge, brother-in-law of the bride, served as best man. Messrs. Edward Evans and Carl Cullie, friends of the groom, were ushers.

Mrs. Stevens wore for her daughter's wedding a light blue crepe dress with navy accessories and an orchid corsage.

Music was provided by Lawrence Aylor at the organ. Solos consisting of "Oh Promise Me," "Because," "I Love You Truly" and "The Lord's Prayer" were sung by Don Neumeister and Joseph McWethy.

Following the ceremony a reception for the couple's many friends was held in the basement of the church.

Upon returning from their honeymoon trip through the East, Mr. and Mrs. Justice will reside in their home at Union, Ky.

The bride is an alumna of Burlington High School. The groom graduated from the University of Kentucky, and is now principal of the New Haven High School at Union.

Bible School Opens At Sand Run June 8

Bible School will open at Sand Run Baptist Church, June 8th and will continue through June 19, it was announced this week by Rev. J. R. Tackett. Hours of the school will be from 1:00 p. m. to 4:00 p. m.

Preparation day has been set for June 5th at 1:00 p. m. at the church and all workers are urged to be present at this time.

Children throughout the community between the ages of 3 and 16 are cordially invited to attend.

Transportation will be furnished by the church to all desiring to attend.

The Garden Club will meet at the home of Mrs. C. F. Blankenbaker, Tuesday, June 9th, at 2:00 p. m. Each member is requested to bring a rose arrangement.

East Bend Church Plans Homecoming Services June 7th

All Day Meeting Is Planned; Basket Lunch Will Be Featured.

The East Bend Baptist Church will have its annual homecoming services in conjunction with a dedicatory service June 7th, at 2:00 p. m., it was announced this week by the pastor Rev. Donald White.

The morning services will begin with Sunday School at 10:30 and worship service at 11:30. The pastor will speak at the morning service. Special music has been arranged for both services. Former pastors will attend and will be given an opportunity to express themselves at the afternoon service. Rev. Roy Lyons, pastor of the Thorn Hill Baptist Church, Frankfort, Ky., will bring the dedicatory address. Rev. Lyons' marked success at his present pastorate qualifies him to bring such an address.

Basket lunches will be served at 12:30 p. m.

Some months ago the roll and records of the East Bend Baptist Church were destroyed by fire when the clerk's home burned. Any former member manifesting interest in the church may have his name restored by personal request.

Boy Scouts Attend Camporee May 22-24

Florence Boy Scout Troop No. 7, the only troop in Boone County, spent the week-end of May 22-24 at the Dan Beard Council Camporee at Camp Powderhorn.

Each patrol, 8 boys, in a troop competed as a unit and compiled points on camping ability and numerous contests. The Daniel Boone Patrol of Troop 1 was one of the few to receive enough points to get the Presidential Award. This is the highest award given at the Camporee.

This Patrol (Daniel Boone) is led by Thomas Hanser and Orlyn Easton. The remainder of the Patrol, Donald Altenhofer, Billy Flickinger, Russell McGuire, Bobby Vassner, Verne McCord, Jr.

The group was supervised by Ray Fenstermacher, an Explorer and Scoutmaster Harold R. Abraham.

The Lions Club of Florence has taken over the sponsorship of this troop and has formed committees to assist wherever possible. Several of the committee members attended the Camporee and were present at the basket picnic given for the boys' parents.

The council fire was an outstanding event and very colorful. The Scouts with the best record and over fourteen years of age were taken into the Order of the Arrow (a very high honor). This is an Indian ceremony in full costume, tom toms and all in true Indian tradition.

Anyone desiring information on Scouting please contact any one of the following: Henry Kroeger, El 2003; Herbert Riehl, Flo. 35; Bill Tupman, outdoorsman, Burl. 265-X; Gordon McGuire, outdoorsman Flo. 2425; Doctor C. C. Schilling Flo. 2628; Harley Fisk, Flo. 2983; Harold Abraham, Dixie 7580; Robert Idol, Dixie 6397.

Any boy eleven or over may join the Boy Scouts and don't forget there is an Explorer program for the boys over fourteen.

Burlington Cemetery Beautified For Memorial Day

Visitors to the Burlington Cemetery Memorial Day were loud in their praise of the work accomplished by the new corporation, which recently took charge of the grounds. Much work has been done on the grounds during the past several weeks, with finishing touches added Friday of last week, when a crew of men mowed and cleaned the entire grounds.

Many lot owners have paid the endowment fee for perpetual care of lots after viewing the condition of the cemetery Memorial Day. Lot owners desiring to have their lots placed in perpetual care should contact G. S. Kelly, secretary of the Burlington Cemetery Corporation.

The corporation plans many improvements in the cemetery, and with the cooperation of all lot owners the grounds will receive many changes which will add to its attractiveness.

Eight Men Draw Fines During Week

Eight men were fined during the past week, seven of which were fined on motor vehicle violations, ranging from reckless driving to operating a vehicle without a license. One person was fined on a charge of being drunk in a public place, when arraigned in Judge C. L. Cropper's Boone County Court.

License Sale Begins For L To Z Drivers; Regulation Changes

Sale of Licenses Starting One Month Earlier This Year.

Frankfort, Ky., June 2—Most circuit clerks are now selling 1953-54 driver's licenses to persons whose last names begin with "L" through "Z." The sale of licenses is starting a month earlier this year to avoid the July rush and the \$10.00 penalty for late renewal, according to the State Department of Revenue.

Drivers in the "L" through "Z" name group are required to purchase two-year licenses for \$2 before July 31. Vehicle operators whose last names begin with "A" through "K" and who have licenses will not be required to buy another license until 1954.

If a person is obtaining his first driver's license in Kentucky, he will be required to pass a State Police examiner's test, or show a valid out-of-state license to his circuit clerk. If his name begins with "A" through "K," the license will last for one year and the fee will be \$1.00.

Persons on active military duty who drive in Kentucky are required to have a Kentucky driver's license, except when operating an official vehicle with a U. S. Government operator's permit.

All operators from K to Z will be required to fill out reacquisition form when applying for operator's licenses 1953-1955. Circuit Court Clerk, R. S. Hensley, warns drivers not to mail licenses to his office as the reacquisition blank must be signed before license can be issued.

Various precincts will be visited by Circuit Court Clerk Hensley and his deputies during the month of July. Dates and places will be announced at a later date.

Three Local Men Join Armed Forces

Harry E. Kannady, Thos. C. Leek, and Walter C. Leek, all of Verona, volunteered for duty with the U. S. Armed forces. These three men were sent to Ft. Meade, Md., for basic training.

C. G. Kelly, Clerk of Draft Board 108, Burlington stated that fifteen men will be inducted from Boone County during the month of June and 20 will be called for pre-induction examination.

Honorable Mention Ribbon Won By Son of Mr. and Mrs. Arnold Fleek

Ronald Lynn Fleek, 2 1/2 year old son of Mr. and Mrs. Arnold Fleek, Ludlow, R. 2 had the pleasure of winning Honorable Mention Ribbon for being the cutest child in the Annual Midwest Cutest Child Contest from Woltz Studios, Des Moines, Iowa.

John Cropper, Bill McBee and Sonny Ockerman left Friday night for a two weeks' vacation in California.

Boone County 4-H Members To Attend Annual 4-H Week

Gov. Lawrence Wetherby Will Be Principal Speaker.

Boone County 4-H Club members will participate at the 30th Annual 4-H Club week to be held at the University of Kentucky June 9-13. There will be eight 4-H club members of the county that will leave Tuesday and return Saturday.

Governor Lawrence Wetherby will be the principal speaker and will address the assembly of approximately 1,200 boys and girls, county agricultural and home agents, club leaders and others on Thursday morning.

Other speakers of the four-day convention include Dean Frank J. Welch of the College of Agriculture and Home Economics; Dr. Lyman Ginger of the College of Education; Dr. Glenn C. Dildine of the 4-H Club Foundation in Washington, and Everett Mitchell, National Broadcasting Company.

Four-Hers also will have an important part in the program. Girls will give demonstrations in various phases of home economics and engage in the judging of canning, foods, home improvement and clothing, while the boys will compete in demonstrations in agriculture and water management.

Presiding at the morning sessions will be President Howard Ragland, Larue county; Vice President, Buford Cobb, Jr., Henry County, and Secretary Annette Allen, Fayette county. Vesper services will be conducted by four different club members each evening.

Other highlights of the week include the statewide style revue, swimming in the pool at the Memorial Coliseum, an evening party, a picnic and tour of University Farm and the Parade of Champions, closing with the impressive candle-lighting ceremony.

Cooperating with the 4-H club staff in the week's program are the Extension staff, county farm and home agents and volunteer leaders.

St. Paul Clinic Set Wednesday, June 10

A pre-school clinic will be held Wednesday morning, June 10 at 10:00 a. m. at the Boone County Health Department, Florence for children of St. Paul School, Florence. This clinic is for the children starting to school this fall.

Tobacco Flea Beetle Found In Parts of County

The Northern Kentucky District 4-H camp will be held at the YMCA Camp Ernst, June 22-26th. Mr. Carl Jones, University of Kentucky will be camp director.

Boone County 4-H club members that have not made reservations for Camp should make them at once, at the County Agent's office in Burlington.

Control Is Outlined By County Agent, Joe Claxon.

Tobacco flea beetles have been found in some of the tobacco that has been set in the county. To control these flea beetles, dust containing 10% DDT may be used. Apply this by means of a rotary hand operated duster or a plunger type duster at the rate of about 4 pounds per acre. A DDT spray may be used, 2 pounds of 50% wettable DDT powder in 100 gallons of water, 50 to 80 gallons per acre.

If the above DDT recommendations are used the flea-beetle should be controlled in the fields.

For other information on tobacco insects see circular 437 in your County Agent's office in Burlington, Ky.

Burlington O. E. S. Will Meet Thursday

Burlington Four Star Chapter No. 387 O. E. S. will hold its regular monthly meeting Thursday night, June 4, 8:00 p. m. at the Masonic hall. All members are urged to attend, as there will be several items of business to come before the order.

Interesting Letter

The following letter was received from Lester J. Fray, Brightwood, Madison County, Virginia: Boone County Recorder, Burlington, Ky.

Gentlemen: You will find enclosed herewith my personal check in the amount of \$2.50 for another year's subscription to your valuable paper the "Boone County Recorder" which I like very much, especially the stories by Mr. W. C. Barrickman, as they take us back into the "long ago." It is good to know that some one is trying to keep "alive" for us of later generations, the bygone days of our forefathers, something so many of the younger generation are not bothered about at all. It is good that we have amongst us such men as Mr. Barrickman, of Austin, Texas, Mr. A. M. Yealey, Florence, Ky., Prof. Claude Yowell, Madison, Virginia, Prof. D. R. Carpenter, Sr.,

Salem, Virginia and many others, who are delving into the past.

It might interest you and some of your readers to know, that I live at the "old Fray Homestead" where it is said my forefather Ephraim Fray (Frey) settled in 1728. Of the large "landed" estate 340 acres remain, following my father's death in 1920, my wife who was Annie Blanche Aylor (Ehler) bought it. Enclosed you find a snapshot of the residence as it looks today. The old cabin in the back yard, which is built of stony logs, covered with weatherboards, wooden hinges on the doors, windlass, chain and hooks in one fireplace for cooking, etc.

In olden times, when the Indians roamed the countryside, a chieftain and some of his warriors, frequently came to the cabin for bread, which was given to them. On one occasion, I've often heard my grandmother Fray (who was Elizabeth Ann Keyser, of Page County, Vir-

ginia) tell of one particular time, when the Indians came for bread, none baked at that time, so she, (my great-great-grandmother) called the Negro cook to bake some "corn pone" for them, whilst they, the Indians waited before a fire. She lay there in bed, with a new-born babe in her arms, the Indians looking back and forth to fire and bed, at mother and babe, making signs, gesticulating amongst themselves. Imagine the mother's feelings. Getting their bread after it was baked, they departed in peace, just as they came and had done many other times over.

The oldest Will that we have located, is that of my great-grandfather, John Fray, who married Rebecca Yowell, daughter of Christopher Yowell. John Fray's will is recorded in Culpeper C. H. Clerk's office dated Sept. 20, 1790. His children are listed as Elizabeth Ann, Margaret and Mary, who married Peter Clouse; Moses, who married Susan Sellers, migrated to Boone County, Ky., prior to 1813, raised large family there; Aaron, who married Lucy Snyder (Schneider), migrated to Howard County, Mo., about 1830, raised large family of children, among them John Aaron Fray, Dayton, Ohio. Ephraim Fray, my great-grandfather, married first Mary Hoffman, daughter of Tilmann Hoffman, who was a Revolutionary soldier. Grandfather Ephraim's second wife was Nancy Snyder, sister of Lucy, both of whom were direct descendants of Henry Snyder (Schneider) the immigrant of the Germanna Colony of 1717. Lucy and Nancy were the daughters of Michael Snyder, his father was John, he a son of Henry, the immigrant.

Recently there was unveiled a marker at Germanna in memory of the immigrants of the colony of 1714. Their names are engraved thereon. I shall mail to you under separate cover a copy of the Culpeper Star-Exponent, which contains an account of the commemoration. I know Mr. Potter, the editor does not object to your "reprinting" it for the benefit of your many readers out there, because many of those folks of Boone and Oldham have relations back here.

I am, sincerely yours with best wishes,

Lester J. Fray.

WOMEN ARE TAUGHT HOME IMPROVEMENTS
Indicative of the interest in home improvement among homemakers in Bath county are these reports given to Mrs. Lorraine Dickson, home demonstration agent with the University of Kentucky.

Mrs. Stanley Myers, a leader in the home furnishings project in the Tunnel Hill and Flat Creek Homemakers Clubs, has refinished 41 pieces of furniture and is working on eight others. Mrs. Dan Hill, Salt Lick Homemakers Club Leader is working on eight antique pieces, demonstrating the different steps at her club meetings. Mrs. Ollie Atkinson has designated the patterns and made three hooked rugs since a series of lessons was given.

Children Most Valuable Resource, Says Reader

The following letter was received from Mrs. L. L. Franks last week. We publish the letter in full, as follows:

"Dear Editor: There are three items in your paper of May 14 which are of great interest to me as a childless taxpayer.

"First of all there is a school page which announces high school events to come in Florence, Burlington, New Haven and Hebron. There is also news of the activities of the Florence Grade School. All of these seem to show that our schools are working and producing even if I don't happen to approve of so much basketball for young children. Then there is an article on the findings of the Research Division of the National Education Association. This article gives some reasons why teachers' salaries are low but the news that strikes me most is the very short item on page one saying that the school tax rate for the county has been set at \$1.30 for the coming year which is the same as last year.

"This is an outrage, for according to your published report of teachers' salaries in Boone County in an earlier issue of your paper, not one teacher received as much as \$3000 last year, if my memory serves me correctly. How much does the School Board expect to pay them this year? It stands to reason that with the greater influx of children into the schools, we must have more class rooms or overcrowded class rooms. More class rooms will mean the same or less money for teachers next year and overcrowded class rooms will keep teachers from doing their best work. They are also a menace to the health of both children and teachers.

"What is wrong with us in Kentucky and especially in Boone County? Even if we aren't the richest state in the Union, don't we realize that children are our most valuable resource? Are we willing to entrust Boone County's future citizens to inferior teachers which we will finally have to take if such conditions continue? A school never rises higher than the teachers employed in that school and a country never rises higher than its citizens. How high do we want our country to go? If we are interested, let us pay enough to retain and to hire good teachers!"

GARDEN CLUB NEWS

The May meeting of the Boone County Garden Club was held at the home of Mrs. Wm. Oliver, Old Toll Road, Tuesday, May 12. Mrs. Roy Lutes, president, conducted the business meeting and members responded to roll call with their topic for the year.

Attention was called to the District meeting of Kentucky Garden Clubs, to be held May 22 at Hotel Alms. Registration will begin at 9:30, fee \$1.00. Reservations for the luncheon must be given to Mrs. Wm. Wessler, Florence, Ky., not later than Saturday, May 16.

Discussion as to whether we would sponsor a flower show followed. It was agreed that one would be held in the early fall. Mrs. Markland and Mrs. Hollis gave talks on perennial and annual vines. Mrs. Fitzgerald gave pointers on "Care of Mums." Buds should be pinched off and plants should be sprayed with Blackleaf 40.

Next meeting will be held at the home of Mrs. Clint Blankenbaker. Mrs. Fannie Scott and Mrs. Robt. Carter co-hostesses. Each member is to bring a rose arrangement.

We were pleased to have as guests, Mrs. B. W. Taylor and Mrs. J. J. Jacobson.

Five lovely flower arrangements were enjoyed by all. Members attending were Mesdames Sam Denham, Sr., Wilson Fullerton, Chas. Goodridge, Clint Blankenbaker, Roy Lutes, Grant Maddox, Wm. Wessler, Wm. Fitzgerald, Robt. Carter, Harold Conner, Paul Chaney, Ruby Hollis, Nellie Markland, Francis Berkshire and our hostess, Mrs. Wm. Oliver.

PLYMOUTH ENROLLS 60,000 FOR AUTO SAFETY CHECKING

Detroit—"Plymouth dealers throughout the country have more than 60,000 service technicians enrolled in a training program which assures motorists of excellent service in the safety of automobiles," Plymouth General Sales Manager, William J. Bird said today.

"Our dealers are well-staffed and well-equipped to participate in the national automobile safety check program this month," he said. "Safety checking is stressed continuously in our Master Technicians Service Conference, but we also believe it is a good idea to set aside a special month for this purpose. I hope that millions of motorists take time this month to have their cars checked for safety. It's the sensible thing to do."

As evidence of Plymouth's interest in safety, Bird disclosed that the factory has now distributed, mainly through its dealers, nearly a half million copies of "Good Driving Practices," a booklet which stresses the four factors which, in the opinion of Plymouth officials, are essential to safe driving. They are, "Courtesy, Control, Car Condition and Common Sense."

"We think that the fellow who keeps his car in safe driving condition is likely to be a safer driver in every other respect," Bird said.

EARLY HISTORY OF BOONE COUNTY

By A. M. Yealey

In a previous article in regard to the settlement of Tanners Station (now Petersburg) we gave you the list of people who were with Mr. Tanner. Now we shall inform you who Mr. John Hindman was and how he came to be here.

He was born in Lancaster County, Penn., in 1760 and lived there until March, 1785. He left with the following party: William West, John Simons, John Seft, and Mr. Carlin and their families with the purpose of making a settlement up the Big Miami River out of the best and broadest bottoms. When he reached the mouth of this river, the Ohio River was so high that it overflowed the bottoms so bad that they took refuge on the Kentucky side. He met John Tanner, who owned all the land where Petersburg now stands, and made a deal with him to clear about 40 acres of land.

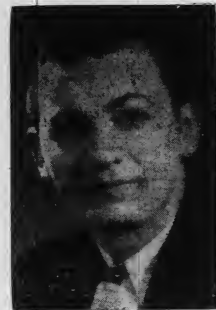

After completing their job about the last of June and the rainy season being over, they concluded that they would now start a north course and came to White Water supposing it to be the Miami. They started up this creek but after ascending this stream quite a distance, Joseph Robinson, who was very well acquainted with this section of the

country and who had become a member of the party after leaving Tanners Station, convinced them that they were not on the main stream. They then made a raft and crossed the stream but had the misfortune to lose all their guns while crossing. They then went as far as where Hamilton, O., is situated and on their return along the Miami wherever the bottoms were wide they made clearings to the mouth of the river.

This work being finished he returned to Pennsylvania and made

arrangement whereby he could return and make the Ohio Valley his future home, which he did. Late in the fall he met with General Clark, Butler, and Parsons at the mouth of the Miami as commissioners to make a treaty of peace with the Indians and he was present with Symmes and John Filson while they were taking the meanders of the Miami River. Filson was killed here by a faithless Indian while this transaction was taking place. Mr. Hindman was still living as late as 1845 near Hillsborough, Ohio.

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814 Madison Covington

"I couldn't sleep at night because my baby didn't walk right. I was always afraid that those little feet wouldn't grow straight. But when I heard about Peoples of Covington, and the care they take in fitting children's feet, I felt as if a tremendous load was lifted from my shoulders."

We hear statements like that from many mothers who come into Peoples with a worried look and leave with a smile. Mothers, they have a lot to smile about, for they are sure at last that their children's feet will grow normally and develop properly. For at Peoples, children are fitted with Footshaper shoes made over the famous Footshaper lasts. Peoples also leave nothing to "guess work" because they use individual charts of each baby's feet to record growth and progress. The trained foot comfort specialists can recognize abnormal conditions and recommend help. Don't wait, be sure at Peoples.—Adv.

Boone Residents Invited To Attend Boone Day Program

Mrs. Roy C. Nestor, Regent, Boone County Chapter, Daughters of the American Revolution has been requested by Mr. Bayless E. Hardin, Secretary-Treasurer of the Kentucky Historical Society to extend a cordial invitation to the people of Boone County to attend the Kentucky Historical Society's Annual Boone Day program, which will be held this year on June 7th at Pilot Knob in Powell County.

This should be of special importance to the people of Boone County which was named after the brave pioneer, Daniel Boone, because it was at this knob that Boone got his first glimpse of "the beautiful level of Kentucky" and which Boone tells about in his narrative.

Since near the middle of the last century the Kentucky Historical Society has celebrated June 7th as "Boone Day" because it was on that date in 1769 that Boone first reached the top of Pilot Knob. "Boone Day" has been usually held at the Old State House in Frankfort, but it was decided to spend the day this year at Pilot Knob to arouse public interest in this historic spot.

Pilot Knob is reached by Highway 11 from Mount Sterling to Clay City or Highway 15 from Winchester to Clay City, north of which it lies about three miles. A short county road turns off the Highway and has been put in good condition by the county government. The farm on which it is located is privately owned but permission has been given for its use and for parking of cars and other necessary services.

A lunch will be spread at the noon hour at the foot of the knob. Its top is 1500 feet above the sea and it stands about 700 feet above the plain. From it one can see the buzzards flying far below and the distant cities of Clay City and Stanton. The knob is still timbered and rich collecting ground for botanists, ornithologists, etc. It is distinguishable from adjacent knobs by a bench near its top which looks like a giant step. Three or four miles west of the knob on Highway 15 is the location of the last Indian town in Kentucky, Eskippakithiki. There yet remains visible a large Indian mound and beside it the circle of two hundred yards diameter which shows where the palisades were planted which surrounded and defended the Indian village. This is known as Indian Old Fields. Here Tecumseh's father lived.

This area is where the first vista of blue grass was seen, the first merchant's store in Kentucky was built, the first Indian fight took place, the first camp of incoming settlers in the blue grass, the first book was read in Kentucky. With all this in mind, the Kentucky Historical Society has planned a pleasant and interesting day for you to gain historical facts and enjoy the fellowship of Kentucky hospitality.

WORKS IN SCOTT

In a period of three years, the vaccine-the-dog program in Scott county has reduced a situation where heavy losses of cattle were common, and a severe out-break of rabies threatened, to almost no cases occurring, reported H. S. Long, farm agent for the University of Kentucky.

The rabies control program was conducted by the county advisory committee of the Extension Service. Six community centers were set up for assembling dogs for vaccination, of which Dr. E. L. Taylor, veterinarian was in charge. Homemakers clubs cooperated by supplying leaders to keep records at each center.

During the first year, 1,000 dogs were vaccinated; the two following years, about 500 dogs each. The number vaccinated on farms has increased many times, said Dr. Taylor, which may account for the smaller number being vaccinated at centers. The campaign has resulted in a fairly wide acceptance of dog vaccination, he said.

Interest in the program was stimulated by letters to 684 land owners, newspaper and radio publicity, and posters in local banks along with sign-up slips.

LIME, PHOSPHATE REJUVENATE LAND

How 2 1/2 tons of limestone and 500 pounds of phosphate an acre worked wonders for Clinton Drennan of Crittenden county is told by J. Stanley Howard, UK associate county agent.

In 1946, Drennan paid \$3,500 for 168 acres, but sold off 63 acres for \$1,800. After spreading lime and phosphate, two corn crops of 40 acres each brought \$3,500. Then in the same 40 acres, he grew a \$1,200 soybean crop and sowed lespedeza and wheat, the latter two adding \$2,400. Finally in 1951 and 1952 he sold soybeans each year for about \$2,000. It all adds up to \$11,100 from crops, plus \$1,800 for the 63 acres he sold.

MT. ZION HOMEMAKERS

The May meeting of the Mt. Zion Homemakers Club held at the home of Mrs. Romer Burns, opened with the reading of the club collect. Mrs. Geo. Otten, reading chairman followed with a chapter of the Bible to Ephesians, Chapter 6, verses 1 to 8 and gave a reading "The Happiness of Service." Election of officers was held and a motion made and seconded that in future, officers will hold office two years, the third year, the vice president automatically becoming president. The appointment of various chairmen to be made every year. Plans were made to send boxes to the servicemen in Korea. The contents to be donated by the club members. After a delicious luncheon served by the hostess, the lesson on basketry was given by Mrs. Frank Domaschko and Mrs. Geo. Otten, assisted by Nancy Aylor. A recreation period conducted by Mrs. Wm. Miller and an exchange of magazines closed the meeting. In attendance were Mesdames Frank Bresser, Romer Burns, Charles Hempling, Wm. Miller, George Otten, Hubert Winburn, Roger McGuire, Frank Domaschko, and Nancy Aylor, Home Demonstration Agent.

FOR KENTUCKY FOLKS
by Wm. C. Johnstone
AGRICULTURAL REPRESENTATIVE
KENTUCKY BANKERS ASSOCIATION

June is Dairy Month. Kentuckians, like practically all other Americans, are this month celebrating National Dairy Month. What is the significance of dairy month? Is it merely a period to drink more milk or to eat the surplus butter? Not as I see it. Dairy month for Kentucky farmers is a time to take stock of the dairy enterprise—to take pride in our accomplishments, to be humbled by our failures, and to be awed by the tasks still undone. It is also an opportunity to work together in promoting nature's best food—milk.

Dairying ranks high in the industries of Kentucky. In 1951 Kentucky had almost 600 thousand milk cows that produced about 12 million tons of milk—worth near 10 million dollars. This is not high in comparison with tobacco, but these figures do not tell the whole story. Dairying is a great soil building industry. It is the most efficient way of utilizing the many

acres in Kentucky that should be kept in hay and pasture crops. Dairying, indirectly, contributes greatly to the efficient production of tobacco, corn and garden crops. It has been conservatively estimated that each dairy cow in Kentucky is worth \$1,000.00 to the state.

The one black mark against us in the dairy industry is our low average production of milk per cow. Our average is 3,960 pounds per year and we rank 37th among the states. California has the highest state average with 7,700 pounds. We are far below the 5,300 pound average of the United States. Our great need is for BETTER cows, not MORE cows.

The introduction of artificial breeding in Kentucky in 1946 was one of the greatest steps taken to improve dairying in Kentucky. The State Association is now made up of 48 locals. In 1952 about 70,000 cows were artificially inseminated.

This modern method of livestock breeding permits even the smallest dairyman to have the services of the finest sires at less cost than he can maintain even the scrubbiest bull.

Surpluses are plaguing the dairy interests—too much fluid milk, butter and cheese. It seems to me that too much time, talk and money has been used to get people to buy butter instead of cheaper oleomargarine. Why not do a more constructive advertising and marketing job with other dairy products? Seldom do we hear milk, cream, cheese or ice cream mentioned on radio or television, but competing products, especially drinks, dominate the air with their promotional programs.

Pasture, hay, silage and water are the low cost ingredients of dairy products. Dairy men who utilize them best, profit most. During Dairy Month let's resolve to put into use one or more of the following practices: prepare to sow alfalfa in August; construct a reservoir, if water is a problem; build a silo or put up trench or stack silage; determine to improve some pasture acreage in August or September.

Farm Event of Statewide Interest
Wool and Lamb Festival, Lexington, June 16-17.

Barn and Farming Tools Destroyed By Fire Wednesday

Damage Estimated At \$8,000 In Waterloo Blaze.

A large barn and corn crib on the farm of Cecil Cobb, East Bend Road, about six miles south of Burlington was destroyed by fire Wednesday afternoon of last week.

Loss from the blaze was estimated at approximately \$8,000. The large combination barn, tractor and practically all of Mr. Cobb's farming equipment, besides several hundred bushels of corn and hay were destroyed.

The blaze had gained such headway that the Burlington Volunteer Fire Department was unable to halt the blaze. The department remained at the blaze until danger to the home and other buildings was eliminated.

The fire apparently started in the hay loft of the barn and was blazing fiercely before being discovered by the family.

A son of Mr. Cobb had started milking operations when he heard a cracking noise and discovered the entire loft of the barn was in flames. He released the cows from their stanchions and herded them out of the barn into an adjoining pasture, but was unable to enter the barn to save equipment.

Others farming equipment lost in the fire consisted of milk cooling equipment and farm tools. Loss to the barn was estimated at \$5,000. Contents were valued at approximately \$3,000. The barn was partially covered by insurance, it was reported, but the farm tractor and other equipment was not covered. Mr. Cobb had canceled insurance on the tractor only recently.

Four-Year-Old Girl Takes Top Honors In Verona Ranch Contest

A four-year-old girl, Becky Jones of Fiskburg, took top honors at the amateur contest held at Verona Lake Ranch, Sunday, June 7th, W. D. Scroggins, proprietor has announced. Second prize was won by Ovie Griffith, Walton and third prize went to the Charles Flynn trio, of Florence.

Mr. Scroggins states that the contest will continue this Sunday with prizes totaling \$30.00 offered to the three outstanding contestants. Persons interested in entering the contest should contact Bill Scroggins, of Verona.

A Western horse show will be one of the feature attractions of the afternoon program, along with the regular show scheduled at 2:00 p. m.

Army Worm Taking Toll of Boone County Crops

Control of Pests Given By County Agent, Joe Claxon.

The army worm has marched into the wheat, barley, corn, tobacco, hay fields, and pastures of Boone County.

The army worm is closely related to the cutworms, but has different habits. When young, these light-striped caterpillars are pale green, turning to greenish brown when full grown. Most abundant following cold wet springs, the true army worm often can be found in pastures in great numbers completely stripping off the grass foliage. When this food supply is exhausted, they may march in armies into fields of small grains and corn, causing enormous damage.

One hundred percent toxaphene or 100% chlordane at 1 1/2 to 2 pounds per acre sprayed or dusted on the portion of the field where the worms are feeding will give excellent control of these pests, as well as of cutworms. Treated forage should not be harvested or pastured for thirty days after the application of these insecticides. A poison bait made up of 25 pounds of bran and one pound of paris green or 2 pounds of 100% chlordane, which is slightly moistened and broadcast at the rate of 25 pounds per acre during late afternoon where the worms are feeding or in front of their line of march will also give good control. There is not so much danger of insecticide residues from poison baits as from the dusts or sprays.

Two Men Fined On Game Violation

Two Cincinnati men, Robert Dunigan and Woodrow Jewell were each fined \$24.50 when arraigned in Judge C. L. Cropper's court Monday on a charge of fishing without proper licenses. Ollie Herrington, Boone County Conservation officer made the arrests.

Five men were fine on motor violations during the past week when arraigned in Judge Cropper's Court. Three were fined for operating a vehicle without an operator's license, and two were fined on reckless driving charges.

Polio Chairman Calls Meeting Of Boone Co. Chapter

Stuart S. Schlagerer To Address Group At Florence, June 19.

Mrs. George Morith, chairman of the Boone County Chapter of the National Foundation for Infantile Paralysis has called a meeting of the chapter, and all interested friends, for Friday evening, June 19th at the Florence Community Center. A covered dish meal will be served at 6:30 p. m., and the meeting will begin at 8:00 p. m. All interested Boone County residents are welcome. Reservations should be made with Mrs. Mabel Sayre, Florence 1955; Mrs. George Morith, Florence 716 or Mrs. William Foote, Florence 526. The chapter is anxious to have all workers in the Mother's March present.

Stuart S. Schlagerer, Louisville, Kentucky state representative for the National Foundation will be present to speak to the group on the latest developments in Gamma Globulin and other promising work in the cure and prevention of polio. This information should be particularly interesting at this time of the year when polio frequently reaches epidemic or near-epidemic highs.

Boone County Chapter has completed two successful years of organization. Several weeks ago, the following were elected to serve for the coming year: Mrs. George Morith, chairman; Mrs. George Byrne, vice chairman; Mrs. William Foote, secretary; John McEvoy treasurer.

1952 Report Given
During the last March of Dimes drive \$1668.82 was collected by the schools, Mother's March, individual collections and the iron lung banks. The following report is submitted:

Constance	\$ 24.45
Florence	827.42
Walton and Verona	349.71
Union	78.16
Bellevue	29.00
Burlington	220.93
Hamilton	9.60
Petersburg	17.44
Hebron	111.94
Total	\$1668.65
Expenses	\$ 88.25
Net	\$1580.40

Half of this amount was sent to the National Foundation and half was placed in the treasury of the Boone County Chapter.

Polio Message To Parents
1. What is gamma globulin? Gamma globulin is the part of human blood that contains disease-fighting antibodies. It has been used for many years to combat measles and infectious hepatitis (jaundice). In 1952, March of Dimes scientists proved it to be an effective but temporary preventive of crippling caused by polio.

2. Can our children get gamma globulin (GG) for polio this summer? GG is in extremely short supply. There will be only about one million doses of GG available from now to September. There are about 46,000,000 children and adolescents in the age groups most likely to get polio.

3. Who will get gamma globulin this summer? The supply will probably be used in areas where the greatest number of cases occur. Most likely public health officers working with private physicians will administer the gamma globulin.

Parents should consult their doctor if their children should show the following symptoms: Headache, fever, sore throat, upset stomach, stiff neck or back.

Boone School Board Reject Bus Bids Wed.

New Bids Are Asked For This Week; Other Business Transacted.

The Boone County Board of Education voted Wednesday night of last week to reject all bids submitted for supplying four new school buses and to request all bidders to submit new bids.

The board said that one concern whose bid appeared to be the best submitted had failed to submit its bid in writing. The meeting was recessed until Wednesday night of this week at which time the new bids will be considered.

Montgomery Coal Co., Covington, was awarded a contract for supplying 400 tons of stoker coal on its bid of \$11.18 a ton and 50 tons of egg coal at \$9.68. Montgomery also was awarded the contract to supply the school system's requirement of No. 2 fuel oil at 12 1/2 cents a gallon delivered.

H. N. Ockerman, school superintendent, reported a balance on hand as of June 1st of \$95,765.86.

The board also voted to place \$60,000 of its funds on time deposit with the Peoples Deposit Bank, Burlington, at 2 per cent interest. It was pointed out that this sum will be required next year for bond retirement and interest and that by setting aside this sum now, the school system could earn \$1200 in interest.

Boone Wool Growers Urged To Shear Sheep

Three-Year Building Program Brought To Close Sunday

With Homecoming and Dedication Services At East Bend Baptist Church

The East Bend Baptist Church held its annual homecoming service in conjunction with a dedication service of the afternoon of June 7. The day was an epoch in the life of the church. It brought to a close a building and improvement program which had been in progress over a three-year period. Through this program the church realized additional gains as follows: Six Sunday School rooms, oil furnace, new church furniture, carpet, vestibule with bell tower, venetian blinds, church sign and church was redecorated inside and out.

The dedication service opened with a hymn followed by the invocation offered by Rev. J. R. Tackett, pastor of the Sand Run Baptist Church. An appropriate address was delivered by Rev. Roy Lyons, pastor of the Thorn Hill Baptist Church, Frankfort, Ky. A service of dedication was read responsively by pastor and people. A love offering was given which amounted to \$1339.06. The service was brought to a close with the pastor Rev. Donald White offering the dedication prayer.

Prior to the dedication exercises a basket lunch was enjoyed by all. The East Bend church choir furnished special music for all services. The degree of the spiritual atmosphere which prevailed throughout the day was greatly intensified by the large number of local members in attendance, by the presence of visitors, both far and near, and by the many neighboring churches who were represented by their pastors and members.

Seventy-One Pints Of Blood Collected At Burlington June 1

Bloodmobile To Visit Florence Monday, July 13th.

Seventy-one pints of blood were taken June 1, when the Bloodmobile visited Burlington. Workers in charge for the day include Mrs. William Rudicill, chairman of solicitors; Mrs. M. A. Yelton, chairman of canteen, and Mrs. Jack Caldwell, chairman of nurses. Mrs. Alan Gaines is chapter chairman and blood program chairman.

The Boone County Red Cross and the chapter chairman thank all who gave this wonderful contribution, and all volunteers who helped serve the donors in any capacity.

Recognizing blood as a critical national resource, vital to the country's well-being and security, the President of the United States directed the establishment of the National Blood program to provide for the total blood needs of the nation. In accordance with this directive, the American National Red Cross, the Department of Defense, and the Federal Civil Defense Administration joined efforts and pooled resources to make the National Blood program a success.

However, in our American Democracy, the government's efforts depend on the cooperation of the nation's 150 million citizens. It is you, the reader, who must heed the President's urgent plea for blood. Without your cooperation the government is powerless to build the needed supply of this critical resource.

On July 13, the Bloodmobile will again visit Boone County and will be at Florence from 1 to 7 p. m. The donor solicitors for this visit are Mrs. William Miller and Mrs. Roger McGuire. Other chairmen will be announced later.

Reader—Do you know that you must put the blood in that bottle that goes for servicemen and serum for children to erase the paralysis resulting from Polio? We cannot wait, the time is now. Give a pint of blood when the Bloodmobile comes to Florence on July 13. Call Florence 84 to make your pledge.

Dewey G. Crowder Receives Advancement In United States Navy

The Bureau of Naval Personnel has announced that it is an advancement in rating to boilerman third class, USN, while serving aboard the landing ship dock USS Ashland, for Dewey G. Crowder, son of Mr. and Mrs. Dewey Crowder of Route 2, Burlington, Ky.

The advancement came as a result of a world-wide competitive written test which consisted of questions testing military and professional skills.

To be eligible for the written quiz, Naval personnel had to exhibit proficiency in the on-the-job phases of their ratings.

GRANT HOMEMAKERS TO IMPROVE HEALTH

Better health for people of Grant County is one of the long-time objectives of homemakers in that area. Steps in carrying out the program were outlined by the advisory committee, said Mrs. Mary Frances Walden, UK home demonstration agent.

1. Learn the nutritional value of foods.
2. Become acquainted with new foods and use them.
3. Prepare foods to retain food value and palatability.
4. Have a garden and preserve foods according to needs.
5. Install running water and a sanitation system.

Open Air Services Scheduled June 19th

The open air services which are to be conducted at Rabbit Hash, by Rev. C. W. Gant are scheduled to begin Friday evening, June 19th. Services will begin at 8:00. An interesting program of music is being planned. Sermon subject for the first service will be "What, When, How and Why of Religion?"

SPRAY KILLS PESTS IN CLOVER, ALFALFA

Aphids and leaf weevil in clover and alfalfa may be controlled by spraying with parathion, according to the University of Kentucky College of Agriculture and Home Economics. Either the 15 percent wettable powder or the 25 percent emulsifiable concentrate may be used. The latter is considered preferable. The rate of application is 1½ pounds of the powder in 50 gallons of water an acre or one pint of the concentrate in enough water to cover an acre. The best way to use the spray is in a tractor-mounted weed-type spray boom.

Precautions concerning hazards to the operator in applying the material should be followed, it is pointed out. Also 21 days should elapse between application of the insecticide and harvest or use for grazing.

Jim Knott and W. A. Hamilton, Jr., of Meade county are building large Creighton-style poultry houses following plans from the UK engineering department.

It is estimated that at least one-half of the active TB cases are not known to health authorities.

Plans for a safety program to be carried throughout Metcalfe county are sponsored by the county Extension advisory council.

Clark county homemakers realized a profit of about \$125 from a food and general action sale on the courthouse lawn.

Laurel county homemakers displayed lamps, lamp shades and picture frames in a store window during Home Demonstration Week.

With coal mining on the decrease in Perry county, the number of gardens has increased greatly over recent years.

BOYS MAKE USE OF ELECTRICITY

Members of the boys' 4-H club of the St. Gregory parochial school in Nelson county are practicing use of their lessons in electricity. At the Nelson county rally day, the members displayed lamps of different types which they wired or rewired, an egg candler wired for electricity, and an alarm-clock-wall-switch connection to turn on the lights in the poultry house at the desired time. They wired also the display shelves to give each lamp or article its separate connection.

The Rev. John Wehling, pastor of the St. Gregory Catholic Church, is the leader. The project is one of several carried by the club of 15 members, said Harry B. Gibson, field agent in 4-H work at the University of Kentucky.

EDMONSON PLANS MORE VEGETABLES

Plans are under way in Edmonson county for large scale production of tomatoes, cucumbers and okra. More than 1,000,000 plants of the Valant variety of tomatoes were set on 400 acres.

Approximately 185 growers of cucumbers attended a series of six meetings conducted by John Gardner, UK horticulturist, in cooperation with Steve A. Callahan, county agent.

A complete okra production program was presented to about 170 farmers. It is expected that around 200 acres of this vegetable will be grown, stations being set up at five points in the county.

FESCUE TOPS PASTURE PROGRAM IN HANCOCK

Kentucky 31 fescue is creating much interest in Hancock county, says Charles L. Hoff, county agent for the University of Kentucky.

"No other pasture grass has done nearly so well," he said. "Some fields of fescue and ladino clover have carried up to three yearlings and older cattle."

Goff said that farmers who have had a well-planned pasture program for three years have more grass than they can use while other farmers are short of pasture. Most of the new pastures contain fescue and ladino clover.

In Spencer county, six bulldozers have worked all spring in reclaiming land in bushes and unproductive timber.

Rural Life Sunday was observed in all churches in Bath county, 4-H club members having an important part in the services.

Social Security Notes

Many people who are expecting to apply for Social Security retirement insurance payments spend money unnecessarily for delayed birth certificates, according to Jos. T. Ware, manager of the Covington office of the Social Security Administration. The Social Security office would prefer to see the evidence on which these delayed birth certificates are based, and will almost always ask to see it even if a certificate is produced as proof of age.

In many cases, the government has records which make it necessary for a retiring worker to prove his age. Occasionally one is asked for proofs, and wives, widows, and dependent parents must almost always do so. The best proofs are, of course, certificates of births recorded in infancy, or certificates of infant baptisms. But if these cannot be obtained, many other proofs are acceptable. Among the best are old insurance policies showing the date of birth, family bible records made a long time ago, employment records, passports, school records, Confirmation certificates showing the dates of birth, and the statements of near relatives. Ware said that the family record should never be torn or cut out of the Bible, and that its value as evidence is destroyed if any attempt is made to change a date. He also said that statements of relatives must be made on forms prepared by the Social Security Administration, and these should be requested and used instead of having an affidavit drawn up and sworn to before a notary.

When a photostatic copy of a proof is submitted, the original must also be furnished for examination by an employee of the Social Security Administration. For further information concerning proofs of age or anything else pertaining to retirement or survivors Social Security insurance payments, visit, write, or telephone the Social Security Administration, 19 Post Office Bldg., 7th and Scott Sts., Covington. The telephone is Hemlock 5274.

CIVIL SERVICE EXAM

A new civil service examination has been announced for Professional Nurses for filling positions paying from \$3,410 to \$5,940 a year, in the Nursing Department of the Clinical Center, National Institutes of Health of the U. S. Public Health Service, at Bethesda, Maryland.

The Clinical Center, a 500-bed research hospital is one of the largest institutions of its kind in the world. Major research will be conducted in the areas of cancer, cardiovascular diseases, psychiatry, arthritis, and metabolic diseases, infectious and tropical diseases, neurology and blindness, and dental diseases. The Nursing Department is responsible for planning and coordinating the program and operations of nursing service in the center.

To qualify for these positions, applicants must have completed a nursing course in an approved school of nursing and be currently registered as graduate professional nurses in a state or territory or in the District of Columbia. Applicants for positions paying \$4,205 a year and above must also show either additional education or appropriate experience.

Applications will be accepted until further notice and must be filed with the Board of Civil Service Examiners, National Institutes of Health, Bethesda 14, Maryland. Full information and application forms may be obtained from the local secretary located at Florence, Ky. post-office or from the U. S. Civil Service Commission, Washington 25, D. C.

SPECIALIST ADVISES ON SUMMER COTTONS

Summer fabrics have never been lovelier than those which are available this year in both yard goods and ready-to-wear, notes Miss Dorothy Threlkeld, specialist in clothing at the University of Kentucky. However, if the original finish on many of them is to be retained, care must be taken in washing, Miss Threlkeld warns. Directions on the label should be carefully followed.

The populator cottons with an embossed or raised design should be hand-washed in warm water, then drip-dried. Wringing or twisting make many wrinkles that won't come out. If pressing is necessary, use a warm iron when the fabric is thoroughly dry, then press lightly on the wrong side with a lifting motion, rather than back and forth. Once removed the embossed design cannot be replaced.

Farmers in Franklin county ordered 20,000 strawberry plants in March, about equally divided between Blakemore and Tennessee Beauty varieties.

STATE EXAMS SCHEDULED

Frankfort, Ky., June 4—Robert L. Veazey, State Merit System Supervisor, today announced that examinations for the positions of Interviewer Examiner I and II will be held throughout the State during the month of June. The purpose of these tests is to establish lists of eligible persons from which vacancies will be filled as they occur within the next two years.

Tests are scheduled to be held on Saturday, June 20, at 8:30 a. m. in the following places: Room 321, Capitol Annex Building, Frankfort; Holmes High School, Covington; State Employment Service Office, 177 North Upper Street, Lexington; State Employment Service Office, Masonic Building, Winchester; Morehead High School, and State Employment Service Office, 209 Sutton Street, Maysville.

Starting pay for Interviewer Examiner I is \$210 per month and \$240 for Interviewer Examiner II. The positions are located in the local offices of the State Employment Service.

Applicants must be high school graduates and have either two years college or two years acceptable experience for the lower position and three years college or three years acceptable experience for the higher position.

Honorably discharged veterans will receive 5 points preference and those receiving disability compensation will receive 10 points preference.

Applications may be obtained from your local employment office or by writing Mr. Veazey, Capitol Annex Building, Frankfort. In addition to the above, interested persons may obtain the application form at the examination center on the day of the test.

HOMEMAKERS SHOW 67 HOMEMADE RUGS

Sixty-seven handmade, braided wool rugs, described by Mrs. Myra Button, UK home furnishings specialist as being of "heirloom quality," were displayed in a rug show in the Owenston High School gymnasium. Made by homemakers of Owen county in a rug project of the past year, they showed smooth, even braids one inch or less in width, and with well-blended colors. The braids were locklaced together with heavy nylon thread.

The project was carried on under the guidance of Miss Hazel Jo Smith, county home agent, and Mrs. C. L. Forsee, county home furnishings leaders.

Reports from several counties state that aphids have caused serious damage this spring to cover crops and alfalfa.

MORE PRODUCTION IN GREEN COUNTY

"A factory on each of Green county's 2,000 farms" was the topic of a dinner-meeting of the Greensburg Chamber of Commerce, arranged to discuss ways and means to promote farm activities.

Presenting an outline of the possibilities in increasing farm production, UK County Agent John H. Ewing, Jr., said the income from tobacco in the county had increased from \$300,000 in 1934 to \$3,090,736 in 1952. He thought it might be boosted to \$6,000,000 a year.

John Schumaker of the Carnation company said that 450 Green county farmers would be receiving \$50,000 a week from milk, at the peak of this season.

The Chappel Dairies and the Armour company are helping to boost milk and poultry production in Green county. Larger laying flocks and greater broiler production are evident throughout the county, it was stated.

PICNIC FOODS NEED RIGHT TEMPERATURE

Attention is called by Miss Florence Imlay, UK food specialist, to the importance of keeping picnic foods thoroughly chilled or very hot, never in between. Soft protein foods are especially subject to rapid and dangerous spoilage, and yet

show no signs of spoilage in appearance, taste or odor.

Among such foods are stuffed eggs or egg salads, all cooked meats, poultry and fish, soft custards, cream filled pastries or cakes and cooked salad dressing. Although such foods have been cooked, they are thought to be responsible for cases of food poisoning which have been reported this year according to bacteriologists at the U. S. Department of Agriculture.

CITIZENSHIP PROGRAM FOR JEFFERSON WOMEN

Eighteen homemakers clubs in Jefferson county reported a wide variety of citizenship activities the past month, said Mrs. Ruth Harrahson, UK home demonstration agent.

Included were: \$50 contributed to the Bookmobile and \$25 to the Jeffersonstown Area Recreation Center, about 250 garments made and given to the Children's Center and 33 to the Sunshine Lodge, baskets of fruit delivered to shut-ins and cakes baked for St. Joseph's Orphanage, 36 special baskets given to the Old Folks Home at Shively and birthday gifts and cakes to Boys' Estate, a party planned for the residents of the Old Folks Home, and sewing done for patients at the Veterans' and Children's Hospitals.

How to make and keep good hay...

First... cut your hay crop at the right stage of growth... when it's leafy, green in color, fine-stemmed and high in protein.

You can get the job done fast... ahead of weather—with an Allis-Chalmers No. 5 Mower. It's side-mounted, with hydraulic lift and double V-belt drive.

Second... bale your hay as quickly as windrows cure, with your own ROTO-BALER. It saves the leaves and big capacity turns out fast tonnage. One-man operation saves labor.

Third... store your ROLLED bales as time permits. Why ROLLED bales? Leaf loss is reduced to a minimum... stem and leaves are rolled in with smooth roll-up compression. ROLLED bales resist moisture and rain and are the only bales that give "thatched-roof" protection. Twine wrapped, they will not buckle or come apart, and are easy to handle... easy to feed... easy to stack... easy to ship. Make highest quality hay at lowest cost with your own equipment. See us about the ROTO-BALER and other haying machinery built by Allis-Chalmers.

BERRIES FOR LETCHER

The production of strawberries on a commercial basis has been launched in Letcher county, in a program directed by UK County Agent Robt. H. Fike. Several farmers have set patches of four or more acres. Late freezes injured the Blakemore variety as much as 50 percent, in some instances, while the Tennessee Beauty escaped with less than 5 percent damage.

FERTILIZER HELPS COVER CROP GROWTH

Charles Combs of Madison county put 1,000 pounds of 5-10-5 fertilizer on wheat and vetch the first week in March. Thirty days later, UK County Agent J. L. Miller said the vetch was twice as big and the wheat 25 percent bigger than on part of the field left untreated. "This meant," said Miller, "that Combs would be able to break the land for tobacco a week to 10 days earlier than had no fertilizer been applied just ahead of the plow. Waiting for vetch to get the proper size is the farmers' chief objection to this combination cover crop."

SPRAYING CROPS MAY KILL STOCK

A statement issued at the University of Kentucky urges caution in spraying crops on which livestock is running. The warning followed a notice that airplanes were being used to combat worms on fescue, wheat, barley, rye and oats.

The statement said: "Farmers and exterminators should heed the warning of manufacturers that animals have been poisoned by applications of toxaphene to livestock feed, including pasture grass. Livestock should be kept off fields for at least two weeks after spraying."

FARMERS SEE NEED FOR BETTER PASTURE

Due to last year's feed shortage, farmers in Harrison county made record seedings of alfalfa this spring. UK County Agent Robert Wigginton also reported wide interest in growing sudan grass as insurance against drought damage to summer pasture. Still other farmers are renovating old pastures, with many increasing acreages of permanent pastures. Wigginton is waging a county-wide program in the interests of more and better grasses and hay crops.

WHAT'S UNDER THE HOOD OR BEHIND A NAME

Most people can't see under the hood of a car, as to the condition of a used car, but they can tell what lies behind a dealer name.

As cars become more complicated, used car buyers can't place reliance upon guess and by golly of the condition of the car from physical appearance, so they MUST place TRUST in their dealer.

For a fair, honest and reliable deal from a new car dealer—SEE these for good, economical unusual transportation:

1948 Ford Convertible \$895

New motor just installed in our shop, good top, practically new white side-walls; radio and heater.

1949 Chevrolet Deluxe 5-Pass. Coupe \$1045

**GIVE SUMMER HEAT
THE COLD SHOULDER**
...right in your own home!

AIR CONDITION with WINDOW VENTILATING FANS or ROOM AIR CONDITIONERS ... and begin to fix, not just exist, through the hot summer months.

More families stay home all summer, even on vacations, than are able to get away to cooler climates. Well, then, shouldn't the natural reaction be to want cool comfort inside the home, for pleasant, summer-long living?

And the operating cost is so small for these air cooling appliances, with your low electric rates. For example, an average size window ventilating fan will operate eight full hours for less than two cents worth of electricity! Imagine, a full night's good rest in a comfortably cooled room, for less than two cents worth of electricity!

EARLY HISTORY OF BOONE COUNTY

By A. M. Yealey

Mr. Matson of North Bend knew Rev. John Tanner of Petersburg very well. He says Rev. Tanner was the first clergyman he ever heard preach at North Bend and for some time the only one. He says Tanner owned all the land where Petersburg is now built and furthermore that Tanner Creek just above Aurora, Ind., was named by Mr. Hogan, a son-in-law of Rev. Tanner's. He further says that in May, 1790, John Tanner, the young, est boy was 9 years old and went into the woods gathering walnuts, which had been lying over from the previous fall under the leaves. He was captured by a party of Indians and carried north to the Indian village of St. Marys and later to the headwaters of the Mississippi River.

In 1791 the same Indians that captured John came prowling around Tanner's settlement and took Edward Tanner, age 15 years, a brother of John, and after two days travel through the wilderness Edward was seemingly very well contented. The Indians relaxed their watchfulness and Edward slipped away but lost his hat which was made of wool and the Indians carried it with them to their home and it was recognized by John, his brother.

In 1798 Rev. Tanner sold his belongings and went to New Madrid, Missouri where he married an Indian woman, his third wife, and became the father of six children by her. Nothing was known of John for many years although Edward

traveled and attended many peace conferences with the Indians he was unable to locate him.

In 1817 John began to think of his folk at Tanners Station and expecting to receive a share in the family property, he went to Detroit and had a conference with Governor Cass and said he had been an Indian captive and taken by the Indians at the mouth of the Big Miami in 1790 and gave his name as Taylor as near as he could articulate it. Cass immediately, thru the press, called a meeting to be held at St. Marys, Ohio. He said that the captive would be present hoping in this way John could get a trace of his parents. A young man by the name of Merritt, who lived where Rising Sun is now located and a nephew by marriage, read the notice and believing that the person mentioned in the notice was his long lost uncle, hastened to St. Mary and found it to be the fact. They then came down the Miami to its mouth and found that the Tanners had gone to New Madrid, Missouri. They went to New Madrid then and while there they found that Edward was out on one of his excursions hunting for his brother, John.

John then returned to Salt St. Marie and had a quarrel with an Indian and was badly shot. He finally recovered and later was employed by the United States authorities as interpreter among the Indians at Salt St. Marie.

Powell Rakestraw of Webster county has used the improved pasture program for the past four years, the farm producing all the feed for his cattle.

Mrs. John Martin presided over the business meeting.

BANKERS HEAR PLANS TO ENCOURAGE YOUTH TO REMAIN ON FARM

How more young men could be encouraged to stay on the farm was discussed at an agricultural credit conference held through the cooperation of the Kentucky Bankers Association and the University of Kentucky College of Agriculture and Home Economics.

Young men are leaving farms at an increasingly rapid rate, it was said. As a result, populations of rural counties have decreased, in some instances more than 10 percent in 10 years. In some regions four-fifths of the people on farms now are more than 35 years old. With a rapidly increasing population, economists speaking at the credit conference expressed concern about food supplies being insufficient within a relatively short time.

The outlay of considerable money now is required to start farming, even as a tenant, bankers and other credit agents were told. Land and equipment are high in price. In every community, it was pointed out, there are worthy young men who would gladly stay on the farm, if they had half a chance. But they need financial assistance if they are to do a good job on the farm, produce good crops, raise good livestock and build and preserve the soil.

Father-and-son farming arrangements were discussed. In a good many instances agreements have been worked out for a son to join with his father in operating the home farm. Then, as the parents get old and want to retire, the son continues to farm, to the benefit and satisfaction of both parents and son.

Ray O. Edwards To Address DAR Meeting

Ray O. Edwards, of Florida, President General of the Sons of the American Revolution will be the guest speaker at the June meeting of the Boone County Chapter, Daughters of the American Revolution on Friday, June 12 at a luncheon at the Swan Restaurant, Erlanger, with Mrs. Roy C. Nestor, hostess Regent, presiding. State officers of the DAR will be guests of the chapter.

An invitation is extended to all SAR and DAR members in the district to attend. Reservations may be had by contacting Mrs. Davis Gaines, Hebron, Ky., phone Hebron 2231.

The National SAR Congress opens June 14 at the Netherland Plaza with Mr. Edwards, President General as presiding officer. While here Mr. Edwards will visit his sister, Mrs. Garnet Tolin, of Burlington, who is Parliamentarian of the Boone County Chapter DAR.

CONSTANCE HOME MAKERS

A picnic luncheon and final meeting of the Constance Homemakers was held Wednesday on the lawn under the large shade trees overlooking the Ohio River at the home of Mrs. Wm. Frost on Lower River Road.

President Mrs. Joe Domaschko presided over the meeting with standing committees giving a fine report of the year.

Mrs. James Kottmyer and Mrs. Leroy Reeves were appointed leaders for "Care of the Sick," the new project for the September meeting. Mrs. Joe Domaschko will be the September hostess.

The first lesson on aluminum trays was given by Mrs. Elmer Peeno and Mrs. Joe Domaschko. The second lesson will be Wednesday, June 24 at 1:00 at Mrs. Oliver Kottmyer's.

Florence Ministers Urge Cooperation Of Community

In Visit of Bloodmobile Monday, July 13; 100 Pints Is Goal.

The ministers of Florence issued a plea to residents of the community this week to assist in the visit of the Bloodmobile to Florence Monday, July 13th. Ministers making the plea are Rev. R. A. Johnson, Rev. Willard C. Butt, Rev. R. C. White and Rev. C. N. Ogg.

In making their plea to the citizens of their community the pastors point out the following facts:

"There are many ways in which we can serve our country, our fellowman, our God and to show our public spirit in every possible way. On July 13th the people of Florence community will be given an opportunity to render a great service to our boys in the armed forces. On this day the Bloodmobile will be here and you will have the opportunity to give a pint of your blood that some boy or girl, wounded on the battle field may have a chance to live and return home. Does this not appeal to you? Just think, you who enjoy good health, can, from your blood stream, give the strength which can bring some wounded soldier back to his home and loved ones."

"One hundred pints of blood are needed to fill our quota. This means that we should have at least 150 persons registered, as probably one-third of those registered will be rejected. Surely this is a small challenge when we place it beside the sacrifice made by our boys and girls who are standing between the enemy and our homes, and saying 'You shall not pass.' They are fighting our battle and we should join them in every way we can that a glorious victory may be won."

"As ministers of the churches serving this community, we wish to urge everyone to think it over, and then get in touch with Mrs. Wm. Miller, phone Walton 599 or Mrs. Roger McGuire, phone Florence 501, and tell them that you are ready to do your part in this worthy cause."

"If we fail to meet our quota, we should hang our heads in shame. We feel that this is an opportunity for the people of a great community to show our loyalty and to say, 'we stand together with our men and women in service and will not let them down in this great cause.'"

Blood is very essential in fighting polio, a disease which is prevalent during the summer months, and which has struck in many areas of our nation. Your blood may help some boy or girl to walk again."

Dr. Sam Hill Sr., of Georgetown College, will conduct the services at Burlington Baptist Church Sunday in the absence of Sam S. Hill, Jr., who is spending this week in Salem, Virginia, conducting revival services.

July 1 Deadline For Obtaining Occupational License

Penalties Will Be Assessed After July 1, Says County Clerk.

Occupational licenses must be renewed by July 1, for the year 1953-54 and are now on sale at the County Clerk's office, C. D. Benson announced this week.

Businesses required to purchase occupational licenses are as follows: Each restaurant serving hot food or hot drinks, or both, to the general public. Fee, \$10.

Each retail outlet selling soft drinks or ice cream, \$5 for each product.

Each billiard or pool table or bowling alley, irrespective of size, where a fee is charged and collected directly or indirectly, \$30 for the first table or alley, plus \$5 for each additional table or alley.

Each retail outlet for tobacco products, \$10.

Wholesale cigarette outlets, \$25. Theaters, 20¢ a seat ("Theater" means an building in which moving pictures, vaudeville, musical entertainment or plays are regularly given. Open-air or drive-in theaters are to be considered theaters). Each parking space for a motor vehicle is equivalent to two seats in calculating the fee for open-air or drive-in theaters.

Persons failing to obtain occupational licenses by the above date will be subject to penalties, Mr. Benson stated.

Herbert Cress Winner Of Lions Club Tractor Sales Contest For Area

Herbert Cress, employee of the Calvin Cress & Son International Harvester Co., Burlington, took top honors in the recent tractor campaign sponsored by the Louisville Lions Club for the states of Ohio, Indiana and Kentucky.

Mr. Cress sold 32 tractors during the campaign which opened March 1st and closed May 30th. He was awarded an all-expense 4-day trip by plane to Jacksonville, Fla., where he enjoyed deep sea fishing, and visited many interesting points. He left the Greater Cincinnati Airport Thursday morning and returned home Sunday evening.

The company for which Mr. Cress works was awarded a gold tractor in recognition of its efforts in the campaign.

Boone County Boy Receives Degree From Massachusetts Institute of Technology

Among the nine hundred students receiving degrees from Massachusetts Institute of Technology on June 12, 1953 was A. W. Edwards, son of Mr. and Mrs. O. T. Edwards, of Burlington R. 1. Mr. Edwards received a Masters degree in Industrial Management after completing a year course of study as one of eighteen young executives on the Sloan Executive Development Program.

The Executive Development Program of the Massachusetts Institute of Technology is directed to the needs of unusually capable young industrial executives with some years of successful practical experience in special phases of their company's activities. In the Mr. Edwards' case the Westinghouse Corporation sponsored his attendance and he will return to a position in that company.

Men, who are chosen for the program as a result of a nationwide competition, are those members of various companies, moving toward higher levels of responsibility who would benefit from a broader understanding of overall industrial activity and of the related management problems.

The men are expected, as a result of the program, to make greater contributions to their own industries and to the broader American industrial society in which they live and work.

The qualities on which the fellowships are awarded are:

1. Substantial record of accomplishment in the candidate's own field.

2. Evidence of effective performance in management components of past and present assignments.

3. Personal qualities appropriate to high level management responsibilities.

4. Evidence of his recognition of responsibility to his associates, to the enterprise, and to the broader community of which he is a part.

5. Evidence of intellectual vigor and capacity.

6. Assurance that he will have opportunity to progress into constructive leadership within his company.

The course of study includes subjects which are intended to develop ability to deal with operational problems of management, economics and governmental relations bearing on management problems, and the broader social and political relationships. These include Corporate Financial Policy, Group Relations, Labor Relations, Administrative Policy Making, Accounting, Control, Marketing of Industrial Products and allied subjects.

The program provides an unusual opportunity for the men to meet with business leaders and with representatives of government and labor organizations. At approximately weekly intervals, distinguished individuals are brought to the institute in a series of dinner meetings and discussion that supplement the regular classes seminars.

The fellows, as a group, spend about two weeks in plant visits that provide a first hand view of the operations and problems of a variety of industries. In each of these visits, tour of plant operations are supplemented by discussion with management of problems of particular concern to each industry. A third week is spent in New York City, where fellows meet with a substantial number of top business leaders.

A week in Washington, D. C. provides the Sloan men with an opportunity to gain some first hand familiarity with the points of view of government agency heads and policy makers. For instance this year's group had extended discussions with several Senators and representatives, A Supreme Court Justice, a legislative policy committee head, administrative assistants to the President, senior people in the Departments of State, Commerce, Treasury, Labor and Justice Department. Also visited were the Federal Trade Commission, National Labor Relations Board, Social Security Administration, Bureau of the Budget, Council of Economic Advisors and the Federal Reserve Board.

Mr. Edwards graduate from Hebron Consolidated High School and from the College of Engineering, University of Kentucky in 1942. Since that time he has been in the employ of Westinghouse in Pittsburgh and has held various positions in the engineering department. He now holds the position of engineering section manager.

An interesting note on the Sloan Fellowship program is that the 1953 recipient chosen from more than 100,000 employees of Westinghouse is Mr. C. R. Marcum of Richmond, Ky., also a University of Kentucky graduate and a classmate of Mr. Edwards.

C. L. Cropper Seeks Re-Election As County Judge

Has Served Boone County For Past Eleven Years; Laws Will Be Enforced.

Judge C. L. Cropper announces his candidacy for re-election as Boone County Judge, subject to the Democratic primary election on August 1.

Judge Cropper has served as Boone County Judge since September 10, 1942 and in making his announcement, he said: "During the past eleven years I have tried to serve the people of this county to the best of my ability and if re-elected, shall continue the same policy."

"Boone County has a splendid reputation as a well governed county and with the continued cooperation and help from the citizens, we will continue good clean government."

"Boone County is one of the fastest growing sections of Kentucky, requiring added services and improvements. I have worked for all improvements that will benefit the people and bring about better living conditions in Boone County and shall continue this work if re-elected."

"The confidence and support given to me by the citizens of this county is deeply appreciated and I very humbly request your continued help and influence."

Films Will Be Shown Of Interesting Historical Spots Throughout South

The members of Boone County Historical Society will again have an opportunity to travel to historic shrines and interesting spots throughout the South. Mr. and Mrs. Al Becker have made several trips during the past year and have recorded their experiences on film. Mr. Becker will show these films at a meeting of the society on Friday, June 19, at 8:00 p. m. at the Florence Town Hall. Anyone interested is invited to attend.

Big Bone Baptist Vacation Bible School Opens Monday, June 22

The Big Bone Baptist Church will hold its Vacation Bible School beginning Monday, June 22 and continuing through June 27th. It was announced this week by J. R. McClure, pastor. The school will open at 9 a. m. and close at 12 noon.

Transportation will be furnished by bus and cars for children through the church field. All children are cordially invited to attend.

Bill McBe, Sonny Ockerman and John Cropper returned Sunday from a trip to California.

PUBLIC ADDRESS SYSTEM TO BE USED IN SERVICES

A new High Fidelity public address system has been purchased for use in the open air services which are to be conducted by Rev. C. W. Gant, at Rabbit Hash, beginning Friday, June 19 at 8:00 p. m.

A number of beautiful records featuring instrumental and voice have been purchased to furnish music in addition to that furnished by local talent. The subject of the first sermon will be based upon the 55th Chapter of Isaiah.

These services are interdenominational. Everyone invited.

HOMEMAKERS BUY TREES AND SHRUBS

The Association of Homemakers Clubs in Harrison county has contributed more than \$85 in the past three years for trees and shrubs planted on the grounds of the Harrison County High School, and for their summer care. Eventually the trees will be identified with markers, giving their names and those of the donors, said Miss Elizabeth Donnell, home agent for the University of Kentucky.

BURLINGTON ROAD HOMEMAKER NOTES

A picnic was enjoyed by Burlington Road Homemakers at the lovely home of Mrs. Richard Ammon. Dinner was spread on a table under a big beech tree, and in the afternoon all gathered around the table and worked on weaving baskets.

Mrs. Kyle and Mrs. Muff were leaders in the weaving, assisted by Mrs. Markesbery, of Gunpowder Club.

New officers were elected for the next season: Mrs. Muff, president; Mrs. Paul Ammon, vice president, and Mrs. Richard Ammon, secretary and treasurer.

In the evening of July 9th Mrs. Becker is entertaining the club to a picnic supper.

Mrs. Whaley read the Scripture and Mrs. Northcutt gave a reading, "Estimation."

Answering roll call to "a household I have tried," were Mesdames Arthur, Robert, Richard and Paul Ammon, Al Becker, Joe Dringeburg, Louisa Edgington, Scott Jones, John Kyle, Leo Lawson, Leonard Meece, Lester Muff, Joe Northcutt, Charles Riehemann, Charles Riecer, George Schombach, A. B. Smott, Harry Whaley, Russell Wilmhoff, and a guest, Mrs. Bert Markesbery.

what Short-Stroke

Design means to you

In the early 1930's, Allis-Chalmers pioneered the short-stroke engine in the Model WC Tractor.

Since then, this basic improvement has been widely acclaimed in many type engines, including the latest cars and trucks. You get short-stroke design at its best — based on years of experience — in a new Allis-Chalmers WD or CA Tractor.

In the 2-plov Model CA, for example, you get maximum performance plus long engine life. The short-stroke design reduces piston travel to only 962 feet per minute, compared to 1200 feet or more on many other tractors.

Low piston travel in the CA means less friction, less wear, and continuous trouble-free service. For low first cost and long life . . . for more features than on any other tractor in its power class . . . get an Allis-Chalmers Model CA.

We'll be glad to demonstrate.

SPRAYING CONTROLS TOMATO DISEASES

Spraying tomatoes with copper fungicides or organic compounds will prevent leaf blight and fruit rot, according to the UK College of Agriculture and Home Economics.

Since spraying is a preventive measure and not a cure, tomato growers should not wait until disease symptoms appear. Ordinarily tomatoes should be sprayed about 30 days after the first blooms appear, and then every seven to 10 days. More frequent spraying may be needed in wet weather.

Sprays are considered more effective than dusts, because they stick to the plant better, but if the plants are wet, dusts may be used to advantage.

WHAT'S UNDER THE HOOD OR BEHIND A NAME

Most people can't see under the hood of a car, as to the condition of a used car, but they can tell what lies behind a dealer name.

As cars become more complicated, used car buyers can't place reliance upon guess and by golly of the condition of the car from physical appearance, so they MUST place TRUST in their dealer.

For a fair, honest and reliable deal from a new car dealer—SEE these for good, economical unusual transportation:

Rev. C. N. Ogg and family are at home following a pleasant vacation the past week with friends at Pennington Gap, Va. Congratulations and best wishes to Mr. and Mrs. Robt. Idol, who

were united in marriage Saturday evening at the local Baptist Church by Rev. Roy Johnson. Following a reception in the dining room of the church, the happy couple departed for a bridal trip of undisclosed destination. The bride is the former Doris June Taylor, daughter of Mrs. Emma Taylor of Shelby St.,

and Mr. Idol is the son of Mrs. Viola Idol of Dixie Highway. Mr. and Mrs. John Brewsaugh are proud parents of a little son, born recently. Mr. and Mrs. R. E. Benson, of Dayton, Ohio, her sister, Mrs. Marie Kinman and father John Brown have concluded a pleasant vacation

spent at Planet Court and Wolf Creek dam where the party enjoyed sporting with the finny tribe, of which they landed 120.

Blayne Miller and H. B. Simpson were week-end guests of Mr. and Mrs. Geo. Miller.

The Christian Adventure Camp for youth will be held at Bethel, Visalia, Ky., June 22 to 28th. Rev. C. N. Ogg is teaching a class there in Christian Living.

Floyd Roberts of Mt. Zion Road, was transacting business in Owensboro, Ky., and Indianapolis, Ind., Monday and Tuesday.

Felicitations are extended Thomas Doyle and bride, the former Jo Ann Burke for whom the marriage ceremony was performed Saturday evening at the local Methodist

Church by Rev. C. N. Ogg. Following the ceremony a reception was held at the Hotel Gibson, Cincinnati for the bridal party.

Mrs. Pauline Worthington and sons Johnny and Tommy, of Louisville, were guests of her sister, Mrs. John E. Rouse and other relatives the past week.

The Woman's Society of Christian Service will have charge of the morning service at the local Methodist Church Sunday, June 21. The speaker will be Mrs. C. C. Long.

Miss Rita Wisenbach, R. N., of Covington, was a guest of Miss Elizabeth Rouse, Tuesday night of last week and with Miss Rouse and mother attended the monthly club meeting at St. Paul Church. Miss Wisenbach is maternity supervisor at St. Elizabeth Hospital.

Mrs. Lida Scott, 79, who made her home with her son at 1106 Park Drive, Park Hills, succumbed Thursday at Booth Hospital, Covington. She leaves her son Maurice Graham superintendent of Cincinnati office of the Kentucky Central Life and Accident Insurance Co. Mrs. Scott was a member of the Christian Church and services were from the McClure funeral home Sunday at 2:00 p. m. at Flemingsburg, Ky. Burial was in the cemetery there. Sympathy is extended Mr. Graham in his loss.

BOONE COUNTY GARDEN CLUB MEETING HELD

One of the most interesting meetings of the Boone County Garden Club was held Tuesday afternoon. The Recorder is authorized to announce R. E. BRUGH as a candidate for Coroner of Boone County, subject to action of the Democratic primary Saturday, Aug. 1, 1953.

June 9 at the home of Mrs. Clinton Blankenbaker. Highlights of the meeting were rose arrangements brought by the members. Eighteen named varieties and other roses were admired and discussed. A talk on pest control was given by Mrs. Thos. Hensley. Mrs. Wm. Wessler's talk on care of cut flowers was so very fine the club voted to have copies made for each member. Committees were appointed for

the flower show to be held later. The annual convention of the State Garden Club will be held Sept. 24, 25, and 26th at Cumberland Falls. Co-hostesses Mrs. Robt. Carter, Mrs. Fannie Scott, Mrs. Frances Berkshire, Miss Jane Scott helped serve a most inviting lunch which was enjoyed by every one. Members attending were Mesdames Roy Lutes, Wm. Wessler, Paul Chaney, Ralph Stith, Harold Conner, Frances Dempsey, Sam Denham, Sr., Wm. Fitzgerald, R. C. Garrison, Chas. Goodridge, Thomas Hensley, H. V. Leonard, Grant Maddox, Wm. Oliver, Stanley Ransom, L. D. Rennecker, Fannie Scott, B. W. Taylor, J. J. Jacobsen, R. H. Carter, F. C. Crume, Clinton Blankenbaker and Ruby Hollis. Others present included Miss Jane Scott, Mrs. Frances Berkshire, Mrs.

Ruth C. Baker, Mrs. Melvin Moore, Joe Clinton Berkshire and our host, Clinton Blankenbaker. The next meeting, July 14, will be picnic dinner at Dam 38. Cars leave Florence Drug Store at 11:00 a. m.

Mrs. L. L. McGregor of Hopkins county is in the second year of a five-year landscaping plan.

Capt. Edward Maurer, Famed Riverman, Dies

Heart Attack Claims Former Boone County Man in Louisville.

Capt. Edward Maurer, 75, long known to rivermen up and down the Ohio and other streams, died of a heart attack Wednesday night of last week at his home, 4618 Westchester, Louisville, Ky.

His active river interests spanned the period from 1899, when he became a steamboat pilot, to 1947, the year he retired as a Coast Guard commander and captain of the Port of Louisville.

Death came while his son, Dr. Joseph E. Maurer, 2121 Maryland, Louisville, was with him. The physician was called when his father was stricken a short time earlier.

Born beside the Ohio River in the little Boone County, Ky., town of Bellevue, he was lured to the river in his teens as a "volunteer" helper on small packets. At 21 he became a pilot.

In 1917, when most of the old romantic packet boats were gone, he went with the Bureau of Marine Inspection and Navigation as a hull inspector at Pittsburgh, and was transferred to the bureau's Louisville office in 1922.

Coast Guard Commander The veteran riverman was later advanced to the post of assistant supervising inspector for the Louisville and Cincinnati area. In 1942, when the marine bureau was merged with the Coast Guard, he became an officer in that service and was a commander when retired in 1947.

After retirement, he kept up his interest in river life. He filled in at times as a pilot on modern towboats and was in demand as a speaker on river lore at meetings of civic organizations.

He was the first president of the Propeller Club of Louisville and a former vice-president of its national organization.

Captain Maurer was a "riverman's riverman." He was slow of speech and manner, not easily ruffled in emergency, and had dark, piercing eyes.

He had a host of stories about the days on the rivers when passenger service was a vital transportation link and the big sidewheeler was "queen of the waters."

He was a 32d degree Mason, a member of Burlington Lodge No. 264 F. & A. M., and member of Parkland Baptist Church. He was an ardent supporter of the Louisville Orphan's Home.

Mr. Maurer is survived by one son, Joseph E. Maurer; one daughter, Mrs. Robert T. Lively; a sister, Mrs. Clara Smith, Burlington and two grandsons.

Group Named To Draft Outline Of Education Program

Program For State Of Kentucky; August 10 Deadline For Report.

A group was named last week to draft an outline of a foundation education program for Kentucky public schools.

The five-man group is a subcommittee of the State Advisory Committee on Education, which authorized its creation.

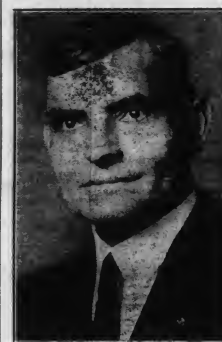

The subcommittee, composed of three educators, a business man and a farmer, will submit its draft program to the full committee for approval, rejection or modification.

The full committee set a deadline of August 10 for completion of its final report incorporating recommendations to be made to the 1954 legislature.

Wendell P. Butler, state superintendent of public instruction and chairman of the Advisory Committee, named the five-man work group which he heads.

Other members of the subcommittee are Dr. Lyman Ginger, Lexington, president of the Kentucky Education Association; H. Fred Wilkie, Indianapolis businessman, formerly of Louisville; Burt H. St. Clair, Falls of Rough, president of the Kentucky Farm Bureau Federation; and Dr. R. B. Atwood, president of Kentucky State College, Frankfort.

Local F. F. A. Boy Wins Award In State Meet

First Place Award Goes To George Toadvine Of Petersburg.

All of Boone County should be justly proud of George Toadvine, of Petersburg for winning first place in the Impromptu Speaking Contest held in connection with the annual State F. F. A. Convention at the Kentucky Hotel in Louisville.

George, the retiring president of Hebron Chapter F. F. A., nosed out 20 contestants at the district meeting held at Harrison County High School, Cynthiana, Ky., to take first place in the Northern Kentucky District of the Future Farmers of America.

George went on to the State Convention where he competed with the 9 district winners for the top State honors, winning hands down.

George's topic was "A Good Efficient Dairy Ration." His speech was organized with these things to consider:

1. Pasture, grass and legumes.
2. Concentrates, home grown except for protein.
3. Roughages, home grown.
4. Minerals.
5. Water.

George emphasized the importance of pasture grasses and legumes and legume hay in an efficient dairy ration.

Frank Joseph, a sophomore at Hebron, won fifth place in the Hog Achievement contest. Frank was the Northern Kentucky District winner in hogs.

Brady-McCartney

With impressive dignity and beauty the marriage of Miss Odella Mae Brady, only daughter of Mr. and Mrs. Hubert Brady, of Petersburg, Ky., and Mr. William D. McCartney, son of Mr. and Mrs. James McCartney, of Aurora, Ind., was solemnized at the Petersburg Baptist Church at 2:30 Sunday afternoon June 14, 1953.

The church was beautifully decorated for the occasion with summer flowers and candlelight. Rev. Lester Ringham of Petersburg, officiated at the doubling ceremony.

Preceding the ceremony, Miss Marilyn Meyer, of Everton, Ind., cousin of the groom, sang "Because" and "Through the Years." Miss Nell Jo Helms, friends of the bride was the accompanist at the piano and played traditional processional and recessional wedding marches.

Jim Smith, nephew of the groom played "I Love You Truly," as a trumpet solo.

The bride entered the church on the arm of her father who gave her in marriage. She wore a floor-length gown, with white lace bodice and long sleeves, and a white net skirt over satin. Her fingertip veil was topped with a white satin tiana, trimmed with seed pearls.

She carried a white Bible, a gift of the groom, topped with red roses and streamers of white ribbons and red rosebuds, forming a beautiful cascade. Miss Marilyn Helms, close friend of the bride, was the maid of honor.

A floor-length gown of pastel green, fashioned with a lace bodice and net skirt over taffeta, and carried a colonial bouquet of yellow carnations.

The groom was brismaid. Her dress was the pastel yellow, styled along the lines of the maid of honor's dress and she carried a bouquet of green carnations.

The flower girls were Judy Murdoch, little friend of the bride and groom and Barbara Ann Gardner, niece of the groom. Both little girls wore floor-length dresses of pale lavender with net over-skirts and carried baskets of rose petals which was strewn before the bride.

Gene Brady, brother of the bride and Jeffrey McCartney, nephew of the groom were the ringbearers. They were dressed in dark trousers and white coats, identical to those worn by the best man and ushers and carried the rings on white satin pillows.

The bridegroom chose as his best man his brother Carroll McCartney. The ushers were Perry Smith, brother-in-law of the groom, and William Roberts friend of both the bride and groom.

Mrs. Brady chose a blue crepe dress with black accessories for her daughter's wedding. She wore a corsage of white rosebuds to complete the ensemble. Mrs. McCartney, mother of the groom, wore a beige linen and lace dress with navy blue accessories, and wore a corsage of pink rosebuds.

Following the ceremony a reception was held in the basement of

the Christian Church in Petersburg. The basement was decorated with paper streamers, contrasting to the colors of the dresses worn with large white paper bells. A beautiful 3-tiered cake, topped with a miniature bride and groom, centered the bride's table.

Misses Coney Scharg and Verna Webb, cousins of the groom, served at the reception.

The bride is a graduate of Hebron High School and is a member of Petersburg Chapter-Order of Eastern Star. The groom is a graduate of Aurora High School, and is now with the U. S. Navy.

On Thursday, June 18 the happy couple left for Norfolk, Va., where the groom will be stationed for the next few months. The couple were the recipients of many lovely and useful gifts.

John Paepflow To Speak At Bellevue Church Of Christ June 28th

The very first missionary speaker of the Bellevue Church of Christ, Grant, Ky., will speak there the last Sunday of this month. John Paepflow, forwarding agent of the Mediterranean Christian mission, will bring the morning message. He will remain for the evening service and show slides of the work being done in Italy that you might have a fuller knowledge of the mission story.

Besides doing the work for the mission, John Paepflow keeps himself busy as an elder in the Bellevue Church of Christ, Toledo, O., a Bible school teacher, and is called upon quite regularly to preach. Somehow he finds time for his regular job which is railroad engineering.

You won't want to miss hearing this man of God on Sunday, June 28, 1953. The public is cordially invited.

The festival will be held at the Florence Fire House from 5 to 12 p. m.

Fireworks Check Underway In State

Another victory against the delivery of unauthorized fireworks in Kentucky has been chalked up.

The American Railway Express Company has agreed with the State Fire Marshal's office to exact an affidavit from consignees of fireworks that the products are not to be used in violation of state law, which only recognizes supervised fireworks displays after permit has been granted by local authorities.

The ban, according to State Fire Marshal J. T. Underwood, Jr., is against the sale or unauthorized use of fireworks.

Substantial strides have been made since the anti-fireworks bill was passed in 1950, Underwood added, with the only major problem being that some "bootleg" fireworks are believed to be arriving by truck in some instances "but by and large most of the shippers are co-operating with us."

Fireworks may not be shipped by mail and by attacking the problem through other means of transportation we hope soon to be able to promote safer and less dangerous fireworks displays," Underwood said.

Rev. and Mrs. Bob Brown, of Latonia, spent Saturday night with his parents, Mr. and Mrs. Walter Brown. They left Sunday for Louisville, where Rev. Brown is conducting a revival meeting this week.

Florence Girl Injured In Tractor Accident Saturday

Condition Is Reported As Fair At St. Elizabeth Hospital.

Judith Ann Cook, 14, daughter of George Cook of Burlington, who makes her home with Walter Scott, Price Pike, Florence, was reported in "fair" condition at St. Elizabeth Hospital, after suffering injuries in a tractor accident Saturday.

The accident happened at Burlington Pike and Shelby Street, Florence. Judith Ann was standing on the axle of the tractor driven by Julius Scott, a relative, and lost her balance when Mr. Scott turned the corner.

It was reported the wheel of the tractor ran over her abdomen. She suffered multiple lacerations and possible internal injuries. She was removed to St. Elizabeth Hospital by the ambulance of Ralph Smith, Florence funeral directors.

Purdy-Scheffel

On June 19 at 7:30 p. m. Mr. and Mrs. O. W. Purdy, of Waterloo, gave their daughter Nellie Jo to be united in marriage to John Calvin Scheffel, Jr.

The double ring ceremony was performed by Dennis Mobley, minister of Grant Church of Christ.

The wedding took place in the Grant Church of Christ, which was beautifully decorated with white hydrangeas and white candles.

The bride wore a gown of white embroidered organza and nylon net. The yoke was of nylon net leading over the shoulder to large puff sleeves. The skirt was made of white embroidered organza. The neck, sleeves, yoke and waist were decorated with white handmade edging. A fingertip bridal veil hung from a small white hat. She carried a bouquet of pink and white carnations.

The maid of honor and bridesmaids were Lesta Purdy, sister of the bride, Mary Presser and Pearl Dick friends of the bride, wore dresses similar to that of the bride, excluding the large sleeves and edging. The colors were green, lilac and yellow. They were matching headbands of nylon net. The attendants carried nosegays of white carnations.

The small flower girl, Mary Connel, wore a white dress with small ribbons, matching the attendant's dress. She carried a small basket of daisies which she spread for the bride to walk on.

The best man and ushers wore blue suits with white ties. The attendants were: Best man, Eugene Purdy, brother of the bride; ushers were Dale Purdy, cousin of the bride, and Dennis Scheffel brother of the groom. The father of the bride and the groom wore blue suits and white ties.

The mother of the bride wore navy blue with an orchid corsage. The mother of the groom wore navy blue with pink carnations.

Music was furnished by Pauline Rouse, pianist and Sherry Holbrook, soloist.

A reception was held following the ceremony at the home of the bride.

For a going away suit, the bride chose a aqua linen dress.

Record Crowd Attend Verona Lake Ranch Entertainment Sunday

A record crowd, estimated at approximately 1,700 people gathered at Verona Lake Ranch, Verona, Ky., Sunday afternoon for an afternoon of outstanding entertainment.

Among the attractions of the afternoon was a hillbilly wedding in which Velma Freeze, of Springfield, Ohio and Estill Lee Scarborough, of Cincinnati, Ohio were united in marriage on the stage by Rev. Vaughn, of the Walton Christian Church.

Raymond Beach of Walton took top honors in the old fiddlers contest, with Cleve Jones, of Lexington being awarded second prize.

Charley Gore, well known WLW TV star will be the feature attraction at Verona Lake Ranch Sunday, June 28th, according to W. D. Scroggin, owner. Gore needs no introduction to entertainment seekers in this section, as he is well known through personal appearances and TV shows over WLW.

An amateur show will be another feature of the afternoon, Mr. Scroggin stated. Amateurs from all sections of the state are invited to participate.

Show time is 2:00 p. m., with the amateur program at 2:30.

Misses Billie Jo Brown, Florine Anderson, June Brown, Janice Kinman and Lorraine Lincke attended a Youth for Christ meeting at the Newport Baptist Church Saturday night.

New Proposed Lake Will Impound 128 Acres of Water

Lake Will Be Located On Crittenden-Verona Road.

The Department of Fish and Wildlife's program of dam-building got another boost a few days ago when the State Property and Building Commission approved five such projects. The official approval was given to projects in Grant, Jefferson and Trimble Counties and two for Scott County.

Approved was the Bullock Pen Creek project in Grant and Boone Counties which will impound 128 acres of water three miles from Crittenden on the Crittenden-Verona Road; the Pennsylvania Run dam in Jefferson County, eight miles from Lexington off Preston Road, which will impound 23 acres of water, and three small dams for streams, one on Little Kentucky River in Trimble County and two on Elkhorn Creek in Scott County.

Work on the Grant County project is expected to be started in July and is scheduled to be completed in the fall. The Jefferson project work will start as soon as all contracts are signed and engineering work is completed. Both these lakes will be stocked next spring by the Fisheries Division of the Department, if they fill with water during the winter, and should be fishable in 1955. The stream dams are a continuation of the low dam projects in smaller streams which were started a few years ago. These small dams, Minor Clarks, Assistant Commissioner and Director of the Fisheries Division, says have improved fishing in several streams, a notable example being the one on the South Fork of Licking River which was constructed two years ago.

Two of the requisites for agreement to build dams by the Department are that the land to be used must be furnished and deeded to the Department and that the project be located in an advantageous place. The Dam Project is being pursued as fast as money becomes available for their construction.

Along this line the department already has completed a number of impoundments and has acquired tracts in the past few years where other lakes are ponds.

Future plans call for additional lakes near larger towns throughout the state where they are deemed needed. However, the Commissioner points out, these can be carried out only according to the amount of revenue received. To date, the Commissioner said, the Department has not purchased land for its projects and does not intend to. He also said that many sportsmen clubs of the state have constructed their own lakes, many of them up to 35 acres, with no assistance from the Department other than stocking. He said he believed many more clubs in the state could do the same thing if they wished to.

**Ray O. Edwards Speaker
At DAR Meeting June '52**

The June meeting of the Boone County Chapter, Daughters of the American Revolution, was held with a luncheon at the Swan Restaurant, Erlanger on Friday, June 12. Mrs. Roy C. Nestor, Regent, presided. Guest speaker was Ray O. Edwards, President General of the Sons of the American Revolution. Mr. Edwards is here for the SAR Congress which opened June 14 at the Netherland Plaza in Cincinnati. He is from Florida. In the immediate future, Mr. Edwards is leaving for Paris, France, where he visits the Paris Society of the SAR as their

guest speaker. While in this vicinity he will be with his sister, Mrs. Carolyn Tolin of Burlington. Mrs. Tolin is Parliamentarian of the Boone County Chapter, DAR.

For this meeting which was open to guests, chapter business was dispensed with. The program opened with the singing of the Star Spangled Banner, led by Mrs. Virginia Goodridge followed by the Pledge to the Flag, led by Mrs. Davis Gaines. The following state DAR officers were present: Mrs. C. F. Hudson, State Regent of Pikeville; Mrs. F. Clagett Hoke, State Vice Regent of Jeffersonstown, Miss.; Margaret Ann Patterson, State Recording Secretary, of Elizabeth

town; Mrs. W. E. Bach, State Historian of Lexington; Mrs. Thomas Burchess, newly appointed National chairman of Membership and also State Corresponding Secretary; Mrs. Robert Hume, State Treasurer. All brought greetings.

In her greeting, Mrs. Hudson State Regent said that she was not only greeting Mrs. Nestor as hostess Regent but also as the newly appointed District Publicity Chairman for the DAR. She also went on to say that we all have a debt to pay, a debt that even our children and their children can never really pay and that debt is to our ancestors and those who have gone before to make this country and this world great. She mentioned such people as George Washington, Abraham Lincoln, Chopin, Bach and Beethoven. She closed by complimenting the hostess chapter on the progress they had made particularly since they were such a new chapter. Mrs. Nestor pledged Mrs. Hudson the cooperation of the Boone County Chapter during the next three years of her administration. Mrs. Ray O. Edwards, wife of the guest speaker was introduced to the assemblage.

Mr. Edwards' talk was entitled "Heritage and Destiny." He stated heritage is the accumulated store of achievements and history built by past generations and given to the present as a legacy. Destiny is that toward which persons and things move in terms of their fortune or fate. He brought out that it is our duty as citizens to be active in the affairs of our city, state and nation, also to be alert in the type and quality of education our children are receiving, and closed by saying "May our future generations be as proud of the heritage we pass on to them as we are of the heritage given to us by our forefathers."

The meetings was closed by singing "My Old Kentucky Home" and repeating the Lord's Prayer in unison. Members present included: Mesdames Roy C. Nestor, Virginia Goodridge, Frances Berkshire Jos. B. Wolfe, J. P. Brothers, F. E. Bennett, Olga M. Conner, Wallace Grubbs, Aileen Conner, Harold Conner, Clifford Coyle, Floyd Roberts, C. Davis Gaines, Charles Goodridge, Holloway S. Hawes, John Lockwood, Sam Denham, Jr., Sam Denham, Sr., Clarence Wolfe, Garnett Tolin, M. A. Yelton, F. J. Weidenkoff, Ruth C. Baker, John L. Feagan, William Tupman, Ashlin Logan and Miss Martha Randall.

C. A. R. guest from Boone Trails was Virginia Royale Nestor. Other guests were: Mesdames Stella C. Booth, J. S. Steltenkamp, Fred J. Ruppel, Ray O. Edwards, Collis P. Hudson, F. Clagett Hoke, W. E. Bach, Thomas Burchett, Robert Hume, Kirtley Adams, Ben Rivard, Adaline Whaley, Joseph Schrier, B. W. Southgate, Sr., Baxter Harrison, Calvin Weakley, A. H. Cochran, S. P. The sire of these heifers, Red Cross Lucky Conqueror No. 421840 who recently died was a full brother to the new Butterfat Champion Red Cross Mary. In two lactations she produced \$5,221 pounds of milk, 2163 pounds of butterfat.

The sire of both Red Cross Mary and Lush Acres Red Cross Lucky Conqueror is Quail Roost Lucky Choice.

**ONLY CLEAN EGGS
BRING TOP PRICE**

No matter how fresh they may be, eggs do not bring the highest price if they are not clean, says poultry specialists at the University of Kentucky College of Agriculture and Home Economics.

The most common causes of dirty eggs are mud on the hens' feet, dirty hen-house floors, broken eggs caused by hens crowding on the nests, infrequent gathering of eggs or putting them in dirty buckets or other containers.

It may even be advisable to keep hens in the laying house until early afternoon, if the ground is muddy. Other suggestions:

Provide at least one nest for every four hens.
Keep plenty of hay, straw or shavings in the nests.
Keep deep litter on the floor.
Keep hens away from droppings by using dropping pits or dropping boards.

Remove dirty spots on eggs with fine sandpaper, brush, or wipe with cloth dampened with vinegar and water. Do not wash eggs.
Produce infertile eggs; sell or confine all roosters.

**CORN AND ALFALFA
TESTED IN GREENUP**

Fourteen farmers in Greenup county are cooperating with UK County Agent Ames Tackett in testing varieties of corn and alfalfa. Hybrid corns under observation on farms include Ky. 102, Ky. 103, and US 13 and US 523W. Frank Hardin is comparing Buffalo and Atlantic alfalfas. To help in the demonstrations, the Tennessee Valley Authority has been asked to furnish 112-500 pounds of calcium metaphosphate and 4,500 pounds of ammonium nitrate.

Motor Trucks!

Here in Kentucky—whether you live on a farm, in a small town, or one of the big metropolitan cities—you enjoy the highest American living standards because of the efficient public service of Motor Truck transportation, with its never-ceasing, ever-increasing activity.

Kentucky must have Motor Trucks because twenty counties in the State have no railroads within their boundaries and thirty-five county seats do not have rail transportation.

More than that, 433 towns with populations above 100 are serviced only by Motor Truck transportation, and there are 2,962 communities in the State which have no railroads—the highest percentage of any State in the nation.

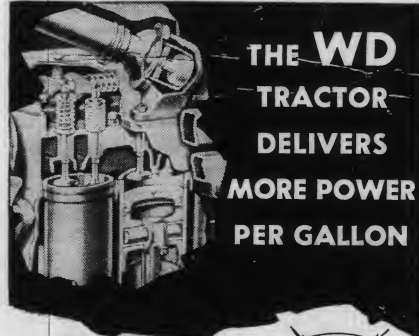

But thanks to the Motor Truck Industry, all Kentucky is on the main line today.

If you've got it a Truck Brought it!

The Allis-Chalmers Model WD Tractor, with center fire combustion, gets more power from each gallon of fuel.

Extensive research by Allis-Chalmers engineers resulted in a new combustion chamber design. Spark plugs are located so that ignition occurs right in the center of the chamber. Manifold design, valve location and ignition timing are all carefully coordinated. As a result, the fuel mixture fires smoothly and expands out evenly... like ripples from the center of a pond.

With this design you get new power for engine size... new fuel economy.

EARLY HISTORY OF BOONE COUNTY

By A. M. Yealey

Major John Bush was one of Boone County's pioneer citizens and lived in the North Bend bottoms and at that time it was called Campbell County. He was a member of the County Court Justices and took a prominent part in the warfare against the Indians and volunteered in the expedition of General Har-mar. In 1790 he crossed the river to Cincinnati and left with the army that had congregated there for the purpose of chastising the Indians who had been disturbing the settlements in Northern Kentucky and the southern part of Ohio and Indiana.

They followed the Big Miami and when they reached Piqua and St. Mary they encountered the Indians and a two-day battle took place. Major Bush says the first day he had charge of 20 men, the advance guard of the army, and had orders to fire on any force he encountered and if the number were ten thousand it was his duty to charge through them and form at their back.

Bush further says that his detachment was drawn into ambush with a loss of one-third their number and his superior officer was killed and when he tried to retrieve the body his sword was shot from his hand a ball pierced his cheek. Then orders were given to retreat and the horses were directed to ride as far as they could with safety to the rear and bring up the men who were given out. He repeats during this maneuver his horse got mired in the mud with another man on the horse with him. When he had him to dismount, two Indians suddenly appeared and took him captive. He then dismounted and started running. He was fired upon and the noise from the discharge of the gun scared the horse so bad that it caused it to free itself. When the horse passed by him, it was regained and mounted.

The army having been defeated he returned home. Mr. Bush was very prominent and as an inducement to come to Cincinnati, he was offered at the corner of Main and Front Street a lot 100 feet by 200 feet for the sum of \$100. This was in 1793 and when our county was organized in 1798 he was offered 200 acres of land at the intersection of the Licking River and Ohio for the sum of \$200 but he refused the offer stating, "I would rather live in the North Bend Bottoms in Boone County."

Florence Rotary Club To Meet At Camp Ernst

The Florence Rotary Club, in accord with its practice of taking active interest in activities which are beneficial to Boone County, has accepted the invitation of Mr. O. M. Wiseman, Camp Director of Camp Ernst to meet at Camp Ernst at 6:00 p. m. June 30th in lieu of its regular meeting at the Southern Trails Restaurant in Florence on June 29th. At the meeting at Camp Ernst Rotarians and their sons will be taken on a tour of the camp and will be urged to participate in the use of recreational facilities including the swimming pool, table tennis, etc. Dinner will be served.

Mr. Wiseman extended this invitation to the Florence Rotary Club at its meeting on June 15th at which meeting he was guest speaker. Mr. Wiseman spoke on the subject of the development of youth. His use of appropriate poetry and unusual anecdotes made his talk most interesting as well as very informative.

GRASSLAND FARMING GETS ATTENTION OF SERVICE AGENCIES

Nine district conferences of representatives of state and federal agricultural agencies were held in Kentucky the first week in June to discuss the distribution of information about grassland farming.

Due in part to the high cost of row crops, many farmers are said to be interested in more and better grass and legumes for the production of meat, milk and eggs.

Nearly half of Kentucky's crop land is in pasture, much of which could be improved by better seedling and by fertilizing, it was said at the meetings.

Instances were cited where an acre of grass produced milk worth \$96.30, whereas the value of feed replaced by pasture was \$67.53, and where an acre of grass was equivalent in feed value to \$56 worth of corn.

The whole realm of grass and hay production was discussed, including the best varieties, how to fertilize and seed, silos and other storage methods and what results may be had in raising cattle, sheep, hogs and chickens.

Agencies taking part included the Agricultural Extension Service of the University of Kentucky, the Soil Conservation Service, Vocational Agriculture, Farmers Home Administration and Production and Marketing Administration.

The conferences were held at Lexington, Elizabethtown, Williams town, Madisonville, Morehead, Mayfield, Jackson, Bowling Green and Somerset.

Jones Family Returns Here For Brief Visit

Mr. and Mrs. Ted Jones and their daughter Gwen Jones Starmer, of Olathe, Kansas have been the guests of Dr. and Mrs. C. G. Ryle, of Florence, Ky.

The dedication of the rehabilitated East Bend Baptist Church on Sunday, June 7th was a great attraction for Mrs. Jones, since her ancestors were responsible for the beginning of that organization.

John Platt, of East Bend community, the great-grandfather of Mrs. Jones gave the land where the church and school are located, specifying that it be always used for that purpose.

Mrs. Jones and her daughter were the only representatives of the Platt family there, but feel that the 70-mile journey from Kansas to Kentucky was well worthwhile.

Mrs. Jones is the daughter of Frank M. Stephens and the former Miss Dell Platt, all natives of Boone County.

The following poem was written by Mrs. Abbie Stephens Jones and sent to us for publication:

Reminiscences
The road before me lay torrid and long,
But the price was not too much to pay,
I was going to the church of my mother's youth
On this momentarily happy day.

Before me, panoramic memories swept,
And a voice from the past seemed to say,
It was here, that those who were near and dear
Had lingered long to worship and pray.

I remembered the pew where grandmother sat
All of her children were with her there,
Where the dear aunt, her heart, had given to God
Where she had answered the call in prayer.

The straight-backed uncomfortable old seats
With their dividing partition tall,
Which forbade the glances of the smitten swain
On the faces of their loved ones to fall.

My father had sought by lingering outside
His keen disappointment to forestall
To glimpse my mother who rode horse back,
So petite and gay and so very small.

How the grandfather John, four generations ago,
Had made his plans for a house of God
To be erected on this lone pioneer sight
On this verdant, rich, Kentucky sod.

There he lies in the shadow of the church,
In the little cemetery close by.
A constant reminder to those who attend,
That kind words and kind deeds never die.

The church now stands pure white and yet pristine,
Its belltower shines like a beacon light,
Its interior so new, in beautiful, soft blue,
So conducive to worship and right.

May the mantle of the grandfather John
Never with strife or greed retard
The efforts of those it has fallen on
Is the prayer of my affectionate regard.

—Abbie Stephens Jones.

WHAT'S UNDER THE HOOD OR BEHIND A NAME

Most people can't see under the hood of a car, as to the condition of a used car, but they can tell what lies behind a dealer name.

As cars become more complicated, used car buyers can't place reliance upon guess and by golly of the condition of the car from physical appearance, so they MUST place TRUST in their dealer.

LICE MAY STUNT FLOWERING PLANTS

Green or black plant lice or aphids that are found on ornamental and flowering plants must be controlled or they will stunt the growth and decrease the bloom by sucking plant juices. Wet sprays, such as nicotine sulfate (Black Leaf 40) or Lindane are effective controls, said Prof. N. R. Elliott of the University of Kentucky horticulture department. There are also dusts which can be used.

No "Mrs. Ky." Candidate Entered From Our County

William B. Jones, Glasgow, chairman of the Barren County American Legion Fair & Horse Show this week advised this paper that there have been no entries received from Boone County in the "Mrs. Kentucky" contest, which will be held in Glasgow on July 22nd, occupying the entire program on the opening day of that fair.

The winner of the "Mrs. Kentucky" contest in Glasgow will represent the entire state in the national "Mrs. America" contest to be held at Asbury Park, New Jersey in September. Her prizes at Glasgow will include an all-expense paid trip to the national awards. Winner of the national "Mrs. America" title will receive over \$10,000 in prizes, awards and national honor. The

winner of the Glasgow elimination will be judged 50% on beauty and 50% on homemaking by a panel of state-known celebrities.

In commenting on the lack of candidates from Boone county, Jones stated that he "felt confident that Boone county boasted as pretty and as home-making" wife as any county in old Kentucky which for a century and a half has pointed with extreme pride to the beauty of its women and their ever-loving home-cooking." He also stated that the potential candidates from this county would "not let the 'Mrs. Kentucky' title go by uncontested and by default."

There is no cost to enter, and interested contestants may receive full information and entry blanks by writing "Mrs. Kentucky," Barren County American Legion Fair, Box 465, Glasgow, Ky.

Newport Man Loses Driving Rights For Period of Six Months

Russell Mitchell, Newport, was fined \$104.50 and his driving rights revoked for a period of six months, when arraigned in Judge C. L. Cropper's Court on a charge of operating a motor vehicle while intoxicated. Mitchell was arrested on Camp Ernst Road by Sheriff Wendell Easton.

Eight men were fined \$19.50 on charges of reckless driving when they appeared in Boone County Court during the past week. State Troopers were the arresting officers.

Two men were fined \$19.50 each on charges of being drunk in a public place.

Burlington Lodge Will Confer F. C. Degree

Burlington Lodge No. 264 F. & A. M. will confer the Fellowcraft degree on a class of candidates tonight (Thursday), June 25th at 8:00 according to Howard Lizer, Master. Robert Bowling, Senior Warden, and his Fellowcraft team will be in charge of the work.

All members of the lodge are urged to attend, and visitors are extended a cordial invitation.

Raymond D. Frost, lockmaster of U. S. Dam 38, McVillie was named Boone County Red Cross chairman at a meeting of the Chapter at Doc's Restaurant, Florence, Monday night.

Other officers elected are as follows: John O. McEvoy, Florence, first vice chairman; John E. Crigler, Hebron, second vice chairman; Mrs. Alan Gaines, Walton, third vice chairman; Mrs. Robert Eastman, Florence, treasurer; Mrs. Kathryn Clure, Grant, secretary; Mrs. Jack Caldwell, registered nurse of Burlington, special advisor to the board.

Board members elected included Mrs. Courtney Pope, Mrs. Albert Pfalzgraf, Rev. Roy Martin, Mrs. H. C. Steward, Mrs. William Rudicill, Mrs. A. E. Stephens, Mrs. Noel Walton, Mrs. M. A. Yelton, W. Robert Ellis, Mrs. Charles Herbstreit, Mrs. Oliver Kottmyer, Mrs. Edward Ellis, Mrs. J. P. Brothers, Dr. John H. Buestetter, Rev. R. A. Johnson, Mrs. Howard Aera, Mrs. John Conner, Mrs. Justin Dolph, Mrs. Robert Christy, Mrs. Steward Weber, Mrs. Reuben Kirtley, Mrs. Warren G. Miller, Jr., Mayo Hayden, Malcolm Simpson, James Webster and Mrs. James Miller.

Mayor John J. Moloney, of Covington brought at interesting message to the group explaining the terrible devastation at Yucca Flats when an A Bomb was tested.

Commenting on the place of the American Red Cross in times of disaster, Mayor Moloney pleaded for a proper organization for civil defense. He said that the United States is one of 12 prime bombing targets in the United States.

HEBRON FFA TO MEET

The Hebron Chapter of Future Farmers of America will hold its regular meeting July 17, 8:00 p. m. at the Hebron school.

Land Stewardship Will Be Discussed By Boone Pastors

For Conservation Week; Sermons Set For Sunday, July 26th.

"Every day 7000 new faces sit at American breakfast tables," declared James B. Claypool, Assistant Director, Division of Soil and Water Resources, Frankfort, speaking last Wednesday afternoon at a meeting of the Board of Supervisors, Boone County Soil Conservation District, Burlington.

Mr. Claypool said that the population of the United States was increasing at the rate of two million a year. "This means," he declared, "that American farmers are going to have to produce more, and that proper land use is the only way in which it can be done."

Mr. Claypool has been invited to confer with the Boone County soil organization to assist in formulating plans for a "Land Stewardship Sunday" in which Boone County ministers will bring spiritual messages on this subject to their congregations.

Rev. Roy A. Johnson, pastor of the Florence Baptist Church, and Rev. C. N. Ogg, pastor of the Florence Methodist Church, indicated they would preach appropriate sermons on Sunday, July 26. Floyd E. Kells, Work Unit Conservationist, in charge of the program, said other Boone County ministers had reacted favorably to the idea.

Mr. Kells pointed out that the week of July 19 to 26 has been designated as National Soil Conservation Week, and that the sermons would be directly connected with the activities of the Boone County Board of Soil Conservation during that period.

Attending the meeting was H. E. White, chairman, Joseph A. Huey, Stanley W. Elchholz, Joe B. Heizer, Jr., Mark Cook, chairman Boone County PMA, Ralph Cason, PMA County Committeeman, Mr. Claypool and Mr. Kells.

WILL SPEAK AT BURLINGTON

Bill Dyal

Bill Dyal, recently appointed as Missionary to Central America by the Foreign Mission Board, will be the speaker at both services at Burlington Baptist Church, Sunday, July 5th. It was announced this week.

Mr. Dyal is a native Texan, a graduate of Baylor University and Southern Seminary. During student days in Louisville he was pastor at the Bagdad Baptist Church.

Deacons of the church recommended that Mr. Dyal become the church's missionary to Guatemala, Central America, at its regular June meeting.

A picnic has been planned by the church for Saturday night at the home of Ralph Cason, Middle Creek for the purpose of the members of the church becoming better acquainted with Bill Dyal, and him with the members.

John C. Kannady

John Calvin Kannady, 73 Verona farmer, died Sunday at his home after an illness of several weeks. He was a member of Lebanon Presbyterian Church.

Mr. Kannady was born in Illinois and came to Boone County with his parents when he was two years old.

He is survived by his wife, Plerolena; four sons, Joe Albert, Elliston; Ben B. Verona; Bert Hume, Walton; and Johnny A. Kannady, Elliston; a daughter, Mrs. Louis Margolen, Cincinnati, and nine grandchildren.

Funeral services were held at 2 p. m. Tuesday from the Hamilton funeral home, Verona, with burial in New Bethel Cemetery.

Burlington Grill Sold To Bellevue Woman

The Burlington Grill, owned and operated by Mrs. Courtney Pope, was sold recently to Mrs. Blanche Becker, of Bellevue, according to the L. R. Garrison Realty Co., of Union, Ky.

The new manager will take over the business Sunday, July 5th, and serve dinners and lunches on that day. The management announces that the establishment will be open evenings until 10:00 and throughout the day Sunday.

Joe Hall Pitches One-Hitter For Burlington Nine

Petersburg Defeats Walton In Extra Inning Game.

Joe Hall pitched the Burlington nine to a 16 to 0 victory over the Kentaboo Club last week in the Boone County Fast Pitch League. Joe gave up only four walks, while striking out 10 batters. Gerald Clure led the hitting parade with 4 for 5 while Ivan Guiley and John Cropper had 3 for 5.

The Burlington nine scored 39 runs in the last two games, holding their opponents scoreless and only allowing four hits.

Off pitch hurled for the Kentaboo club. Jack Rector collected the only safety off Hall's offerings.

The Petersburg team chalked up another victory by defeating the Walton Lions Clubs 16 to 15 in extra innings. Bill Burns was on the mound for Petersburg, while Smith served them up for the visitors.

Other games in the league were not reported.

Mrs. Dora Mae Elliott

Funeral services were held at 2 p. m. Saturday at the Stith funeral home, Florence, for Mrs. Dora Mae Elliott, 40, of 148 Clay street, Erlanger, who died Wednesday at Booth Hospital, Covington. Burial was in Hillcrest Cemetery, Dry Ridge.

Mrs. Elliott, a former resident of Covington, had owned and operated the Rose Marie Beauty Salon, Newport, until she became ill six months ago. A grade school teacher at Knoxville, Ky., before she moved to Covington 12 years ago, she was educated at the University of Kentucky and Transylvania College.

She is survived by her husband Charles B. Elliott, Covington insurance representative; two daughters, Jo Ann and Judy Kay Elliott, both at home; two sisters, Mrs. Anna Mills, Falmouth, Ky., and Mrs. Retta Hightower, Hamilton, O.; and two brothers, Deland W. and Joe L. Belew, both of Hamilton.

Injured In Tractor Accident Friday

Charles Harvey Kelly, son of Mr. and Mrs. C. G. Kelly, Burlington suffered injuries when he was thrown from a tractor at the farm of Dr. R. C. Garrison near Burlington, Friday afternoon.

The tractor which young Kelly was driving plunged in a trench silo.

Circuit Court Clerk To Visit Various Precincts In County

For Purpose Of Issuing Operators' License; July 31 Is Deadline.

R. S. Hensley, Boone Circuit Court Clerk, yesterday reminded motorists that July 31 is the deadline for obtaining motor vehicle operators' licenses. He emphasized, however, that the deadline applies only to motorists the initials of whose last names are in that portion of the alphabet running from L to Z. This year those persons will be given licenses good for two years.

The penalty for failure to obtain licenses by July 31 will be \$100. Mr. Hensley said the new regulations require that every motorist in the L to Z category file and sign a reapplication form before he can procure his new operator's license.

Applicants can not send for their license but must apply in person.

However, Mr. Hensley will visit various precincts throughout Boone County from 12 noon until 6:00 p. m. in order to give residents who work out of the county an opportunity to obtain their license without having to lose time from their work. The dates and places of Mr. Hensley's and his deputies visits are:

Hebron-Hebron Garage, July 11. Verona-Verona Bank, July 13. Petersburg-Petersburg Food Market, July 14.

Grant-Citizens Deposit Bank, July 15, 4 to 8 p. m. Walton-Firehouse, July 17 and 18.

Constance-Ellis' Store, July 20, 12 to 5 p. m. Taylorsport-Sprague's Store, July 20, 5 to 8 p. m. Union-Union Bank, July 21.

Florence-Firehouse, July 24 and 25th.

And finally, in order to accommodate as many persons as possible, Mr. Hensley said his office in the courthouse at Burlington would remain open all day Saturday, July 18 and 25.

Burlington Baptists Plan Picnic Saturday, July 4th

The Burlington Baptist Church has planned a picnic to be held at the home of Ralph Cason on Middle Creek, Saturday evening, July 24 at 6:00 for the purpose of getting acquainted with Rev. Wm. Dyal who will leave for the mission fields of Central America in the near future.

A basket lunch will be spread on the spacious lawn of the Cason home at 6:00. Members of the Stepping Stones Class are asked to bring a quart of sweetened tea; the Friendship Class members are asked to bring juice from 6 lemons, and 6 cups of sugar. All other members are requested to bring a basket lunch.

Body of Constance Woman Found In Ohio River Wed.

Had Been Missing From Home For Several Hours, According To Report.

The body of Mrs. Grace E. Poole, of Constance, was found Wednesday morning in the Ohio River, after she had been missing from her home since Tuesday night.

Mrs. Poole, who had been in ill health for a long time, was discovered in about two feet of water in the Ohio River near Constance at the farm of Frank McGlasson, according to Sheriff Wendell Easton.

Friends and neighbors searched the area during the night and at dawn discovered her footprints leading through a cornfield to the river bank about a mile from her home.

Sheriff Easton said he believed Mrs. Poole, who suffered from a chronic heart condition, had waded into the river intending to take her life, changed her mind, and suffered a heart attack attempting to return to shore. She had suffered an attack earlier in the day, it was reported.

Robert Brugh, Boone County Coroner reported death due to a heart attack. An autopsy revealed that the victim's lungs did not contain water.

She is survived by her husband, William H. Poole; a daughter, Mrs. Irene Moorhead, with whom she lived; two brothers, Carroll Durrer and Jessie Durrer; three sisters, Mrs. Minnie Poole, Mrs. Thelma Pinching and Mrs. Lottie Lawrence, all of Virginia, and three grandchildren.

Funeral services were held at 2:00 p. m. Saturday at the Bullock Boone County Memorial funeral home, Hebron, with burial in Hebron Cemetery.

Staggs-Begley

The Florence Baptist Church was resplendent with beauty for the early summer wedding uniting Miss Anna Mae Staggs, only daughter of Mrs. Alberta Staggs, and William Begley, airman, United States Navy, on Saturday evening, June 20 at 7:30 p. m.

The church was decked with palms and ferns, with vases of white gladioli, stephanotis and lily of the valley placed on each side. Tall seven-branched candelabra held white tapers that cast a mellow glow over the nuptial scene.

Prior to the ceremony, Mrs. Glenn Marie Renaker sang "At Dawning" and "Hold Thou My Hand," accompanied by Mrs. Harold McKibben, who also gave nuptial selections on the organ, and immediately following the marriage ceremony she sang the beautiful and traditional "Wedding Benediction."

The Rev. Roy A. Johnson, pastor of the church officiated at the impressive double ring ceremony.

The bride chose for her wedding day a beautiful gown of white slipper satin, tulle, and chintilly lace, designed with a peter pan collar and snug-fitting bodice, pointing in the front with self-covered buttons, extending to the neckline, long sleeves pointing over the wrists and

held by tiny buttons, and a full skirt extending lace and seedpearls from which flowed her veil of illusion, edged with chintilly lace. She carried a white Bible with a lace cover on which was a cascade of white orchids with white satin streamers.

Miss Becky Stutzman, close friend of the bride served as the maid-of-honor. She wore a floor-length gown of powder blue fashioned with a lace bodice and net skirt over taffeta with a sweetheart bonnet and mits of matching net and carried a bouquet of pink rosebuds.

The bridesmaids, Misses Martha Loudon and Shirley McNeely, cousins of the bride served as bridesmaids. Their dresses were of lavender and pale green, styled along the same lines of the maid-of-honors, with matching sweetheart bonnets and mits of matching net, and carried bouquets of yellow rosebuds.

The bridegroom chose as his best man Mr. Paul Presser, Finley Horton, and Bill Miller, friends of both the bride and groom acted as ushers.

Mrs. Staggs chose for her daughter's wedding a dress of navy blue crepe with white accessories and wore a corsage of purple orchids.

Following the reception which was held in the church basement, the happy couple departed for a short trip throughout Kentucky, after which the groom will resume his duties with the U. S. Navy.

Florence Zoning Chairman Resigns; Served Four Years

Commission Has Laid Groundwork For Growth of Community.

William Meiners, who has for the past four years served as chairman of the Florence Planning and Zoning Commission has presented his resignation to the Board of Trustees.

Under Mr. Meiners leadership the Commission has prepared a Planning and Zoning Ordinance for Florence and has laid the groundwork for its application to the growth of the community. The work has at times been difficult and owners of property often have to be sold on the idea of looking ahead into the years to come to see what should be done to make their present developments fit into the community of tomorrow. The developers of new subdivisions have been most cooperative in a better type of planning and construction resulting. The Commission has jurisdiction over an area within five miles of Florence. This control does not extend over the Boone-Kenton County line.

Throughout all the work of the Commission Mr. Meiners has been most enthusiastic and active and it is with regret that his resignation is received.

Mr. Meiners is a resident in Valley Drive and finds that his business and home work consume more and more of his time. He promises to be available in an emergency.

Other members of the Commission are Frank Trego, Al Becker, Earl Morgan, Wilmer Osborn, G. R. Scott, and William Fitzgerald.

Three Fire Departments Battle Blaze; Damage Estimated At \$75,000

Blaze Started In Rear Of Building Near Classrooms, According To Report; Ample Water Supply Aids Firemen.

Fire of undetermined origin caused approximately \$75,000 damage to the 12-room brick school building at Hamilton early Tuesday morning.

The fire which started in the rear of the building near the classrooms spread rapidly, and had gained much headway before arrival of fire departments from Walton, Florence and Burlington.

Firemen from the three departments

battled the blaze for approximately four hours before bringing it under control. They were aided by an ample water supply from three lakes nearby. Without the water supply from the three lakes the building probably would have been completely destroyed.

Heaviest damage was reported to the upper section of the building. Many heavy steel girders were damaged by the fire, according to firemen. All equipment with the exception of several items removed from the cafeteria were considered a total loss.

The blaze was discovered by a farmer living nearby, who called the three fire departments. Burlington's fire department was recalled to the school when the blaze broke out again about 8:30 a. m. Tuesday morning.

The 12-room structure consisted of 5 class rooms, kitchen, cafeteria, gymnasium, furnace room and several utility rooms. The building was erected in 1930 at a cost of \$35,000.

The school was probably one of the most modern and one of the best grade schools in the county, having been used for many years as a high school. It was the only grade school in the county with a gymnasium.

Plans concerning the damaged building have not been determined by the Boone County School Board, as we go to press Wednesday morning. However, it is expected that the building will be repaired, as the walls of the structure were not damaged by the fire.

City of Florence Launches Water Expanding Program

Contracts Awarded For Laying Mains on U. S. Highway 25.

The Florence Board of Trustees, confident that an adequate supply of water will soon be available has launched upon a program of expanding its water distribution system.

Contracts have been awarded for the laying of mains on U. S. Highway 25, a portion of Roger Lane and Edward Avenue. Mains will be laid on a portion of Circle Drive. Legislation is being prepared for the laying of mains on the balance of Circle Drive and the balance of Roger Lane.

The City is advertising for bids for the laying of approximately 600 feet of main on Valley Drive. Residents of New Uri Avenue have expressed a desire for the completion of the main on that street.

U. S. Highway 42, Woodland, Grand, and Scott Drive are also considered in this program. The increasing number of new homes in this area indicates that the residents wish the mains extended.

Lexington and Virginia Avenues, now serviced by small private lines is being studied. In this connection it has been proposed that Virginia Avenue, which lies in two cities and two counties, be paved by cooperative action between Erlanger and Florence.

Mains have been contracted for on a portion of the Burlington Pike and on Kathryn Avenue. A bit further out Burlington Pike is Utz Drive. New homes, with increased need for water, cannot be entirely served by cisterns.

The Board of Trustees wishes to make these improvements as rapidly as possible and wherever cooperation by the property owners is indicated. Water mains are laid upon a front foot assessment basis, the total cost of each project being prorated over the entire street served.

Two Boone County Boys Take Top Camping Honors

Two Girls Receive Second Highest Honor For Campers.

Virgil Lee Kelly and Stanley Smith of Boone County received medal camp awards at the Northern Kentucky 4-H camp. This is the highest honor a 4-H camper can win. Only six 4-H members received medal awards. Dianan Snider and Wilma Engle received star camper ribbons, this is second highest honor for campers.

One hundred and twenty-two 4-H members, leaders and Extension Agents attended the camp. Hudson Walton, Boone County, received 7th place award in the casting contest, with over thirty campers participating in the contest.

The camp site was Camp Ernst, located on Gunpowder Creek, near Burlington.

Why Suffer With Your Feet?

N. TULCH

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814 Madison Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting support under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases, because they have never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "Fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches, or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

Farm Facts FOR KENTUCKY FOLKS

by Wm. C. Johnstone
AGRICULTURAL REPRESENTATIVE
KENTUCKY BANKERS ASSOCIATION

Last month, June, was Dairy Month so we discussed dairying—its importance to Kentucky and the things we could do to make dairying more profitable. Now, in July, we will discuss pastures, because August is designated as "Green Pastures Month" and there is much to be done in July if pastures are to be renovated, or established in August. First, a word about why August is best month in which to launch a pasture improvement program. It is a good time to use limestone and fertilizer; to sow alfalfa; to disk, fertilize and reseed poor pastures and to start the cover crop program.

Soil testing is the first step in a pasture improvement program. One simply can't lime or fertilize efficiently without knowing what plant-foods should be added. One

hundred county soil testing laboratories will be testing soil samples for Kentucky farmers this year. In 1952 over 46 thousand samples were tested. Of these, only 3315 samples came from meadow or pasture fields. 57% of these needed lime; 56% needed potash and 46% needed phosphate.

An abundance of plant food available for the seedling grass and clover is essential in starting a good pasture. Lighter rates of fertilizer may be used if it is concentrated in rows just under the seed where the roots may come into contact with it early in their existence.

The excellent crop of grass and clover seed harvested in Kentucky this year will favor the men who have cut it. There is an abundance of fescue, red and ladino clover, and an adequate supply of orchard grass and blue grass, which are the principle species used in the pasture program.

Accumulated Winter Pastures is a term with which Kentucky farmers should become familiar. It refers to the removal of livestock from certain grass fields in late August, treating them with needed fertilizer and permitting growth to accumulate for grazing in December, January and February. This system has been used successfully both in research and practice and materially reduces the cost of livestock production. An acre of pasture in winter is worth as much as an acre in the summer.

An Accumulated Winter Pasture of fescue and ladino clover in North Georgia carried one cow per acre during the period, December 1, 1950 to February 15, 1951. The only other feed available was hay harvested from the same area the previous summer.

Plan to sow Small Grains this fall? These are among the best varieties for Kentucky: Wheat-Vigo; Barley—Kenbar; Rye—Balbo; Winter oats—Atlantic Seeded at the right time and on good soil, these small grains furnish much grazing through the cool seasons.

It's not too early to be thinking about Forest Fires and trying to reduce them this fall. State Forester Newland says that Kentucky's 8,223 fires caused over \$12½ million dollars loss in 1952. Careless smokers and trash burners start the major portion of forest fires.

Plans Made For Flower Show By Local Garden Club

All committee chairmen were present at the home of Mrs. Roy Lutes, Thursday afternoon, June 25 to make plans for the flower show to be held in September.

Flowers to be entered will be asters, dahlias, gladioli, marigolds, petunias, tea roses, florabundi roses, snapdragons, zinnias and chrysanthemums. These will be shown as specimens. Pot plants will be African violets and begonias. Fourteen classes in arrangements.

Everyone is urged to bring something to show whether a member or not. The show is open to all Boone County members. Details of the show, program and rules will be announced later. Consult your local paper for further news during the next two months.

The Garden Club picnic will be held July 14 at Dam 38.

McClure's Cafeteria, entrance through Coppin's Department Store. Construction, will remain closed July 4 to 13 account of extensive remodeling and redecorating. Some booths will be installed and there will be a bank of flowers. This air-conditioned cafeteria is quite popular with Boone County people.

The closing will give the help a well-earned rest, but Ray McClure, proprietor, will not take his vacation until August, when he, accompanied by his wife, will go to Virginia Beach and be joined by their son who is in Uncle Sam's service.

FLORENCE HOMEMAKERS
The meeting of the Florence Homemakers was held at Florence Christian Church. The meeting was

called to order by Mrs. B. M. Jones because of Mrs. John Martin the president being out of town. Mrs. Harry Barnett gave a read-

ing on "Happiness." Plans for picnic July 28th at the home of Mrs. Wm. Foote were discussed.

Mrs. Henry Rich gave the lesson on "Basket Weaving." The following attended: Mesdames Mable Sayre, B. M. Jones, Harry Barnett, Roy Lutes, Henry Rich, Tom Randall, Virginia Goodridge, Victor Benham, Grant Maddox, H. S. Hawes, Wm. Foote, Misses Jane Scott and Evelyn Tanner.

CULTIPACKER HELPS TO GET GRASS STAND

The importance of a cultipacker in establishing a stand of pasture is seen on the farm of W. A. Caudill of Rowan County, according to Adrian M. Razor, UK county farm agent. His was one of the outstanding fields in the county, said Razor, while others in the community failed to get a good stand.

Mr. Caudill sowed a 14-acre field with fescue, orchard grass and Ladino clover, then used a cultipacker. About 1,000 pounds of 3-12-12 per acre had been applied to the land following soil tests. Fencing off 2 acres, he turned in 18 head of dairy cattle. In a month's time, they failed to graze it closer than about 4 inches. When Mr. Caudill took them off for a day or so, he noted a sharp decline in milk production, which increased when the cows were put back on the field.

Downard Army of Wolfe county had the assistance of UK Engineer Earl Welch in planning a reservoir below a spring, from which water will be piped to his home and poultry house.

4-H CLUB SHOWS HOW TO GROW PINE TREES

The Pin Hook 4-H Club in Clay county and the Manchester Kiwanis Club cooperated in establishing a demonstration planting of pine trees, reports Seldon V. Hall, county agent with the University of Kentucky. A steep eroded hillside near the school was selected, the club bought 1,700 pine seedlings, and the 4-Hers met and set them out. The area has been fenced to protect the trees from livestock.

TWO KENTUCKIANS TO STUDY IN EAST

Miss Margaret Gulley and Boyd Wheeler, field agents in 4-H club work at the University of Kentucky College of Agriculture and Home Economics, have been awarded scholarships to study at the University of Maryland from June 22 to July 31. They will attend the Human Development Workshop of the Institute for Child Study, planned for those interested in the training for leadership in the 4-H program, in development of adolescents and the general field of human development.

WOMEN HELP HOSPITAL

Homemakers club in Breckinridge County taken an active part in maintaining the local hospital, says Miss Mary L. Steele, University of Kentucky home demonstration agent. During the past few months, the McQuady Homemakers Club contributed 10 bed lamps; Bewleyville, dresser scarves; Glen Dean, a hot plate; Harned, crib pads, and Hardinsburg, a crib. The Kirk Homemakers Club contributed the paint and painted one of the rooms.

Miss Mattie Barnhill, leader of the Oxford 4-H Club in Scott county for 25 years, was presented with a silver bowl by the club.

Mr. and Mrs. Chas. Luchte departed Monday by plane for Chicago to visit relatives and friends.

Mr. and Mrs. Orville Osmun of U. S. 42 and his brothers Carl and wife of Cleveland, O., are at home following a fishing trip to Cumberland Lake.

Mr. and Mrs. Kenneth Scott, of Price Pike are the center of felicitations over the birth of a son June 22 at St. Elizabeth Hospital. Also being congratulated are the paternal and maternal grandparents, Mr. and Mrs. Walter Scott and Mr. and Mrs. Nelson Markesbery. The little lad has been named Jeffery Walter. The Russell Bethel family, of Akron, Ohio, have been vacation-

ing here with relatives and friends. Mr. and Mrs. R. V. Lents were at Kentucky Lake the past week for a well-earned vacation.

Miss Elizabeth Rouse attended a nurses' meeting at Cleveland, Ohio, recently.

Riddell's Florence Food Market has recently undergone a complete change for the better. A new stock room has been added to the rear of the building, thus allowing more shelf and counter space to display merchandise, also the interior of the store has been redecorated and new doors have been installed in front.

J. T. Stephenson is in Colfax, Ill., for an extended visit with Mr. and Mrs. Frank Stahl, Mr. and Mrs. Jesse Stephenson and other relatives.

Friends here of Mr. and Mrs. Cam Kennedy, of Walton learned with regret of their accident sometime ago when a trailer truck forced their car off the road causing it to overturn. Mrs. Kennedy was bruised, while he suffered a severe arm injury and is confined to St. Elizabeth hospital. The Kennedys were former residents of the Florence community. Their many friends here wish them the best of luck.

Mr. and Mrs. Sidney Ambrose have recently purchased a home on Sunset Ave., Elsmere. Congratulations to Mr. and Mrs.

J. A. Huey, of Union on the rare event of the 72nd anniversary of their marriage which they celebrated on Monday. May they enjoy happiness, good health and many more such occasions.

The Woman's Society of Christian Service of the local Methodist Church will meet July 9 in the home of Mrs. Paul Chaney on Burlington Road.

Recent visitors of the R. G. Keyers were Mr. and Mrs. Merrett Tenny and two daughters of Covington and Mrs. Carl Kurz.

Miss Stella Carpenter of Covington was visiting relatives here Sunday.

Friends of Wm. Markesbery regret that he has been confined to St. Elizabeth Hospital the past several days for observation. The best of luck to him.

Mrs. Richard Keyer had guests in for dinner Thursday, including Mr. and Mrs. Chas. Carpenter, Mr. and

Mrs. Wilson Martin and daughter Linda Lou, of Covington, Mrs. Earl Carpenter and Mrs. Eldridge Carpenter.

Chester Brown has recently returned from near Charleston, W. Va., where he was employed on a farm.

A Mr. and Mrs. Campbell, of Westwood, Ohio, friends of the R.

E. Tanners were guests recently. Guests of the Geo. B. Millers during the past week were W. R. Miller and wife and Mrs. Frank Hogan.

Miss Judy Cook, who was the victim of a tractor accident more than a week ago is reported to be improving at St. Elizabeth Hospital. Her friends join in wishing her a rapid and complete recovery.

PRECISION MOWING—FIELD SIZE

In the hayfield . . . along the fence row . . . in the orchard . . . the Allis-Chalmers Model G Tractor and field size, 5-foot power mower can easily handle all kinds of mowing.

Let us put you in the front-view seat of a G tractor. See how clearly you can watch the mowing operation . . . guide the cutter bar easily around fruit trees, buildings, and along fence rows. Hydraulic lift is available as optional equipment.

If yours is a tough mowing assignment in a hayfield, discover how the wide field-speed range permits you to adjust mowing speeds to match crop conditions.

For every kind of precision farming . . . plowing, planting, fertilizing, cultivating, hauling, and many other odd jobs, the Model G is in a class by itself. Ask us to demonstrate.

Congratulations to Mr. and Mrs. Irvin Rowland who are the parents of a baby girl, born in St. Elizabeth Hospital last Wednesday afternoon.

Mr. and Mrs. Lennie Love of Union R. 1 spent the day last Monday with Mr. and Mrs. Buddy Love.

Mrs. Bud Scheben, of Erlanger, visited Wednesday with her parents and sisters here.

Mrs. Kate Rue, of Norwood, Ohio,

spent last week with her aunt, Mrs. Lizzie Smith. Mrs. Alice Aylor is with her this week.

Mrs. Paul Cook, of Florence, Ind., was a guest during the week with Mrs. Alice Cook and Mrs. Ted Williamson.

Mr. and Mrs. Franklin Clore spent the day Sunday with her mother in Florence.

Carl and Anna Cason, May Sandford and Leona Marshall spent the day Thursday with Mr. and Mrs. Ralph Cason. Other visitors were

Mr. and Mrs. Harry Scroggin and family, Peggy Griesser and Eva Lou Walton.

James Ransom entered Christ Hospital Saturday afternoon in preparation for an operation within the next few weeks.

Mr. and Mrs. Ott Rogers have moved to the Rouse property vacated by John Souder. Their son, Everett and family of Loveland, O., spent the day Saturday with them. Their grandson remained for an extended visit.

Visitors of Mr. and Mrs. Charley White and son Sunday were Mr. and Mrs. Wm. Bradburn and Mr. and Mrs. Lefe Miller, Jr., and daughter, of Covington.

Mr. and Mrs. Louvett Rogers and Mrs. Carrie Buffington visited with Mrs. Mamie Williamson, Sunday.

Ivan Cason has been transferred from Lackland Air Base to Harlingen Air Force Base near Galveston, Texas. His present address is: A/C Ivan S. Cason, AD 15506206, Cadet Post Office, Box 840, Harlingen Air Force Base, Harlingen, Texas.

Mr. and Mrs. Wm. Rogers and family and Mrs. Helen Rogers and daughters attended services in the Baptist Church in Rising Sun, Ind., Sunday morning where Rev. Forest Taylor is pastor. He was formerly pastor of the Baptist Church here. They were dinner guests of Mr. and Mrs. Merle Bunker, where they met other relatives from Vevay, and Rising Sun, Ind.

OPEN AIR SERVICES

The open air services being held each Friday night at Rabbit Hash are growing in attendance and interest.

The subject of the sermon for July 3 will be "How Can These Things Be?"—an answer to the question "How to Become a Christian?"

There will be a program of music from 8:15 to 8:45 p. m. The services are planned to continue each Friday night through July.

EX-SERVICE MEN TO RECEIVE ASSISTANCE

F. E. Duval, contact representative of the Kentucky Ex-Service Men's Board will be in Burlington Monday, July 6th from 1:00 to 3:00 p. m. to assist veterans and their dependents with claims for benefits due them as a result of their military service. Mr. Duval will be at the courthouse.

NOTICE TO CONTRACTORS

The City of Florence will receive sealed bids at the office of William Fitzgerald, City Clerk, Florence, Ky., up to 8 p. m. on July 14, 1953, for the furnishing of certain items of material and labor necessary to the construction to completion of the Valley Drive Water Main Extension project, at which time said bids will be opened and read aloud.

The approximate quantities of the principal items are as follows:

6" C. I. Class 250 Water Main, 630 feet. Standard Hydrant Assemblies, 1. 6" Valve Assemblies, 1.

Said work is to be done according to the specifications of the City Engineer and applicable regulations and ordinances of governing bodies of proper jurisdiction.

Bidders may procure bid forms and plans and specifications at the office of Noel Walton, City Engineer, P. O. Burlington, Ky.

A deposit or bid bond in the amount of 5% of the total amount of the bid must accompany the bid. Successful bidder must deposit bond equal to 50% of the bid.

The successful bidder will be paid the sum due him within 60 days after completion of said work and acceptance by the Florence Board of Trustees.

The City reserves the right to reject any and all bids, and to award said contract to the lowest and best responsible bidder.

By WILLIAM FITZGERALD, City Clerk

Union Bank Robbed Thursday; Loot Reported At \$1500

Lone Bandit Makes Escape; License Plate Covered.

County, State and Federal Police officers were unsuccessful in their search Thursday and Friday for a young blonde bandit who robbed the Union Deposit Bank, at Union, Thursday at noon. The young bandit escaped with \$1500, according to reports.

Wendell Easton, Boone County sheriff, his deputies and state police combed the area around Union, Big Bone and Hamilton Thursday night. An airplane and pilot supplied by John Hedrick, president of Boone County Airlines, searched the network of roads trying to spot the getaway auto.

The robbery occurred when Miss Lillian Bristow, cashier, was alone in the bank. Two other employees were at lunch.

Miss Bristow stated she was in the rear of the bank when the well-dressed man entered and walked to the teller's cage.

"I heard him mumbling something and looked up," the cashier said. "He was pointing a gun. He followed me to the window nearest the door, still pointing the gun."

Miss Bristow said the man demanded money. She said she threw several packages of money at him under the grillwork. One of them fell on the floor and as he picked it up he said something about "needing money."

As the man left the bank Miss Bristow ran to a side window to try to get the license number on his auto. It was covered with a white handkerchief. The car was a blue-gray Dodge and was traveling west on U. S. 42.

This is the second time the bank has been robbed since March. Two Newport men obtained \$5500 in a holdup at that time, only to be apprehended by law officers a few minutes later near Union.

Eugene Webb Enjoys Furlough At Home

Pvt. Eugene Webb, who is stationed with the Signal Corps at Camp Gordon, Ga., has been spending an 11-day furlough with his parents Herbert Webb and wife, of Burlington.

He will return on Monday, July 13 and will report at Fort Jackson, South Carolina.

WOW Will Meet July 13

Burlington Camp No. 614, W. O. W. will hold its regular meeting on Monday, July 13 at 7:30 p. m. at the Hebron High School. Some important business is to come before the camp, and all members are urged to attend.

Burlington Nine Remain Undeclared In Softball League

Petersburg Holds Second Spot In League Standing With 2 and 2.

The undefeated Burlington Softball nine will meet a strong Florence team Friday night, July 10, 8:00 p. m. at the Burlington park in the feature game of Boone County's Fast Pitch Softball League. Florence will be out to break the string of victories for the Burlington club which haven't been scored on in the last two ball games.

Joe Hall will be serving them up for Burlington, with Tots Gulley receiving his slants. Brooks will try to stop the booming Burlington bats with Smith receiving his curves.

In the other two league games Petersburg travels to New Haven to meet Kentaboo. Bill Burns will be on the hill for Petersburg, while Price will be the probable starter for Kentaboo.

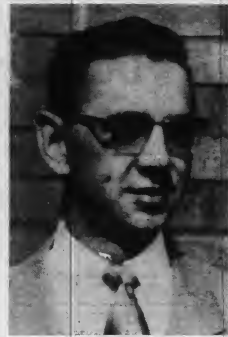

New Haven will meet Walton on the latter park. Gammon will pitch for New Haven with Anderson on the hill for Walton.

Fans throughout the county are urged to support their favorite club. These teams are top-rate clubs and guarantee fans interesting games.

Winning teams are requested to call game results to Burlington 343.

Local Farmers To See New Tractor Hitch In Action

Demonstration Planned On Harris Farm, Friday July 10, At 10:00 A. M.

All farmers of this vicinity are being invited to the Harris farm next to Calvin Cress & Son Shop on Friday, July 10, at 10:00 a. m. to see and try the new automatic Farmall Fast-Hitch for the Farmall Super C tractor in action.

This announcement was made by Calvin Cress of the Calvin Cress & Son store, local International Harvester dealer. The new hitch was put on display for the first time in his store this week, and already is attracting an unusual amount of interest and enthusiasm.

"This demonstration," Mr. Cress said, "will show farmers just how fast and easy new Fast-Hitch is to operate. We're mighty proud of it because we think it's the best and most important work-saving invention in the farm equipment field in several years."

Farmers attending the field demonstration will see how the Farmall Super C tractor can be backed up to any one of the line of Fast-Hitch implements, and coupled to it automatically in just a split second. The driver does not need to leave the tractor seat either to hitch or unhitch.

The new Fast-Hitch is on display all this week at the Calvin Cress & Son store and so far has been inspected by scores of local farmers. The demonstration next Friday is to show farmers how it works with complete hydraulic control on various implements.

The new hitch is only one of 77 new pieces of farm equipment which has been developed by International Harvester Company in the last 770 days—an average of one machine every 10 days.

In addition to the Fast-Hitch demonstration Mr. Cress announces a "Cool Living Show" which features the International Harvester freezer appliances which will be on display at the same time and date in the showroom of the firm. Ladies are cordially invited to visit the showroom and view the many appliances.

Four ice tea glasses will be given to one adult from each family who comes to see the new International Harvester Decorator Refrigerators or Decorator Air Conditioners.

Three Boone Counties Inducted Tuesday

Three Boone County men were inducted into the U. S. armed forces Tuesday at the Cincinnati Induction Center, according to C. C. Kelly, Clerk of Draft Board 108, Burlington.

Those inducted are Howard Dawson Lancaster, of Burlington R. 1; Jack R. Martin, Constance; and Robert Carl Robinson, of Walton.

W. W. Gaines

W. W. Gaines, 86, a former resident of Boone County, died Tuesday evening, July 7 at 8:00 p. m. in a hospital in Atlanta, Georgia.

Mr. Gaines was a lawyer and had spent the past 60 years in Atlanta. He served for many years as a correspondent for this paper from the Bullittsville neighborhood.

Mr. Gaines was a brother of Mrs. Lottie Graddy, of Wheatley, Ky.

HEBRON F. F. A. WILL MEET

The Hebron Chapter of Future Farmers of America will hold its regular meeting July 17, 8:00 p. m. at Hebron School, it was announced this week.

Miss Georgia David, of Covington, is spending several days this week with Mr. and Mrs. Grover Jarrell.

Dr. Paul Nolting Seeks Office Of Boone Co. Coroner

Is Graduate of Lincoln Chiropractor College, Indianapolis, Ind.

A new figure on the Boone County political front is Dr. Paul F. Nolting, Chiropractor of Walton, who is a Democratic candidate for Coroner.

The voters of this community are entitled to know something about him. He is a four-year graduate of Lincoln Chiropractor College, of Indianapolis, Indiana. A member of the Walton Lions Club and F. & A. M. No. 719, Vice-President of the Northern Kentucky Chiropractic Association and an overseas veteran of World War II. His practice is established in Walton, where he resides with his wife and three children.

Dr. Nolting has stated, "If elected, I shall endeavor to fulfill the duties and obligations of the Coroner's office, to the best of my ability."

Zeke and Red Turner Will Be Featured At Verona Lake Ranch Sun.

Zeke and Red Turner, both well known WLW-TV Midwestern Hayride stars will be featured attractions at the Verona Lake Ranch show, Sunday, July 12th, at 8:00 p. m. It was announced this week by Bill Scroggins, owner.

These two entertainers need no introduction to the people of Boone County, as they are heard in practically every home in the County almost daily.

The amateur talent contest will be another feature of the afternoon's entertainment. Many entertainers have appeared on the stage at Verona during past week, and have been well received by those in attendance.

Miss Diane Hopper, 11-year-old daughter of Mr. and Mrs. Harry Hopper, of Florence took top honors in the amateur contest last Sunday, while Charley Lunsford, of Elmsworth won second place and the Grassy Creek Girls took third place honors.

Mr. Scroggins announces that a western riding contest is being planned for the very near future, and urges all interested persons to contact him at their earliest possible convenience.

Dr. R. R. Patton Will Speak At Burlington Methodist Church

Dr. R. R. Patton, District Superintendent of the Methodist Church will preach at the Burlington Methodist Church July 12 at 11:00 a. m. and will hold a quarterly conference at the close of the service.

Each member is expected to be present at this meeting as it will be the last business meeting of the conference year. The public is invited to hear Dr. Patton.

Car Lost In Flash Flood Near Idlewild

A 1951 Plymouth car owned by Mr. Switzer, who resides in the Idlewild neighborhood was swept away last week by a flash flood which struck that area. No trace of the car has been found, it was announced.

Neighbors in the area are making an effort to help Mr. Switzer obtain another car. Donations are being received at Scott's Garage, which will be used for the purchase of another car for the unfortunate neighbor.

Boone Farmers Receive 58c Pound For Wool Clip

Total of 17,588 Pounds Delivered To Local Wool Pool.

The Boone County Wool Pool received 17,588 pounds of wool on collection dates June 23 and 24th at Burlington and Walton, it was reported this week.

Members of the pool received 58c per pound for clean wool, which was approximately 8 cents higher than the local buyers were paying at the time the pool sold its wool.

The percentage of rejections was very low with the grower receiving 51c per pound for rejections.

Northern Area Of County Damaged By Heavy Rain Sunday

More Than Three Inches of Rainfall Cause Streams To Leave Banks

More than three inches of rainfall in the northern area of Boone County Sunday night caused considerable damage to crops, it was reported this week.

Gunpowder, Woolper and tributaries of these creeks in the northern area of the county swept out of their banks, causing much damage to crops in the lowlands. In some instances crops were reported as a total loss.

The northern branch of Gunpowder Creek overflowed its banks at Limaburg, reaching the highest stage in memory of those living in the neighborhood.

A small branch near Burlington swept hay crops, tomato plants, potatoes, corn and tobacco from fields adjoining its banks. Damage is expected to reach thousands of dollars.

Orville Craddock, of Woolper reported that the water of Woolper Creek swept his corn, tobacco and hay crops in the muddy water, carrying his tobacco and corn down stream.

Leroy Voshell, on the opposite side of Woolper Creek, reported that half his tobacco crop was destroyed by the water.

Five cows were killed when struck by lightning on the farm of Mrs. Rosalie Pope, Grant.

Some damage was reported to roads in this area. Rock fills at the two water tables crossing Gunpowder Creek at Camp Ernst were washed out, but are being replaced this week.

Although the storm was reported as one of the most severe electrical storms in years, little damage was reported from lightning. High winds and hail accompanied the rain and electrical storm in some areas.

Boone County Residents Urged To Give Pint of Blood When Bloodmobile Visits Florence Monday, July 13th

At Florence Community Center From 1:00 to 7:00 P. M.; Servicemen Are Greatly In Need Of Our Support.

George Washington said "Where is the man to be found who wishes to remain indebted for the defense of his own person and property to the exertion, the bravery and the blood of others, without making generous effort to repay the debt of honor and gratitude."

Boone County School Districts To Receive \$125,244.13, Word

Sum Represents \$38.11 For Each Person Between 6 and 18 Years Old.

School districts in Boone County will receive \$125,244.13 from the \$26,212,800 common school per capita fund to be distributed among all school districts in Kentucky this year, according to Superintendent of Public Instruction Wendell P. Butler.

The sum represents \$38.11 for each person between six and 18 years old living in the districts. The per capita figure is slightly lower this year due to an overall increase in the state school census from 682,330 to 687,731 while the fund for distribution remains the same. The per capita figure last year was \$38.41.

The per capita allocation does not take into consideration the school equalization fund, a fund of \$5,573,000 which is based on need. Distribution of this fund will be announced later.

School districts in the county will receive: Boone County, \$105,005.35; Walton-Verona \$20,238.78.

Darrell Lee Thompson

Darrell Lee Thompson, a former resident of Erlanger, died Monday at General Hospital, Cincinnati, after an illness of three years. He was 52 years old.

Mr. Thompson is survived by his widow, Mrs. Mayne Thompson; two sons, Vernon Lee Thompson, Norwood and Darrell Thompson, Erlanger; two daughters, Mrs. Rella Kittle, and Darlene Thompson, both of Erlanger; two stepdaughters, Nancy and Juanita Burton, at home; a stepson, Joseph Burton, at home; his parents, Mr. and Mrs. Silas Thompson, and a sister, Mrs. Velma Cram, all of Ryland Heights.

Funeral services were held at 2 p. m. Wednesday from the Tallaferrero funeral home, Erlanger, with burial in the Odd Fellows Cemetery Burlington.

Driver Permits Must Be Renewed This Month, Report

Drivers in L Through Z Must Purchase Two- Year License.

Circuit Clerks are selling 1953-54 drivers' licenses to persons whose last names begin with "L" through "Z," the Department of Revenue reminded again today.

Drivers in the "L" through "Z" name group must purchase two-year licenses for two dollars before July 31. They must appear in person at the circuit clerk's office and complete new application forms.

Vehicle operators whose last names begin with "A" through "K" and who have licenses will not be required to buy another license until 1954.

If a person is obtaining his first driver's license in Kentucky, he will be required to pass a state police examiner's test, or provide an out-of-state license to show that he is a qualified driver. If his name begins with "A" through "K," the license will last for only one year and the fee will be one dollar.

Persons on active military duty who drive in Kentucky are required to have Kentucky licenses, except when operating an official vehicle with a U. S. Government operator's permit.

Drivers renewing licenses must pay a penalty of one dollar if they do not renew them by the July 31 deadline.

Boone County Circuit Court Clerk R. S. Hensley published a list of precincts in last week's Recorder where he will visit for the purpose of issuing licenses.

This statement of our first President is so apt today when we think of the great debt we owe our servicemen who are fighting on far off lands to protect us and our properties so that the actual destruction of war will not be seen on this continent. We can repay what we owe these fighting men by giving blood when the Bloodmobile comes to the Florence Community Center on Monday, July 13th from 1 until 7:00 p. m.

There are two ways in which you can give blood for your country—the painful wounded way of men in combat or the harmless, comfortable way of those who regularly donate to local blood banks. You are asked to join the latter group.

Thanks to research, the new blood derivative, Gamma Globulin, serum is, this summer, being administered for the first time to prevent paralysis resulting from Polio. What Boone County mother doesn't tremble with fear when her child develops symptoms during the summer which resemble those described by doctors as also in Polio? You, the people of Boone County, with children or without, can give hope to these people, for by your donation of a pint of blood, one dose of serum can be made to combat this paralysis in Polio. Yes, it takes one pint of blood to make one dose of Gamma Globulin serum.

If We Are Bombed

Over Main Street your hometown, enemy bombers, lost in the high noon sun, drone out a frightful sound. Atomic thunder evokes all to ponder, eat, blast of wind and searing heat rush toward you the explosion leaving a wake of destruction. A deadly silence settles over the debris, pierced only by the occasional cry of the wounded and dying, an dth sobes of the bereaved. Your town is dying.

On this day, if it comes, how far will your family and friends be from the havoc circling ground zero? How much blood will they need to recover from their wounds? Will they die with the town for lack of blood? Along the battlefield or in your very home the need for blood might come at any moment.

Important In Emergency

In the event of atomic attack the need for blood will be beyond comprehension. When fires rage and floods envelop, when disease strikes, human blood helps wage the battle of life. Gamma Globulin, a blood derivative, is now being used to fight measles, hepatitis, and the crippling effects of polio. There must be an available reserve of this life-giving resource that will sustain our nation in any emergency.

To build up this reserve, to help repay the debt, to meet the need to save a life, because it's easy, Americans are rolling up their sleeves. Won't you roll up your sleeve and give blood on Monday, July 13, at the Florence Community Center from 1 until 7 p. m.? Mrs. William Miller, and Mrs. Roger McGuire, are co-chairmen of solicitors, Mrs. Mary Domaschko, chairman of canteen and Mrs. Jack Caldwell, is chairman of nurses. Call any of these ladies or Florence 84 to make your pledge.

Cancer Chairman Gives Final Report

Mrs. W. D. Scroggins, Boone County Cancer Drive chairman, made her final report in the recent campaign in this issue of The Recorder, and extends thanks to her workers and supporters.

Her report follows: "The chairman of the Boone County Cancer Drive wishes to thank all that contributed their time and finances so that we were able to send \$821.87.

"While we did not make our goal of \$1,500.00 this year, we feel a great good was done through the educational endeavors. This is a vital part of our program since only through education can we ever hope to conquer cancer.

"May we do our utmost in making 1954 our banner year in making \$1500.00 for our share in helping to care for our own Boone County patients."—Mrs. W. D. Scroggins.

**FARM, HOME PLANNERS
TO HOLD 'OPEN HOUSE'**

A long-time improvement plan called "Farm and Home Development Program," launched by the University of Kentucky in 1948, has made enough progress to warrant "open house" on improved farms in 12 counties this season. All told, 700 families in 42 counties are enrolled in the program.

Farm people and all other interested persons have been invited to visit the farms and homes of families in the improvement program, to see what has been done and hear about how it was done.

Families enrolled in the program

have improved their land and crop production, fixed up their buildings, fences and other equipment, modernized their houses, and in other ways developed better incomes and more satisfactory living conditions. They have not reached perfection but have made progress, it was pointed out, and many of them will continue to make improvements over the years.

The announcement of the "open house" has this to say:

"Farm and Home Development is a cooperative program carried on by the farm families of a county and the Extension Service (of the University of Kentucky). The farm family undertakes to utilize all the

resources available to it to obtain an improved income and gracious living on the farm.

"A long-time (five-year) analysis of problems of the farm and home is made by the families with the assistance of the county and home demonstration agents. The families then determine the practical solutions of their problems and what they plan to do about them the coming year. The Extension Service and other agencies, as well as other service institutions, may be called upon by the families to help in developing plans."

**Florence Rotary Club
Guests At Camp Ernst**

O. M. Wiseman, Director of Camp Ernst on Gunpowder Creek was a most gracious host on Tuesday evening, June 30 to the Florence Rotary Club. A delicious meal was served at 6:15 p. m. in the camp dining room. Mr. Wiseman was assisted by several Junior Councilmen who aided in serving the dinner.

Business was dispensed with, so that a complete tour of the camp could be enjoyed by all present. Rotarians were privileged to bring a friend as well as their sons if they wished. Camp facilities were at the complete disposal of the guests and the new swimming pool was the center of attraction.

A complete hour of swimming and relaxation was enjoyed, supervised by capable life guards on duty.

President Leo J. Brophy Jr., and his fellow officer staff wish to extend a public vote of thanks to Mr. Wiseman and his capable staff for an unforgettable evening and for the gracious hospitality.

**Retreats For Catholic
Lay-Women Conducted**

Retreats for Catholic lay-women are being conducted during the summer at the two diocesan retreat houses at Cardome, Academy, Georgetown, Ky., and the Passionist Convent, Erlanger.

The series at the Erlanger retreat house includes a week-end retreat beginning Friday, July 10. These retreats open at 6 p. m. on Fridays and conclude at 5 p. m. Sunday with meal services for opening and closing programs.

The Rev. Joseph Collins, pastor of St. Edward Church, Cynthiana is conducting the Cardome retreat the week-end of July 10-12.

The Rev. Lee Kampsen, chaplain of Cardome academy conducted the Fourth of July week-end retreat at Cardome.

For information concerning the Erlanger retreat house sessions those interested may write or telephone Florence 2762-W.

EAST BEND W. M. U.

The W. M. U. of East Bend observed the 50th birthday of W. M. U. on June 16, 1953. The occasion took place in the home of Mrs. B. C. Stephens.

The living room was decorated in gold and green, the main decoration being a table decorated to emphasize the change from 1903 to 1953. Above the table on the left side was written 1903 and on that end of the table were placed dishes, iron kettles, a kerosene lamp, and things that were used in 1903. In the middle of the table was a big birthday cake decorated in gold and green. Above the table on the right end was written 1953 with plastic dishes glass baking dishes, an electric lamp and the modern things of today, placed on the table below 1953.

Several of the ladies were dressed in clothes that were worn nearly 50 years ago. A hat that was bought in 1902 was worn by Mrs. Donald White. A short playlet was given by Mrs. White and Mrs. Sally Scott. A poem was read and games were played.

Refreshments, consisting of lemonade and cake, were served by the hostess to over 40 guests, who included ladies of the W. M. U., some R. A.'s and G. A.'s and Sunbeams.

The theme of the W. M. U. birthday party was to show us "that although times and styles change very often, that God never changes for He is the same, yesterday, today and always."

**County Agent Gives
Control of Tobacco Worm**

County Agent, Joe Claxon gave the following control of the tobacco hornworm:

TDE is the most satisfactory of several insecticides that are known to be effective against hornworms, and is the material recommended for controlling these insects on tobacco. It may be applied in either a dust or a spray, depending upon the equipment available.

Apply a dust containing 10 percent of TDE at the rate of 8 to 15 pounds per acre on small to medium-sized plants, and of 20 to 30 pounds per acre on large plants. For best results dust early in the morning, at which time many of the hornworms are feeding, or late in the afternoon, when there is little or no wind movement. Dusts may be applied whether or not dew is on the plants.

Sprays
For application in a spray use

either a wettable powder or an emulsifiable concentrate.

With a common ground sprayer of the big-pressure type, use either 4 pounds of 50-percent TDE wettable powder or 2 quarts of 25-percent TDE emulsifiable concentrate (or its equivalent) in 75 to 100 gallons of water per acre. Apply the smaller quantity of spray on small to medium-sized plants and the larger quantity on large plants. If the product you buy is of different strength, use sufficient wettable powder to give 2 pounds of TDE per acre, or sufficient emulsifiable concentrate to give 1 pound.

With a low-pressure ground sprayer use the same quantity of TDE emulsifiable concentrate in about 5 gallons of water per acre.

For aircraft application use 2 quarts of the 25-percent TDE emulsifiable concentrate in 2 to 5 gallons of water per acre, depending upon

the capacity of the equipment.

How to Apply TDE
In applying either a dust or a spray, cover the plants thoroughly but lightly. The quantity of insecticide needed will depend on the

size of the plants. Quantities greater than those recommended increase not only the cost of treatment but the hazard of harmful or otherwise objectionable residues on the tobacco.

Notes and Comments

From the Editor's Desk

How Times Have Changed!

Over the years, American retailing has made enormous advances in its services to the consumer—there is simply no comparison between the typical retail store of today and that of the past. And its employment policies have shown comparable progress.

An amusing and significant example is found in a set of rules posted in an Illinois store back in 1880. These included the following: Store must be open from 6 a. m. to 9 p. m. the year 'round. Store must be swept; counters, shelves and showcases dusted; lamps trimmed, filled and chimneys cleaned; doors and windows opened; a pail of water and a bucket of coal brought in before breakfast. The employee who is in the habit of smoking Spanish cigars, being shaved at the barber's, going to dances and other places of amusement, will assuredly give his employer reason to be suspicious of his integrity and honesty. Each employee must pay not less than \$5 a year to the church and must attend Sunday School regularly. Men employees are given one evening a week for courting. After 14 hours in the store the leisure hours should be spent for the most part in reading.

That was the situation 73 years ago. In retailing, as in other enterprises, the lot of the American worker has improved to an almost unbelievable extent.

"Government Should Not Support The People"

"The lesson should be constantly enforced that though the people support the government, the government should not support the people."

Does that sound like something that was said yesterday? Actually, it was said by President Grover Cleveland 76 years ago, in the course of vetoing a long-forgotten bill.

The principle which President Cleveland laid down was important then. It is a thousand times more important now. In the intervening years millions of us, knowingly or otherwise, have been infected with the virus of government paternalism. We have become accustomed to being supported, wholly or partly, by government. And that trend, unless checked and reversed, can end only in dictatorship, tyranny and the destruction of all that is courageous and adventurous in the human spirit.

Taking It Off The Animal

The Wall Street Journal recently printed a letter from one of its readers which casts an interesting light on the beef question and the farm situation in general. The correspondent said, "The recent break in the cattle market can be partly attributed to the set price of corn and other fattening grains. When set prices are made on grains and cotton seed products and no set prices on the live animal, there is only one way that a reduction of price can be made and that is to take it off the animal."

What this means is that cattle producers find themselves squeezed between depressed livestock prices on the one hand and high, government-supported feed prices on the other. That is an extremely serious matter to the thousands of farmers and ranches on whom we depend for our beef supply. And it is of direct, personal importance to the entire consuming population because of its possible disruptive effect on future beef production.

It is to the great credit of the cattle people that, despite the very severe breaks that have taken place in livestock prices, they haven't run to Washington in search of subsidies or any other kind of tax assistance. But the current situation proves just how unsound and discriminatory our agricultural policy is. Secretary Benson is now working to reorganize that policy, in the long-term interest of the farmer, the taxpayer, the consumer, and the free enterprise economy alike. More power to him!

Since Andy Jackson's Day

According to a recent AP story, "The United States spends more money forecasting the weather now than it cost to run the whole government during Andy Jackson's administration."

That fact isn't cited as a criticism of the weather service. But it is a striking example of how government has got out of hand, and how vital it is that every non-essential activity be eliminated and every possible nickel cut from the budget.

Ex-Sheriffs Don't Collect

Outgoing sheriffs no longer act as special tax collectors and retain the tax bills in their custody when their terms expire, the Attorney General's office ruled. The law, authorizing that practice, was repealed in 1949. The legislation of that year provides that outgoing sheriffs upon leaving office surrender all unpaid tax bills to their successor in office.

One medium-sized tomato (one-third of a pound) will provide nearly half the day's quota of vitamin C plus a generous amount of vitamin A.

Silver Wedding Anniversary Observed

Mr. and Mrs. Henry Black, of Beaver celebrated their silver wedding anniversary, Sunday, June 28 with a lovely dinner. The table was laden with all the delicacies of the season with a three-tier wedding cake, topped with a miniature bride and groom graced the center of the table.

Mr. and Mrs. Black received many nice gifts, which included beautiful silverware and many other gifts, which were highly appreciated by the honored couple.

Those present to enjoy the occasion were: Mr. and Mrs. Roy Sullivan, Mr. and Mrs. Ivan Clements, N. H. Clements, of Gunpowder; Mr. and Mrs. John Black and family, Mrs. Edna Hodges and daughter, of East Bend; Mr. and Mrs. Mike Binder, of Big Bone; Mr. and Mrs. Russell Loudon and family, of Bellevue; Miss Bonnie Woods, Mr. and Mrs. August Trapp, Sr., of East Bend; Mr. and Mrs. Chas. Black and family, Mr. and Mrs. I. D. Isaacs and son of Union; Mr. and Mrs. Russell Sparks, Charley Sparks, of Duckhead Inn; Mr. and Mrs. Joe Black, Mr. and Mrs. Claude Jones and baby, of Newport; Mr. and Mrs. Robert Conley, of Covington; Mrs. Gladys Smith, of Newport; Colon Riggs, of Big Bone; Mr. and Mrs. Lloyd Ross and family, of Covington; Mr. and Mrs. Carl Ross, of Covington; Mr. and Mrs. Bryan Aylor, Mr. and Mrs. C. Rabbit Hash

Mr. and Mrs. Robert Williamson and family returned to their home in Illinois last week after a visit with relatives here.

Bro. and Mrs. C. W. Gant entertained their son and his family, of Chicago, over the week-end.

The open air services held at Rabbit Hash by Bro. Gant will continue through July.

Mary Lou Kelly called on Patsy Stephens Sunday afternoon.

Mr. and Mrs. Galen Acra and daughter of Sweetzer, Ind., were visiting relatives here last week.

Mr. and Mrs. Jimmy Wilson were visiting Mr. and Mrs. James Wilson and son Sunday.

Mrs. Wilma Lee Slayback is driving a new car.

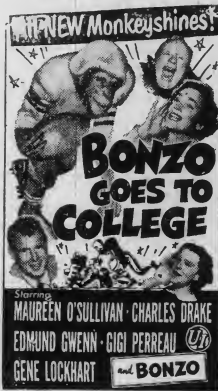

The crowds attending the open air services being held each Friday night at Rabbit Hash are not so large as those conducted two years ago, but the interest is growing. The sermon subjects for Friday night of this week will be "The Two Choices." The service starts at 8:15, thirty minutes or more of recorded music precedes the sermon. The services will continue thru July as Rev. Gant plans to begin a slow trip to his home in California early in August, stopping for brief visits with each of his three children living in Illinois.

WE'RE GOING TO AUCTION "BEAUTENA"

(Holstein Calf)

YOU'RE INVITED TO HER BIRTHDAY PARTY

PLACE: CONRAD STEPHENSON FARM, DRY RIDGE, KY.

DATE: WEDNESDAY, JULY 15, 1953

TIME: 11:00 A. M.

Beautena's a big, growthy heifer with a nice spring of ribs and very little fat. She's the type of heifer you like to see join your milking herd. Best of all, she's been raised the Purina way . . . on Purina Nursing Chow and Purina Calf Startena which means her feed cost is about ½ of what it would have been had she been raised on milk.

See us about how we raised her. Look the calf over. We'd like to show you how you can put the Purina Program to work for you.

Beautena will be auctioned to the highest bidder on the above date, on Mr. Stephenson's farm. The entire proceeds from which will be donated to: The Grant County 4-H Club.

Why don't you plan now to join us on the above date and see a real Dairy Program in operation.

FAYETTE HOMEMAKERS

WORK OVER FURNITURE

How to make worn pieces of furniture useful again is claiming the attention of many Fayette county homemakers, says Mrs. Ruth Saunders, home demonstration agent with the University of Kentucky.

During the past month, 71 women spent 11 days upholstering chairs many of which had to have springs re-tied and padding replaced. Twelve homemakers met two days to weave chair seats of hickory or other grasses, and the same number of women spent considerable time doing needlepoint.

Other homemakers met in groups of nine to 20 members to apply gold leaf to mirror and picture frames, or make lampshades and aluminum trays.

RECIPE OF THE WEEK

Good as snap beans from the garden are, variety in their preparation is welcome. Mrs. Pearl Haak, UK specialist in foods, recommends this recipe.

Spanish Snap Beans

1 T bacon fat, 1 T chopped onion, one-third c chopped green pepper, 1 c cooked tomatoes, 1 1/2 c cooked green beans, 1/2 t salt, dash of pepper, one-fourth c toasted bread crumbs.

Heat the fat and brown the onion and green pepper in it. Add tomatoes and cook slowly about 15 minutes. Add cooked beans and season with salt and pepper. Heat, then turn into serving dish and top with bread crumbs. Four servings.

Menu: Baked picnic ham, new potatoes with parsley, Spanish snap beans, cabbage and pineapple salad, biscuits, butter and peach sherbet.

GIRLS HANG CLOTHES

WHEN CLOSETS AMPLE

Since Mrs. Courtland Raker of Trimble county has provided more closet space in the bedroom of her young daughters, she has found that discipline problems have straightened out, and the children take pride in hanging up their clothes.

Mrs. Raker, with the help of her father, built two clothes closets along one wall with two dressers between them, she reported to Miss Mary H. Land, home demonstration agent for the University of Kentucky. Shelves above the hanging area provide extra storage space. Now each child has a place for her clothing and other possessions.

SHORTENS MILKING TIME

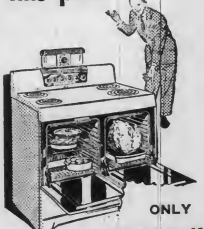

W. J. Mullican of Daviess county has installed a modern milking parlor in his dairy barn and, as a result he now milks his 75 Holstein cows in about two hours. UK Farm Agent John E. McClure notes that it is the most advanced installation in the county.

NUMBER 51

Fifty-Five Pints of Blood Collected By Bloodmobile Mon.

Thanks Extended To Contributors And Workers.

People speak of the Red Cross as a "movement." They do so because it moves. It rises above human strife to demonstrate the best that lies in humanity; it endeavors to serve all, regardless of race, creed or color. On Monday, July 13 the people of Florence and surrounding community showed that they, too, believed in serving humanity because they gave 55 pints of blood when the Bloodmobile visited the Florence Community Center under the auspices of the Boone County Chapter, American Red Cross.

Rev. Butts of the Hopeful Lutheran Church opened the Bloodbank with a prayer evoking God's blessing on the taking of blood, and Rev. Ogg of the Florence Methodist Church closed the Bloodbank at 7 o'clock with thanks and blessings on the blood taken through the day.

Mrs. Roger McGuire and Mrs. William Miller served as donor solicitor chairmen; Mrs. Frank Domaschko, canteen chairman and Mrs. Jack Caldwell were chairman of nurses. Much appreciation is expressed for the work of these ladies and their efficient corps of helpers, also to the men of the Florence Fire Department who helped load the Bloodmobile.

Stores who contributed food and supplies for the Bloodmobile visit were Florence Hardware and Supply, Conner's Market, Bennett Barber Shop, Robert's Service Station, Carr's Market, Florence Food Market, Stringtown Stop and Riddell's Market. Much thanks goes to these stores.

Boone County Red Cross wishes to thank all who contributed in any way whether as donor or volunteer worker. All of these can be proud that through their efforts a life somewhere has been saved, or a child made to walk without the crippling effects of polio.

Burlington Youth Receives Sergeant Rating In Korea

Reynold Todtenbier, son of Mr. and Mrs. E. C. Ruppert, Burlington, has received a promotion to Sergeant in the U. S. Army, while serving in Korea. He has been serving for the past six months in Korea.

Sgt. Todtenbier is a graduate of Burlington High School, and is well known throughout northern Kentucky, as one of the area's outstanding basketball players during his years in high school.

His address is Sgt. E. R. Todtenbier RA 1544877 3rd Quartermaster Co., 3rd Infantry Div., APO 468, care P. M., San Francisco, Calif.

The Recorder joins his many friends in extending congratulations.

Hamilton School Will Be Rebuilt, Says School Board

H. Richard Elliston Employed To Supervise Rebuilding Program.

Hamilton Consolidated School, almost totally destroyed by fire in a \$60,000 blaze June 30th will be reconstructed, according to report from the Boone County Board of Education, following a meeting of that body Wednesday night of last week.

The board voted to employ H. Richard Elliston, Covington architect, to supervise the rebuilding program. The architect's fee was set at 6 per cent of actual construction cost, an amount not yet determined.

It is expected that work on the building will be started at an early date.

In the regular business session, the board adopted a budget of \$391,599.06 for the coming fiscal year.

The budget, presented by Superintendent Ockerman shows costs estimated at \$11,250 for administration, \$180,000 for instruction, \$20,000 for operation, \$11,000 for maintenance, fixed charges of \$1,000, auxiliary services including bus service and refreshments at \$40,000, transfers of tuition \$700, capital outlay at \$52,622.81, and debt service \$75,026.25.

Two Lose Driving Rights In Co. Court

Ronald E. Mulvaney, of Dayton, O., and Horace Bradshaw, of Cincinnati, were fined \$104.50 each and their driving rights revoked for a period of six months, when arraigned in Judge C. L. Cropper's Boone County Court, Monday on charges of driving a motor vehicle while under the influence of intoxicants.

Two men were fined \$19.50 each on charges of being drunk in a public place and four motorists were fined \$19.50 each on charges of reckless driving.

Arrests were made by State Troopers.

Burlington O. E. S. Will Confer Degrees July 20th

Burlington Four Star Chapter O. E. S. will confer degree work on candidates Monday, July 20th, at the Masonic Hall, Burlington, it was announced this week by Mrs. Nelson Poston, Worthy Matron.

Degree practice will be held at the hall at 8:00 p. m. Friday, July 17th. All officers of the order are urged to be present for the practice session.

All members of the order are urged to attend the called meeting July 20th, and visitors from other chapters are given a special invitation to attend.

Florence Denied City Delivery Service, Says Postmaster

Corrections Needed Before Service Can Be Approved.

The Florence Postmaster, Lawrence L. Aylor, submits a report to the patrons of the Florence Post Office following the much awaited decision of the Postmaster General in Washington, relative to the establishment of city delivery in the town of Florence.

In a letter from Washington dated July 7, 1953, the following statement is quoted from the Bureau of Post Office Operations, Division of City Delivery: "Reference is made to the reports of the inspectors concerning the investigation of the feasibility of establishing city delivery service at your office. The requested establishment of city delivery service is disapproved since the population is 2100, which is below the 2500 requirement, the building lots on each street are not fifty percent built up with houses erected and many of the streets are not paved."

Further quotations are from the letter of the Inspectors who made the investigation:

"A careful study has been made and it has definitely been determined that your office does not meet the necessary requirements for city delivery service. No sidewalks are provided on U. S. Highways 25 and 42 which would make it necessary for a carrier to walk in the roadway. Both highways are heavily traveled and would be a hazard for the carrier. Great portions of the town have small subdivisions, each being isolated from the other. This presents a major problem. The majority of the new subdivisions do not meet the necessary requirements in that neither sidewalks nor a paved road are provided and they are not built up 50 per cent. Several of the streets meet the requirements, but are isolated."

In making his report, Mr. Aylor said, "We hope that in the not too distant future, we will be in a position to apply again. It is up to all of us to make the necessary corrections so that we may have the service we so rightly deserve."

Boone County Boy Receives Basic Training At Camp Gordon, Ga.

Pvt. John W. Huff, son of Mr. and Mrs. William Huff, Star Route, Walton, Ky., has completed basic combat training at the Signal Corps Replacement Training Center at Camp Gordon, Ga.

In his basic combat training he received instruction in infantry tactics and weapons, and other army subjects designed to prepare the individual for his military duties. Signal Corps basic embodies all phases of training common to the army program.

The Signal Corps Training Center, of which the Signal Corps Replacement Training Center is a part is the key source of our army's communications specialists. In five years, this center has mushroomed from a handful of buildings and founding cadre to the largest signal center in the United States Army.

Outstanding Show Planned For 4-H And Utopia Fair

Stage Show Planned For Thursday Night In Grandstand Arena.

Earl Huffman, professional master of ceremonies of the largest county fairs in the four states of the middle west, will be back again this year at the Boone County 4-H and Utopia Fair. The fair will be held August 6, 7, and 8th at the Burlington Fair Grounds.

A big stage show, with acts you will not want to miss will be held Thursday night, August 6th in the grandstand arena. Buddy Ross, one of the nation's outstanding accordionists will be there. He is well known throughout this section, starring on WLW-TV currently. He will add much to the program at the fair. You will want to be sure that you see him.

Russell Henderly, one of Ohio's finest pianist and accompanists will bring the world's smallest professional piano to Burlington for the grandstand show.

Harvey Hohnacker, one of the most talented dancers for his age in the middle west, highly professional and dancing to rocking modern rhythm that will be sure to please all.

Joy Gilbert, gorgeous bundle of beauty, will present beautiful dance routines as well as delightful songs. Ralph Montgomery, sensational trumpet soloist, plays as you have never heard a trumpet played before. Star for three years in the Cincinnati Withrow minstrels, sensational is to say the least.

Vito Rossie, the greatest accordionist in the middle west will entertain. He is a radio and television star and a most outstanding musician. He will provide the entertainment during the fine State events of the horse show at the Boone County Fair on Saturday night.

There will be a folk dance demonstration by a Boone County group Friday and Saturday nights during the horse show.

The Brown Novelty will furnish rides for your enjoyment. There will be a Merry-Go-Round, Ferris wheel, swings and kiddies rides will be on the grounds.

Elmer Trapp Receiving Basic Training At Ft. Belvoir, Virginia

Private Elmer E. Trapp, son of August Trapp, R. 1, Union, Ky., recently arrived at the Engineer Replacement Training Center, Fort Belvoir, Virginia.

There he is undergoing 16 weeks of basic training to qualify him as a soldier of the Corps of Engineers. The first half of the four-month course he will spend as a member of a Training Company developing skills with weapons under field conditions.

The remaining time is to be devoted to engineering tasks such as road, bridge and building construction; and to barbed wire obstacles, explosives, mines, camouflage and similar work.

At the close of the training period most men will be assigned to units of the Army either overseas or in the United States.

However, men with special skills may be selected for advanced specialists courses, and those who show leadership ability may be chosen for further training to qualify them as future non-commissioned officers.

Covington Clearance Days Announced By Merchants July 17-18

Large Variety Of Merchandise Offered At Reduced Prices.

Covington merchants announce "Covington Clearance Days," to be held Friday and Saturday, this week.

During these days stores will offer a great variety of merchandise, topped by a great stock of summer wearing apparel, appliances, and things for the home that make for more gracious living. All these items will be offered at special low prices—actually at below cost in many instances. A united effort is being made to attract a record crowd of city and rural shoppers. Stores will be open Friday until 9 p. m.

"I feel sure this will be the biggest shopping event in the history of Covington," a leading Covington merchant told a representative of The Recorder. "Stores will sacrifice price on quality merchandise to prove that Northern Kentucky shoppers can do better in Covington." The Recorder is carrying some of the many specials. Lack of space prevented acceptance of any more advertising. The Recorder will appreciate the favor if readers will mention this paper when making purchases of merchandise advertised in its columns.

COLLEGE CIRCULAR DEALS WITH SOILS

"Productive Soil," Circular 468 of the University of Kentucky College of Agriculture and Home Economics, was written for farmers who want to know how their soil functions in crop production and the practical measures they must use in building up and maintaining fertility.

Discussions include the nutrients needed for plant growth, how plants use them and what to do when they are deficient. Attention is given to nitrogen, phosphorus, potash and other elements in soils and plants. Soil erosion, soil water and tillage are also treated in the publication. Copies of the circular may be had at offices of county agents or by writing to the college at Lexington.

DEMONSTRATION WORK TAUGHT IN EXHIBITS

A survey of county exhibits shows many ways in which home demonstration work is helping Kentucky housewives.

In Calloway county, 15 of the 17 homemakers clubs had displays, all but one in store windows. They were centered around various phases of home furnishings, several being on furniture arrangement, lampshades in the process of being made, and choice of accessories.

Steps in refinishing furniture, lamps being wired for electricity and handmade lampshades claimed attention in Adair county.

In Harlan county, it was estimated that about 2,500 people saw the exhibits of cotton dresses and hooked rugs.

Robertson county homemakers arranged for the use of an unoccupied store building, where they set up a series of displays on better storage facilities. A model closet showed shoe racks, hat boxes, a rod for holding hangers and shoulderers, all of which had been made at home. One display showed two shelves with the same number of dishes on each. On one, the dishes were stacked and cluttered. On the other, a step-shelf had been added, so that dishes could be neatly arranged and reached without moving another. Homemakers from this county also showed four chairs in various stages of being upholstered.

An exhibit showing the seven basic foods made up a part of the Ballard county exhibit. Craft work, which is popular throughout the state, included aluminum trays, baskets and articles decorated with textile paints.

HOMEMAKERS ACTIVE

In the past nine months, members of homemakers clubs in Christian county have refinished 201 pieces of furniture, resealed 197 chairs and hooked 41 rugs. They also made 1,749 garments at a savings of \$4,385, says Mary Ellen Murray, home demonstration agent. Other work included setting 15,205 bulbs, 1,480 shrubs and 524 rose bushes.

Mr. and Mrs. Douglas Rouse and daughter Miss Ruth, of Hill Side, Ill., were guests during the past week of Mrs. Eva Delahunty. A native of Boone County, Mr. Rouse and family called on Mr. and Mrs. Lute Bradford, Mrs. Laura Head and other friends, also a cousin, Mrs. Minnie Samuels of Sparta. Many years have passed since Mr. Rouse has visited his native land and needless to say he noticed many changes, to the extent that nothing looked natural to him.

Following services at Hopeful Church Sunday morning members of the church and Bible school enjoyed a picnic on the farm of Alvin Dringenburg.

Mr. and Mrs. Harold Wilson and children, of Houston, Texas, were guests several days recently of Mr.

and Mrs. Scott Jones, of Burlington Road.
Wilbur Drake and wife spent a part of his vacation time with his mother and other relatives at Sweetwater, Tenn.

Pvt. Billy Noel, of Camp Breckenridge, Ky., enjoyed the week-end here with his wife and other relatives. He expects to be transferred to another location soon.

Mrs. W. C. Green, of Cincinnati, is a guest in the home of her brother Dr. Harry Daugherty and is assisting with the care of their mother, Mrs. Minnie Daugherty, who is confined in bed due to a fractured hip bone.

Mr. and Mrs. John Kyle, of Kylewood Place, Burlington Road, were recently visiting his mother at Harrodsburg.

Rev. W. C. Butt the new pastor of Hopeful Lutheran Church was calling in the community the past week. Dr. N. A. Jett attended a family reunion Sunday at the home of his sister near Brooksville on the occasion of her 83rd birthday.

Karl Keim and family, of Tucson, Arizona, who are on a vacation tour via New York and other points, are due to arrive here soon for a visit with relatives.

Sympathy is extended the family of Harold Crigler for whom last rites were held Friday afternoon from the Hebron Lutheran Church. Lieut. and Mrs. J. F. Daugherty,

their son J. F. III and daughter Mary Katherine are leaving July 22 for San Juan, Puerto Rico, where Lieut. Daugherty expects to be stationed for two years at Rodriguez hospital. The best wishes of the community go with them.

Mrs. Harry Whaley and son enjoyed the week-end with her mother, Mrs. Thompson, of Morgan, Ky.

Mr. and Mrs. Robt. Idol moved Saturday to their new home on Gibson St., on the site of the old fair ground.

Mr. and Mrs. Paul Chaney were host and hostess with a dinner party at their home on Burlington Road, Sunday evening of last week. Guests enjoying hospitalities were Lieut. and Mrs. J. F. Daugherty and children, Dr. and Mrs. Harry Daugherty and Dr. N. A. Jett.

Guests of the Geo. B. Millers during the past week were Mr. and Mrs. M. M. Graham and Mr. and Mrs. W. R. Miller.

Dr. George H. Riley, who has

been recalled to military duty is stationed at Charleston, W. Va. Mrs. Riley and their children Charles W. III and Sharon will join him soon.

Miss Judy Cook, who is still confined in St. Elizabeth Hospital is gradually improving from shock and injuries suffered in a tractor accident.

Mr. and Mrs. Clyde Haines, of

Russell St., are moving to Indianapolis in August as Mr. Haines has been transferred there by his employer.

David Tanner and wife, of Frankfort, were week-end guests of his relatives here, including his sister, Mary, who is confined in Bethesda hospital.

Verona Bank Observes 50th Anniversary

The first meeting of the stockholders of Verona Bank was held on February 17, 1903 and the following were elected directors: G. W. Roberts, O. K. Whitson, W. T. S. Blackburn, R. O. Powers, W. M. Whitson, P. E. Farrall, J. G. Tomlin, M. H. Richards and C. C. Roberts.

The Board of Directors organized by electing W. M. Whitson, president; R. O. Powers, vice president; O. K. Whitson, secretary, and J. E. Franks was selected as cashier at a salary of \$600.00 per month.

The president appointed a building committee consisting of R. O. Pores, P. E. Farrall and G. W. Roberts.

A building lot was purchased from Mrs. Elizabeth Hamilton at a cost of \$200.00 and the contract for building was awarded to H. J. Northcutt at a cost of \$145.00.

The bank opened for business on July 6, 1903 with total resources of \$16,501.90 and since that time the resources of the bank have grown to over one-half million dollars.

Those who have served as directors and officers during these fifty years are: Joseph Florence, C. E. Lipscomb, Mike Demasey, J. C. Hume, W. B. McCormick, L. C. Roberts, Mathew Cleek, G. Edgar Powers, J. E. Williams, W. B. Ambrose, J. Wood Roberts, A. A. Allphin, J. E. McCormick, William Willford, G. C. Ransom, J. L. Hamilton, W. T. Renaker, T. J. Carr, Arch Noell, C. E. Baker, Blanche Ransom, C. L. Gaines, Ellena G. Hamilton and Fred H. Hamilton.

The bank has had only two presidents since its organization, W. M. Whitson its first president served thirty-five years and on his passing the present president W. B. Ambrose has served. Mr. Ambrose is also president of the Farmers State Bank at Warsaw, having served that bank for a number of years.

Three cashiers have been in charge during these years, J. E. Franks the first cashier served until he resigned in 1913 and O. K. Whitson served from that time until his passing on November 12, 1946, G. C. Ransom being the present cashier.

The present officers and directors are: W. B. Ambrose, president; G. C. Ransom, vice president and cashier; Ellena G. Hamilton, assistant cashier; directors, W. B. Ambrose, C. E. Baker, T. J. Carr, Fred H. Hamilton, G. C. Ransom, W. T. Renaker and W. B. McCormick, secretary of board.

No bank could celebrate even its first anniversary without the good will and loyal support of its customers. "To you who have helped us to reach this current milestone we are grateful indeed; and all of us who have had the privilege of serving you wish to say 'thank you.'"

That we shall continue to do our utmost for you goes without say," officers of the organization said.

YOUR FIELD WORK**

Big fields are covered in a hurry with the Allis-Chalmers WD Tractor and its 4-Row, Quick-Hitch Cultivator.

Parallel linkage permits each ground rig to maintain a constant depth, independently of the others. Soil flows uniformly around the plants in all four rows. Precision gang bearings prevent sweeps from dodging grass clumps, weeds or hard spots.

Just flip the hydraulic lever on the WD Tractor's steering column and the gangs lift or lower quickly for quick turning.

FOR SALE

STORE PROPERTY AND STOCK OF MERCHANDISE
L. C. Scothorn has authorized us to sell his large store building and stock of general merchandise at Idlewild, Boone County, Kentucky, 16 miles from Covington, on Highway 20.

REAL ESTATE
Consists of a brick store building 40x60 with full basement and furnace; ware room 30x40 with full basement, poured concrete foundations; a 3-room dwelling.

MERCHANDISE AND EQUIPMENT
A complete line of groceries, dry goods, hardware, paints, shoes, etc. Refrigeration for meats, vegetables and beverages. BEER LICENSE. Cash registers, scales, desks, counters and all kinds of equipment found in a first class general store.

This location is in the most prosperous section of Boone County and the store has been operated by present owner 49 years and now selling because of ill health. Doing over a Hundred Thousand Dollars worth of business a year. No other store within a radius of 5 miles. This has always been known as the largest general store in the county where most everything is carried in stock that the public requires. It has been an old saying that, "if you can't find what you want elsewhere you will find it at Scothorn's."

Here is a large money-making business, already established and being offered at an unusually low walk-out price. Immediate possession.

You will have to see this property to appreciate its value and money-making possibilities.

HOW DO YOU STAND, JOE?

Let's bring the issues of the campaign out in the open so that all of the citizens of Boone and Gallatin Counties may be informed.

(1) A Constitutional Amendment is proposed to eliminate the present method of distributing School Funds by the State to the local school districts. The parents, the teachers, and the taxpayers are vitally interested in this matter, HOW DO YOU STAND, JOE?

(2) According to reports appearing in the local daily newspapers, you were second on the list of State Representatives who signed a petition to release two (2) members of the United Mine Workers Union convicted of beating a non-member, non-union worker near Morganfield, Kentucky during the organization labor dispute two years ago. The convicted men only started serving the sentence March 28, 1953 after losing appeals in Kentucky and Federal Courts. The battle was even carried to the United States Supreme Court. Can you explain this action and tell us HOW DO YOU STAND, JOE?

(3) When you were a candidate for the legislature two years ago and some of your more ardent supporters did a good job of "Vote Getting," on the grounds that you were strictly opposed to all forms of gambling and sale or use of intoxicating liquors. According to the record, you were strangely silent on March 17, 1952, when H. B. No. 430 was under discussion and was voted on by the House of Representatives. As a member of the House of Representatives you must have known that H. B. No. 430 was prepared, designed, introduced and supported by the liquor interests to legalize the sale of intoxicating liquors at race tracks in Kentucky. HOW DO YOU STAND, JOE?

P. S. Your constituents would like an immediate answer to the above questions.

—This space bought and paid for by R. M. HALL candidate for State Representative, Boone and Gallatin Counties.

Constance Man Injured Fatally In Auto Accident

Car Smashing Into Utility Pole On Amsterdam Road.

Matthew Louis Kolar, 25, of Minneola Pike, near Constance, was killed Sunday when the auto in which he was riding went out of control on a curve on Amsterdam road, Park Hills, and smashed into a utility pole near Altavia Avenue.

Two other passengers in the car, Robert Doolin, 25 and his wife, June, 24, of 423 Crescent Avenue, Covington, suffered minor cuts and bruises in the accident.

Officers reported that Kolar was thrown from the car. The door on the driver's side had been torn nearly off and was resting on Mr. Kolar's body.

The Bromley Life Squad took Mr. Kolar to Booth Hospital, where he was pronounced dead on arrival. He suffered a broken neck, deep cuts on the throat and fractured left leg. A verdict of accidental death was given by Acting Kenton County Coroner.

Mr. Kolar is survived by his parents, Mr. and Mrs. Joseph Kolar, with whom he lived; two brothers, James, Covington, and Joseph, at home, and a sister, Mrs. Vera Lapp, of Bromley.

Requiem High Mass was sung at 9:00 a. m. Tuesday at St. James Church, Ludlow, with burial in St. Mary Cemetery, Fort Mitchell. The Catherman funeral home, Ludlow, was in charge of arrangements.

Infant Martin

Funeral services were held at 10 a. m. Tuesday at the Stith funeral home, Florence, for Howard Kenneth Martin, nine-day-old son of Mr. and Mrs. Alfred Martin, of Burlington, who died Sunday at St. Elizabeth Hospital, Covington. Burial will be in Bellevue Cemetery.

Besides his parents, the child is survived by two sisters, Judy Darlene and Barbara Lynn, at home, and paternal grandparents, Mr. and Mrs. William Deek, of Bellevue.

Bellevue Church Will Celebrate 150th Birthday

The Bellevue Baptist Church will celebrate its one hundred fiftieth anniversary Sunday, August 16, 1953. It was announced this week. Bellevue is the second oldest church in Boone County.

Everyone is cordially invited to attend services on this day. A special invitation is extended to all members and former members.

Further announcements concerning the program for this occasion will be carried in a later issue.

\$500,000 Disposal Plant Resolution To Be Presented

Residents of Florence; "Straw Vote" Cards Will Be Mailed.

Steps toward a \$500,000 sewage disposal system for the city of Florence were taken at a meeting of the Town Board on Tuesday night of last week. City Attorney, Ervin L. Bramlage was instructed to draw up a resolution of necessity, the first step toward an ordinance approving the project.

A letter will be written by Mr. Bramlage explaining the necessity for sewage disposal and giving the approximate cost of the improvement to each property. The letter will be accompanied by a "straw vote" card which will be mailed or delivered to each owner in the city. Each property owner will be asked to vote whether he is for or against the system. The cards are to be returned to William Fitzgerald, City Clerk, and tallied for an expression of public sentiment.

The sewage system would cost each property owner approximately \$4 a foot. This would be on a direct assessment basis and each owner would have to pay the entire cost within 30 days after the project had been accepted by the city.

Mr. Bramlage explained that if the cost was paid through assessment bonds contractors would increase their estimates between 30 and 40 per cent because of the difficulty in collecting from individual property owners.

Local Youth Injured While Serving In Korea

Pfc. Robert W. Cooper, son of Mr. and Mrs. Ernest R. Cooper, Route 1, Walton, has been injured while serving with the U. S. Army in Korea, the Department of Defense reported.

No details were given by the department concerning his injuries.

Ralph Maurer Resigns Burlington Post

Ralph Maurer, of Burlington who has served ten years in Boone County schools as teacher and coach resigned his position as teacher and athletic director at the Burlington high school Friday of last week.

Mr. Maurer has served the past seven years as coach and teacher at Burlington and three years as coach and teacher at New Haven, prior to World War II. He served three years with the U. S. Army, two years of which time he spent overseas.

His post in Burlington school has not been filled as yet, according to H. N. Ockerman, County Superintendent.

Grasshoppers Causing Damage In Some Areas

Threat Is Not Serious At This Time, Says County Agent.

There have been some outbreaks of grasshoppers in several localities in Boone County, although they have not become serious, it was announced this week by County Agent Joe Claxton. If the grasshoppers should develop and appear in number, the following control measures should be put into practice without delay.

Several insecticides are recommended for use against grasshoppers, some of which are listed here with the amount of active ingredient per acre when used as a spray:

Aldrin—2 ounces for young grasshoppers; 4 ounces for old ones.

Chlordane—1 pound for young grasshoppers; 1 1/2 pounds for old ones.

Toxaphene—1 1/2 pounds for young grasshoppers; 2 pounds for old ones.

The emulsion form of the insecticide is best adapted to the weed sprayer type of applicator. If wettable powders are used continuous agitation of the liquid in the tank must be provided. The gear pumps, commonly used in weed-sprayers, do not provide enough agitation and settling of the material occurs causing uneven distribution and poor control.

If dusts are used the dosage recommended for sprays should be increased by 50 percent.

Poisoned baits can be used effectively in many instances. They do not leave poisonous residues upon plants, and they can be prepared and applied without any special equipment. They are most effective against young grasshoppers that are found in short vegetation or in open spaces. They are not so effective in tall, rank and dense vegetation.

Poisoned, wet bait should be broadcast by hand or with a broadcast machine at the rate of 20 pounds per acre. The best time to make the application is early in the morning from about 5 to 9 a. m.

The formula for the preparation of the bait is as follows:

Bran—100 pounds (or 25 pounds of bran and 3 1/2 bushels of sawdust mixed well).

Aldrin—2 ounces actual from the emulsion concentrate, or Chlordane, 1 1/2 pounds actual from the emulsion concentrate or Toxaphene 1 pound actual from the emulsion concentrate. Water enough to make a moist, crumbly mash, 8-10 gallons depending upon moisture in bran and/or sawdust.

The poison concentrate should be stirred thoroughly into the water. The poisoned water should then be mixed well with the carrier. Corn meal and tobacco can be protected by treating the margins of the fields and adjacent fields of small grain, bluegrass, alfalfa, clover and weed patches.

Forage, treated with aldrin, chlordane or toxaphene should not be fed to dairy animals or to animals being finished for slaughter. Animals should be kept off treated pastures for a period of at least two weeks following the application of the insecticides are used on vegetables or fruits, they should not be applied to the parts of the plants that will be eaten or marketed unless residues of these insecticides can be removed by washing, stripping or peeling.

Extensive Plans Made For Better 4-H And Utopia Fair

University Experts Will Judge Exhibits In Three-Day Event.

The Boone County Utopia and 4-H Fair will be held August 6, 7, and 8th. The committees have been working hard in getting up the premium list in order that the exhibitors and public may enjoy the best in county fairs in Kentucky.

Registration of exhibits will start at 9:00 a. m. Thursday, August 6th. The judging of all Home Economics, garden, fruit, field crops, corn, 4-H club project and dairy will be held on Thursday. Miss Edith Lacy, Miss Lullie Logan, University of Kentucky will judge the Home Economics exhibits. All homemakers are urged to bring exhibits to the fair. The 4-H and open class and dairy show will start Thursday morning with Dr. M. D. Seath, head of the Dairy Department, University of Kentucky as judge of the show. Plans have been made for an outstanding dairy show.

J. E. Humphrey, Field Agent in Poultry, University of Kentucky will judge the poultry and rabbit classes. E. E. Fish, University of Kentucky will judge the fruit and vegetables.

On Friday, August 7th, the judging of sheep, hogs, and beef will start at 9:00 a. m. Robert Crouch, Assistant County Agent, Campbell County will be the judge.

Earl Huffman, professional master of ceremony will be master of ceremonies of the fair. Thursday night there will be an all-star show starting at 8:00 p. m. This will be a variety show which you will not want to miss.

On Friday night, Saturday afternoon and Saturday night there will be a horse show with Claude Alexander as judge. Mr. Alexander is a noted judge throughout the country. Frank Kelly and Lillie Scott are superintendents of the show. Paul DeLoft will be master of ceremonies.

New classes have been added to the 4-H exhibits to cover all 4-H projects. Record books are required of each 4-H club member that exhibits. Joe Claxton, Boone County Agricultural Agent urges all 4-H club members to exhibit their projects.

Grand Ole Opry Stars Will Feature Verona Program Sun.

Autry Inman, Grand Ole Opry entertainer will be the feature attraction at Verona Lake Ranch, Verona, Ky., Sunday, July 26, at 2:30 p. m., according to Bill Scroggin.

Inman, one of the nation's outstanding entertainers, mastered many musical instruments at the age of 12 years. He served for several years as a court reporter, and is one of the country's outstanding composers, some of his compositions being "Let's Take The Long Way Home," "I Hope Tomorrow Never Comes," "Mr. Moon" and many others. He is a Decca recording artist.

This will mark the first appearance of Grand Ole Opry stars at Verona Lake Ranch this season, Mr. Scroggin said. An overflow crowd is expected to attend.

Jimmy Skinner and other radio and TV stars will appear on the program in connection with Mr. Inman. An amateur show will also be one of the features of the afternoon.

A full afternoon of entertainment is in store for those attending Sunday, Mr. Scroggin said.

Softball Games Rained Out Friday Night

All games of the Boone County Fast Pitch League, were rained out last Friday night.

The Burlington-Petersburg make-up game was played Tuesday night, while New Haven and Kentaboo will play their make-up game Monday, July 27 at New Haven.

Games Friday night will pit Burlington against New Haven at New Haven; Florence vs. Petersburg at Burlington, and Kentaboo will travel to Walton.

Burlington played the Counselors from Camp Ernst Thursday night, emerging on the long end of a 6-1 count. McNeely was on the hill for Burlington and gave up four hits, while his teammates were collecting eight safeties from the offerings of Treklaid. Smith and G. Rouse had two hits each for Burlington. Splendid fielding was displayed by members of both teams.

THIEVES LOSE TRACTOR IN ATTEMPT TO STEAL ANOTHER AT UNION

Thieves lost one tractor in attempting to steal another at the farm of Ed Hamilton, Union, R. 1, early Monday morning, according to reports.

The culprits evidently had unloaded the 1952 Ford tractor in order to load Hamilton's tractor. They were frightened away, leaving the Ford.

Mr. Hamilton stated that the person owning the 1952 Ford can claim same by showing bill of sale and proving ownership.

Cook-Stephenson

The Union Baptist Church was the scene of a very beautiful wedding Saturday evening, June 11, at 7:30, when in the presence of some two hundred relatives and friends, Miss Sara Frances Cook, daughter of Mr. and Mrs. Elbert Cook, of Union, Ky., and Mr. Russell Franklin Stephenson, son of Mrs. Anna Belle Stephenson, Beaver Lick, Ky., were united in marriage by the Reverend Elbert Carpenter.

The bride, beautifully attired in a gown of chantilly lace over white satin, her fingertip veil of illusion flowing from a tiera of white sequins and seed pearls, and carrying a bouquet of white roses, entered the church on the arm of her father. Preceded by her small brother, Master Dickie Cook, ring bearer, she walked to the altar where she was met by the groom and other attendants.

The church was tastefully decorated in palms, ivy, and white gladiolas and carnations. White tapers in tall candleabra, created a most attractive lighting effect.

Three vocal selections, "My Hero," "Because," and "The Lord's Prayer," rendered by Mrs. John Lusher, aunt of the bride, added to the beauty of the ceremony. The vocalist was accompanied on the electric organ by Mrs. Lawrence Black, a great aunt of the bride.

Miss Joan Anderson, maid of honor, was lovely in a blue gown of net with bodice and apron and lace. She carried a bouquet of pink roses.

The bridesmaids, Mrs. LeRoy Moore, and Miss Martha Lauber, wearing matching dresses of orchid net with lace bodice and apron and carrying yellow rosebuds were very pretty.

Mr. Stephenson had as his best man, his brother, Mr. Howard Stephenson, and the ushers were Mr. James Cook, brother of the bride, and Mr. William Stephenson, brother of the groom.

After the ever impressive wedding lines were read, the wedding party proceeded to the entrance of the church where an informal receiving line was formed and the wedding party was joined by the mothers of the bride and groom.

Mrs. Elbert Cook, mother of the bride, wore a lovely blue linen dress with white accessories and a corsage of white carnations. Mrs. Anna Belle Stephenson, mother of the groom, wore a very pretty dress of blue nylon with white accessories and a corsage of white carnations.

After a brief time with the guests at the reception, which was held at the church, the bride and groom left for the home of the bride where she changed into a grey dress with white accessories, brightened with a corsage of red roses, and then they left for a week's wedding trip to Georgia and the Coast.

This popular young couple are at home to their friends after July 19, at their beautifully furnished apartment on the George Baker farm at Beaver Lick, Ky.

Wheat Quota Referendum Set For August 14th

Two-Thirds Or More Of Eligible Farmers Must Approve Quotas.

On August 14 wheat farmers will vote for or against marketing quotas for the 1954 crop, it was announced by Walter Brown, Clerk of the local PMA office.

As required by law, the Secretary of Agriculture has proclaimed wheat quotas—subject to a grower referendum. Two-thirds or more of the eligible farmers who vote must approve quotas before they can be put into effect.

Farmers themselves will therefore make the final decision on whether or not quota controls will apply to 1954 wheat production.

Why the Quota Referendum? The controlling legislation provides for a quota proclamation whenever the total supply of wheat available for the marketing year exceeds the "normal supply" by more than 20 percent. The "normal supply," as determined under the formula of the law this year, is 1 billion 156 million bushels. The supply actually available is estimated at 1 billion 760 million bushels—the largest supply in the Nation's history, and more than 50 percent above the "normal supply."

In this situation, the proclamation of quotas was mandatory. Wheat farmers should study the situation carefully, make their decision with full understanding of the issues involved, and then be sure to vote. It is an important decision—and it's their decision.

Electric Farm Show And Meeting Will Be Held July 27-28

By Owen County REA At Verona Lake Ranch; Large Crowd Expected.

Plans are rounding into shape for the fifth annual electric farm show and meeting of the Owen County Rural Electric Cooperative Corporation, Co-op Manager Chas. Richardson announced today. The show and meeting will be staged July 27 and 28 at Verona Lake Ranch, Boone County.

Mr. Richardson describes this year's show as "the biggest and greatest." He says the show will feature sparkling entertainment for young and old. Last year's crowd of over 4,000 is expected to be surpassed. The show is free to the public.

The show will begin at 6:30 p. m. opening day, July 27. Registration begins at 9:00 a. m. Tuesday, July 28. The program for opening night and all of the following day will move continuously with entertainment, contests, drawings for prizes, a movie, rides for children, exhibition and demonstration booths, and many other features.

The Co-op will hold a business meeting at 1:30 p. m. on the second day of the program, at which time directors will be elected and policies will be decided.

Variety of Entertainment

Featured on the entertainment bill will be Dick Wilson, comedy master of ceremonies, Irish singer and pantomime artist whose act is slanted to rural family audiences; Capt. Ferguson and his "Society Circus," a collection of trained dogs, a monkey and four military ponies; Jesse Sides, a unicycle and bicycle artist and clown; and the Snyder Sisters, folk singers.

Varied contests will be held for all age groups of both sexes. Valuable prizes and a chance to compete later in state contests will go to the winners of beauty, talent, handicraft, and tractor driving contests.

Something For Wee Ones

For the tykes, there will be a "Kiddieland," offering rides and other forms of recreation. This is a new feature of the Farm Show.

The latest in both electrical and mechanical appliances and equipment can be seen at the exhibition and demonstration booths.

A color film made here in Kentucky, titled, "Democracy in The Cornfield," will be featured.

WE WRITE DRIVER LICENSES STARTING JULY 25TH

Lavish Grandstand Revue Scheduled For State Fair

The most lavish Grandstand Revue ever to appear at the Kentucky State Fair starting Friday, September 11th, through Saturday, September 19th, will be "The Kentucky State Fair Golden Anniversary Revue." The extravaganza, being staged under the supervision of Gertrude and Randolph Avery, is now going through its creative stages in the mammoth production center of the Barnes-Caruthers Theatrical Enterprises in Chicago.

In addition to a gala and colorful revue, an innovation in stage platforms will be seen here for the first time. Special platforms in front of the Grandstand will carry performers and scenery right down to the footlights.

The new mechanical platforms will add much to the colorful scenes which open with "Television on Parade," portraying various scenes one sees through his living room television set. The numbers will portray everything from dancing to sports with scenes depicting the action in a television studio with the cameras grinding and a huge make-believe screen showing the finished product. The number will call for many costume changes with the directors and cameramen all a part of the moving props.

There will be a variety of fast moving dances which end in a blaze of color portraying the Rose Bowl game.

Another interesting number in the revue will be "Star Light" with a cast of beautiful chorines in gay and decorative costumes, long and flowing gowns studded with sequins and sparkling stones. The girls will carry props which light in the dark giving the scene a motional shadow effect.

Some of the acts appearing in the

revue will be The Marvels, a sensational teeter board act; Henry French, comedy bicycle act; the 3 Olympics, hand balancers; Hodgins Dogs and Ponies, animal act; Bruce Sidinger, Trampoline Comedy act; and Smith and Allen, who will provide comedy routines.

"The Kentucky State Fair is going all out to provide the best in entertainment for their Golden Anniversary guests, and the best part of it is that all Grandstand attractions will be free," states J. Dan Baldwin, fair manager.

Bolte Will Visit Erlanger, July 28

Edward J. Bolte, field representative of the Social Security Administration, will be at the Post Office in Erlanger from 3 to 4 p. m. on Tuesday, July 28th. He will receive applications for Old-Age and Survivors Insurance benefits under the Social Security law, as well as accept applications for Social Security Account numbers.

Mr. Bolte is available for consultation on any phase of the Social Security law, as well as for appearance before regular groups, clubs, or special gatherings to explain the Old-Age and Survivors provisions of the law. No charge is made for this service. Contact the Covington Social Security office if you contemplate having such a meeting.

A series of historical incidents helped keep Kentucky from breaking into national industrial prominence until after World War II. Among them were the annexation of the Philippine Islands in the 1890's, which seriously hampered the state's thriving hemp industry due to a cheaper source of hemp in the island, and the discovery of the Mesabi range, which provided cheaper and richer iron ore than was being turned out in Kentucky's busy furnaces.

PHI BETA PSI SEVENTH ANNUAL CHARITY HORSE SHOW PLANNED JULY 25-26

Phi Beta Psi Sorority of Lawrenceburg, Indiana, a member of Tri State Horse Show Association, is planning its seventh annual Charity Horse Show to be held at the Dearborn County fairgrounds Saturday evening and Sunday afternoon, July 25 and 26th, the two days immediately preceding the Dearborn County Fair. Under the general chairmanship of Mrs. William Ritzman and her assistant, Miss Sue Wood, the group is planning two well-balanced shows. Mr. Gilbert Phillips of Shelbyville, Ky., will judge and the prize money and cups will total approximately \$1200. Mrs. Ritzman and her committee are hoping to have a most successful show this year in order to help carry out the sorority's charity work totalling over \$2,000 annually.

Most Kentucky soils are low in nitrogen, and heavily all of them outside the Blue Grass need phosphorus.

Webster county homemakers used about 300 pounds of hong kong and oriental sea grass in weaving seats for 180 chairs and stools.

NOTICE

After July 22nd, the Bank will not be open on Wednesday afternoons, until further notice.

Florence

Mr. and Mrs. Ed Kampsen and daughter Betty Lou, of Sweetbriar Ave., and a friend James Waymeyer are at home following a vacation with Mr. Kampsen's brothers in Miami, Fla. The party enjoyed a fine time fishing and landed some big ones.

Mr. and Mrs. Karl Keim, their daughter Nancy and son David, of Tucson, Arizona, arrived Tuesday evening at the home of Mrs. Keim's parents, Mr. and Mrs. Geo. Miller for their annual visit with them and other relatives.

Mrs. Mary Carpenter and grandson Tykile, of N. Miami, Fla., are visiting relatives and friends here. A. B. Renaker, of Burlington and Mrs. W. R. Miller were among guests at the annual Renaker reunion at the White Oak Methodist

Church near Cynthiana, Sunday of last week.

Mr. and Mrs. Wm. Lynch and family, of Morristown, N. J., were guests of Mr. and Mrs. Ed Kampsen, of Sweetbriar Ave., Monday evening of last week.

Mr. and Mrs. Homer Eades and daughter Sally, of Chattanooga, Tenn., are guests of relatives here.

Following an illness of seven years Noah A. Zimmerman, 71 succumbed at home, 4 Park Ave., Elsmere, Thursday. A retired farmer and native of Boone County he was a member of Hopeful Lutheran Church. Services were from the Taliaferro funeral home Saturday at 2:30 p. m., his pastor Rev. W. C. Butt officiating. Interment was in Hopeful cemetery. He leaves his wife, Mrs. Glendora Zimmerman;

three sons Robert, Burlington, and Harold and Marvin Zimmerman at home; three daughters, Mrs. Dorothy Byland and Mrs. Louis Riddell, Florence and Mrs. Charles Stark, Covington and nine grandchildren. The sympathy of the community is extended the family.

Mrs. Mortimer Moss entertained at dinner Thursday for Mrs. W. R. Miller and her house guest, Mrs. Mary Carpenter.

Mr. and Mrs. Emerson Smith were recent guests of Mr. and Mrs. R. E. Tanner.

It is reported here that Elmer Surface of Covington recently underwent surgery at St. Elizabeth hospital.

The M. Y. F. organization of the Florence Methodist Church will entertain the M. Y. F. of Trinity Methodist Church, Cincinnati at Lambert's farm on U. S. 25 July 26. There will be a picnic lunch recreation, and devotional services and the group will return to the church to conduct the evening service 7:30 p. m. All members are urged to attend and each one is requested to bring lunch for two.

Mr. and Mrs. John W. Dolwick, Jr., entertained with a family picnic dinner party Sunday at their home on Mineola Road, honor guests being the Karl Keim family of Tucson, Arizona and Homer Eades family, of Chattanooga, Tenn.

Two welcome rains fell here the past week which revived all vegetation.

House Numbers Are Available At Office Of Florence Clerk

Lists of correct house numbers are now available either at the office of the Town Clerk, William

Fitzgerald, or in the office of the Postmaster, Lawrence L. Aylor, Florence. Lists of the correct numbers are complete within the city limits, with the exception of residents along Highways 25 and 42. Due to technical difficulties these few exceptions are incomplete, but should be available within the near future.

Main Street from traffic light to traffic light within the business section has been completed, also all streets and new subdivisions are numbered which have been annexed to the town.

It is most essential that these new numbers be put into use at the earliest possible date, not only for mailing purposes, but also for delivery purposes.

You will be doing a kind service if you will notify the Union Light, Heat and Power Company and the Kenton County Water Commission in Covington, when you begin using your correct street address. Your local telephone office will particularly be grateful if you will file your address with them, consisting of name of street and your

new house number.

Residents are urged to work together in making the town a much better place in which to live and work. Your whole-hearted cooperation is welcomed and needed. A word of appreciation is due the Town Clerk and the Postmaster for their untiring efforts in completing this arduous task. Show your appreciation by being the first to display your correct house number.

WOMAN'S SOCIETY MEETS

Mrs. Paul Chaney was hostess to the Woman's Society of Christian Service of the Florence Methodist Church, Thursday, July 23 at her home on Burlington Road. The opening prayer by Mrs. C. R. Marshall District President was followed by the reading of reports. The president, Mrs. Chaney then turned the meeting over to Mrs. C. S. West, vice president, who introduced Mrs. O. W. Robinson, of Southgate, Ky., who presented a very interesting talk on the subject "Laborers for Christ."

For the dismissal the group formed a circle and the prayer was by Mrs. C. N. Ogg. A social hour followed and refreshments were dispensed to the following members and guests: Mesdames Eva and Ida Miller, Owen Bethel, A. T. Knox, S. J. Bradley, Jane Stephens, Marian Lucas, C. S. West, Sara Jones, Sophia Jones, Naomi Chaney, C. N. Ogg, Nannie Mitchell, Allie Markesbery, H. T. Barnett, L. Allen, Harry Daugherty and Miss Mae Slinger. Guests were Mrs. O. W. Robinson, Mrs. Jacobson, of Gunpowder Road, C. R. Marshall, Camp Ernest Road, and Mrs. W. E. Park, Covington. —Publicity Chairman.

FEEL the difference..
AT THE WHEEL

There's a real difference with Allis-Chalmers Level-Depth Cultivators. You can sense it from the tractor's seat... the level running, even in rough ground... the freedom from vibration.

You can see the difference, too... in the even flow of soil... the control you have in placing it around plants. Parallel linkage is the key to this new cultivating action. It provides natural penetration without forcing.

And get-ready time is reduced to minutes. Swing the front gangs open like a gate and drive your WD or CA Tractor in.

There is a difference in cultivating with Allis-Chalmers Cultivators. Let us prove it... in your own field.

To The Voters of Boone County:

During the past several weeks rumors have been circulated throughout the county that I had selected a deputy as a running mate. Due to these rumors, I am making the following statement:

At the time these rumors were circulated I had not selected anyone for a deputy, but wish to state that if elected Sheriff, my deputy will be a young World War II veteran, who will be both capable and sincere in filling the duties of this office.

TO THE DEMOCRATIC VOTERS OF BOONE COUNTY:

James C. Cubbage

I, James C. Cubbage, candidate for Senator of the 28th Kentucky Senatorial District, in which Boone county is included, submit the following formal statement to the voters:

1. I was born in Owen county, November 25, 1910, however, I have lived most of my life in Henry county, in the City of Pleasureville where I now reside. I am a graduate of Pleasureville High School and attended Georgetown College. I am married and have a daughter thirteen years old.

2. I have always taken an active interest in public and civic affairs. For the past thirty-two years I have been a member of the Pleasureville Baptist church. I am a member of the Independent Order of Odd Fellows and organized the East Henry County Farmers and Business Men's Club, serving as president for two terms. This club has a large membership devoted to the interest of rural problems. For the past five years I have been chairman of the Pleasureville City Council and feel that I have been somewhat instrumental in freeing this city of indebtedness for the first time in over thirty years.

3. For over twenty years I have actively worked for and supported the interests of the Democratic Party, serving as secretary of the Sixth Congressional District of Young Democratic Clubs, and presently am state treasurer of this organization.

I feel that I am well qualified to serve the interests of the farmers and small businessmen as well as other groups of this district since in the operation of a general insurance agency in a rural community, I am reminded daily of the problems confronting these people. Likewise, educational problems within our district and state have long been of vital interest to me, and I will work hard for improvement of our schools. I have similar interests in the state and county highway programs, and believe that five years service, approximately 12 months of which were spent in Boone county, with the Engineering Division of the Kentucky State Highway Department gives me a working knowledge of our road problems. I have always been a strong supporter of a better rural and intra-state highway system.

4. I have pledged to these and other groups that I will be a "Working Senator," keeping in touch with them relative to their legislative interests and desires. At your request, I will meet with any recognized group or individual. It is my firm conviction that I can best represent my senatorial district by keeping in personal contact with the people of this district. To these people I have pledged that after evaluating the information obtained, I will, to the best of my ability, at all times vote the will of the people. The pledges I make to you can be kept because I am not a controlled candidate under the domination of influences outside this district and the State. I am running to be your State Senator.

5. In traveling in your county the past few weeks I have been gratified and greatly encouraged by your many kind remarks and acts concerning my candidacy for Senator. Although it is physically impossible to contact each of you personally, I am sure you can and will appreciate the tremendous task I have had in making a campaign in a district which embraces seven counties, consisting of a population of approximately 70,000 in 122 precincts. I sincerely hope, if you are among those whom I have not yet been able to see, you will understand that as your Senator I will look forward to meeting with you or hearing from you in the future.

You may rest assured that all communications, regardless of nature, will be promptly and courteously recognized. I have an earnest and sincere desire to serve and to be of service to the people of this district and to the State of Kentucky at all times.

To the people of Boone county, I simply and honestly say "Thanks" and ask your support now and on August 1.

Sincerely,
JAMES C. CUBBAGE,

Transportation Costs County School System Total of \$32,866 Annually

Each year the Boone County school system pays \$32,866.53 to transport 1,645 children to and from school. Fifty-seven independent school districts pay no transportation costs. Yet all districts receive the same aid for each child residing in the district. School districts which must provide transportation for children have fewer dollars with which to provide good schools than districts with no transportation costs. Because of this most school buses are overcrowded and travel long distances. Hundreds of school children leave home before daylight and return after dark during much of the school year.

Kentucky can provide state funds to help local districts transport children through a minimum foundation program of education. To do this, Section 186 of the Kentucky Constitution must be amended.

Former Boone Countians Celebrate 50th Anniversary

Mr. and Mrs. Charles P. Hoffman, of Price Hill, Cincinnati, O., will celebrate their golden wedding anniversary on Sunday, July 26th with open house from 2 to 5 p. m. at the home of their daughter, Mrs. George L. Jones, 98 Home St., Erlanger, Ky.

Mr. Hoffman is employed at the W. H. Simmons & Co., for the past 20 years. They have been residents of Cincinnati for the past 49 years. Both were formerly from Petersburg, Ky. They were married in Covington.

They also have a son Clarence A. Hoffman, Cincinnati, four grandchildren and one great-grandchild.

Negro homemakers club members in Franklin, Shelby and Scott counties are refinishing more than 100 pieces of furniture.

Boone County Garden Club Picnic Held

The picnic, held by the Boone County Garden Club at Dam 38, July 14, was a decided success. Highlights were a bountiful lunch, the passing of two boats thru the lock, and the donation of a lovely imported azalea plant to every garden club member.

We had as one of our guests Dr. T. C. Crume, one of Northern Kentucky's outstanding nurserymen, who told us if we would call at his home he would give us each one of these lovely plants to use as an experiment. Needless to say he had quite a few callers since last Tuesday.

Plans were discussed for the garden club flower show to be held at the Florence Christian Church, Sept. 17. It was suggested that we have a plant sale in connection with the show. Proceeds to go toward paying expenses of the show. Donations will be gladly accepted.

Remember, all amateur flower growers of Boone County are eligible to enter in all and every class. Rules and entire list will be published before September 1. Look for them in your local paper.

Those attending the picnic were Dr. and Mrs. T. C. Crume, Rev. and Mrs. Robt. Carter, Mrs. M. K. Cook, Miss Maureen Cook, Mrs. Clarence Wolfe and friend, Mrs. C. L. Wagner, of Washington, D. C., Mrs. Sam Denham, Sr., Mrs. Sam Denham, Jr., Misses Sherry Lou Denham and Doris June Southern, Mrs. Wm. Wessler and niece, Mrs. Roy Lutes, Miss Ann Lutes, Mrs. Harold Corner, Mrs. Wm. Lee Grant, Mrs. Tom Hensley, Mrs. H. V. Leonard, Mrs. R. C. Garrison, Mrs. Nellie M. Markland and Mrs. Ruby Hollis.

FOR SALE

STORE PROPERTY AND STOCK OF MERCHANDISE
L. C. Scothorn has authorized us to sell his large store building and stock of general merchandise at Idlewild, Boone County, Kentucky, 16 miles from Covington, on Highway 20.

REAL ESTATE

Consists of a brick store building 40x60 with full basement and furnace; ware room 30x40 with full basement, poured concrete foundations; a 3-room dwelling.

MERCHANDISE AND EQUIPMENT

A complete line of groceries, dry goods, hardware, paints, shoes, etc. Refrigeration for meats, vegetables and beverages. BEER LICENSE. Cash registers, scales, desks, counters and all kinds of equipment found in a first class general store.

This location is in the most prosperous section of Boone County and the store has been operated by present owner 49 years and now selling because of ill health. Doing over a Hundred Thousand Dollars worth of business a year. No other store within a radius of 5 miles. This has always been known as the largest general store in the county where most everything is carried in stock that the public requires. It has been an old saying that, "if you can't find what you want elsewhere you will find it at Scothorn's."

Here is a large money-making business, already established and being offered at an unusually low walk-out price. Immediate possession.

You will have to see this property to appreciate its value and money-making possibilities.

CARD OF THANKS.

We wish to express our sincere thanks and appreciation to our friends, neighbors and relatives for the kindness shown us during the illness and death of our beloved husband and father,

Harold L. Crigler
We especially want to thank Dr. Hafer for his untiring efforts; Rev. J. E. Stomberger for his consoling words; the choir and organist for their beautiful music; those who sent the lovely flowers and sympathy messages; the Masonic lodge for their impressive service; and Bullock Memorial for the kind and efficient way the funeral was conducted. The kindness of all will be remembered always.

Did you know—
that right now,
ELECTRICITY, your "Wired Hand," is a bigger bargain than it has ever been?

That's a fact. Possibly you haven't realized that is so, because actually you are using more electricity on your farm today than you were five years ago. And also, your rural rate for electricity has been reduced during the past five years. The result is that the electricity you use to do the hard work on your farm is the biggest bargain you can get.

So, let electricity work for you to make farm work easier and more profitable—farm living more convenient and comfortable.

Twenty-First Annual Fair Will Present Varied Program

Event Will Be Held Three Days and Three Nights At Fair Grounds.

Exhibits, music, entertainment and recreation is what you will find at the twenty-first annual Boone County Utopia and 4-H Fair, Joe Claxon, County Agent stated in discussing fair plans. Three nights and three days, August 6, 7, and 8th at the 4-H and Utopia Fair Grounds, Burlington, will be enjoyed by fair goers.

The schedule of activities at the opening of the fair on Thursday morning will be: Registration of all exhibits starting at 9:00; 11:00 a. m. dairy show, Wilfred Scott, superintendent; 3:00 p. m. feed sack dress revue and style show; 8:00 p. m. All-Star show with Earl Huffman, master of ceremonies.

The K. T. B. square dancers will be one of the main attractions on Thursday and Friday night, August 6 and 7th. These are Boone County folks and you will want to see them.

On Friday there will be the judging of sheep, hogs and beef, special events and team pulling contest. At 8:30 p. m. the horse and pony show will begin.

Saturday, the tractor driving contest, special music and baby show, and exhibitors parade.

Saturday afternoon and Sunday night will be the horse and pony show. Claude Alexandria is from Chillicothe, Ohio and is well known. Frank Kelly and Lillard Scott will be superintendents of the show. Paul DeLott will be master of ceremonies.

Many commercial exhibits will be on the grounds this year, Mr. Claxon stated.

Bellevue Baptist Church Organized In 1803

On March 12, 1803 some members of the Bullittsburg Church met in a log cabin on Middle Creek, and after due consideration organized a church. Thus the beginning of Bellevue Baptist Church.

This church grew to be a thriving church and held regular monthly meetings until 1875. At this time R. E. Kirtley, the pastor began the agitation of moving the church from the cliffs to Bellevue, but this was not accomplished until after 1877, after a storm demolished the church. (Copied from old records of the church.)

Since that time the church has carried on in the little town of Bellevue. Many pastors have come and gone. All of the former pastors now living, have been invited to attend the 150th anniversary, August 16th. This is to be an all-day meeting with basket dinner. Everyone is cordially invited.

Duval Will Visit Burlington Aug. 3

F. E. Duval, contact representative of the Kentucky Ex-Service Men's Board will be present at Burlington Monday, August 3, from 1:00 to 3:00 p. m., at the courthouse to assist veterans and their dependents with claims for benefits due them as a result of their military service.

Erlanger Council Meeting Held To Discuss Water Bids

Opportunity Given Citizens To Comment On Proposal.

The Erlanger Town Council met last night (Wednesday) to take action on the Boone County Water Commission's proposed contract.

At a special meeting of the Council citizens of the community were given an opportunity to comment on the proposal of the Boone County Water Commission. The special meeting was held Tuesday at 7:45 p. m. at the Lloyd High School.

The Boone County Water Commission submitted a proposal to the towns of Florence Elsmere and Erlanger several weeks ago, it was announced. No definite action has been taken by the towns at this writing.

Other business coming before the Erlanger Council Tuesday night were the proposed storm sewer system, long and short term programs for street repairs, sanitary sewer extension, revision of building code and off-street parking.

TO ENTERTAIN AT FAIR

Mrs. Helen Buckler

Funeral services were held at 2:30 p. m. Tuesday at Bellevue Christian Church, for Mrs. Helen Buckler, 40, of Bellevue, who died Friday at Christ Hospital, Cincinnati, a few minutes after undergoing an operation. Burial was in Bellevue Cemetery.

Ralph Stith, Florence funeral director was in charge of arrangements.

Mrs. Buckler was a member of the Bellevue Christian Church and was active in the Ladies' Aid Society.

Mrs. Buckler died on the elevator while being taken to her room after the operation. She was returned to the operating room, where attempts were made to revive her.

She is survived by her husband, Alton; her parents, Mr. and Mrs. Elmer Jarrell, Bellevue, and a cousin, who was reared by her parents, Mrs. Alline Wardlow, Newwood, Ohio.

Wilbur Conner

Wilbur Conner, retired livestock dealer, died early Saturday morning at Bethesda Hospital after a short illness. He was 74 years.

Mr. Conner, a former Boone County resident, lived at 5075 Eastwood Circle, Oakley. He had been a livestock dealer at the Union Stockyards for 35 years. He retired 10 years ago.

Mr. Conner is survived by his widow, Mrs. Anna Hunley Conner; a daughter, Mrs. Hazel Ohe, of the home address, and three sons, Kirby Conner, 616 Dixie Ave.; Willard Conner, Rising Sun, Ind.; and David Conner, 1854 Denham St., and five grandchildren.

Funeral services were held at 10:30 a. m. Tuesday at the Charles A. Miller funeral home. Burial was in Burlington Cemetery.

District Postal Meeting Held July 25

On Saturday afternoon, July 25, a District meeting of the Kentucky State Branch of the National League of District Postmasters was held in Harlan, Kentucky at the Luwallen Hotel, conducted by the State Secretary-Treasurer, Mrs. Emma K. Riley, of Sparta, Kentucky.

The meeting was sponsored by Mrs. Emily Ison, postmaster at Benham, Kentucky, assisted by Morris Myers, postal assistant in Harlan.

President of the State League, Mr. Virgil E. Beasley, presided at the meeting following a welcome from a representative of the Harlan Chamber of Commerce. Mr. Beasley is the postmaster at West Somerset, Ky., and was elected president of the League at the State Convention held in Somerset in May.

Due to the absence of a postal inspector, who at the last moment was unable to attend, and who always has a question and answer period, the time allotted to this particular phase of the meeting was replaced by a round table discussion of postal matters, which proved a most valuable session to each and every one present.

In connection with the meeting, a banquet was held at 6:00 p. m. in the ballroom of the hotel. The editor of the leading newspaper was the guest speaker of the evening. Several guests were called upon to give short, informative talks. The musical portion of the program was supervised and presented by Lawrence L. Aylor of Florence, Ky., assisted by Mrs. Emma K. Riley postmaster at Sparta, Ky. Mr. and Mrs. Aylor and Mrs. Riley were the only Northern Kentucky delegates. Several meetings are scheduled to be held in the near future in different sections of the State. Mr. Aylor and Mrs. Riley were both designated as delegates to the National Convention to be held in November in Chicago, which will be the Golden Jubilee and will be held at the Hotel Morrison.

Mrs. Jack Caldwell was the regent guest of her mother, Mrs. Arlie Miller, of Casstown, Ohio.

Soil Conservation Field Meeting Planned Aug. 5

At Farm of J. Lassing Huey, Located Near New Haven School.

On August 5 at 1:00 p. m. E. S. T. the public is invited to attend a field meeting at the J. Lassing Huey farm, located behind the New Haven School house. Five years ago this farm was given a face lifting by the "Conservation Caravan." Many conservation practices were established such as meadow and pasture seeding, establishment of sod waterways, terraces, diversions and ponds. Mr. Huey and the Boone County Soil Conservation District Supervisors are inviting you back to see the results.

The program will also include a talk on grasses and legumes by George Richardson of McCullough Seed Co., M. W. Qualls, Director of the Division of Soil and Water Resources will present Master Conservation awards to the following farmers: J. Lassing Huey, S. W. Eichholz, Joe B. Heizer, Jr., Everett Flynn and Joseph R. Huey. These awards are given for outstanding conservation farming.

After this meeting the group will be invited to the farm of S. W. Eichholz to see an irrigation system in operation.

"Rabies" Booklet Available At Local Health Department

"Many old superstitions about rabies are still believed and told as true stories today," states a booklet just published by the Kentucky State Department of Health. The booklet, titled "Rabies," is available from all local health departments and tell the straight facts about the disease.

"Ancient Greeks called rabies 'hydrophobia' because they actually thought rabid animals were afraid of water. Instead, the animals could not drink because of throat paralysis."

Known long before the birth of Christ, rabies has existed in all parts of the world except Australia. Kentucky has one of the highest rabies rates in the United States although it has completely vanished in some states and foreign countries through control measures such as immunization of dogs and community action against stray animals.

Rabies is caused by a virus which is transmitted by saliva of an infected animal to a break or cut in the skin. The booklet describes "furious" rabies where "mad dog" symptoms are evident, and "dumb" rabies where the animal is drowsy, strikes only at movement and appears to have a bone lodged in its throat (lower jaw paralysis).

Another erroneous belief is that rabies is more prevalent in the "dog days" of summer. Actually, more cases appear in winter and early spring.

Because dogs and cats are so closely associated with humans, they usually are the source of infection to man, the booklet discloses, but rabies in other animals often is a severe economic loss to farmers.

In case of human exposure to an animal bite, the wound should be thoroughly washed with soap under running water, and a physician should be seen. The booklet tells how to prepare an animal's head for State Department of Health or Experimental Station (Lexington) laboratory analysis. The disease should be definitely diagnosed before treatment is given.

Recorder Begins 78th Year With This Week's Edition

Twelve-Page Paper Marks Beginning of New Year.

Volume 78, Number 1 heads The Recorder this week, marking the beginning of this paper's 78th consecutive year, probably being one of Northern Kentucky's oldest newspapers.

During by-gone years, The Recorder has had its share of the good and lean years, and has gradually progressed from its beginning, until today, growing both in size and in number of subscribers.

Although the present publisher has not been the owner since its beginning, we are just as proud of the success made by the paper prior to our ownership as during the past seventeen years.

During recent years the paper has procured a number of pieces of new machinery which tends to make a better newspaper, as well as increasing the output of commercial work in a satisfactory manner. In September 1939, the office was moved into a new building, where it has been published since that time.

Our advertisers and subscribers have made this progress possible through their loyal support throughout the years, and it is with sincere gratitude we wish to say "thanks for your wonderful support."

In the years to come, we hope to keep abreast of the times, giving to you, our advertisers and subscribers the best newspaper we are capable of producing.

With the beginning of our 78th year the paper carries 12 pages. These additional pages were necessary due to a heavy run of advertising and the publication of the 4-H and Utopia Club Fair premium list which will be found on another page of this issue.

Burlington Takes League Lead By Downing New Haven

Kentaboo and Florence Chalk Up Victories In Games Friday.

The Burlington team traveled to New Haven Friday night to give the Boosters a 11-3 trimming in the Boone County Fast Pitch Softball League. New Haven held the Burlington team to a 3 to 3 deadlock for four innings. Burlington added two runs in the fourth and six in the sixth inning to put the game on ice. Cropper, McNeely, G. Rouse, and T. Guiley were the leading hitters for the Burlington Club while Klinsenberg had 3 hits for the losers.

Hall was on the hill for Burlington. Hubbard and Gammon shared mound duties for New Haven with Hubbard receiving credit for the loss.

Kentaboo moved up a notch in the league standing by defeating Walton by a score of 9 to 2. Price was the winning pitcher, while Bowling was on the hill for the losers. Kentaboo looked like a much improved ball club last week. Florence defeated Petersburg, but details of the game were not available.

Games This Week

This week, Friday, July 31 the following games are scheduled: Walton vs. Burlington at Burlington; Petersburg vs. New Haven at New Haven; Kentaboo vs. Florence at Walton.

Petersburg will meet Burlington at Burlington in a game Monday night, August 3rd at 8:00 p. m. This game was postponed earlier in the season on account of rain.

Burlington Baseball Team Turn Back Point Nine In Sunday Game

Burlington's baseball team defeated Dry Ridge at Burlington Sunday afternoon by a score of 6 to 1. Guiley was on the hill for the winners scattering 6 hits, while Burlington collected 9 hits from the offerings of Wilcox. G. Clore and McBee each had two hits for the winners, while Hammond had two for the losers. This was a very well-played ball game.

Burlington will travel to Petersburg, Sunday, August 2, to meet Petersburg in a baseball game. Ivan Guiley is slated to start on the hill for Burlington with T. Guiley receiving his slants. D. Deck is the probable starter for Petersburg with Bevin behind the bat. Game time is 2:15 p. m.

Managers desiring games with the Burlington nine should call Burlington 343.

Revival Services Announced For Florence M. E. Church

Rev. Eddie Moran

The Florence Methodist Church will begin their annual revival Wednesday evening, August 5th with a fellowship dinner at the church at 6:30 p. m. The entire public is invited to come to the free dinner and attend the church services at 7:30.

The revival will continue each evening at 7:30 with special music and good singing, through Sunday evening, August 16th.

Rev. Eddie Moran and his wife of Wilmore, Ky., will be the evangelists in Methodism today. He was formerly known as the Boy Evangelist. He is a Missionary evangelist, traveling in 12 Latin American countries and all over Palestine and many parts of Europe. You will want to hear Mrs. Jeanne Moran at the console of her own Hammond organ, and hear them sing your favorite gospel songs with unique arrangements.

C. N. Ogg, stated that "Joy and blessings await you. You can afford to miss this opportunity. We welcome the public to these inspiring evangelistic services."

FARMERS TO INSPECT CROPS, MACHINERY AT EXPERIMENT STATION

Experimental work with tobacco, corn, legumes, soybeans, sorghums, Sudan grass and other crops will be seen and explained Aug. 13 and 14 at the annual summer field days at the University of Kentucky Experiment Station at Lexington.

Farmers from counties the names of which begin with A through H have been asked to attend the first day, where convenient, and farmers from other counties the second day. Crops and soils experiments will be seen in the morning and farm machinery in the afternoon.

Some of the special features this year will be Sudan grass, sorghums and soybeans. Sudan grass is attracting the attention of farmers who would have feed in midsummer or during droughts. Many farmers are also interested in growing soybeans and sorghums. The alfalfa acreage is increasing all over the state.

Experimental tobacco to be seen Aug. 13 and 14 include several kinds of resistant to root rot, wild-fire and other diseases. Tobacco also is being grown in various rotations and soil treatments.

Another feature will be experiments in developing hybrid corns some of which have been produced nearly 100 bushels an acre.

Tractors, harvesters, silage makers, seeders, plows and many other machines will be on display in the Experiment Station pasture.

The meetings are scheduled to begin at 9 a. m., central standard time.

Farmers in western counties have been invited to inspect the crops and livestock at the Western Kentucky Experiment Substation at Princeton Aug. 7.

Growers To Vote On Wheat Quotas Friday, August 14

National Wheat Acreage Allotment Set At 62,000,000 Acres.

A referendum on wheat marketing quotas for the 1954 crop will be held on August 14, the Secretary of Agriculture has announced.

Growers with more than 15 acres planted to wheat, and with normal production of 200 bushels or more, will be subject to the quotas if approved and are therefore eligible to vote in the referendum.

Wheat quotas, which operate through acreage allotments, were proclaimed by the Secretary on July 1, as required by law; but they will become effective only if approved by at least two-thirds of the growers voting in the referendum. Allotments, however, remain in effect even if quotas are not approved by the necessary two-thirds majority vote.

A national wheat acreage allotment of 62,000,000 acres for the 1954 crop was announced July 15 by the Secretary. This is the new minimum national allotment provided in an amendment to the marketing quota legislation approved by the President on July 14.

Other amendments provided for holding the referendum as late as mid-August and for a penalty for non-cooperators, when quotas are in effect, of 45 percent of the wheat parity price as of May 1 preceding the beginning of the marketing year. The penalty applies only to the farm marketing excess.

Under legislation in effect up to July 14, the minimum national wheat allotment was 55,000,000 acres, which would have required a reduction of more than 23,000,000 acres. The new legislation reduces the adjustment to 16,000,000 acres below the 78,000,000 acres planted for 1953 harvest.

If growers approve quotas in the August 14 referendum, price support on the 1954 wheat crop will be available to cooperators at 90 percent of parity, as provided by law. If growers do not approve quotas, price supports will drop to 50 percent of parity.

Florence

During her recent vacation period Miss Ruth Bristow visited Mammoth Cave and Cumberland Falls. Rev. C. N. Ogg concluded a suc-

cessful revival Sunday night at Salem Methodist Church near Dry Ridge.

Mrs. Margaret Evans, of Kansas City, Mo., is visiting her sister, Mrs. Hal Highhouse and Mr. Highhouse. Miss Judy Cook returned home

Wednesday from St. Elizabeth Hospital and is doing nicely. She is using a wheel chair for a short period, after which she will be permitted to walk. Her friends wish her the best.

Mrs. Viola Idol of Dixie Highway had as her recent week-end guest her brother Dan R. Davis, of New Albany, Ind.

Members of the Methodist Church Bible School enjoyed a picnic Saturday at Butler Park. Transportation was by truck with Buddy Markesbery as operator.

Mr. and Mrs. M. M. Graham entertained with a lakeside grill supper Saturday evening. Guests of honor were Mr. and Mrs. Karl Keim, their daughter Nancy and son David of Tucson, Arizona.

Mrs. W. H. Jones unfortunately suffered a fracture of a small lower legbone in a mis-step at the home of a relative in Winchester, Ky.

She has the best wishes of the community.

Mr. and Mrs. Walter Kirkpatrick and son, of Rising Sun, Ind., were guests Saturday night and Sunday of her parents, Mr. and Mrs. Clyde Arnold.

Mr. and Mrs. Geo. Goode, of Madison Pike, Covington, were pleasant guests of Mr. and Mrs. R. E. Tanner, Sunday of last week.

Floyd Roberts of Mt. Zion Road, is the owner of a new oil truck.

Mrs. Wallace Craddock completely surprised her husband Sunday of last week by entertaining a number of relatives and friends in honor of his birthday. Many more happy birthdays to Mr. Craddock.

Miss Lorraine Utzinger was the guest of Mr. and Mrs. J. O. Richards, of Covington one night the past week. Miss Utzinger is employed with a Cincinnati bank.

Clyde Arnold who was formerly employed in Cincinnati has recently been transferred to Piketon, O., for a period.

Sunday dinner guests of the Geo. B. Millers were the Karl Keim family, M. M. Graham and wife, H. B. Simpson and Blayne Miller.

Verne Arnold and wife, Jeff Edmonds and wife and Mrs. Geneva Arnold were guests of Clyde Arnold during the past week at Piketon, Ohio.

The Karl Keim family departed Monday for their home in Tucson, Arizona. They will make the trip in a new Plymouth car.

A revival will begin at the Florence

Methodist Church Wednesday evening, August 5 and will continue through Sunday, August 18 each evening at 7:30.

The Verne Arnolds were visiting Mr. and Mrs. Bobby Rogers Sunday afternoon.

Misses Barbara Markesbery and Ruth Etta Aylor were calling on Miss Judy Cook, Sunday afternoon. H. B. Simpson returned Saturday from Ft. Worth, Texas, where he enjoyed a week's vacation.

Rev. and Mrs. Eddie Moran will be the evangelists. Rev. Moran began preaching at the age of 12 and is today one of the outstanding evangelists in the field of Methodism. Everyone is invited to attend these services.

CARD OF THANKS

We wish to express our sincere thanks to all our friends and neighbors who helped in any way in the illness and death of our beloved husband and father

Noah Zimmerman

We also wish to thank Rev. Butts for the services and visits and prayers in the home; the choir for the songs; the donors of the beautiful floral pieces and all who sent in food. We also thank Dr. Coe for his untiring efforts and Mr. Taliaferro for the efficient manner in which he conducted the funeral. 1p

Real Measure of

HARVEST POWER...

PTO speed

Does your present tractor give you constant, correct power take-off speed for combine operation?

The Allis-Chalmers CA Tractor at full-rated horsepower has an engine speed of 1650 rpm. and a PTO speed of 538 rpm. . . ideal power and speed for combine work.

What does this mean to you at harvest time? Full engine power is available at the standard PTO speed of 538 rpm. Combine speed is held more constant for properly coordinated work . . . cutting, feeding, shelling, separating, and cleaning. Crop losses are reduced.

And with Two-Clutch control, the CA saves even more time. Stop the forward motion of the tractor and let power continue to operate the combine until it is cleared. Reduce plugging, keep the harvesting machine on the move.

See us about the Allis-Chalmers CA . . . with more standard features than any other tractor in its class.

GIRLS LEARN NEW CRAFT

Teen-age girls at Girls' Town Orphanage in Taylor county have learned a new craft which they hope may eventually be a source of income. Through the cooperation of Mrs. Sam Newton and two other homemakers, the girls were taught how to make braided, wool rugs. The craft was a home furnishings project in the county three years ago, and the women were club leaders, according to Mrs. Joyce C. Parrott, UK home demonstration agent.

A Message To The Voters Of Boone County

BECAUSE this country, the United States of America is the haven of freedom on earth, voters all over Boone county will go to the polls on Saturday, August 1st, to freely select their choices for offices of the county government. Because that freedom is a real thing to everyone, every person may go to the primary election of his party choice and alone in the voting booth, vote exactly as his or her conscience dictates. For over 150 years, events have demonstrated that, the people of this grand county of the greatest state and nation on earth, vote freely, intelligently and just exactly the way they see it.

Because of these facts we submit to you for your approval, A. D. Yelton who is seeking nomination to the office of county attorney of Boone County, and give you these facts:

He is a competent, capable, attorney, serious and studious in his knowledge of law, devoted and true to his clients, and possessed of the experience in the work and procedures of the courts necessary to the correct and orderly carrying out of the county's legal affairs.

In all of his public life, there has not been even the least breath of suspicion of his professional and personal dealings. We believe that the most ardent supporters of his opponent will admit that as a fact.

Prevented from completing his education at the normal time he later, while working and supporting his family, educated himself in the processes and procedures of courts. Still while supporting his family, he attended University Law School and by dint of hard work and sometimes sheer drudgery procured a full legal education and a license to practice law in the courts of the Commonwealth of Kentucky. One cannot but help appreciate the courage required for a person out of his youth and on his own, to take on such a load.

One person we know gave what we think is the best reason for our support of this candidate, when he said, "If an issue was brought before A. D. Yelton for him to decide, and there was strong political pressure for him to decide one way, and he knew it was right to decide the other, well, he'd do what he thought was right."

THIS IS THE KIND OF MAN WE WANT!

LISTS CONTROLS

FOR GRASSHOPPERS

Entomologists at the University of Kentucky have furnished county agents with information on the control of grasshoppers, which have become a serious pest in some parts of the state.

Starting in meadows, along roadsides and in other grassy plots, the hoppers now have moved into tobacco, corn and gardens.

Insecticides recommended for use against grasshoppers include Aldrin, Chlordane and Toxaphene. They may be sprayed directly on crops or used to poison a bran bait.

Livestock should be kept off grass, alfalfa or other forages for at least two weeks after they are sprayed.

See a county agent for complete information on controlling grasshoppers.

Good results from using boron on alfalfa were reported by Al Embury, Butler county.

Twenty-six homemakers from Greenup county made a two-day bus tour of historical places in Central Kentucky.

In Whitley county, UK Home Agent Rebecca Gibson tested 62 gauges on pressure canners in one month.

Remember Sunday School and preaching services at the Baptist Church each Sunday. You are welcome to come and worship with us.

Mr. and Mrs. Lottie Webster, of Jonesville, and Mrs. Cora Scott and son Stanley, of Stewartsville, Mr. and Mrs. I. D. Isaacs, and son, of Union and little Miss Linda Sue Kelly and Roy Sullivan of Gunpowder all spent the day Sunday with Mr. and Mrs. Henry Black, of this place.

We are sorry to hear of the illness of little Janet Arnold and Jas. McCabe. We pray for them a speedy recovery.

Henry Black met with a very painful accident Monday when a piece of metal flew off his tractor striking him in the chest breaking two ribs and causing a severe bruise.

Mrs. Nora Hodges made a business trip to Walton Friday.

A wonderful revival closed at Hughes Chapel Methodist Church Sunday night. Many souls were touched by the splendid preaching of Rev. Valis Hill. This revival will be carried on this week at Big Bone Methodist Church by the same minister Rev. Hill. Won't you come out and enjoy these great services.

ROBERTSON HOMEMAKERS REBUILD, COVER CHAIRS

Members of the Craig's Store Homemakers Club in Robertson county learned the steps in rebuilding and covering chairs by lending a hand in working on six chairs. Occasional chairs, platform rockers and a club chair, some modern, others antique, needed attention in some degree. The work done included replacing springs and tying them; padding with moss, rubberized curled hair or foam rubber, and applying the covering in tapestry, or plastic with a fabric backing.

Total costs per chair varied from \$4 to \$25, with an average of \$10, said Miss Katherine M. Hixson, University of Kentucky home demonstration agent.

In Kenton county, 11 homemakers clubs honored foreign-born women in their communities, and a county-wide International Day was held.

TO THE VOTERS OF BOONE COUNTY

In the closing moments of my campaign I want to take this opportunity of expressing my gratitude to the people of Boone County for your courtesies and kindnesses extended to me at all times during my visits in every section of the county.

It will always be a source of warmth and inspiration, as the years go by, to recall with pride the fine conversations with my friends, both old and new.

I hope to be nominated on Saturday. If I am, it will be because you still desire a continuation of the good government you have had, and which I was instrumental in effecting, during the past four years as Deputy Sheriff.

Most sincerely yours,

BYRON KINMAN

WHY DON'T YOU SPEAK, JOE?

Two weeks ago through this newspaper your attention was called to three items.

1. Your position on the distribution of school funds.
2. Your action in signing a petition to abort justice as determined by Circuit Court in Union County, Kentucky and affirmed by all the Appeals Courts in Kentucky and even the Supreme Court of the United States. WERE YOU ATTEMPTING TO "WOO" THE SUPPORT OF JOHN L. LEWIS' UNITED MINE WORKERS IN THIS ELECTION?

4. Your failure to support the group that were fighting a bill sponsored by the liquor interests. You will remember H. B. 430 passed by the House of Representatives on March 17, 1953. YOU WERE PRESENT ACCORDING TO THE RECORDS, BUT DIDN'T OPPOSE THIS MEASURE.

The people of both Boone and Gallatin Counties expect an answer.

WHY DON'T YOU SPEAK, JOE?

YOU CAN EXPECT BETTER REPRESENTATION BY VOTING

FERTILIZER HELPS MCCREARY PASTURES

Pastures in McCreary county have been greener than ever before, due to fertilizer programs and good management, says UK County Agent Clarence C. Bayes.

W. O. Gilreath of Pine Knott cut 617 bales of hay from the first cutting of 14 acres of alfalfa. Last fall he applied an 0-12-12 alfalfa special fertilizer at the rate of 800 pounds an acre.

Gilreath thought he had lost most of his Ladino clover, due to drought last fall, but both clover and fescue came back stronger than ever, turning off large amounts of grass silage, Bayes reported.

BATH COUNTY FAMILY MAKES IMPROVEMENTS

Mr. and Mrs. L. D. Ponder of Bath county, who are enrolled in the Farm and Home Development Program, have made several improvements in their home through careful planning, says Mrs. Lorraine Dicken, home agent for the University of Kentucky. They enclosed a breezeway between the garage and house to make a dining room; installed a complete bathroom, a kitchen sink and a hot water heater, and with the help of a neighbor made the kitchen more convenient with built-in cabinets. A hen house was also built. The two oldest of four children are 4-H club members.

MUNFORDVILLE CHURCH WINS SPECIAL AWARD

The Munfordville Methodist church received \$500 for making the most progress in a rural church program in Kentucky sponsored by the Sears-Roebuck Foundation and Emory University, Atlanta, Ga.

Three factors considered in making the award were their church program, service to the community and world understanding. Under the leadership of the Rev. T. J. Wade, the 200 members of the Munfordville church carried out a balanced program, including special religious services, assisting young

persons to start farming, community welfare work and providing a meeting place for non-church community meetings.

Churches receiving \$100 each included the Owensville Christian, Brandenburg Methodist, St. William Chapel at Lancaster and the Mill Creek Evangelical United Brethren at Brightshade. Churches given certificates of excellence were the Paint Lick Presbyterian at Lan-

caster, Crestwood Christian, Onton Methodist, Perryville Presbyterian and Lynn Methodist.

Eighty-six rural churches in Kentucky enrolled in the program, which is set upon a five-year basis in 13 Southern states. Each state has a committee to determine the program policy and rules. Ralph J. Ramsey, University of Kentucky, served as chairman in Kentucky the past year.

MESSAGE OF THANKS, APPRECIATION, AND PROMISE TO PEOPLE OF BOONE COUNTY

I want to take this opportunity of expressing my sincere thanks to all you good people of Boone County for the way in which you have received me unto your homes, during this campaign. Your friendliness, hospitality, and understanding will never be forgotten. Boone County is one of the best governed counties in the State of Kentucky.

The quality of the County Government is most generally determined by the ideals of its citizens. My record as Sheriff of Boone County speaks for itself. I endeavored at all times, day or night to carry out the duties of this high office and to keep the County clean from gambling, to apprehend and arrest all law violators.

I promise you the same kind of efficient service for the next four years, if you elect me Sheriff.

May I say thanks again for every consideration you have given me through the years, and regardless of who the Sheriff may be, let us all cooperate, and work together in continuing to keep Boone County clean, so we may always be proud to claim it as our home, and residences because of the things its citizenry and County government believe in.

Sincerely,

R. I. "IRVIN" ROUSE

ELECTION DAY

Saturday of this week, August 1st, is Primary Election Day.

It is the duty of every legal voter to go to the polls and vote for the candidate of his or her choice.

When the election is over and the majority of the voters have spoken that should settle the question. This is Democracy in action.

Burlington, Kentucky

I wish to thank the people of Boone County for the many courtesies extended me during my campaign. Efforts were made to see as many voters as time would permit and still continue to perform the duties of my office.

During my term of office as County Attorney I have diligently tried to carry out the duties of this office in a manner desirable by the citizens of this county. And if re-elected for another term I shall continue my efforts to perform said duties as in the past four years.

I respectfully request that every voter exercise their privilege to vote and in doing so may I humbly ask your support in my behalf.

The Homecoming program scheduled for Sunday, August 2 at the local Baptist Church has been cancelled, but the building fund offering will be taken at both morning and evening services.

Rev. Garret, of Louisville preached at the Baptist Church Sunday, due to the absence of Rev. Carpenter, who is holding revival services at Lawrenceburg, Ky.

Mrs. Harry Craddock and daughter Kathy, Mrs. Elaine Greenup and Mrs. Julia Dickerson left this morning for a week's trip to Washington, D. C., and other points of interest in the East.

Miss Sue Greenup is in Louisville for a week's visit with Rev. and Mrs. Bob Shettler.

Mr. and Mrs. Franklin Horton and children left last Saturday for a visit with relatives at Ashland, Ky., and will visit Mr. and Mrs. Chas. Maas and family at Toledo, Ohio, before returning home.

GOOD CROPS IN MARTIN

Corn crop prospects in Martin county are called "excellent" by County Agent Charlie Mason. About a third of the farmers sidedressed corn at the first or second cultivation with ammonium nitrate. This gave the crop a big boost, Mason observed. Some farmers were unable to locate a supply of nitrate. The oats crop was good and Korean lespedeza will produce much hay, the county agent said.

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814 Madison Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting supports under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases, because they have never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "Fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches, or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

To The Voters
Of Boone County

I would like to take this opportunity to express my "Thanks" to the people of Boone County for the courteous "Welcome" extended to me during my campaign for County Tax Commissioner. This is the first time I have sought public office and I have made every effort to contact each of you. If I have failed to see you it was certainly not intentional.

As I have already mentioned to you, during my campaign, I feel that I am highly qualified to serve you. I am obligated to no one except the good people of Boone County and I will, if elected, serve you to the best of my ability.

Your continued support and vote on Saturday, August 1, will be greatly appreciated.

TO THE VOTERS OF BOONE COUNTY

It has been a pleasure visiting you during my campaign, and I want to thank you for the fine spirit in which I have been received. I have made a house-to-house canvass of the entire County, but if I failed to see you personally it was unintentional.

Your support will be greatly appreciated Saturday, August 1.

ANNOUNCEMENT

TO THE VOTERS OF BOONE COUNTY

R. I. "Irvin" Rouse, candidate for sheriff of Boone County, announced yesterday that William W. "Bill" Jarrell, of Burlington, a long time employee of the Boone County Recorder and former editor of the Walton Advertiser, would be named deputy sheriff if he is elected to the office.

Mr. Jarrell has been an employee of the Recorder for eighteen years and was serving as editor of the Advertiser when he volunteered for service with the U. S. Navy in April of 1944. He was born and reared in Boone County, is married and has four children and has taken a leading part in civic, church and community affairs throughout the county.

During World II Bill spent 19 months on the U. S. S. Cowpens and by virtue of his actions was awarded a Navy commendation for outstanding and heroic service.

Mr. Rouse also stated that if elected he would appoint another deputy from the Walton precinct.

ENTERTAIN

Mrs. J. H. Bays and Mr. and Mrs. Coyle and family entertained Sunday afternoon and evening, Mrs. Julius Stock, of Columbia, Mo., Mr. and Mrs. James Condanton and son of West Carrollton, O., Mrs. L. Munroe, Covington, Mr. and Mrs. Sam Boring and daughter Jerrylyn and Henry McCoy, of Crescent Springs and J. H. Bays of Cincinnati.

RECIPE OF THE WEEK

There's nothing like old-fashioned dasher-made ice cream for both flavor and texture in the opinion of many people. Mrs. Pearl Haak, University of Kentucky food specialist, suggests this recipe:

Peach Ice Cream

½ cup sugar, 4 cups water, 2 cups peach pulp, 2 cups thin cream.
Make a syrup of sugar and water and add fruit pulp made by mashing or grinding fully ripe peaches. Pour into freezer can and freeze to a mush, then add cream and continue freezing until firm.
For a 2-quart freezer, use about 6 pounds of crushed ice and 1 pound of rock or table salt. After packing in the ice and salt, add 1 pint of cold water to hasten the freezing. Turn crank slowly at first, then use more speed as it turns harder. When it feels stiff, remove dasher and pack freezer with a mixture of 1 part of salt to 8 of ice. Let stand at least two hours for best flavor and texture.

Menu: Cold baked ham, corn pudding, cabbage, slaw, rolls, butter and peach ice cream with angel food cake.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, AUGUST 6, 1953

VOLUME 78

NUMBER 2

Kinman, McEvoy and Stephens Winners In Major County Races

H. E. White and Tom Carr, Defeated; Bob Brugh Easy Winner

One record was set and another tied Saturday in the Boone County primary election, when Wilton Stephens, candidate for Assessor, tallied the largest majority in the history of the County, and Byron B. Kinman, candidate for Sheriff, carried every precinct in the County, tying a record set by J. T. "Jake" Williams in the primary in 1941.

Stephens, who was seeking reelection for the sixth consecutive term tallied a total of 3440 votes over his opponent, Gilby Greene's 753, marking up a record for a majority in the County.

Kinman, who has served as deputy sheriff under W. H. Easton for the past four years tied a record set by J. T. Williams in the primary of 1941, by defeating his only opponent former sheriff R. I. Irvin Rouse by a count of 1510 to 2711, carrying every precinct in the County.

The record set by Williams and Kinman holds for the past thirty-nine years, according to files of the Recorder office. Williams had a total of 2352 votes in his race while his three other opponents collected a total of 1131 votes. C. D. Benson, who was unopposed in the primary election this year tallied a total of 2430 votes in 1914 primary, and carried every precinct in the county. His two opponents collected a total of 1243 votes.

In early returns Saturday night interest was centered in the County Attorney's race as early returns indicated a close race. Final returns show W. P. McEvoy, Florence incumbent, had a total of 2272 against his opponent A. D. Yelton's 1923, a plurality of 349 votes, according to the official count.

Yelton, former Boone County Circuit Court Clerk, led McEvoy by 211 votes at the completion of the count of the five precincts out of the county's total 17. However, this lead was narrowed to only two votes after completion of the vote counting of Florence precinct No. 1. Mr. McEvoy led by 218 votes after the counting of Florence No. 2 had been tallied. Petersburg, Hebron, Walton and Verona precincts then brought the lead to 349. McEvoy carried ten precincts, while Yelton had seven in his favor.

Boone County gave Alvin Kidwell, Sparta, candidate for State Senator, a majority of 424 votes over James C. Cubbage, Pleasureville. The six other counties in the 26th Senatorial District are Gallatin, Carroll, Oldham, Trible, Henry and Owen.

R. M. (Coke) Hall, former representative of the 54th Legislative District was defeated by Joe Rouse, by a count of 2155 to 1856 in Boone County. Rouse carried Gallatin to receive the nomination. Hall scored an overwhelming majority in his home precinct, Walton, but lost all but three of the remaining precincts.

Bob Brugh, of Walton defeated Paul Nolting, for the office of Coroner official returns showed by a count of 2384 to 1303, carrying every precinct in the county. Two veteran Boone County Fiscal Court members were defeated in Saturdays Democratic primary when all precincts had been tallied. Dolpha Seebree, Florence, defeated H. E. White, Burlington, a veteran of 24 years of service as magistrate of the Second District by only 12 votes. The total vote was White 956, Seebree 968. Tom Carr, Verona, magistrate from the Third District, was defeated by Dale Williamson, of Walton precinct by a plurality of 160 votes. Total returns show Carr 500, Williamson 660.

Three candidate's names did not appear on the ballots as they had no opposition. They are C. L. Cropper for County Judge; C. D. Benson for County Clerk, and Cecil Presser, for County Jailor.

Nomination to the office in the Democratic primary is equivalent to election as the Republican party has no nominees. However, all nomination winners will appear on the November ballot as a matter of course.

FLORENCE P-T. A.

There will be a special meeting of the Florence P-T. A. August 13th at the home of Mrs. R. B. Taylor, 11 Lloyd Ave., Florence at 12 noon. All members are invited to attend. Please bring a covered dish.

Mrs. Laura H. Blythe

Mrs. Laura Huey Blythe, 93, died Tuesday at the home of her grandson, Arthur Blythe, of 218 Buckner St., Elsmere, after an illness of four weeks.

Mrs. Blythe was a native of Boone County and had spent most of her life in Burlington. She has been a resident of Elsmere for the past five years.

She was a member of Burlington Baptist Church, and was loved by all who had the pleasure of making her acquaintance.

Besides her grandson with whom she lived, she is survived by one son, D. R. Blythe, LaJolla, Calif.; 1 daughter, Mrs. Jennie Baldon, Colorado Springs, Colo.; 2 granddaughters, Mrs. Eddie Smith, LaJolla, Calif. and Mrs. Harold Cross, of Colorado Springs, Colo.; 8 grandchildren and one great-granddaughter.

Funeral services were held at 2:00 p. m. Thursday from the Ralph Stith funeral home, Florence, with burial in the Burlington Cemetery.

Robert B. Rice

Requiem High Mass was sung at 9 a. m. Wednesday at St. Henry Church, Erlanger for Robert P. Rice, 88, owner of the Erlanger Hardware Store for 30 years until his retirement a few years ago. Prayers were said at 8:30 a. m. at the Taliaferro funeral home, Erlanger. Burial was in Highland Cemetery.

Mr. Rice, who resided at 31 Dixie Highway, Erlanger, died Sunday night at St. Elizabeth Hospital.

He is survived by a son, James R. Rice, Erlanger; four grandchildren and nine great-grandchildren.

Florence Lady Receives Overseas Teaching Post

Mary J. Dumbacher Will Leave For Germany August 9th.

Miss Mary Joan Dumbacher, of Florence, a mathematics teacher at Dixie Heights High School and alumnae of Villa Madonna College, has received a one-year teaching appointment to the Dependents Schools Overseas, Department of the Army.

Miss Dumbacher will leave Cincinnati Sunday, August 9th for Bremerhaven, Germany. At Bremerhaven she will receive a teaching assignment for a school for American children operated by the Department of the Army in either Germany or France.

Miss Dumbacher received her A. B. Degree from Villa Madonna College and her M. A. Degree from the University of Kentucky. She is a member of Kappa Delta Pi education fraternity.

She will receive a leave of absence from Dixie Heights High School where she has been teaching for the past two years. She had previously taught at Campbell County High School, Alexandria, and at Bourbon County Vocational High School, Paris.

She is the daughter of Mr. and Mrs. John L. Dumbacher, Florence, Ky.

Boone County Man Named To Pentagon Post In Washington

Col. Harold C. White Will Enjoy Three-Week Leave At Home.

London, England—Lieutenant Colonel Harold C. White, deputy to the Assistant Chief of Staff for Installations, Third Air Force, leaves the United Kingdom in early August for a Pentagon assignment.

The 37-year-old Colonel, after three years of spearheading USAF modification and construction of British air bases, will be assigned to the Construction Division, Directorate of Installations, Headquarters, USAF, in Washington.

What's the biggest problem facing the Colonel on return to the States? It's his eight-year-old son, Joe. After three years in the British schools, young Joe is an avid cricket fan. The Colonel wants to switch him to baseball.

Mrs. White, the former Ruth Catherine Day of Burlington, Ky., which is also the Colonel's home, and their three children, Connie, aged 10, Joe and two-year-old Sue, who was born in the United Kingdom, have been with the Colonel since his arrival here in August 1950.

Colonel White entered the US Army Corps of Engineers in 1942, leaving studies at the University of Cincinnati. He transferred to the US Air Force in July 1950, and was assigned to the Third Air Force, United Kingdom, the following month.

The versatile installation chief arrived in the United Kingdom just as the US Air Force was beginning its mass return to England. For two years he was chief of the Construction Division of Third Air Force, during which time he ramrodded expansion and development of USAF bases in England.

Just twelve months ago, Colonel White's supervisory and administrative talents were acknowledged through his reassignment from the construction phase of installations activity to his position as deputy to the Third Air Force Installations chief.

Colonel White and family will spend three weeks in their home town, Burlington, before he reports to Washington for his new assignment. He is the son of Mr. and Mrs. J. C. White, of Burlington. Mrs. White is the daughter of Mr. and Mrs. Dawson Day, also of Burlington.

Mr. and Mrs. Carl Griesser and children and Rev. Sam Hill, Jr., were Sunday dinner guests of Mrs. Nora Weaver and son, Albert, and Miss Myrtle Beemon.

U. L. H. & Power Co. To Have Display At Fair

The U. L. H. & Power Co., southern division will have an exhibit entitled "Watts Cookin'" at the Boone County 4-H and Utopia Fair to be held August 6, 7 and 8 at the fairgrounds, Burlington.

"Watts Cookin'" an audience participation exhibit, will show the advantages of electric cooking. Visitors to the fair will have an opportunity of bringing home an aluminum cooking pan if they visit the exhibit. The exhibit will point out that electric cooking is fast, clean, safe, cool, thrifty, certain, modern, automatic, handy and efficient.

Fire Destroys Home Of Harold Brown On Ashby Fork

Family Absent From Home; Loss Estimated At \$5,000.

The four-room frame home of Harold "Jake" Brown, located on Ashby Fork Road, was destroyed by fire Friday afternoon between 6:00 and 8:00, according to reports. The family was absent from the farm at the time of the blaze.

A neighbor who discovered the blaze, said that it had gained such headway that it could not be checked. The neighbor called a brother of Brown in Burlington, who notified the owner of the blaze.

A similar fire on the same farm destroyed a large ten-room frame residence about a year ago, owned by Raymond Jones. Both fires were of undetermined origin.

The Browns lost all furniture, appliances and clothing in the fire. Loss was estimated at approximately \$5,000, which was partly covered by insurance with the Farmers' Mutual Fire Insurance Co., of Boone County.

Vernon J. Meyers

Vernon J. Meyers, former Boone County man drowned Tuesday of last week in the Atlantic Ocean at Virginia Beach, where he and his wife were vacationing.

The body was shipped to the home of his mother, Mrs. Lorena Meyers at Walton, for services and burial.

Horse Shows Will Be One of Features This Year.

All roads will be leading to the 21st annual Boone County Utopia and 4-H fair, August 6, 7 and 8th. This is a three-day and three-night fair that will be full of educational exhibits, commercial exhibits, horse, shows, cattle shows and entertainment.

Thursday morning will be registration of exhibits, judging all home economics, garden, fruit, field crops, poultry, tobacco, corn, 4-H secretary books. The dairy show starts at 11:00 with Wilfred Scott, Superintendent, and Dr. M. D. Seath as judge. Dr. Seath is head of the Dairy Department, University of Kentucky. Then in the afternoon beginning at 3:00 there will be a feed sack dress revue and 4-H style show.

The big variety show will be held in the grandstand on Thursday night 8:00 p. m. with Earl Huffman as master of ceremonies. The cast will be Russell Henderly, pianist and accompanist, Buddy Ross, accordionist; Harvey Hohnacker, dancer; Joy Gilbert, dancer and singer; Ralph Montgomery, trumpet soloist; Vito Rossi, accordionist; Earl Huffman, professional master of ceremonies and K. T. B. Square Dancers.

On Friday you will find the livestock judging, sheep, hogs, and beef show at 10:00. The team pulling contest will be held between 2:30 and 4:30 on this same day.

You will not want to miss the three big horse and pony shows starting Friday evening at 8:30 p. m., Saturday afternoon 2:00 and Saturday night at 8:00 p. m. Some of the finest saddle horses in the country will be in the ring, Boone County being the home of fine saddle horses. Mr. Claude Alexandria, Chasco, Ohio, will be the judge. The student riders of the horse show are Frank Kelly and Lillard Scott. Master of ceremonies of these horse shows will be Paul DeLott.

Saturday morning will open with a tractor driving contest at 10:00 a. m., special events on the midway and exhibitors parade at 8:00 p. m.

Many rides of various descriptions will be on the grounds for the benefit of kids, and many features were planned for the entertainment of every visitor to this big three-day event.

Mr. and Mrs. Edgar Utzinger were in Covington a couple of days the past week assisting his mother, Mrs. Laura Utzinger, who has recently moved to an apartment on 4th St.

Capt. Wm. T. Lee, who is serving Uncle Sam in his profession of dentistry in Japan is arriving soon to visit his mother, Mrs. J. K. Amernman, who is a patient in Holmes Hospital, Cincinnati.

Mr. and Mrs. R. K. Fedders and children, of Crestview Place, Ft. Mitchell, were calling on Mr. and Mrs. R. E. Tanner, Saturday evening of last week.
Mr. and Mrs. Bud Abbott and children moved Saturday to their new home, recently completed on Uta Drive.

Miss Mary Tanner, who was confined in a cast for a period of 7 months, was removed to Bethesda Hospital a few weeks ago, relieved of the cast and Saturday of last week returned to the home of a brother Elbert Tanner looking fine and is able to walk with the aid of crutches.

Glad to see Mr. and Mrs. R. V. Lents back in town following a brief hospitalization period at St. Elizabeth due to food poisoning. Another victim of the same complaint was Harry Smith, 18, a son of Albert Smith, formerly of Price Pike now of 2009 Garrard, Covington.

Mrs. Jane Stephens in company with her brother Jesse Jones and family of Kentland, Ind., is leaving Thursday morning for Boulder Junction, Wis., where they will enjoy a vacation.

Mr. and Mrs. R. E. Tanner were callers of the P. J. Allens, Saturday.

Mr. and Mrs. Paul Chaney entertained at dinner Sunday for some Brooksville friends.

Jesse Jones and family, of Kentland, Ind., enjoyed a few days' visit the past week with his mother, Mrs. Sophia Jones.

August 13 the Woman's Society

of the local Methodist Church will meet at the church at 12:30. Each member is requested to bring a covered dish as there will be guests for lunch.

Mr. and Mrs. Bob Gatman and son Jerry, of Winston Park, Latonia were Saturday evening dinner guests of Mr. and Mrs. Richard Keyer.

In a communication to her mother, Mrs. Karl Keim stated they were on the last lap of their journey and expected to arrive home Thursday. She also stated they were all O. K. and had been free from car trouble.

Mrs. W. R. Miller attended the dedication service of the new Epworth M. E. Church Sunday at 1229 Highway. Dr. R. R. Patton, District Superintendent formally opened the church and Rev. W. S. Mitchell pastor of the church delivered the message.

Mrs. Bess Piercy is visiting a couple of days this week with her son in Covington.

Mrs. Karl Langford and daughter, Mrs. John Lowe and children, of Stanford, Texas, are visiting relatives and friends here Wednesday.

Wheat Growers To Vote August 14 At PMA Office

Farmers Growing Wheat For Harvest Eligible To Vote.

The Secretary of Agriculture has duly proclaimed, pursuant to the provisions of the Agricultural Adjustment Act of 1938, as amended, a National Marketing quota for wheat for the marketing year beginning July 1, 1954. A referendum of farmers who will be engaged in the production of the 1954 crop of wheat will be held pursuant to provisions of the Agricultural Adjustment Act of 1938, as amended, and applicable regulations to determine whether such farmers are in favor of or opposed to such wheat marketing quota.

Place for voting in the referendum for all communities will be the Burlington PMA office. The polls, in accordance with said regulations for holding a referendum, shall be opened promptly at 8 a. m. and closed

promptly at 4:30 p. m., local standard time on Friday, August 14th.

Registration
The operator of each farm on which more than 15 acres of wheat will be planted for harvest in 1954 should inform a county or community committee of the names and addresses of all producers who will share in the proceeds of such crop in order that their names may be listed on the register of eligible voters. The eligibility to vote of any person may be challenged if his name is not recorded on the registration list.

Eligibility To Vote
1. Each farmer who is engaged in the production of wheat for harvest in 1954 on a farm on which the acreage to be planted in wheat for harvest in 1954 is in excess of 15 acres and who is entitled to share in the proceeds of the 1954 wheat crop as owner, landlord (other than a landlord or of a standing rent, cash rent or fixed rent tenant, tenant, or sharecropper shall be eligible to vote.

2. No wheat farmer (whether an individual, partnership, corporation, association, or other legal entity) shall be entitled to more than one vote in the referendum, even though he may be engaged in the production of wheat for harvest in 1954 on two or more farms or in two or more communities, counties, or States.

3. Where a group of several persons, such as husband, wife, and children, are participating in the production of wheat for harvest in 1954 under a single lease or cropping agreement shall be eligible to vote.

4. In the event two or more persons are producing wheat for harvest in 1954, not as members of a partnership but as joint tenants, tenants in common, or owners of community property, each such person shall be entitled to one vote.

5. No person shall be eligible to vote in any community other than the community in which he now resides except as follows:

(a) Any person who resides in a community other than the community in which he will be engaged in the production of wheat for '54 may, if he will not vote in the community in which he resides, vote at the polling place for the community in which he will be engaged in the production of wheat for 1954.

(b) Any person who is eligible to vote in a community in which there is no polling place shall be eligible to vote at the polling place designated for such community.

(c) Any person who on the day of the referendum will not be present in the community in which he is eligible to vote may obtain one ballot form, prior to or on the date of the referendum, from the most conveniently located county committee office and may cast his ballot by signing his name thereto and mailing it (in a sealed envelope, postage paid, marked "absentee ballot") so that the ballot reaches the county committee for the community in which he is eligible to vote not later than the hour for closing the polls on the date of the referendum, which shall not be earlier than 5 o'clock p. m., local standard time.

6. There shall be no voting by mail (except as provided in paragraph 5 (c) above), by proxy or by agent but a duly authorized officer of a corporation, firm, association, or other legal entity or a duly authorized member of a partnership may cast its vote.

Florence Girl Takes Top Honors In Amateur Contest At Verona Lake

Diane Hopper, 11-year-old daughter of Mr. and Mrs. Harry Hopper, of Florence took the grand prize of \$50.00 in the final amateur contest at Verona Lake Ranch, Sunday, according to Bill Scroggins, owner.

Diane took first place with her song and dance act, which was said to be outstanding. Second place was given to Chas. Lunsford, 7-year-old boy of Elsmere, and third spot went to Becky Jones, 4-year-old girl of Walton. Other contestants include Leroy Rheams, Janet Feltman, of Covington; Kiki Lunsford, Elsmere; Mary Ann and Donald Caldwell, Butler, Ky.; Jimmie Dale Agee, Lexington; Don Fields and Billy Acra, of Florence; Grassy Creek Girls; and Orvie Griffith, of Walton.

Much interest was shown in the amateur contest from week to week. Mr. Scroggins said.

The Kentucky Fiddlers, from Petersburg, Ky., accompanied the Lunsford children in their act.

Sunday's Attraction
Esco Hankins and his Tennesseans will be featured at Verona Lake Ranch Sunday, with Smoky Ward and a group of well known entertainers.

Hankins and his group of entertainers are new to this area, as they have appeared on the Verona Lake Ranch stage in previous engagements, and have always been well received.

It was previously announced the Renfro Valley group would be the entertainers for this Sunday, but will be scheduled for a later date.

An added attraction Sunday will be a hillbilly band contest. Each band must have at least three or more pieces to enter. The contest will get under way promptly at 2:30 p. m. The winner of Sunday's contest will receive \$15.00 as first prize. Mr. Scroggins urges all would-be hillbilly band contestants to remember the date Sunday, August 9, at 2:30 p. m.

Summer Field Days Scheduled At Lexington Aug. 13

The annual summer field days will be held at the Experiment Station, Lexington, August 13 and 14 beginning at 10:00 a. m. Central Standard Time. Visitors will see some of the experimental work with tobacco, corn sorghum, soybeans, legumes and grass crops during a part of the day. Exhibits and demonstrations of latest farm machinery and equipment of the different companies will occupy the remainder of the day.

On Thursday, August 13, counties beginning with letters A through H are requested to attend. Those counties starting with letters A, B, C, and D will assemble at the Judging Pavilion on the north farm to inspect the crops work while those from E, F, G, and H will gather at the Dairy Center, entrance on the Nicholasville Road, to see the machinery exhibits.

Groups which visit the crops experimental work in the morning will go to the machinery exhibit in the afternoon and vice versa.

Lunch will be available at each of the assembly points.

This is an excellent time to see the results of what experiment stations are doing to help farmers.

Any Boone County farmer desiring to go, contact Joe Claxon, County Agent.

Schenkes Enjoy Fishing Trip In Minn.

A card received this week from Mr. and Mrs. Eugene Schenke, of the East Bend neighborhood state that they are enjoying a splendid fishing trip at Winnibigoshish Lake, Minn.

They write: "We have been enjoying good fishing at Winnibigoshish Lake. We caught our limit of Northern Pike and 1 (Mrs. Schenke) have caught the largest Northern here this season. He weighed 10 pounds, and measured about 30 inches. The others weighed 5, 6 and 7 pounds."

Agriculture Teacher Attends State Meeting

Watson G. Craft, vocational agriculture teacher at Hebron High School, attended the annual state conference for teachers of vocational agriculture at the F. F. A. State Camp in Hardinsburg last week (July 29-August 1).

More than 300 teachers and superintendents attended the three-day conference. Highlights of the meeting included talks by Proctor Gull, Kansas City, Mo., chief agronomist for Spencer Chemical Company; William Johnstone, Louisville, agricultural representative for the Kentucky Bankers Association; Dr. Carsie Hammonds, head of the department of agricultural education, University of Kentucky; State Representative Walter Moorman, Hardinsburg, chairman of the F. F. A. state camp advisory committee, and Carlos Oakley, Morganfield, superintendent of Union County schools.

State Department of Education speakers were Wendell P. Butler, superintendent of public instruction; James L. Patton, head of the Bureau of Vocational Education, and E. P. Hilton, director of agricultural education.

Last year more than 11,000 high school boys, 2,500 out-of-school young farmers, and 3,500 adult farmers received training in the State's 234 vocational agriculture departments in the public schools.

WHEAT ACREAGE UP

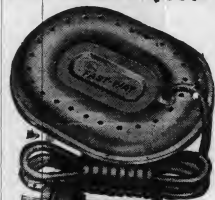

Farmers in Trig county harvested 9,391 acres of wheat, with an estimated total production of 234,000 bushels. This compares to a production of 65,000 bushels in 1951, 5,000 in 1948, 114,000 in 1945, 36,000 in 1935. The production this year probably exceeds that of 1900, when a record of 11,000 acres was planted, according to UK County Agent Keith S. Venable.

JACKSON AGENT WINS SOUTHEASTERN AWARD
A southeastern states college fellowship for outstanding work in agricultural extension has been won by James K. Stacey, University of Kentucky extension agent in Jackson county. The Frank K. Pierce Foundation has granted him \$2,000 plus tuition fees for a year's study.

Mr. Stacey was in the military forces three and a half years in Africa, Sicily and Italy. He entered extension work in 1945, serving first in Pike County before going to Jackson County in 1950. He is planning to study at Colorado A & M College toward a master's degree in extension education.

WOOL HAS QUALITY

As long as buyers pay so much a pound without looking at the wool, farmers will be interested in the heaviest fleeces regardless of quality, said Levi Oliver, UK assistant farm agent in Caldwell county. Oliver said he attended a show at Hopkinsville to learn about wool. The judge pointed out differences in the quality of fleeces.

BIG WHEAT IN CALLOWAY

Calloway county had an unexpected harvest of the largest wheat crop in its history, says S. V. Foy, a farm agent for the University of Kentucky. Most of the wheat was sown as a cover crop, and grew so big in the winter and wet spring that farmers could not turn it under. So they left it for grain production.

**UK FIELD DAYS
TO SHOW MANY
KINDS OF CROPS**

Hybrid corns, alfalfa, sorghum and Sudan grass that boost feed production for Kentucky stockmen will be among crops seen at the annual agronomy field days at the UK Experiment Station at Lexington August 13 and 14.

The experimenters are trying to develop hybrid corns with good

root systems, strong stalks, big ears and resistance to diseases and insects.

Fourteen varieties of sorghums used for molasses are being tested; also some used for both molasses and silage, and still others grown for forage and grain. Planted June 6-8, the sorghums have made good growth.

Alfalfa hay is the most productive hay grown in Kentucky, if the soil

is good and the right variety grown. Atlantic, Ranger and Buffalo are good varieties.

Some kinds of Sudan grass grown at the Experiment Station yield more than two tons of forage an acre. The top yielder is Piper, followed in order by Tift, Common and Sweet.

Clovers to be seen August 13 and 14 include Kenland, red, white and

crimson. Kenland has produced nearly three tons of hay an acre.

A machinery exhibit will be one feature of the fall field days. The latest models of tractors, plows, harrows, seeders, combines, spreaders, silage makers and other machinery will be on display.

**HOT, HUMID DAYS
MAY BRING MILDEW**

Watch out for mildew when days are hot and humid warns Miss Verna Latzke, clothing specialist at the University of Kentucky. A closet which is not well ventilated invites this fungus growth, and it may be found on garments, or on leather shoes or bags stored there.

A simple preventive is to frequently set an electric fan in the closet doorway to stir the air and remove some of the moisture, or leave an electric light burning there. A wide-mouthed open jar of calcium chloride set on the floor will take up dampness, but must be replenished as it becomes moist.

If mildew is discovered, sun, air and brush the garment. Dryclean those that cannot be washed or sponged. Soap and water, followed by sun-drying, will remove light stains. On more stubborn ones on white fabrics moisten the spots, then apply lemon juice and salt and lay the garment in the sun. Sodium perborate is safe to use on white fabrics. On colored, first try it on an unexposed part. Use 1 table-spoon of the bleach to 1 pint of warm water, or sprinkle it directly on the moistened spot. Let stand a minute or two, then rinse well.

TRIES NITROGEN ON CORN

John Royster is cooperating with UK County Agent J. A. Wheeler of Union County in showing the value of nitrogen fertilizers on corn. In one field ammonium nitrate was applied at 40 and 80-pound rates an acre, and in another field anhydrous ammonia was used at rates of 40, 80 and 120 pounds. Yields will be compared to those on plots where no nitrogen was used.

BERRIES PAY OFF

Members of 4-H clubs in Jackson county sold \$3,500 worth of strawberries. There are some individual returns, as reported by UK County Agent James K. Stacey; Vivian Vickers, 726 gallons from a half-acre; Huda Bingham, 666 gallons from four-tenths of an acre, and Alvin Dale Wiles, 318 gallons from two-tenths of an acre. The youngsters received an average of \$1 a gallon for their berries.

Attorney At Law
Burlington, Kentucky

August 3rd, 1953

Dear Boone Countians:

My sincere thanks for the cordial reception I received from all of you with whom I campaigned for the office of County Attorney of Boone County.

My humble thanks for the support given me in every way; your encouragement sustained me during the campaign; your work and your votes persuade me that even though I did not receive a plurality of the votes it was well worth while.

Perhaps we shall stand together again.

I have congratulated the man who received the nomination and I wish for him a successful term of office.

With kindest regards and best wishes, I am

Yours truly,

A. D. YELTON.

Mel Martin Will Be Heard Aug. 17 At Local Fair Ground

Judge C. L. Cropper Will Deliver Welcome Message.

Mel (Dibble) Martin, former WLWT and NBC Radio and TV Star will conduct a "Crusade For Christ" in Northern Kentucky under the sponsorship of the Baptist Youth for Christ. The Rev. Mel Martin, will speak at the Boone County Fairgrounds, Burlington, on Monday evening, August 17 and in Devou Park on Thursday, Friday and Saturday evenings of the same week. Services will begin at 8:00 nightly.

The Boone County Fairgrounds stadium has a seating capacity of 1800 with space for 1500 cars. The one-night meeting with Mel Martin is expected to be the largest religious gathering ever assembled in Boone County.

Boone County Judge C. L. Cropper will give a welcome message prior to Mel Martin's sermon. Mel Dibble, who adopted the stage name "Mel Martin," when he entered the entertainment world is the son of a Baptist preacher and evangelist. Mel entered the ministry early in life and became a well-known evangelist and singer. It was a great disappointment to many when he left the field of religion to enter the field of radio and later television. Last April after hearing Billy Graham preach in Cincinnati, Mel re-dedicated his life to the Lord and resigned his position with WLWT. He has now re-entered the field of evangelism.

The Rev. Bob Brown, pastor of Visalia Baptist Church, is the General Chairman for the Crusade. The advisory committee includes some 50 young people, along with five

pastor-advisors which include Rev. Bob Brown, Rev. Tom Cole, Associate pastor, Latonia Baptist Church, Covington; Rev. Richard Carlton, pastor Bellevue Baptist Church, Grant, Ky.; and Rev. Darrell C. Richardson, pastor Fort Mitchell Baptist Church.

The Northern Kentucky Baptist youth choir will provide music at all services. The Rev. Tom Cole will direct the music. Mrs. Helen Brown will play the organ.

Bob Campbell is the chairman of the Baptist Youth Council. He is a member of Florence Baptist Church and a law student at the University of Cincinnati.

The public is invited to attend all four services of the Crusade.

Tanners Entertain On 53rd Wedding Anniversary.
Mr. and Mrs. Harry Tanner, of Rosetta Drive, Hopeful, entertained a number of friends in observance of their 53rd wedding anniversary, Sunday.

Those enjoying the festivities were: Mr. and Mrs. Elmer Horne, Jr., and two children, of Batavia, O.; Mr. and Mrs. Richard Blackburn, Withamville, O.; Mr. and Mrs. John Calden, of Covington; Mr. and Mrs. Jack Busby of Union; Wm. Busby, of Hopeful Road; Mr. and Mrs. Bruce Easterdale and two children, of Easterdale Road. All brought well filled baskets, and the occasion was enjoyed by all present.

CARD OF THANKS

Never believe but good, kind folks yet exist, as in the past six months of our loved one, Mrs. Susie Carder's affliction, has been more than proven to us, through cards and the many acts and deeds in more than one way. We are, and will be ever thankful and grateful to one and all. To our faithful Doctor S. B. Nunneley and minister John Mullen, also Dr. M. A. Yelton for his call on one dreary winter day when in need. 11p

Red Cross To Visit POW Camps To Render Assistance

Sick and Wounded Will Be Permitted To Phone Relatives At Home.

Ray D. Frost, chairman of the Boone County Chapter, American Red Cross has made the following statement, although it is not known if any Boone County servicemen have been made prisoners of war. Mr. Frost's statement follows:

"For your information regarding prisoners of war, Red Cross Societies of the following countries have been in the far East since mid-June for training and awaiting truce instructions. A seventy-man team of Red Cross representatives from the United States, Australia, Canada, Denmark, Great Britain, Netherlands, Philippines, Republic of Korea, and Turkey will work with seventy Red Cross representatives from Communist China and North Korea. According to Armistice agreement an equal number from each side will visit Prisoner of War camps and assist these men enroute to and at exchange points in demilitarized zone by providing humanitarian welfare service."

Following are details on Red Cross services to repatriated prisoners: Personal radiograms to be sent at Red Cross expense will reach families about three days after POW's cross demarcation line, while photographs will require about ten days. Since most returnees are expected to return by ship from Inchon. Photos should arrive a week or more before returnees. ARC facilities are being established at Inchon for recording messages on phonograph records for mailing home.

Sick and wounded POW's to be hospitalized in Tokyo can phone home for four minutes at American Red Cross expense, but those embarking at Inchon must wait arrival on the west coast, since no direct telephone circuits with United States are available at either Inchon or Munsan.

Two American Red Cross staff members will be assigned each repatriation ship to provide traditional health recreation services.

If there is any Boone County serviceman thought to be a possible Prisoner of War, the Boone County Chapter, American Red Cross would appreciate it if you would call the Red Cross office at Florence 84.

St. Paul's Church Plan Summer Festival

Members of St. Paul's Church, Florence, will hold their annual summer festival Saturday, August 8th. As is traditional, the ladies will serve a delicious chicken or ham dinner (country style) from 4 to 6:00 p. m.

An afternoon social will open the day's festivities at 2:30. Throughout the evening, a midway of attractive booths featuring fine merchandise and refreshments will be available.

The pastor and congregation invite their friends of the county to attend and share their hospitality. Proceeds from the affair will be applied to the debt on the new school building.

Health Office Will Be Closed During 4-H Fair

The office of the Boone County Health Department will be closed August 6, 7 and 8th, it was announced this week. The office will be closed due to an exhibit on Polio at the Boone County 4-H and Utopia Club Fair. Telephone calls should be made to Burlington 49 or 109.

Farmer Killed By Hit-Skip Driver On East Bend Road Sun.

Ivan Gulley Discovers Body Early Sunday Morning.

The body of Edgar Clow, 30, was found lying beside the road 1 1/2 miles south of Burlington on East Bend Road by Ivan Gulley, a passer-by, about 5:30 a. m. Sunday. Clow was the victim of a hit-skip driver early Sunday morning. The body had been dragged 65 feet and both his arms were fractured. His back was a mass of bruises and his skull was fractured.

Mr. Clow was a resident of the Rabbit Hash neighborhood, and was employed on the farm of W. J. Craig. Friends stated that he had attended the Boone County Fair at Burlington Saturday night. The accident is believed to have occurred between 2 and 5 a. m.

Mr. Clow lived with his father, who has been confined to Christ Hospital, Cincinnati, and underwent an operation Monday. Word of the tragedy was withheld from the father.

Robert Brugh Boone, County Coroner investigated the accident. He is survived by his father, Blufford Clow, and a sister, Mrs. Hazel Riley, of Iowa Falls, Iowa.

Funeral services were held at 2:30 p. m. Wednesday from the East Bend Methodist Church, with S. J. Bradley officiating. Burial was in the church cemetery.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

Local Girl Completing Basic Training At Air Force Base In Texas

Lackland Air Force Base, Texas—Anna Louise Elliott, 18, daughter of Mr. and Mrs. E. B. Elliott, Rt. 1, Burlington, Ky., is completing her AF basic airman indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training for men and women, headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School.

Her basic training is preparing her for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of her aptitude and inclination for following a particular vocation and career.

Burlington Boy Enroute Overseas

Sgt. Max Edwin Ryle, son of Mr. and Mrs. K. W. Ryle, of Burlington, left Monday for California, where he will leave for Korea within the next few days.

Sgt. Ryle, who has been stationed at Langley Field, Va., for several months with the U. S. Air Force, enjoyed a thirty-day leave with his parents, prior to his assignment to overseas duty. He will be stationed in Korea.

Sgt. Ryle enlisted with the U. S. Air Force two years ago, and requested overseas duty several months ago.

GUEST SPEAKER ANNOUNCED

Rev. R. T. Watson will be the guest speaker at the morning service at Florence Christian Church Sunday, August 16th.

Squirrel Season Opens August 25, Closes November 5

Bag Limit Set At Six; Possession Limit Of Twelve Permitted.

August 25 marks the opening of the squirrel season in Kentucky, according to an announcement from the State Fish and Wildlife Department, Frankfort. The season will extend through November 5th.

A daily limit of six and a bag limit of 12 squirrels was set at a recent meeting of the Department of Fish and Wildlife Resources.

Boone County hunters reported fair to poor hunting during the 1952 season, but expect this year's crop of the "bushy-tails" to be somewhat improved.

Game reserves in several sections of the county is gradually overflowing and is adding much to the game crop in surrounding areas, according to sportsmen.

Mrs. Susan Piatt

Funeral services for Mrs. Susan Woodward Piatt, member of a pioneer family of Northern Kentucky, were held at 10 a. m. Tuesday at the Philip Taliaferro funeral home, Erlanger, with Rev. Don Gambrell of Erlanger Baptist Church, officiating. Burial was in Highland Cemetery, Ft. Mitchell.

Mrs. Piatt died Saturday at the residence of a nephew, Dr. G. R. Coe, on Crescent Springs Pike, Erlanger.

The Piatts were among the settlers of Boone County, and the name appears frequently in the early history of the Northern Kentucky area.

Mrs. Piatt is survived by a sister, Mrs. Annabelle Kindred, Cincinnati; two brothers, Walter R. Erlanger, and George B. Coe, Athens, Tenn.; and several nieces and nephews.

Billy Ray Ryle

Billy Ray Ryle, infant son of Mr. and Mrs. Carol E. Ryle, died Wednesday night of last week at Booth Hospital.

Besides the parents, the child is survived by his grandparents, Mr. and Mrs. Wm. B. Eggleston, and Mr. and Mrs. Wilbur O. Ryle, several great-grandparents and a great-grandmother.

Brief services were held at 4:00 p. m. Thursday at the grave in Sand Run Cemetery, with Bro. Tackett officiating.

Four Men Indicted On House Breaking Charges Tuesday

Recess Called Until Friday Morning; Civil Case Hearings Set.

The Boone County Grand jury in session Tuesday under the new Circuit Court ruling indicted four men on house breaking charges after being in session one day. The jury was recessed until Friday morning at 9 o'clock.

Those indicted were Jerry Lunsford, of Newport, William Schwennfuss, and John Newman, both of Covington, and Perlie Rice, all charged with house breaking.

Lunsford, Schwennfuss and Newman will be arraigned before Judge Yager for trial Wednesday, August 19th. These men are charged with breaking and entering the home of Chas. Hempling, Jr., of Taylorsport on Sunday, May 17th.

Lunsford was arrested by an eight-man posse near the home of Mr. Hempling, while Schwennfuss and Newman were later arrested in a cafe in Newport.

Judge Yager dismissed both petitions until Friday morning, August 14th at 9:00.

Two civil cases have been placed on the docket for Tuesday, August 18th, according to R. S. Hensley, Circuit Court Clerk.

The August term is expected to be a brief session, due to the light docket.

Florence Lions To Operate Blue Meadows Golf Range Sunday

Members of Florence Lions Club who yell "Oh, my aching back!" will have just cause for the exclamation Monday. But the sore muscles will result from a good cause.

The Lions will take over operation of Blue Meadows Golf Driving Range, U. S. 42-25 Sunday, August 16. All proceeds taken in from 10 a. m. to 10 p. m. will go into the club treasury.

Manager of Blue Meadows, in donating the range, stipulated that members of the club will have to pick up the golf balls which have been smacked out. However, the Lions contend the more they have to bend their backs the more money in the till.

The committee working with Dr. J. H. Bustetter chairman, includes: L. H. Snow, Elbert Bohon, Dr. C. C. Shilling, Frank Reffett, Henry Kroeger, Leo McHenry, Don Markberry, and W. H. Stephens and Harley Fisk.

George R. Scott, president, extended an invitation to golfers and duffers alike to attend the swat fest. He explained money taken in will be placed in the eyesight conservation and civic improvement fund.

Florence Woman Injured In Fall Thursday

Mrs. Goldie Littrell, of Florence, was reported in fair condition at Booth Hospital, Covington, where she was taken Thursday after suffering a knee injury in a fall in downtown Covington.

Youth For Christ Rally Expected To Attract Large Crowd

Mel Martin Will Speak To Gathering At Boone Fairgrounds Monday.

Hundreds of Boone Countians are expected to attend the Northern Kentucky Baptist Youth For Christ rally at the Boone County Fairground stadium on August 17 at 8:00 p. m. The stadium will seat 1800 persons and the sponsors plan to fill it to capacity. This will be all evidence be the largest religious gathering in Boone County history.

Boone County Judge C. L. Cropper will give a welcome message.

Mel Martin, who became a regular visitor each morning to hundreds of Boone County homes and to millions of others throughout the nation via NBC Television, will be the speaker. Mel's "Breakfast Party" originating at WLWT was one of the nation's most popular morning shows until—well that's another story. Mel heard Billy Graham, and as so many others have, he was moved to give his life to Christ.

This decision prompted him to resign his position with NBC the next day. From then until now he has been active in evangelism. Now you have a chance to hear this star under the stars.

The fairground stadium will be transformed from the scene of horse shows, entertainment, team pulling contests and other such events to a cathedral under the trees. With the aid of a brilliant 50-voice choir of Baptist youth, organ and piano music, this will be a great service long to be remembered.

There will be three more such services at the Devou Park amphitheatre when some 10,000 are expected on August 20, 21, 22.

All eleven Boone County Baptist Churches are in the group of 53 Northern Kentucky Churches cooperating in this project.

Bob Campbell, of Florence is chairman of the Youth Council and Rev. Bob W. Brown is general chairman of the Crusade.

Plan to attend all four services.

City Of Florence Signs Contract With Boone Commission

Is First of Tri-City Group To Sign, According To Reports.

Members of the Florence Board of Trustees signed a contract at a special meeting last week to buy water from the Boone County Water Commission.

Florence is the first of the tri-city towns of Erlanger, Elsmere and Florence, to commit itself in the water dispute which has been argued the past two years.

Under terms of the contract Boone County agrees to supply water at a quarterly rate of \$4 for the first 800 cubic feet; 45 cents a 100 cubic feet for the next 1700; 40 cents for the next 300 and 30 cents for the next 4000 cubic feet.

The commission agreed to supply all water for fire protection and maintain water mains in as good condition as they were when turned over to the district under terms of the agreement.

Included in the contract was a clause stating "that all present water consumers shall be exempt from payment of a meter charge either from the purchase thereof or the rental thereof and that in the event the meters which are now installed are determined to be the property of Kenton County Water District No. 1, the Boone County Water Commission will either purchase said meters or furnish new meters without cost to present water consumers in Florence."

Councilman Don Mager, after hearing the contract read, made a motion that Florence sign the agreement. Councilman Sam Denham seconded the motion.

Mayor George R. Scott and William Fitzgerald signed the contract for the city. Signing for the commission are S. M. Graves, chairman; W. Robert Ellis, secretary, and Roy C. Lutes, treasurer.

Mr. Graves said another contract carrying identical clauses will be presented Erlanger City Council, Tuesday, August 18.

Boone County has offered Elsmere the same contract as that signed by Florence. Members of the Council recently turned down the offer.

Mrs. Gilbert Crowder, of Erlanger, spent the week-end with Mr. and Mrs. Dewey Crowder.

Five Boone County Farmers Honored At Conservation Meet

Selection of Group Made By Agricultural Scientists and Technicians.

Five Boone County farmers were recipients of Master Conservationist Certificates, presented last Wednesday by Marshall W. Qualls, Frankfort, director division of soil and water resources, Kentucky Department of Conservation, at a meeting held at Union, Ky.

Those receiving the awards were Everett Flynn, J. Lassing Huey, Joseph B. Helzer, J. Lassing Huey and Stanley W. Eichholz.

Selection of the recipients was made by a committee of agricultural scientists and technicians from score cards prepared on those farms in Boone County whose operators signed agreement with the Soil Conservation Service definitely committing themselves to agricultural conservation practices.

Ratings on the score cards were for land use, pasture and meadow development, crop rotations, water disposal systems, woodland completeness of the farm conservation plan and program, quantity of work done and maintenance of practices, and the effort put forth by the operator in establishing his conservation plan.

The meeting was held on the farm of J. Lassing Huey, in a 28-acre field which had been the subject of a face lifting on September 22, 1948, by the Kentucky Soil Conservation Service.

Mr. Huey's farm was the first of 11 farms visited in every section of Kentucky in the interest of better land use.

Conservation farming in Northern Kentucky is beginning to show results. Two farmers who condemned the practice in 1948, last year have some land terraced, and this year have corn and tobacco planted on the contour.

H. E. White, Burlington, chairman, Boone County Board of Soil

Conservation Supervisors presided over the meeting.

Included in the assemblage, in addition to the many farmers present were: D. W. Orcutt, area conservationist, and Thomas Leathers, soil scientist, soil conservation service; work unit technicians Floyd Kells and Kendrick Keith, Boone County; Victor Steger, Kenton County; and Richard Morris, Grant County; Joe Claxton, Boone County agricultural agent; Harry Brown, assistant, division of soil and water resources, Frankfort and James B. Jones, President Boone County Farm Bureau.

Burlington Nine Collects Revenge For Earlier Defeat

Trouncing Florence By Score of 7-5; New Haven Chalks Up Victory.

Burlington collected revenge for their only defeat of the season by defeating Florence Friday night in their second meeting of the year by a score of 7-5. Joe Hall was on the hill for the winners giving up 5 runs on eight hits, while the losing pitcher was Brooks. Kennedy started for Florence, but was relieved with no outs and two on when he injured his right hand.

Burlington collected 11 hits from the offerings of the two Florence pitchers. Joe Hall added to his own cause with 3 hits; Smith also had 3. Zapp and Hayes each had two hits for the losers.

Florence traveled to New Haven last Friday night to take a loss at the hands of New Haven by a score of 5 to 2. Hubbard was on the mound for the winners, while Kennedy served them up for the losers. The game was stopped after five innings of play on account of rain.

Walton and Petersburg's game was rained out in the fourth inning with Petersburg holding an 8-4 lead.

Lost games of the second round of regular season scheduled will be played remainder of this week, it

Capacity Crowds Attend 4-H and Utopia Fair At Burlington; Total Of Eleven Hundred Entries Exhibited

was announced. Walton will meet Burlington at Burlington, Thursday, August 13; Walton at New Haven, Friday, August 14; Kentaboo vs. Petersburg at Burlington, Friday, August 14.

A two loss and out elimination series will open next week. In the first game Petersburg meets Walton at Burlington 8:00 p. m. Monday night, Aug. 17. Two games will be played Tuesday night with Kentaboo traveling to Burlington to meet Burlington and Florence at New Haven. The last two teams in the elimination series will play a two best out of three series for the championship. The winner will receive a trophy.

Baseball Games Sunday
Burlington will meet the Ludlow nine in a baseball game Sunday afternoon at 2:30 at Burlington park. I. Gulley is slated to start on the hill for Burlington with T. Gulley receiving his slants.

Dry Ridge meets Petersburg at Petersburg Sunday, August 16. Huey or Deck will be on the mound for Petersburg, while Wilcox is slated for mound duty for the visitors.

150th Anniversary And Homecoming Planned At Bellevue

Baptist Church Sunday, August 16; All-Day Services Scheduled.

The Bellevue Baptist Church at Grant, Ky., will celebrate its 150th anniversary as a church with homecoming services on Sunday, August 16th, at the church. There will be both morning and afternoon services for the day with an old-fashioned basket dinner on the grounds intervening.

It was 150 years ago on March 12, 1803, that a small group of Baptists from the Bullittsburg Baptist Church organized the Middle Creek Baptist Church which became the Bellevue Baptist Church when during the ministry of Rev. A. M. Vardiman the church building was changed from Middle Creek to the little village of Bellevue. This year marks the close of a century and a half of service for the Lord and opens the door for added service in the future.

Everyone is invited to share in the blessings of the day. A goal of 200 has been set for the Sunday School hour at 10:00 and a full house is expected for both of the worship services which will begin at 11:00 and 2:30, morning and afternoon respectively.

Eight former pastors still living have been invited to return for the day. They are E. B. Atwood, H. B. Hensley, Clarence Baker, W. C. Guth, W. G. Burkett, Forest Taylor, Otis Brooks (the morning speaker), and Raymond Smith (the afternoon speaker).

Special music for the day will be provided by the Bellevue choir in the morning and the combined choirs of Bellevue and Burlington in the afternoon.

A special 8-page bulletin to commemorate the occasion will be available to all those attending. Come early for the services.

A complete list of prize winners will be carried in next week's issue of this paper.

Jubilee Singers To Entertain At Colored Baptist Church Aug. 15

The Addyston Jubileers and other Cincinnati singers will give a musical program at the First Baptist Church (Colored) Saturday night, August 15, at 8:00, it was announced this week.

The Jubilee singers will bring a program of music that will be highly enjoyed by those attending. The public is cordially invited to attend.

Ethel Lainhart

Ethel Charlena Lainhart, nine-week-old daughter of Mr. and Mrs. William Lainhart, 114 W. Fourth St., Covington, died Sunday in Booth Hospital, Covington.

Besides her parents, she is survived by a brother, William Sidney Lainhart, at home; her maternal grandparents, Mr. and Mrs. Sam Johnson, Union, Ky., and her paternal grandparents, Mr. and Mrs. Elbert Lainhart, of Petersburg, Ky.

Funeral services were held at 10 a. m. Tuesday at the Stith funeral home, Florence, with burial in Bellevue Cemetery, Grant, Ky.

Dairy Animals From Four Counties Shown During Event.

The Boone County fairgrounds was filled to capacity with people from Kentucky, Ohio, and Indiana, during the three-day 4-H and Utopia fair, despite the thunder storms and rain. There were over 1,100 entries in the 4-H, Utopia, and open agricultural and Home Economic departments. The floral hall flower exhibit was the most beautiful in years.

Dairy animals from Boone, Campbell, Grant, and Owen counties were shown in the open class dairy show, which made up one of the largest shows in the history of the fair. In the open Jersey dairy class the grand champion female was owned by O. Harris & Sons, Carrollton, Ky. The grand champion male was owned by Robert Youell, of Burlington. Grand champion of the Holstein female class was owned by Graden Bros., Alexandria, Ky. Grand champion winner in the Holstein male class was owned by Boontucky Farms, Burlington. Winner of the grand champion award in the Guernsey female class was owned by Jerry Dixon of Florence, and the grand champion Guernsey male was owned by Jackie Cook, Walton. The Brown Swiss grand champion female and male was owned by Brice and Lucille Brown, of Dry Ridge.

In the 4-H dairy classes Robert Maddox of Florence won first on his dairy animal, record book and quiz. Mary Jo Dixon, won first on her record book, and Billy Dixon took first in the showmanship class.

September 5 Is Deadline For New Registration, Word

Voters Should Call At Office Of County Clerk Before Closing Date.

Voter registration offices, which opened Thursday after the primary will remain open through midnight September 5, when they will be closed until after the November election.

Under the new registration and purgation laws, county court clerks may establish branch office registrations at points other than court houses provided county boards of registration and purgation approve and they are in buildings selected by the boards.

Squire N. Williams, Jr., assistant attorney general, explained to a group of county officials the procedure involved and said that unregistered voters, including those who have become of age since the last election, or those who have moved from one precinct to another, should register before September 5 if they wish to vote in November.

Our Youth Today—Leaders of Tomorrow

Pictures shown above were made in cooperation with Woltz Studios of Des Moines, Iowa, and will be published in future issues of this paper at no expense to our patrons. This space will be used weekly until all pictures taken are published.

Following a pleasant vacation here Miss Sally Eades returned to her home in Chattanooga, Wednesday.
Blayne Miller and H. B. Simpson

of Dayton, Ohio, were week-end guests of the formers' parents, Mr. and Mrs. Geo. Miller.
Rev. Roy Johnson, a victim of food poisoning was ill several days the past week.

Mrs. Eva Delahunty accompanied relatives who were returning from their vacations to their home in Chicago. A recent card from her states she is having a fine time. The picture on the card was evidence that she had visited the polar bear pits at the Brookfield Zoo in Chicago.

Mrs. Scott Jones and daughter, Mrs. Geo. Miller, Mrs. Jane Wickard, Erlanger, Miss Hattie Miller, of Detroit and Mrs. Georgia Wilkins, Erlanger attended an all-day meeting of the Woman's Society of the Big Bone Methodist Church, Thursday at the home of Mrs. Dave Miller. A covered dish lunch was served and all had an enjoyable day.

True Haub, of Central Barren, Ind. is visiting Mrs. Viola Idol, of Dixie Highway.

Mrs. Russell Bethel and children of Akron, Ohio, were week-end guests of Mr. and Mrs. Owen Bethel and other relatives here.
The revival at the local Methodist Church is progressing nicely. Pictures will be shown during the week including the Holy Land and others. You are missing a treat if you do not hear Mrs. Moran perform on the Hammond organ.

Mr. and Mrs. McLoney, of Burlington were calling on the R. G. Keyers, Saturday.

More than 238 pictures were framed in Bath county as a result of homemakers club lessons.

CARD OF THANKS

We take this means of thanking our relatives, friends and neighbors for their many kind expressions of sympathy, in the sudden passing of our loved one.

Helen J. Buckler

We especially thank Rev. Wayne Mobely and Rev. Richard Carlton for their consoling words and prayers; for those who brought the message in music and song; donors of the beautiful flowers; those who brought in an abundance of food; those who sent cards and letters of sympathy; and Ralph Stith for the very efficient manner in which he conducted the funeral.

May God bless each one of you for your many deeds of kindness to us, for it is a comfort to know someone cares.

**To The Voters Of Boone County:**

Although unsuccessful in my recent race for State Senator in the 26th Senatorial District, I am grateful for the votes received in your county. I feel deeply indebted to you, my friends, who worked so diligently in my behalf and sincerely hope that sometime in the future I will be in a position to repay my obligation. I offer no alibi for my defeat—I just failed to get the votes necessary to win. I congratulate my opponent and pledge to him my full support during his tenure in office.

Level running even in rough ground... freedom from vibration... control in placing soil around plants—that's what you get with the Allis-Chalmers WD Tractor and its 2-Row Level-Depth Cultivator.

Parallel linkage and precision gang bearings are the key to this new cultivating action. Each gang runs independently over uneven ground—yet all gangs work at level depth.

Quick-hitch feature of cultivator (hinged frame swings out like a gate) and Power-Shift wheels of WD Tractor reduces "get ready" time to minutes.

Let us demonstrate this new cultivating action on your farm.

lips, of Cincinnati, O., Saturday evening, August 8th.

There was but one major change in the regulations "governing the shooting of doves in this state and that concerned the shooting over baited fields, and definition of baited fields. The altered section is as follows:

"Waterfowl, coot, gallinules, doves and band-tailed pigeons may not be taken under any circumstances by the said of salt, or shelled or shucked or unshucked corn, wheat or other grains, or other feed or means of feeding similarly used to lure, attract, or entice such birds to, on or over the area where hunters are attempting to take them.

"As used herein the terms 'salt, or shelled or shucked, or unshucked corn, wheat, or other grains' or 'other feed or means of feeding similarly used,' shall not be construed as including salt blocks, properly shocked corn, standing crops, (including aquatics), grains found scattered solely as a result of normal agricultural practices, flooded standing crops, or flooded harvested crop lands. Nothing in this section shall be construed to apply to propagating, scientific, or other operations in accordance with the terms of permits issued pursuant to this part."

No dates have been issued for the hunting of waterfowl. Regulations governing this species are expected to be issued in the next 10 days.

Motor Transportation Hearing Scheduled

Commissioner of Motor Transportation John M. Kinnaird today called a hearing for Aug. 27 to give representatives of motor carriers a chance to make themselves heard on a number of proposed amendments to existing transportation rules and regulations principally of a clarifying nature.

Kinnaird also said his department proposes to require all carriers to file reports—divided into three classes—showing annual gross revenues before April 1 of each calendar year. The forms call for a division of firms having gross incomes of \$200,000 or more a year; those with incomes from \$50,000 to \$200,000; and a third class of those with gross revenues of less than \$50,000 a year.

Copies of the proposed rule changes have been provided all motor carriers in the State, informing them of the hearing.

HIGH SCHOOL TRAINING URGED FOR DRIVERS

Greater emphasis will be placed on courses in training drivers in Kentucky high schools during the coming year, State Superintendent of Public Instruction Wendell P. Butler said today.

Instructions are being sent to all superintendents and school principals, including high school principals and teachers of health, safety and physical education, concerning the need for the courses, together with suggested procedures for organizing and conducting them.

Butler said his department hopes to have courses in a majority of schools next year. They will be either actual in-car courses or classroom training to prepare students for later automobile training.

Both types of courses have been advocated by the Governor's Highway Safety Committee and the committee helped work out plans for the training.

Butler commended to all school personnel a new publication of the State Department of Education, entitled "Highway Safety and Driver Education."

It was prepared by Sam B. Taylor and John L. Vickers of the department staff and outlines plans for conduct of classes.

An advisory committee, which collaborated in the preparation of the publication has been named.

Farmers Will Vote Twice During Month Of August

Will Vote On Wheat
Quotas, Friday, August
14; Next Election Aug. 27

Kentucky farmers are planning two additional trips to the polls in August. They are "for farm ers only."

These "elections" are the wheat marketing quota referendum, to be held on Friday, August 14, and the election of Production and Marketing Administration community committeemen and county convention delegates slated for Thursday, August 27.

The wheat quota referendum is to determine whether growers approve the marketing quotas proclaimed by the Secretary of Agriculture for the 1954 crop. A two-thirds majority is required to make quotas effective, and the vote is only on the 1954 crop.

Only wheat growers subject to the quotas—those who will plant more than 15 acres of wheat for 1954 harvest and whose farms have a normal production of 200 bushels or more on the acreage planted for harvest—are eligible to vote in the referendum. Farm tenants growing wheat on farm subject to quotas are included.

Polling places will be announced by county PMA committees.

Elections of community PMA committeemen and county convention delegates on August 27 will be held in PMA community meetings. Places and hours for the meetings will be announced in each county.

Each community is to elect three regular committeemen and two alternates and will also elect a delegate and alternate delegate to the county convention, which elects the county PMA committees.

Farmers eligible to vote in community elections include all who are participating in PMA programs, tenants as well as owners and operators.

Fertilizer dealers in Hancock county reports selling more fertilizer for corn than they had sold in any previous year.

Mrs. Lou Wardlow has returned to her home in Norwood, O., after spending the past two weeks with Mr. and Mrs. Elmer Jarrell.

A group of members of the W. M. U. here went to Petersburg Monday evening to hear Mrs. Baird tell of the work she and her husband are doing for the Navajo Indians in Arizona. This meeting was sponsored by the members of the Petersburg W. M. U. and was held in the Baptist Church there.

Pfc. and Mrs. Wm. Earl Scroggins arrived early Tuesday morning from Columbia, S. C., for a visit with their parents, Mr. and Mrs. Jack Rogers and Mr. and Mrs. T. B. Scroggins.

Mr. and Mrs. Donn Loomis have moved into their new home here recently completed.

Work is progressing rapidly on Charley White's new home, adjoining the Loomis place.

Mrs. Ida Mae Cason accompanied Mrs. Frank Kelly and her grandson Bobby Maurer on a fishing trip to Lake Geneva in Indiana, last week.

Mrs. Lizzie Smith has been quite ill since last Friday.

Mr. and Mrs. Buddy Love celebrated their first wedding anniversary by taking a pleasure trip thru Kentucky with Mr. and Mrs. Gene Becknell, of Union.

Mr. and Mrs. Allen Rogers, Misses Betty and Evelyn Ann Rogers and Clifford Barnes, left early Saturday morning for a trip to Washington, D. C., and other places of interest.

Mr. and Mrs. Oakley Lambert, of Cincinnati spent the day Sunday with Mr. and Mrs. Elmer Jarrell.

Mrs. Cliff Dinser was brought home from St. Elizabeth Hospital, Saturday and Jimmy Ransom returned home from Christ Hospital Sunday. We wish for both of them a complete and speedy recovery.

Ray Deck has employment in Evansville, Ind.

Mr. and Mrs. Sebern Scott entertained Mr. and Mrs. Lafe Miller, r.,

and daughter of Independence, Sunday.

THANKS

I wish to take this opportunity to thank the voters of Boone County for their splendid support on August 1, 1953. Although I was unable to contact the voters of this County, they went to the polls and gave me a substantial majority, for which I am truly grateful.

To those who failed to support me, I can assure you that I hold no ill will, and will be more than pleased to hear from you at any time, and assure you that I will do my utmost to represent you honestly and fairly.

Sale Price \$125.00
1 Year to Pay

2 reasons why Apex is your best Washer Buy!

ONLY APEX HAS THE AMAZING SPIRAL DASHER—This patented Spiral Dasher gives you wonderful savings in fabric wear, time, soap and water. Thoroughly cleanses work soiled clothes from top to bottom of tub and has exclusive "Silk Line" for cleansing a handful of dainty garments.

PATENTED APEX FREE-RUNNING MECHANISM Permits independent operation of wringer or dasher. When the wringer is operated without the dasher only the wringer gears move, resulting in greatly reduced parts wear and greatly increased washer life.

OBITUARY

Helen Maxie Buckler, daughter
of Mr. and Mrs. Elmer Jarrell was
born October 24, 1912, departed
this life July 24, 1953 in Christ Hos-
pital following surgery, at the age
of 40 years and 9 months.
She united with the Church of
Christ in 1925 and remained a faith-
ful member until her death.
On August 24, 1929 she was united
in marriage to Alton Buckler.
She leaves to mourn her passing
her husband, mother and father and
one cousin, who was reared by her
parents, (Mrs. Alline Warlow, of
Norwood, Ohio). She also leaves a
host of other relatives and friends.
Peacefully sleeping,
Resting at last,
The world's weary troubles
And trials are past.
In silence she suffered,
In patience she bore,
Until God called her home
To suffer no more.
—Sadly missed by her husband
and parents.

REQUESTS PUBLICATION OF LETTER IN SEARCH FOR BOONE RELATIVES

Editor of the Boone Co. Recorder, Burlington, Ky.

"Dear Sir: The Atlanta Journal gave me the name of your paper as representing your county. Will you be kind enough to print this letter of inquiry in a suitable department of your next issue?"

"My great-grandfather was Benjamin Sherrill, but I never learned his father's name or his place of birth. He died in October 1880 at the home of a son in Cincinnati, but was buried in the old cemetery at Burlington, close to children and grandchildren residing in that community. (This is a quote from an old letter.)

"My grandmother Catherine was his child by his first marriage to Matilda Hedges, daughter of Samuel and Maria Hedges, who were buried in Sand Run Cemetery. Benjamin Sherrill was a general merchant during the Civil War and his store was raided during that unsettled time. By his second wife, who was Julia Long he had five children: Benjamin, who was killed in the Civil War; Gaines, who lived for sometime in East St. Louis, Mo.; John, who died at the home of a son in Cincinnati, about 1887; Charles, who lived in Louisville, and Mollie, who lived and died in Mt. Sterling, Ky., the wife of William Waller.

"If any descendants of Samuel and Maria Hedges are living in your county who intermarried with the Draper, Morehead, Loder, Rouse, Stewart, Goodridge or Garnet families, I would appreciate their sending me what information they can regarding Ben. Sherrill's parentage and place of birth. Perhaps I can reciprocate by sending information found in the Atlanta Library, quite an institution.

"Thank you so very much.
Mrs. Clarence White
2276 F. Virginia Pl. N. E.
Atlanta, Ga."

Fifteen Hundred Hear Mel Martin At Burlington Mon.

Record Set For Religious Service In County, Is Report.

Mel Martin preached to the largest religious gathering in Boone County history Monday night when approximately 1500 people filled the fairgrounds stadium.

This was the first in a series of four services featuring Mel Martin as evangelist, all four having been planned and promoted by the council of Northern Kentucky Baptist Youth for Christ. The other three services will be held at the amphitheatre at Devou Park, Covington, Thursday, Friday, and Saturday nights of this week at 8 o'clock.

Mr. Martin, a former WLW television personality, recently renounced his lucrative and glamorous position, to enter the field of Christian evangelism. Already he has accepted many evangelistic opportunities over the next 11 months.

Monday evening's service was presided over by Rev. Bob W. Brown, a native of Burlington, and pastor of the Visalia Baptist Church. He has been instrumental in the entire project through his advisory post.

Bob Campbell of Florence, a sophomore pre-law student at the University of Cincinnati, also has figured prominently in the total undertaking, having been named chairman of the youth council some months ago.

The welcome address was given by Boone County Judge C. L. Cropper, to which Mr. Campbell replied. Miss Lorraine Lincke of Burlington was the evening's soloist, her selection being "Just a Closer Walk With Thee." The 50-voice choir was under the direction of Tom Cole, minister of music at the Latonia Baptist Church.

Grover C. Rector, age 67, died Thursday, August 13th at 11:40 a. m. at his home in Petersburg, Ky. He was a retired Seagrass distillery worker.

He is survived by his wife Sallie Jones Rector; one son, Wilford Rector, of Aurora, Ind.; three daughters: Mrs. Raymond McCordle, of Louisville; Miss Erma Rector, of Louisville; and Mrs. Rosalie Bruce, of Petersburg; one brother, William Rector, of Petersburg; one sister, Mrs. Cordelia Cox, of Hebron, and one grandson.

Funeral services were conducted from the Petersburg Christian Church, Saturday, August 15th at 2 p. m. Burial was in the Petersburg Cemetery.

Stier & Williams, Aurora, Ind., funeral directors were in charge of all arrangements.

Mr. and Mrs. Albert Seebree and son, Bobby, and Mrs. Pearl Guiley spent several days last week vacationing in the Smoky Mountains.

August Term Of Circuit Court Is Nearing Completion

Three Men On Trial Wednesday Charged With House Breaking.

As The Recorder goes to press Wednesday morning, the August term of Boone Circuit Court is nearing completion, according to R. S. Hensley, Circuit Court Clerk.

Three men, Jerry Lunsford, of Newport, William Schweneffuss and John Newman, both of Covington were arraigned before Judge Ward Yager on charges of house breaking. The indictments were returned against the men Tuesday by the August session of the Boone County grand jury.

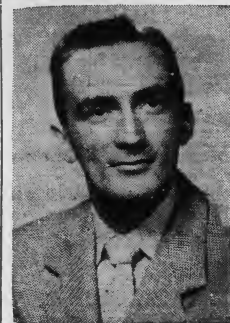

The grand jury which was recessed from Tuesday until Friday, completed its duties Friday and was dismissed by Judge Yager. The body examined all county buildings and reported all in excellent condition, recommending that the County Infirmary be painted or covered with asbestos shingles and window sashes replaced.

Petit Jurors were dismissed Friday afternoon by Judge Yager until Tuesday morning of this week.

Two civil cases were disposed of Tuesday, and another civil case was placed on the docket for Wednesday.

It is expected that the August term will be adjourned Wednesday providing the criminal case on the docket can be disposed of.

New Coach Named For Burlington High School

Owen Hauck, of Ludlow, Ky., has been named as football and basketball coach of Burlington High School, it was announced this week by H. N. Ockerman, County School Superintendent.

Mr. Hauck attended Eastern State College, Richmond, graduating in the spring of 1953 with a B. S. degree.

Mr. Hauck fills the vacancy caused by the resignation of Ralph Maurer, early this summer.

PMA Committeemen Will Be Elected By Secret Ballot Aug. 27

Five Polling Places Set Up For County Farmers.

Election of Production and Marketing Administration committeemen and convention delegates this year will be by secret ballot only, the Kentucky State PMA Committee has ruled in election instructions to all counties.

The state committee has set the date for election of PMA community committeemen and convention delegates for Thursday, August 27. Delegates elected on Thursday will meet in conventions in each county on Friday, August 28, to elect county PMA committeemen.

All elections of community committeemen and delegates will be held in PMA community meetings. In each PMA community, farmers will elect three regular and two alternate committeemen, and will also elect a delegate and alternate delegate to the county convention.

Farmers eligible to vote in community elections include tenants as well as farm owners and operators participating in PMA programs. County committeemen now are compiling lists of farmers eligible to vote in each community in the state.

Boone County farmers will vote at the following places between the hours of 8:00 a. m. and 4:30 p. m.: Burlington, Florence, Bellevue-Courthouse.

Petersburg, Hebron, Constance-Hebron firehouse.

Walton, Verona-Walton Town Hall.

Union, Beaver-New Haven School.

Hamilton-Hamilton School.

Outstanding Singer To Participate In Elsmere Baptist Church Revival

Eddy McKinley, outstanding music director will have charge of the song service at the Elsmere Baptist Church revival beginning August 23 and continuing through September 6, 7:45 nightly, according to Rev. Howell, pastor.

A. D. Muse, director of Hearts Harbor Tabernacle, Louisville, Ky., and one of the South's outstanding evangelists will be the speaker. Dr. Muse is heard daily in his Bible Hour over station WGRC, Louisville.

Mr. McKinley (Eddy) from Pittsburgh, Pa., is a graduate of Bob Jones University, in South Carolina, having had major concentrations in Sacred Music and Bible. Since graduation in January of this year, he has been working with several well known evangelists and pastors throughout the East, South and Midwest.

Realizing the importance of music in the church and the service which it has rendered through the years, Mr. McKinley says, "A singing church is a growing church."

For the singing of old Gospel hymns has been the means of bringing many lost souls to Christ."

A cordial invitation is extended to the public to attend these services.

Burlington Nine Mark Three In Win Column, Past Week

Petersburg Draws First Blood In Elimination Series.

Burlington took their second game of the week by defeating Kentaboo 9 to 1. I. Gulley batted and pitched his team to a victory, while setting the Kentaboo hitters down with 2 hits, he collected three hits from the offerings of Price. His teammates added 8 hits for the winners.

Burlington chalked up its third win of the week by defeating Walton on Thursday night by a score of 19-2. Gulley was the winning pitcher, with Bowling on the hill for the losers. Most of Burlington's hitters had two safeties each. Deak and Noe each had two hits for Walton.

New Haven made it 7 wins against 3 defeats for the season by defeating Walton last Friday night by a score of 11-3. Hubbard was the winning pitcher with Anderson the loser.

Petersburg trimmed Kentaboo at Burlington, but details of the game were not available.

Elimination Series
In the first game of elimination play Monday night at Burlington, Petersburg defeated Walton by a score of 10 to 2. Burlington played Kentaboo and Florence played New Haven Tuesday night, but game results were not given as we go to press. Walton will meet Florence at New Haven Thursday night, Aug. 20th.

Games scheduled Friday night, August 21, at 8:00 p. m. are as follows: Petersburg vs. Burlington at Burlington; Kentaboo vs. New Haven at New Haven.

Season Standing	W	L
Burlington	9	1
New Haven	7	3
Petersburg	5	5
Florence	5	5
Walton	2	8
Kentaboo	2	8

Baseball Results

Ludlow traveled to Burlington Sunday to take a drubbing at the hands of the Burlington nine. The score was 13-2. Gulley was on the hill for the winners, giving up 5 hits, 2 runs, while Burlington collected 13 hits, 13 runs from the offerings of Hollingsworth and Rouse. Rouse was charged with the loss.

Showing the younger boys how to do it, Roscoe Akin led all hitters for the day with a home run and two doubles. Ivan Guiley was close behind with two doubles and a single.

Florence will travel to Burlington Sunday to meet the Burlington nine. At 2:15 p. m. Gulley and Guiley will be the battery for the Burlington nine.

Two Men Lose Driving Rights In County Court

Michael Thomas D'Ermino, of Erlanger and Hubert W. Kidd, of Detroit Mich., were fined \$104.50 each, and their driving rights revoked for a period of six months, when arraigned in Judge Cropper's Boone County Court Monday on charges of operating a motor vehicle while intoxicated. Both men were arrested by State Troopers.

Eleven cases of reckless driving, passing on curves and speeding were heard by Judge Cropper Monday and violators were given a fine of \$19.50 each. State Troopers cited the violators into court.

Wheat Quotas Approved Thruout State, Is Report

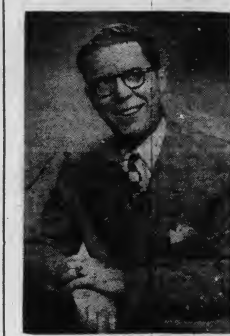

Boone County Vote Is 13-1 In Favor Of Quotas.

The wheat quota referendum voted Friday, August 14th by Boone County wheat growers throughout the state was carried by an overwhelming majority, according to early returns from the 105 wheat growing counties.

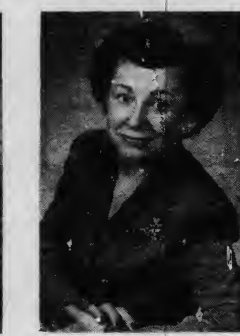

Although Boone County has very few wheat growers the vote here was 13-1 in favor of quotas. It is expected that the referendum will carry by a large majority.

Farmers will again vote August 27 in the election of Production and Marketing Administration community committeemen and county convention delegates slated for Thursday, August 27.

Livestock Loans Now Available To Eligible Farmers

Will Be Made To Establish Producers and Feeders of Livestock.

Emergency livestock loans, authorized by recent legislation, are now available to eligible farmers in Kentucky. Earl Mayhew, Farmers Home Administration State Director, announced today.

These loans will be made to establish producers and feeders of cattle, sheep and goats, provided they have good records of operations, have a reasonable chance to succeed and are unable to obtain needed credit from other sources to continue their normal operation. Such loans will not be made to carry on commercial feed lot operations, to refinance existing debts except for payment of current incidental bills, or to enable a borrower to start livestock operations.

Special livestock loans will bear 5 percent interest and may be made for periods up to 3 years. Borrowers will be expected to repay the loans as rapidly as they can. Each loan must be secured in the full amount by the personal obligation and available security of the borrower. The Government will not require present creditors to subordinate their loans, but borrowers will be expected to obtain standby agreements from their present creditors so they will have a chance to work out of their difficulties. Also, present creditors must be willing for a portion of the borrower's livestock income to be paid on the Government loan.

Secretary of Agriculture Ezra Taft Benson has designated the Farmers Home Administration as the agency to handle this emergency credit program, and has made Administrator R. B. McLeish administratively responsible for it at the national level. However, all loans must be approved by the special livestock loan committees appointed by the Secretary.

Application forms may be obtained at any county office of the Farmers Home Administration or from established lenders in the area. They may be filed with the local county FHA supervisor or directly with the state special livestock loan committee.

Camp Ernst Plans Open House For Burlington Citizens

Swimming and Movies Will Feature Evening Program.

Residents of Burlington and those living in the vicinity of the camp, have been extended an invitation to be the guests of the officials of Camp Ernst at an open house Friday evening. Camp Ernst is located on Gunpowder Creek just a few miles from Burlington.

Free swimming in the camp's new \$30,000 pool and movies will be the entertainment offered. The swimming will be under the direction of Tom Threlkeld aquatic director and will be available from four o'clock until eight, when the movie program begins.

Camp Ernst has been a part of Boone County for about twenty-three years, and has made marked progress in recent years. It is rated as one of the finest camps in the entire State and many Burlington residents are expected to drop in for a visit on Friday, August 21.

The invitation comes through the courtesy of Willard L. Wade, General Secretary of the Covington YMCA and O. M. Wiseman, who has served as Camp Director for the past several years.

During recent weeks, hikers from the camp have paid regular visits to the county seat and several softball games were played between the Camp Counselors and the local team. The relations existing between the merchants and townspeople of Burlington have been most pleasant and it is hoped that many local people will avail themselves of this opportunity to become better acquainted with Camp Ernst.
